Dr. M. Clain

Neither words nor space here can adequately express my sincere gratitude to all those contributing to this event that climaxes our year's work by the outward show of this Coronation Service.

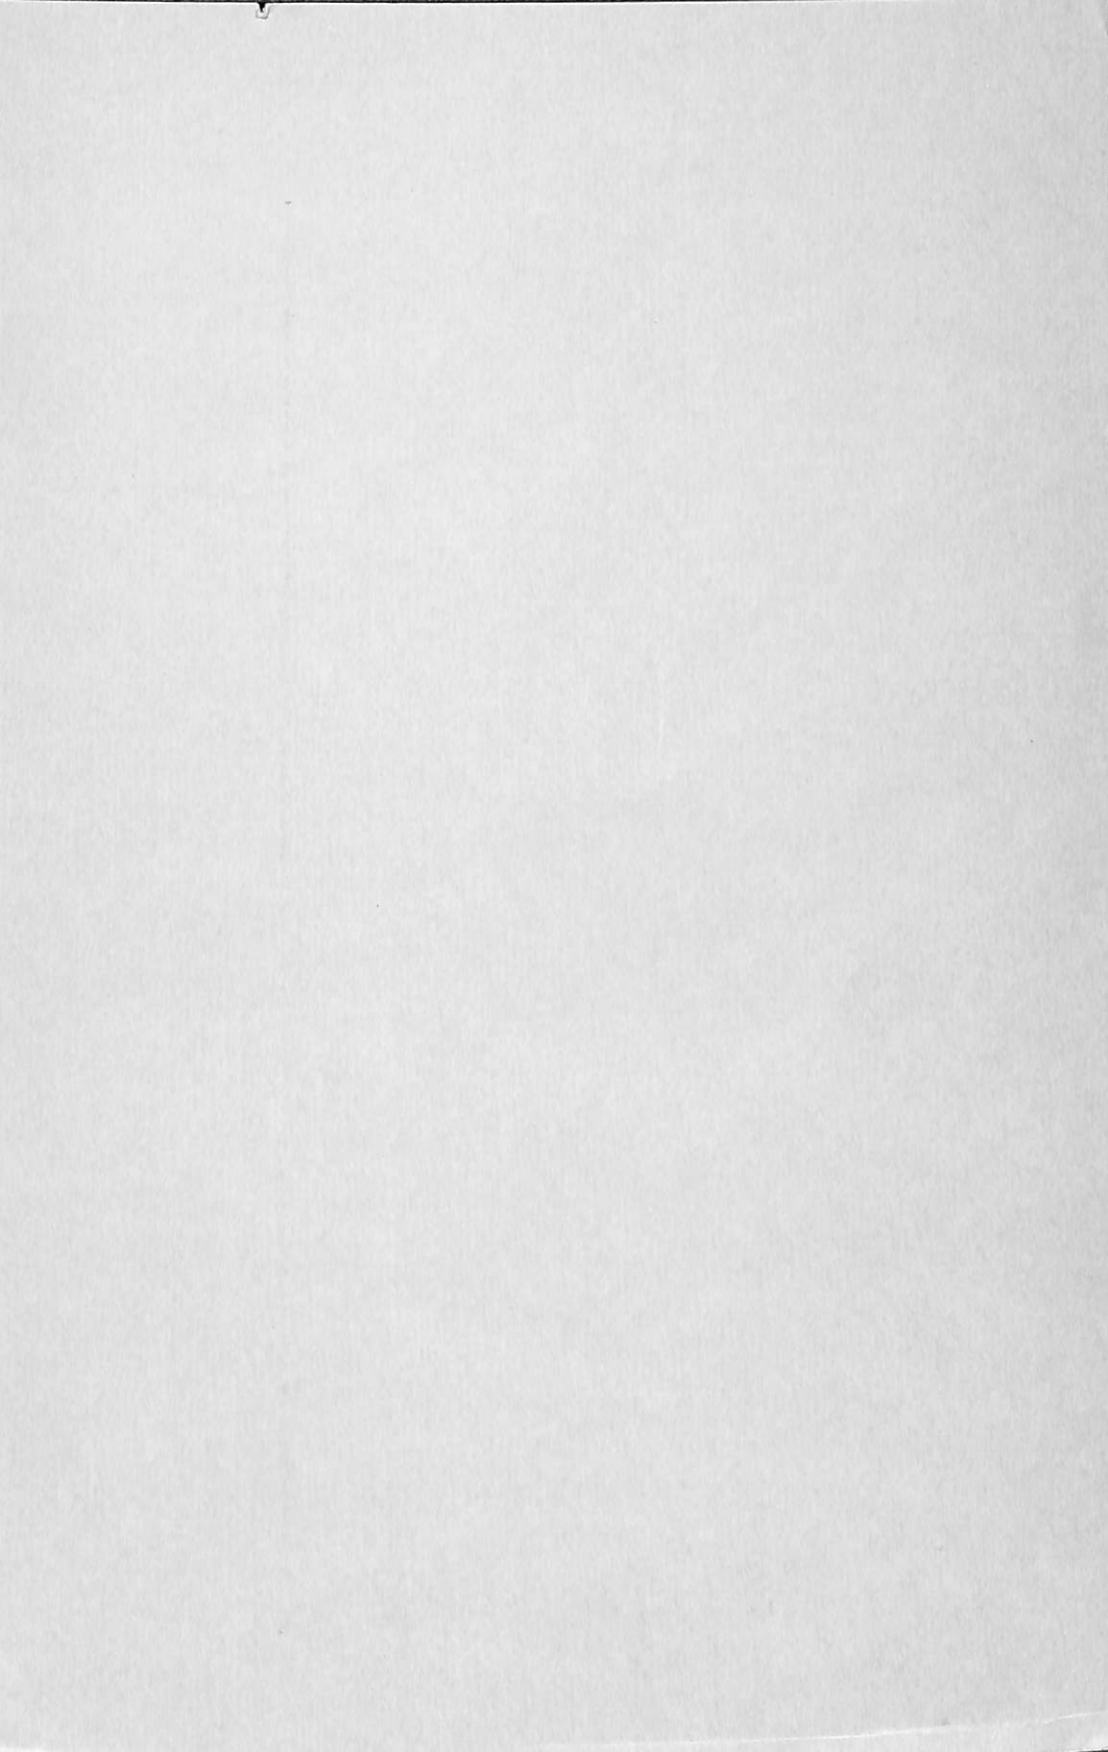

Unseen and behind the scene are the leaders who, sometimes discouraged, were faithful in spite of their seemingly thankless and unrewarding task. This is to thank them for their devotion and dedication that make this Service possible.

Most of all, I want to say "well done" to each one of the girls whose "I can't," ended with "I did it." I am sure that each girl and each parent is filled with pride with their accomplishment tonight.

It is my prayer that all the work done on the Forward Steps will enrich the lives of these young ladies, and their lives will truly be a shining example of Christian witness. May they exalt the name of Jesus Christ, our living Saviour, and may He truly reign in their hearts and lives wherever their life's vocation leads them.

Finally, it is with deep humility that we give thanks and praise to God, whose Son we seek to serve and glorify thru the Five Star Ideals embodied in this missionary program.
