YOUTH NIGHT

6:30 P. M.

Many long hours and several months have gone into tonight's worship service. The youth will present what I believe to be the best youth night ever.. They have already presented these dramas twice and each time with effective presentations. What I am trying to say is that this is no ordinary youth night but could be the highlight of the year for many of us.

We want you to come and be a part of tonight's service and invite your friends to come and worship with you.

Due to the length and nature of the service, we must start on time so please be in your place at 6:30.

Thanks,

Mel

The Senior High King's Players drama group will present two plays with the same theme. The first play is "Where Love Is" which is a parable play in one act dramatized from Tolstoy's story, "Where Love Is, There God Is Also." The story portrays a shoemaker who had a vision that Christ will visit him the next day. All during the day he relates to those he comes in contact with and finds that God is represented through other people as well as himself.

Immediately following, "The Least of These" a dramatization for a speaking chorus will present the challenge of the Lord's Prayer to modern man. This is a story to remind Christians of their duty to their fellow-man . . . giving assistance and guidance to the poor and rejected.

Prayer in "The Least of These" is significant to Christians. Too many of us glibly repeat this prayer with little or no thought given to an interpretation of it. We say, "Thy Kingdom come," but have so little concern in bringing the Kingdom to earth now. To the majority of us, it is a thing of the future—"Sometime—but not now."
