Dear Mary Lou,

You asked that I give you some special points that seemed to be outstanding in our W. M. U. work for the past two years.

1. Mission Emphasis for Foreign and Home Missions — Church wide Offerings and Study Courses. Offerings went beyond goals each year. Talks in Sun. School classes and Departments, also, special letters mailed to families seemed to help.
2. Special Intercessory prayer through Kathleen Mallory Circle was encouraged and promoted.
3. Two membership surveys were made.
4. Day + Night W. M. U. — Societies achieved Honor Ratings for 2 years.

Sincerely,

Laura Cornwell
