Catalog Requirements

The conditions and policies set forth in this catalog have binding effect upon the University and students for the academic year in which it is in force. The University reserves the right to make necessary changes and corrections. When changes are made in graduation requirements, the University accepts a moral obligation to provide students the conditions effective the year of their most recent continuous enrollment or an alternative which would not be punitive. Otherwise, all other requirements are effective and in force upon publication of changes.

Introduction to Gardner-Webb

Gardner-Webb University is a cordocational, residential, church-related university on a beautiful campus just outside Shelby at Boiling Springs, North Carolina. The University derives its name from O. Max Gardner, distinguished governor of North Carolina in the 1930s, and his wife, Fay Webb Gardner. The beauty of the campus and the quality of the academic program owe much to their example and leadership.

Location

Gardner-Webb University is located in the Piedmont section of western North Carolina, one of the most desirable and rapidly developing areas of our nation. Boiling Springs is a small rural town. Nearby Shelby, a city of 25,000, is noted for its support of the arts and as the home of state and national leaders. Forty-five miles east of Gardner-Webb is the thriving city of Charlotte, the largest city in the Carolinas. Less than one hour away to the south is the city of Spartanburg, South Carolina.

Gardner-Webb is easily accessible, being located only three miles from U.S. 74 and thirteen miles from Interstate 85. Less than one hour from campus are the Smoky Mountains with many recreational opportunities. Gardner-Webb University enjoys the lifestyle of a relatively small institution yet has the advantage of being centrally located to major urban resources in nearby areas.

Students

Gardner-Webb University, founded by Baptists in 1905, has grown steadily to its current enrollment of over 2,700 students. The 2,000 undergraduates come from many states and 30 foreign countries. Slightly less than half of the students are men, and the student body includes several racial and socioeconomic groups. Gardner-Webb University admits students of any race, color, sex, and national or ethnic origin without discrimination. This diversity enriches the life of the campus community and reflects the nature of American society.

Programs

Gardner-Webb University is committed to the liberal arts as the best preparation students can have for rewarding, meaningful lives. In addition, the University offers programs in career-oriented fields to prepare students for specialized work. All of the programs at Gardner-Webb are evaluated periodically by accrediting agencies to insure that standards of quality are maintained.

Gardner-Webb provides three distinct academic programs: the on-campus program, the COAL Program (evening classes taught in a number of locations for graduates of two-year colleges), and Graduate Programs. Gardner-Webb University has a graduate School of Education and Counseling (offering M.A. degrees in a variety of areas to teachers, counselors and social workers), a graduate School of Divinity (offering the M.Div. degree), and a graduate School of Business (offering the M.B.A. degree). For additional information on the COAL and Graduate programs, see the bulletins for each program.

The undergraduate on-campus program is designed to help the student gain maximum benefit by providing a balanced curriculum in general studies, a major field, minor(s) and selected electives. Students are encouraged to develop a proficiency in the oral and written use of the English language, an appreciation of cultural, social and scientific achievements, and an awareness of religion and history. The upper level courses provide opportunities for concentration in the areas of special interest and in professional and career-oriented fields. To meet such individual needs the academic program includes independent study and career internships.

Complementing the academic program at Gardner-Webb University is a broad range of student life programs and activities designed to enable students to develop their personal identities, and to create lifetime friendships.

Faculty

Gardner-Webb University is blessed with a dedicated staff and an excellent faculty, seventy percent of whom hold doctorates. The primary concern of the faculty is teaching. The faculty have been chosen because of their academic preparation, their Christian commitment, and their desire for excellence in teaching. Many of Gardner-Webb's faculty have blessed the University with long years of service. The faculty is large enough to provide well-rounded academic programs. Yet a major strength of Gardner-Webb is that the University has remained small enough so that the relationship between faculty and students is friendly, informal and lasting. The faculty/student ratio is 1:15.

Academic Calendar

The University's academic year is divided into two semesters and a summer school. The fall semester is a four-month term, ending prior to Christmas holidays. Following the four-month spring semester is a comprehensive summer school of two terms of five weeks each. Evening classes both on-campus and at various off-campus locations are offered throughout the year.

The calendar is designed to meet the needs of full-time students with day and evening schedules, part-time students, and members of the communities in which classes are taught who desire further educational work.

Summer school serves the purposes mentioned above and also provides an opportunity for new students or students enrolled in other colleges to accelerate completion of degree requirements.

Various study-abroad programs complement the academic calendar.

The University offers workshops and seminars on a variety of topics and for a variety of groups throughout the year.

History

Gardner-Webb University has experienced remarkable growth, perseverance, and maturity. The institution began as a boarding high school and later became a junior college. Today Gardner-Webb is a thriving regional university with growing master's programs.

From a movement initiated by the Kings Mountain Baptist Association in 1903, and later joined by the Sandy Run Baptist Association, the Boiling Springs High School was chartered on December 2, 1905, as an institution "where the young...could have the best possible educational advantages under distinctive Christian influence." This close relationship of the institution to the area churches continues today.

In response to the changing educational needs of the area the institution was transformed into the Boiling Springs Junior College in 1928. The Great Depression created many problems for the College, but its survival was secured by the sacrifices of many loyal supporters.

In 1942, Governor O. Max Gardner began devoting his energy, time, and wealth to strengthening and guiding the College. So important was his influence that the name of the institution was changed to Gardner-Webb College in honor of the governor, his wife Fay Webb Gardner, and their families.

The decades following World War II were years of physical growth and academic development. New buildings went up as enrollments increased. A major step in the institution's development was its full accreditation as a senior college in 1971. In 1980 the institution began offering a master of arts degree in education.

The institution officially became known as Gardner-Webb University in January 1993, culminating years of preparation. Today Gardner-Webb is a thriving regional university which offers eight distinct degree programs, has a highly qualified faculty and a beautiful campus of over 200 acres.

Historically the University has played significant roles in teacher education and ministerial preparation for church-related vocations. Programs of instruction and experiences designed to prepare teachers and ministers continue to be major objectives of the University.

