

beet fly

dearest Fay -  
 I've been in such  
 a low state of mind -  
 and bewilderment -  
 I haven't been able to  
 collect my thoughts!  
 We want to thank  
 you for your wonderful  
 support and help -  
 the grand meal -  
 your graciousness -  
 surrounded by our  
 dear family - yes

such a comfort - and supported  
us through a very trying  
day!

These words are inadequate  
to express the hearts real  
feelings!

Distressed not to have seen Aunt  
Edna and Lollage again -  
when I called that day had such  
a splitting headache that  
I knew what I was saying - We  
were genuinely disappointed  
that you couldn't come down!  
Tues such a comfort to have  
Aunt Edna with us!  
Love to Mudge - do hope she is  
improving!

Many, many thanks to you,  
May and Mudge for the  
beautiful flowers.  
79, please come down to see  
us - would love to have  
a nice long talk - don't
