My dear Granddaughter Mudge.

I Rec'd your letter yesterday and you know I was Glad all over to here from you & my Widow. Tell her I want to see her. Very much. I want to see you all. So badly I thought when I left your house that you & your mother would have come to Athens before now. I can't see anything to keep you from coming till Kans. I am looking for a letter from her and looking for her to come to see us. I can't tell now when I will be in Shelby. If I go to Washington this spring I will go or come by Shelby and stay a few days. It is doubtful whether I go to Washington it is a long trip and will cost a good deal. I will try and run over to Shelby sometime before July. We have been looking for Jimmie out here for some time you did not say a word about him. I was sorry to hear that your mother was not well. Tell her to come out here and stay a month with us and I think she will get well. She needs rest. Glad your Roommate is still with you. Hope she will stay a long time. I am glad you are getting fat & that your Sweater has sweated all the germs & Mycrob's out of you. Keep wearing it and it will make a stout woman of you. I am sitting in my little Room on Jackson street all alone don't I need my Widow to keep me company. Ednah has gone out visiting Lally has just come in from school I saw Roy Sunday. She's mighty pretty. We are all well. Hope you are all same. Now all of you write me at once & tell me how Lawton is. All mine in Lots of Love to you all. Lovingly G. M. Webb