Although there have been many changes over the years, Gardner-Webb University remains closely related to Baptist State Convention of North Carolina. The University holds in high esteem its commitment to Christian principles and values as the best foundation for the development of human personality and social order.

The Purpose of Gardner-Webb University

Gardner-Webb is a private, coeducational university affiliated with the Baptist State Convention of North Carolina. Its purpose is to provide learning of distinction in the liberal arts and in professional studies within a caring community based upon Christian principles and values. Students, faculty and staff are part of a community of learning, and Gardner-Webb seeks to prepare and encourage students to make meaningful contributions to the global community in which we live. To this end, the university strives to develop students intellectually, spiritually, socially and physically. They should be able to think independently and

critically, communicate effectively, relate well to persons of diverse backgrounds, understand the natural world, understand the development of civilization, understand and appreciate aesthetic values, and grow spiritually. To support this development and foster a community dedicated to life-long learning, Gardner-Webb emphasizes Christian values, academic freedom with responsibility, free intellectual inquiry and discussion, recognition of the dignity and worth of the individual, and strong faculty-student relationships. While pursuing these values, Gardner-Webb seeks to instill the traits of good citizenship in its students and strives to be a good institutional citizen.

Accreditation

Gardner-Webb University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate, Baccalaureate and Master's degrees. In addition several departmental programs are accredited by the appropriate state or national agencies. The Education program is accredited by the North Carolina Department of Public Instruction and the National Council for Accreditation of Teacher Education (NCATE). The Nursing and Music programs are accredited by the National League for Nursing and the National Association of Schools of Music respectively. The University is authorized by the Immigration authorities of the United States for the training of foreign students.

Campus and Buildings

The Gardner-Webb campus is beautiful, spacious, and rich in lawns and trees. It is designed and equipped to serve its living and learning community. Over 200 acres of rolling landscape provide more than adequate space for buildings, playing fields and landscaped areas. Extensive building and improvement projects have been completed in recent years. The present living and dining facilities are designed to serve a resident student body of approximately 1,000. Among the campus and buildings are the following:

Alumni House was acquired in 1980. Alumni Services, Sports Information, Graphics and Publications are housed here.

Athletic Fields consist of many acres of practice and playing fields, situated around the campus, for football, baseball, soccer and softball. There is adequate space for all sports, intramural and intercollegiate.

Blanton House is the residence of the University president. In 1981 the children of George and Ida Wood Blanton gave their family home to the University. Built in 1874, the colonial design house is located in Shelby.

Boat Physical Education Building and Swimming Pool is named in memory of L.C. Boat of Shelby and Mrs. Jean Boat Gardner. The facility contains basketball courts and classroom areas. The Olympic-sized swimming pool is heated and enclosed for year-round use.

Campus House was acquired in 1968. An addition was made in 1974.

Hubert M. Craig Hall is named in memory of Hubert M. Craig, Sr., of Gaston County, a former trustee of Gardner-Webb University. The building houses classrooms and offices for the Education and English departments.

Decker Hall, housing 140 women students, was named in memory of James Webb Decker Gardner, the son of the late Mr. and Mrs. O. Max Gardner, Sr. Built in 1948, the three-story brick structure was completely renovated in 1986.

Charles I. Dover Campus Center, constructed in 1966, was completely renovated in 1990. It houses the cafeteria, lounges, the Campus Shop, student government offices, student development administrative offices, and the academic advising center. The building is named in memory of Charles I. Dover of Shelby, a long-time friend and benefactor of Gardner-Webb University.

John R. Dover Memorial Library is named in memory of Mr. and Mrs. John R. Dover, Sr., pioneer industrialists of Cleveland County. The three-story structure, erected in 1974, is designed to provide seating for over 450 students. The library is equipped with state of the art computer technology, which provides access to libraries around the world. The holdings include several special book collections, the most notable being the library of the local post-Civil War author, Thomas Dixon, and the diaries and scrapbooks of the late Mrs. O. Max Gardner. The library houses the Bell-Ellis Computer Center which is equipped with state of the art computer equipment. The computer center was provided by the William Ellis family of Shelby, N.C., and the Bell Foundation. Located across from the Library is the Kathleen Nolan Dover Garden. The garden was given in memory of Mrs. Dover by her husband, Charles I. Dover, and their family and friends.

J.R. Dover, Jr., Memorial Chapel is a graceful and inspiring structure which stands at the formal entrance to the campus. Erected in 1972, the interior features a 336-seat auditorium. The lower level houses the Social Sciences department and classrooms.

Philip L. Elliott Hall, originally constructed in 1952, honors the memory of the seventh president of the University. Renovated in 1985, the building houses the Nursing Program and classrooms.

O. Max Gardner Memorial Hall, completed in 1948, was constructed and furnished by the family of the late Governor O. Max Gardner. The building contains a recital hall, music studios and offices, classrooms, practice rooms, a band room and the campus computer technology offices.

E.B. Hamrick Hall was built after World War I as a memorial to area residents who gave their lives for the cause of freedom. It was destroyed by fire and rebuilt in 1946. In 1943, the rebuilt structure was named in memory of E.B. Hamrick. In 1982, the building was placed on the National Register of Historic Places. In 1997, the building was completely renovated and now houses the School of Business and a multi-purpose auditorium.

Hoey-Anthony-Padgett-Young (H.A.P.Y.) Hall houses 120 women students and was completely renovated in 1986. The central section of the residence hall was constructed in 1946, and the wings were added in 1948 to form an open quadrangle. The east wing is named in memory of the Reverend John W. Sattle of Shelby, and the west wing is named in memory of A.W. McMurtry of Shelby. Hoey-Anthony is the first floor of the central building, named in memory of Senator Clyde E. Hoey and his wife, Ben Gardner Hoey, of Shelby; and in memory of J.A. Anthony and his wife, Ollie Gardner Anthony, of Shelby. Padgett-Young is the second floor, named in memory of Tillus R. Padgett and

his wife, Cleo King Padgett, of Forest City; and in memory of Dr. Guilford Young and his wife, Florence Jackson Young, of Forest City.

International House provides study and relaxation space for international students who attend Gardner-Webb. A portion of the building is used for faculty and staff offices.

