

MRS. CHARLES B. WEBB
49 Greenway Road
Birmingham, Alabama

Dearest Fay. —

Your letter has just come
and I simply can't tell you how
delighted Charlie and I are that
you are coming through here. We
would love to see you and
Ralph and meet the bride. I know
she is charming. Willcent wrote
me how attractive she is and
how much every one in Shelby
likes her — so we feel very
lucky that we are going to

Have the opportunity of meeting
her. Can't you all possibly stay
long enough to have lunch with
us? I can see how full your
schedule is but we would like so
much to have you all and Mr. Herby
if you can possibly spare the time.
I just got back from New York
yesterday and am so glad you didn't
come while I was away. He will
probably be in Tuscaloosa Saturday
too and may see you there but we
will certainly see you Friday
morning and do hope you can plan
to stay long enough for lunch.
Monday. Lots of love.
Julia May.
