Dear Mrs. Hamrick:

In looking over our church roll we find thirty-five members who joined our church more than fifty years ago; and you, am thankful to say, are among that select number.

We thank God that He has preserved your life, and hope you will be able to participate in our Centennial Celebration which begins next Sunday morning.

Reserved seats will be kept for you just in front of the pulpit, and a flower will be given you as you enter our church next Sunday morning.

Looking forward to seeing you, and asking you to pray for an inspiring celebration, I am

Gratefully, your pastor,

Zeno Wall