Lake Hollifield Complex is named in honor of Mr. and Mrs. Hughey H. Hollifield, Gardner-Webb alumnus and trustee respectively. The lake is surrounded by walking trails, and a bell tower with a forty-eight bell carillon.

Lindsay Hall, completed in 1967 and completely renovated in 1992, is a three-story, air-conditioned structure. It was named for the late David Lindsay and his wife, Winifred Herbert Lindsay, of Rutherfordton. The building houses the School of Business, the Religion and Psychology departments and classrooms.

Lutz-Yelton Convocation Center, completed in 1982, serves as the center of cultural and athletic activities for the area. Included in the Center is the 600 seat Kathleen Nolan Dover Theatre, named in her memory by her husband, Charles I. Dover, and their family. The stage is fully equipped to handle all types of dramatic productions. Also included in the Center is the Paul Porter Arena, which seats 5,000 for basketball games and various meetings. Classrooms, offices for faculty and coaches, handball courts and athletic training facilities complete the Center.

Lutz-Yelton Hall houses 100 men. This impressive building, completed in 1963, is named for the former Lutz-Yelton Companies of Shelby.

Mauney Hall is a four-story brick structure completed in 1965. It houses 112 men and is named in honor of Mr. and Mrs. W.K. Mauney, Sr., and in memory of Mr. and Mrs D.C. Mauney of Kings Mountain.

Myers Hall, named in memory of Albert C. Myers, Sr., of Gastonia, was completed in 1967. The attractive two-story brick structure houses 64 students.

Nannery Hall, completed in 1967 and renovated in 1993 is a two-story brick structure which houses 64 women students. Nannery Hall is named in memory of C.P. and Irene B. Nannery of Gastonia.

Noel Hall, built in 1992, is a two-story brick structure which houses the School of Divinity and academic classrooms. The hall is named in memory of Dr. and Mrs. George T. Noel, of Kannapolis, N.C.

Noel House contains the programs for students with disabilities. The house was named in 1986 in memory of Dr. and Mrs. George T. Noel, of Kannapolis, N.C.

Physical Plant Building, formerly the Bolling Springs Elementary School, houses the physical plant, housekeeping, and maintenance offices, as well as the Communications Studies department. The property was acquired in 1990.

Poston Center, named for Dr. Gene Poston, Gardner-Webb's eighth president, contains a visitors' center, the Safety and Security Department offices and student publications.

Radio Station WGHW is a 50,000-watt stereo FM educational station broadcasting over a radius of 75 miles. Made possible by the family of the late Lee Polk Peans of Hickory, N.C., the studios are located on campus.

Reyster Hall, which houses 66 men students, was formerly Reyster Memorial Hospital. When the Crassey Memorial Hospital was completed in 1977, the one-story brick building was renovated for residence hall use.

Ernest W. Spangler Memorial Stadium, completed in 1966, includes a football stadium seating 4,000, a track, and a fully equipped field house. The facility is named in memory of Ernest W. and Verna Patrick Spangler of Shelby. The field house is named in honor of V.F. Hamrick of Shelby.

Spangler Hall was constructed in 1968 and houses 96 men. The three-story brick building is named in memory of R. Patrick Spangler of Shelby, a friend and benefactor of the University.

Stroup Hall houses 100 women and was completely renovated in 1986. The three-story brick structure is named in memory of Mrs. Mae Cline Stroup, a benefactor and trustee.

Suttle Hall, the east wing of the H.A.P.Y. complex, is named in memory of the Reverend John W. Suttle. It contains the offices of the College for Extended Professional Studies (COALS), the offices of the Graduate School of Education and Counseling, and selected faculty.

Suttle Tennis Courts are named in honor of Mr. and Mrs. J.L. Suttle, Jr., of Shelby. The eight courts are lighted for evening play.

University Commons is a student apartment complex located on campus on Stadium Drive. Overlooking beautiful Lake Hollifield, the 144 bed complex built in 1997 offers superior accommodations for upper classmen.

Washburn Hall was purchased and completely renovated in 1990. The building contains the offices of Admissions and Financial Planning. It is named in honor of Dr. and Mrs. Gene Washburn of Boiling Springs, N.C.

Washburn Memorial Building is a brick structure erected in 1941 by Seaton A. Washburn in memory of the Washburn families. Originally used as a library, the building now houses the Department of Foreign Languages.

Webb Hall was built by the O. Max Gardner Foundation in memory of Mrs. O. Max (Fay Webb) Gardner, her parents, grandparents, and great-grandparents. The first wing was completed in 1960, and the second wing was added in 1973. The building houses administrative offices, including the office of the president. In front of the Webb Hall is the Suttle-Wall Tower of Light. The tower, built in 1969, is in memory of Joseph Linton Suttle and Dr. Zeno Wall.

Crawley E. Williams Observatory, named in honor of Gardner-Webb's ninth president, was built in 1990. The facility contains a powerful telescope and a multipurpose conference room.

Withrow Mathematics and Science Hall, named in memory of A.T. Withrow of Charlotte, a benefactor of the University, has facilities for mathematics, biology, chemistry, and physics.

Special Academies

The Broyhill Academy for the Study of Independent Concepts

The Broyhill Academy's programs are designed to help citizens examine basic concepts and issues, especially the preservation of individualism and a free economic system. Through a variety of conferences, symposia, and publications, the Academy provides information relative to economic, social, and ethical issues.

B.E. Morris Academy for Christian Studies

The Reverend B.E. Morris, his family and friends contributed generously to endow the B.E. Morris Academy for Christian Studies. The academy sponsors special learning opportunities both on and off campus to assist church and denominational leaders in their ministries.

Visitor's Information

Visitors to Gardner-Webb University are welcome at all times. It is accessible to airline services at Charlotte and Greenville-Spartanburg. The telegraph address is Shelby, and the University is served by the Shelby-Lattimore telephone exchange. The number is (704) 434-2361. The FAX number is (704) 434-4FAX, (4328).

