Dear Dr. Heaton:

I read about your conducting the funeral of Mrs. Thomas Dixon. Gardner-Webb College has Mr. Dixon's library. It was a gift of the late Mr. Lee B. Weathers, Publisher of The Shelby Daily Star. We try to collect all the books and materials on Mr. Thomas Dixon. If you know anyone we could contact that might have some of his material, please let me know.

Come to see us at Gardner-Webb College.

Your friend,

Eugene Poston
President
