Musical courier: A weekly journal devoted to music and the music trades. (1908). New York: Musical Courier Co.

W. G. Utermoehlen, Treasurer.

President of the Southern Music Teachers' Association the past year, he has been elected treasurer, also chairman of the committee on future policy for 1908-9. He is director of music in Columbia College, South Carolina, an institution for young ladies, with 200 enrolled music students, courses leading to graduation in all branches. He has built up the department from an enrollment of sixty to 200 within four years. The very successful manner in which he has discharged the duties of president of the Southern association is patent. Coming into office when

W. G. UTERMÖEHLEN, COLUMBIA, S. C.

the outlook was discouraging, it has taken tact, patience and courage, and he and Mr. Geiger, the new president, are one in their ideas as to the future policy. The year's work has proven it was no mistake when Mr. Utermoehlen was elected president last year, and he in turn gained the active co-operation of all the officers and the return of Mr. Geiger into the president's chair.

Mr. Utermoehlen is descended from a long line of German musicians, his great grandfather having been a horn player in the Esterhazy orchestra in Haydn's time.