Web Site

If a personal visit to campus is not possible, the University can be experienced on the Internet at www.gardner-webb.edu for all the latest information about campus life, academic programs, athletics and other events making news at GWU. Prospective students can take a campus tour, submit questions about the university, and even apply for admission through the web site.

Academic Program

The academic program of Gardner-Webb University is designed to prepare graduates to go directly into such fields as business, public service, teaching and nursing or to enter graduate and professional schools. The academic program is designed to meet the needs of a wide variety of students, ranging from academic honors to learning assistance.

Degrees and Major Fields of Concentration

Gardner-Webb University has three graduate schools which award master's degrees. The Graduate School of Education and Counseling offers the **Master of Arts** degree in Education, Educational Administration, Physical Education, English Education, School Counseling and Agency Counseling. The Graduate School of Divinity offers the **Master of Divinity** degree. The Graduate School of Business offers the **Master of Business Administration** degree.

For detailed information concerning the graduate programs please contact the Graduate Program office of Gardner-Webb University.

The **Bachelor of Arts** degree is awarded in the following fields: American Sign Language, Communications Studies, English, English with Teacher Certification, French, French with Teacher Certification, History, Music, Music Education, Religious Studies (Religious and Education Studies tracks), Sacred Music, Social Science, Social Science with Teacher Certification, Sociology, Spanish, and Spanish with Teacher Certification.

The **Bachelor of Science** degree is awarded in the following fields: Accounting, Biology, Biology with Teacher Certification, Business Administration, Chemistry, Chemistry with Teacher Certification, Computer Science, Elementary Education (K-6), Health Education, Health Education with Teacher Certification, International Business, Management Information Systems, Mathematics, Mathematics with Teacher Certification, Medical Technology, Physical Education, Physical Education with Teacher Certification, Physician Assistant, and Psychology. Dual degree programs in Engineering are offered with Auburn University and the University of North Carolina at Charlotte.

The **Bachelor of Science in Nursing** degree may be earned on the main campus, at the facility in Statesville, N.C. and at other locations.

The **Associate in Arts** degree is awarded in Nursing.

Minor Fields of Concentration

Requirements for most of the major fields in the B.A. and B.S. programs include a minor consisting of at least 13 semester hours.

The following minor fields are available: American Sign Language, Art, Athletic Training, Biology, Business Administration, Biblical Languages and Literature, Biblical Studies, Chemistry, Christian History and Thought, Christian Studies, Classical Languages, Coaching, Communications Studies, Computer Science, Criminal Justice, Economics, English, Foreign Languages, French, General Science, Health Education, Health Science, History, International Business, Interpreter Training, Management, Management Information Systems, Marketing,

Mathematics, Music, Philosophy, Physical Sciences, Political Sciences, Professional Education, Psychology, Religious Studies, Sign Language Studies, Social Sciences, Sociology, Spanish and Theater Arts.

General Studies

A strong emphasis on the liberal arts continues to be a significant feature of the academic program for undergraduate students. The University seeks to develop quality graduates who think logically, communicate clearly, and appreciate broadly. Therefore, every student is expected to demonstrate competency in English, reading and mathematics. In addition, the General Studies requirements reflect a broad and diversified curriculum designed to prepare students for a future of continual growth.

Independent Study and Research

An integral part of the academic program at Gardner-Webb University is the opportunity to do independent study and to conduct research projects. With the assistance of faculty members, junior and senior students are encouraged to develop expertise in areas of interest beyond those covered in the course offerings.

Experiential Education

Gardner-Webb University supports programs which encourage students to relate classroom learning to work experience. In fields such as Teacher Education, Nursing, Physician Assistant and Medical Technology, the experiential dimension is interwoven in the course requirements. In other fields, such as Communications Studies, Psychology and Religious Studies, students are encouraged to participate in internships. Internships are available throughout the academic year and during summers. For additional information students should contact the departmental chair of the area of interest.

Preprofessional Programs

Gardner-Webb University offers programs which prepare students for professional studies in such fields as ministry, medicine, dentistry and law. In addition, the University prepares students to enter any professional programs, either at the graduate or undergraduate level, that are based on a liberal arts education.

Preministerial (Any Full-time Christian Vocation)

Traditionally a significant number of Gardner-Webb students have prepared for a variety of Christian ministries. Although no particular major is required for seminary or divinity school, in general, students who are interested in these areas should expect either to major in Religious Studies or in any of the liberal arts areas.

Premedical and Pre dental

Medical and dental schools desire students who have demonstrated academic excellence in science fields combined with the broad base supplied by the liberal arts. Gardner-Webb graduates have experienced a high degree of success in gaining admission to medical and dental schools. Students interested in these schools are encouraged to major in Biology or Chemistry. Students interested in a career in veterinary medicine, optometry and other health professions that require graduate work generally complete the same courses as premedical and pre dental students.

Prelaw

According to the Association of Law Schools, there are two objectives of undergraduate education for prospective law students: first, the student should learn to reason logically; second, the student should learn to express thoughts clearly and concisely both orally and in writing. Gardner-Webb University provides a number of majors that give the student background for admission to law school.

All Preprofessional Majors

Gardner-Webb University encourages students who plan to enter a professional school for graduate work following their baccalaureate degree to use the catalog of the professional school they wish to enter as a guide to choosing undergraduate courses. In order to assist students, Gardner-Webb University provides the services of faculty advisers for each preprofessional program.

Professional Programs

Gardner-Webb University offers professional programs in a number of areas, including Accounting, Administrative Management, Business Administration, Communication Studies, Computer Science, Management Information Systems, Medical Technology, Nursing, and Physician Assistant. Also, Gardner-Webb University in cooperation with the schools of engineering at Albion University and the University of North Carolina-Charlotte offers a dual-degree program in mathematics and engineering. These programs require three years of study at Gardner-Webb and two years at the above-named universities. Graduates of these programs are prepared to enter beginning-level professional positions. Many also continue their studies in graduate programs.

Special Academic Programs

Gardner-Webb University offers a variety of special academic programs for students with special needs and qualifications.

NOEL Program for the Disabled

The Noel Program for the Disabled provides support services to Deaf, blind and all students with documentation of their disabilities.

