Dear Aunt Hans & Madge -
Your lovely
gifts you sent us all was appreciated
so much & we do thank you all,
for remembering us up here.
The material is gorgeous, one of my
favorite colors and I know will

make a lovely dress.

Willie, Gipsy & Bill want me to thank you for their gifts and say they liked them so much.

We spent a quiet Xmas at home. Lillian came a few days after, but did not get to finish her visit as Francis took sick and she was needed there, she was to see Ed only once before she left. He is well and seems satisfied now.

George was married last July in New York City, had a very quiet wedding did not send announcements. His wife was Louise Copeland, and a very fine girl, she is private secretary to a large accounting firm here. She is a graduate of University of Pgh & also of Miss Martin's secretarial school. We all like her so much.
