Dear Friends:

This morning the Presbyterian Orphans' Home received a very splendid contribution from Mrs. Renn Drum, of Shelby, which she has sent to this Orphanage in memory of your mother, Mrs. James L. Webb, and also in lieu of a floral design for the funeral of this dear one who has meant so much to both of you and to other loved ones. This is Mrs. Drum's way of showing her esteem and respect and regard for your mother, and it is also a medium by which she is endeavoring to express her sympathy to you two in the great and irreparable loss that you have so recently sustained.