In order to assess each disabled student's needs and to provide the necessary support services, professional documentation of a disability or disabilities must be furnished no later than three weeks prior to the beginning of services. Documentation must be current having been written within at least a three-year period before a disabled student's enrollment to Gardner-Webb University. Upon acceptance at the University, documentation should be sent to the Noel Program for the Disabled.

Program for the Blind and Visually Impaired

Through this program students who are blind or visually impaired have full access to a baccalaureate education. Special orientation is given to help students make the transition to college. Reader service is provided by the University, and a laboratory assistant aids students taking science courses.

A wide variety of equipment, including brailers, adapted tape recorders, talking calculators and specialized computer technology is also available. In order to meet the needs both of visually impaired and blind students, the University maintains an equipped resource room located in the library and a technology lab located in the Noel House.

The program director as well as other staff are available for academic, personal and career guidance.

Applicants may submit test scores from the SAT or ACT for admission purposes. Academic standards are the same as those for sighted students.

Program for the Deaf and Hard of Hearing

Gardner-Webb University provides liberal arts educational opportunities for deaf and hard of hearing students. Qualified interpreters, counselors, tutors, and note-takers enable these students to attend fully integrated classes and to participate in extracurricular activities sponsored by the University.

The Learning Assistance Program can help students who lack proficiency in English, mathematics or reading.

Residence halls are equipped with visual fire alarms, and doorbell lights. The University is alert to the need for sound amplification equipment that will aid the hard of hearing student in the classroom.

The program director and other staff are proficient in sign language. They are available for academic, personal, and career guidance.

Applicants may submit test scores from the SAT, ACT or the SATII (Standard Achievement Test for the Hearing Impaired) for admission purposes. Academic standards are the same as those for hearing students.

Learning Assistance Program

The Learning Assistance Program is designed to help students attain proficiency in the fundamental academic skills: writing, reading, mathematics, and study skills. The program features a Writing Center where any Gardner-Webb student may receive help with any writing task, and a Learning Assistance Center where any Gardner-Webb student may request help with a particular reading, mathematics or study skill. This help may be provided in the form of tutoring, computer-assisted instruction in a modern computer lab, taped instruction, or other learning materials appropriate for the student's needs. The Learning Assistance

Program also offers basic skills courses in reading, writing, and mathematics. Students receive individual attention focused on their particular needs as well as ample opportunities to practice their skills in a supportive environment. In addition, the program presents occasional workshops on reading, writing, and study skills.

GOAL Program

The Greater Opportunities for Adult Learners (GOAL) program provides opportunities for students possessing an A.A. or A.A.S. degree to continue their studies culminating in a baccalaureate degree. GOAL programs are available in the following curricular areas: Accounting, Business Administration, Business Management, Health Management, Criminal Justice, Human Services, Management Information Systems, and Nursing.

Courses in the GOAL program are scheduled on weekday evenings in a number of GOAL centers. In addition to the Gardner-Webb campus, GOAL programs are provided in the following regional locations: Charlotte, Dallas, Dobson, Marion, Valdese, Newton, Rockingham, Spindale, Spruce Pine, Statesville, Troy, Wilkesboro, and Winston-Salem.

For additional information on the GOAL program contact the office of the College of Extended Professional Studies on the Gardner-Webb campus or consult the GOAL Bulletin.

High School Seniors Program

With the consent and recommendation of the high school principal, rising high school seniors may complete their last year of high school at Gardner-Webb University while simultaneously earning full college credit.

High school seniors and rising high school seniors may take courses at Gardner-Webb University while still enrolled in high school.

College credit for work successfully completed will be granted subsequent to high school graduation.

Honors Program

The Honors Program provides special opportunities for academically talented students. In addition to special honors and interdisciplinary classes, a variety of lectures, trips and other events are planned for students. An Honors House is available on campus for study and recreation. Application procedures are available through the Admissions Office.

International Transfer Program

Gardner-Webb University has a transfer agreement with Daito University, a leading private university in Sapporo, Japan. This program allows Japanese students to complete their junior and senior years at Gardner-Webb and to graduate with the major and degree of their choice. Gardner-Webb students may also transfer to Daito University providing they have proficiency in the Japanese language.

Gardner-Webb University also has a transfer agreement with the Sookmyung Women's University in Seoul, Korea. Similar arrangements are currently being

negotiated with universities in Germany, Australia, Thailand and the Peoples Republic of China.

Medical Technology

Gardner-Webb University has entered into agreements with the Bowman Gray School of Medicine of Wake Forest University and with the Carolinian Medical Center of Charlotte whereby students may earn the Bachelor of Science degree in medical technology. Students complete three years of study at Gardner-Webb and the final year at the clinical facility. See Special Programs for details.

Nursing

Through the Nursing Program, students may earn associate and bachelor's degrees. Both the associate degree and bachelor's degrees are offered on the Gardner-Webb campus. The Bachelor of Science in Nursing program in Statesville, N.C. is a two-year program designed for registered nurses, and offered through the Davis School of Nursing.

Physician Assistant Program

The Physician Assistant Program is a cooperative program with the Bowman Gray School of Medicine of Wake Forest University. The student completes three years of work at Gardner-Webb University then enters Bowman Gray for two additional years of study. Upon successful completion of this curriculum, the student receives a baccalaureate degree from Gardner-Webb and a Physician Assistant Certificate of graduation from Bowman Gray.

Study Abroad

Through the Beyerhill School of Management and the Departments of Fine Arts, Foreign Languages and Literature, and Religious Studies, students are provided opportunities to enrich their educational experiences through travel in Canada, Europe, Latin America, and the Mediterranean area. Other foreign studies opportunities are also available.

Academic Support Services

Gardner-Webb University recognizes the individual needs of students. In order to maximize the student's opportunity for success, the University places emphasis on a variety of academic support services.

Academic Advising

Students are assigned faculty advisers when they enter Gardner-Webb University. These assignments are based on academic and vocational interests as well as upon personal compatibility. A significant part of the freshman orientation program involves the use of small groups led by faculty members.

