

Rev. Thomas Dixon, Sr.

The above is a good likeness of Rev. Thomas Dixon, Sr., who is one of the oldest and widest known ministers in this section. His name is linked with the progress of the Baptist cause throughout this portion of the State. He has served one church—Prospect—continuously for over 46 years—a longer pastorate than that of any other preacher in the State, save possibly two.—Mr. Dixon has been in bad health for some time, but is much improved now. May he be spared many more useful years!