Academic Advising Center

Located in the Dover Campus Center, the *Academic Advising Center* works with faculty advisers to provide students with comprehensive academic advising services. Assistance in career counseling and planning is provided in the Counseling Center located in the Dover Campus Center. The services of the Center are available to students on a walk-in or appointment basis.

Computer Facilities

In several locations on campus, the Gardner-Webb University student has ready access to a wide variety of computer facilities, including five minicomputer systems and numerous microcomputers. In addition to the use of computers in the Computer Science and Management Information Systems programs, computers are an integral part of programs such as Learning Assistance, English, Education, Mathematics, Nursing, Psychology and Business Administration.

Access to Internet is provided through computer labs on campus.

Library

The Dover Memorial Library is an active and integral part of the University's academic program. The library's collections, available on open stacks, support all areas of the curriculum with a total item count of approximately 750,000, including 190,000 volumes, 480,000 microfiches, and many other materials such as charts, kits and puppets. The library subscribes to 900 periodicals and is a selective depository for federal government documents.

In addition to its collections, the library provides numerous services to reinforce and enhance the instructional process. Professional librarians are available for individual and group instruction. Computerized searching and interlibrary loan services are available. The library is equipped with state of the art computer technology which allows electronic access to data bases around the world. The library's Intopac system provides access to our book collection, to cd-rom indexes, and World Wide Web. Professional librarians are available for individual and group instruction. Inter library loan services are available.

Student Life

Gardner-Webb University is committed to the education of the whole person. This includes the mind, the body and the spirit. To this end, the University considers the student's activities outside the classroom to be just as important as the classroom experiences. These activities and others help the student to develop social and interpersonal skills, deepen spiritual commitments, explore career opportunities, formulate a philosophy of life, develop leadership skills, and develop sound ethical and moral principles. Experiences in residence halls, student government, religious life, the Campus Center, service organizations, informal social groups, and intramural teams are important to the student's total development. The University supports and encourages student involvement in a variety of activities.

The Student Development Division consists of the departments of Campus Ministry, Counseling, Career Services, Community Services, Residence Life, University Police, and Student Activities.

Athletics

Gardner-Webb Intramurals

The Gardner-Webb Intramural/Recreational Sports Program's purpose is to actively encourage, provide, and promote recreational activities to enrich the quality of physical, mental, spiritual, and social life for the Gardner-Webb "family."

Intercollegiate

Gardner-Webb University is a member of the National Collegiate Athletic Association Division II (NCAA II) and the South Atlantic Conference (SAC). Intercollegiate teams compete in football, men's and women's basketball, baseball, golf, men's and women's soccer, men's and women's cross-country, women's volleyball, women's softball, and men's and women's tennis and wrestling. Also in the Department of Athletics are cheerleading and athletic training.

Campus Ministry

While Gardner-Webb is committed to excellence in academics, it is equally committed to the spiritual growth of each of its students. The Campus Ministry staff provides Christian ministry to the Gardner-Webb family and nurtures campus religious life. To encourage growth, the Campus Ministry staff:

- Offers pastoral care to students, faculty, administration, and staff.
- Serves as advisors to student ministry organizations on campus.
- Coordinates DIMENSIONS and the planning of worship services held for the University community.
- Provides vocational counseling and placement assistance to students interested in church related vocations.

- Assists students in finding a place of worship as they seek a family of faith with which to affiliate.

Campus Ministry provides numerous opportunities for the spiritual development of each student. Through student ministry organizations, students are encouraged and challenged in personal discipleship, corporate worship, and life-changing ministry and mission experiences.

Campus Ministries United (CMU) is an umbrella association which consist of all campus ministry groups and seeks to promote unity within the body of Christ at Gardner-Webb University. A sixteen member council consists of students who are committed to leading the Gardner-Webb family to a deeper commitment to Christ. Each council member oversees a different aspect of Campus Ministry. The council promotes unified functioning, mutual understanding and cooperation among the various campus ministry groups. A listing of student ministry organizations can be found on page 28.

Counseling Center

The Counseling Center is available to assist students in making the most of their opportunities for academic and personal development while attending the university. Personal and career counseling services are provided.

The professionally trained and experienced counselors are committed to assisting students in their total development. They assist the student with self-assessment, self-understanding, personal and social adjustment. They seek to provide a concerned, caring environment where students learn individual responsibility, and skills for coping with crisis situations, present and future problems.

Counseling services for students are offered without cost to the student. Counseling sessions are kept confidential. Referral services are available for students, faculty and staff who need them. The Counseling Center has a contractual agreement with Woodbridge Psychological Associates and Rutherford County Hospital for psychological services.

Career Services

The Career Services Office assists undergraduates and alumni with career planning and the job search. The services are available to all GWU students, graduate students and alumni. Services include career fairs and on-campus interviewing for students and alumni seeking employment and workshops on career-related subjects. Career inventories, both paper and pencil and computerized, are also available. Career Fairs are held throughout the year. Resource materials, written video, and computerized for the career and job search are available on internships, summer positions and full and part-time positions. The Career Services Office also works in conjunction with the Financial Planning Office in the placement of student workers in work study positions on campus.

Community Services

The Office of Community Services serves as a clearinghouse for anyone interested in participating in local community activities. These activities may

include volunteerism at churches and human service agencies, participation in social and recreational functions, and representation of the University at regular events in the community. While all of these activities can provide rewarding experiences for participants, the focus of the Community Services Office is to coordinate the activities of the Student Volunteer Corps. The Community Services Office works in conjunction with the Career Services Office with maintaining a volunteer transcript which should prove to be beneficial in the job search.

All students, as well as faculty, staff, and other members of the University family are encouraged to become involved in the local community by contacting the Office of Community Services.

Freshman/Senior Programs

Once a student has been accepted to attend Gardner-Webb the Student Development Division begins its communication with the student. All new and transfer students are required to participate in an orientation program as well as the fall Big Brother, Big Sister, and Faculty Mentor Program. The division also coordinates a brief orientation program for new and transfer students who enter the university in January.

Throughout the year there are many opportunities for involvement with faculty, staff and other students. The Freshman class elects officers in the first several weeks of the fall semester and organizes programs throughout the year.

In addition to coordinating a variety of programming opportunities, the staff members offer individual guidance to freshmen including areas of personal adjustments, study skills, and time management.

Residence Life

The University strives to make residential living attractive, comfortable and developmental in nature. All of the residence halls are air conditioned, and rooms are designed for double occupancy. Students should bring books, pillows, and other items to personalize their room. It is strongly suggested that they consult with their roommate about decor and items they want to bring.

Residence halls open the day before registration each semester and close after classes at the end of the fall, spring and summer semesters. Seniors only may remain through Commencement in spring and summer semesters. Residence halls close during vacation periods (fall break, Thanksgiving, Christmas, spring break, and Easter).

Room assignments are made through the Residence Life Office. Notification of room assignment will be made during the summer.

Each residence hall is staffed with an Area Director and Resident Advisors. The staff is available to assist students with a variety of situations and procedures. The halls are equipped with laundry rooms, coin operated washers and dryers, vending machines for snacks, and beverages, and lockers. Each room has telephone and cable TV service with DC and International access convenient to all areas of campus.

Each Residence Hall is also governed by a Hall Council and the Residential Housing Association. These elected student representatives provide programs for

their respective populations utilizing funds from an activity fee. The \$20 (non-refundable) residence hall activity fee must be paid at check-in annually.

Communications Services/Fee

All students are required to pay a non-refundable communications services fee of \$45 per semester. This fee will be billed by the University or an agent designated by the University. This fee is required to make communications services available to all students. Services may include cable television (educational, informational, and entertainment) and access to the University telephone network. In addition, all students will be issued a long distance telephone access code for their personal use only. All long distance fees charged to the code are payable upon billing to the University or an agent of the University. Students are solely financially liable and responsible for all telephone arrangements and calls made from their code until the code is reported lost or stolen. This includes all authorized or unauthorized use of University or individual telephone lines/networks. The student also agrees to abide by the terms and conditions of the long distance service by accepting and/or using the code. By accessing the telecommunications network, each student authorizes the University to release to the billing agent all directory information and social security numbers for billing and credit purposes. Students further authorize the University to assist in collection of fees and tolls by withholding transcripts, grades and registration.

More specific Residence Life policies and guidelines may be found in The Student Handbook and the Housing Contract.

Residency Requirements

- (1) All single, full-time undergraduate students enrolled in the regular program are required to live on campus. Exceptions will be considered for the following reasons:
 - (a) Living with parent or guardian
 - (b) 21 years of age or older prior to the beginning of the academic year
 - (c) Completed 120 consecutive days of military duty
 - (d) Lived in a university residence hall six semesters (fall or spring)
 - (e) Achieved 90 semester hours of university credit
 - (f) Permission from the Director of Residence Life

Note: Full-time students desiring commuter status must complete and submit a Commuter Application Contract along with a \$50 Advance Deposit. New students should submit the application and deposit upon acceptance. Continuing students wishing to change from a resident to commuter status must submit the application and fee no later than April 15th for the following fall.

A student who chooses to live off campus and fails to obtain approval for commuter status will be subject to revocation of registration, loss of institutional financial aid, and/or fines.

- (2) Married or part-time students enrolled in the regular program must complete and submit the Commuter Application Contract along with the \$50 Advance

Deposit. Part-time students desiring to live in a residence hall can apply for residential status by contacting the Residence Life Office.

- (3) All resident students are required to purchase a University meal plan. Exemptions will be considered only for medical reasons when the University's food service cannot accommodate the necessary dietary requirements. Medical exemptions must be requested in writing at least 15 days prior to registration and be accompanied by a doctor's statement and prescribed diet.

Room Reservation Policy and Procedures

- (1) **Policy:** All resident students must submit a properly completed Application and Contract for Housing and pay a \$150 Room Reservation Deposit before a room will be reserved. The Room Deposit will be forfeited if the reserved room is not utilized.
- (2) **Procedures:**
- New students enrolling for the fall semester should submit the housing contract and \$150 Room Reservation Deposit within 30 days of acceptance or before the opening of school. **THE ROOM RESERVATION DEPOSIT IS NON-REFUNDABLE.**
 - Continuing students may reserve rooms beginning March 1st. Each student must submit to the Office of Residence Life verification of payment of the \$150 Room Reservation Deposit and a properly completed housing contract. **THE ROOM RESERVATION DEPOSIT IS NON-REFUNDABLE.**

University Police

The University Police Department is a multi-functional service agency whose primary purpose is to protect the University community and enforce regulations designed for the safety and security of life and property. Full-time officers are professionals who have been properly trained, certified, and commissioned. Services provided by the department include traffic control, engraving, educational seminars, a 24-hour emergency number, vehicle entry service for "lock-outs" vehicle "jump-starts", and escort service. Officers patrol the entire campus on foot, bicycles, and in a marked campus police vehicle. The department also employs students who are uniformed.

Post Office

The campus post office is located on the ground level of the Dover Campus Center. It is a limited service branch of the U.S. Post Office that sells stamps/stamped envelopes, mail packages (up to 20lbs.), and certifies and insures (up to \$500) letters or packages. The town of Boiling Springs post office is located adjacent to the campus within easy walking distance.

A resident student will retain the same campus post office box number throughout his/her enrollment at Gardner-Webb. New students will receive their box assignments when they receive their room assignment. The box number must be used on all future correspondence. When the student arrives on campus he/she

is expected to go to the Post Office to receive the combination numbers for the box. Each resident should check his/her mail daily. In addition to incoming mail being placed in the student's box (normally by 10:00 a.m.), it is the main way of distributing communications from others on campus. The student is responsible for knowing and responding to communications placed in his/her box.

The Campus Post Office also provides mail service to commuter students. Commuters may go to the Campus Post Office window, present their valid Gardner-Webb ID, and pick up their mail.

Hours of operation: Monday-Friday 9-4 pm and Saturday 9 am-12 noon.

Student Activities

The office of Student Activities is responsible for the educational and entertainment programming for the students at Gardner-Webb University. A variety of programs are offered to help and encourage the student to grow socially, culturally, and spiritually. All students are encouraged to attend and take part in campus activities.

The department is also committed to ensuring that all programs reflect our Christian values and commitment by providing a staff of students and professionals who are dedicated to the development of the total student.

The Student Activities office is a multi-functioning student centered area, responsible for assisting students in forming clubs, organizations and special events. The activities that are planned range from weekend movies, comedy acts, novelty, and special event dances. The Student Activities Director oversees the Student Entertainment Association to provide quality entertainment.

Gardner-Webb Intramurals

The Gardner-Webb Intramural/Recreational Sports Program's purpose is to actively encourage, provide, and promote recreational activities to enrich the quality of physical, mental, spiritual, and social life for the Gardner-Webb "family." A wide variety of sports are offered in the fall and spring semesters. Any currently enrolled student or current faculty/staff member may participate.

Student Government

Representing the interest of the Gardner-Webb student body is the Student Government Association (SGA). Projects and proposals dealing with social, cultural, and academic life are promoted by the SGA officers and the Student Senate. The SGA promotes the general welfare of the student body, encourages involvement in extracurricular activities and fosters interaction among faculty, staff, and students.

The Student Entertainment Association (SEA) is a major function of the SGA, responsible for providing entertainment programming for the members of the Gardner-Webb University community. The SEA plans a variety of activities to involve students in social, cultural, and recreational opportunities. The SEA is under the area of the Student Activities Director.

Student Communications Media

The Pilot. The University newspaper is published several times each semester by a student staff.

EmPrints. A weekly student information handout published by the Student Activities Office.

Radio Station. WCWG-FM, 88.3 the campus radio station, operates each day at 50,000 watts and is staffed primarily by students.

Reflections. The University literary magazine is published by students interested in creative expression, including verse and prose.

The Web. The University yearbook is compiled by a staff of students.

WEBNET - (University TV Channel)

Gardner-Webb University sponsors two closed circuit television channels known as WEBNET. Channel 52 has hit movies, student features, and Christian music videos. Channel 51 (Informational Channel) carries important administrative and student announcements, date and time service, and carries the audio programming from WCWG radio.

Health Services

Gardner-Webb University provides health services for resident students through Boiling Springs Medical Associates, and CLECO. Both are located near the campus.

The physicians and/or physicians assistant regularly see students who have minor illnesses or injuries. Emergency cases are referred via ambulance to Cleveland Regional Medical Center. For residential students, the University pays the first \$15 of the doctor visits to Boiling Springs Medical Associates and CLECO, and the student is responsible for the balance. This fee is subject to change depending upon the current charge of the doctors. Services of other medical personnel and prescription medicines are the financial responsibility of the student. Students with special problems are referred to specialists or their family physicians.

A medical examination for all new students is suggested and a health form is required. Immunization records are required by North Carolina State law.

Cultural Life

Each year a variety of programs is offered for the cultural enrichment of campus life. The Department of Fine Arts brings outstanding artists and performers to the campus. Members of the Fine Arts Department faculty and advanced students in music give recitals open to the public. Several choral and orchestral concerts are scheduled. Plays presented by Gardner-Webb students and by visiting drama groups are also a feature of the University's cultural offerings.

Student Organizations

Gardner-Webb University offers students opportunities to become involved in numerous activities and organizations on the campus. The range of these activities

is wide. Students work with the Student Development staff to start new organizations. Check your current *Student Handbook*, for further information.

Campus Traditions

Alumni Day

This day is one of the highlights of the year and the time for class reunions. The Alumni Association honors outstanding alumni at this occasion.

Homecoming

Homecoming takes place in the fall, bringing back to the campus many former students. Entertainment includes tennis tournament, football game, and other festivities. Special activities are scheduled during the week for students.

Family Weekend

The Parents' Association of Gardner-Webb University under the direction of the Vice President and Dean of Student Development invites the parents and family members of Gardner-Webb students to a weekend of fun and entertainment, a chance to meet and mingle with faculty on an early Fall weekend.

Spring Formal

The foremost social event of the spring semester. The queen and her court are presented at a ball culminating the week's activities.

Student Guidelines, Expectations and Rights

Gardner-Webb University is a community of students, faculty and staff who are dedicated to learning and personal development in an environment of Christian concern. As in any community, certain standards of conduct are necessary to protect the safety, rights, health and general well-being of all members of the community. The University strives to promote concern for the good of the entire group as opposed to selfish individualism.

Each person whether student, faculty or staff voluntarily joins the University community and thus is expected to abide by rules and regulations that have been

adopted to insure reasonable standards of conduct. The prohibited behavior code describes conduct which the University does not tolerate. By enrolling in the University, each student agrees to abide by University rules, regulations and expectations. The Board of Trustees has approved minimum penalties for certain of the prohibited behaviors. The University assures fundamental fairness to any student accused of involvement in prohibited behavior.

The Student Handbook describes the prohibited behavior code and the judicial process used in the event that a student becomes involved in prohibited behavior. The Handbook is distributed during orientation, at which time student rights, responsibilities and expectations are explained in greater detail. The Handbook is also available at the offices of Student Development.

Gardner-Webb University supports and is fully committed to the concept of a drug and alcohol free campus community. In order to comply with the Drug-Free Schools and Communities Act Amendments of 1989, Gardner-Webb publishes the following and makes it available to each student.

- (1) The unlawful manufacture, distribution, dispensing, possession or use of controlled substances such as but not limited to the following:
 - Narcotics (heroin, morphine, etc.)
 - Cannabis (marijuana, hashish, etc.)
 - Stimulants (cocaine, diet pills, etc.)
 - Depressants (tranquilizers, etc.)
 - Hallucinogens (PCP, LSD, designer drugs, etc.)
 - Designer (MDA, MDA-known as ecstasy, ice, etc.)
 - Alcohol

is prohibited by students on Gardner-Webb University's property or as any part of the university's activities. As a condition of enrollment, Gardner-Webb University students will abide by these terms.

- (2) Gardner-Webb will impose disciplinary sanctions on students who violate the terms of paragraph 1, above. Upon conviction, the appropriate disciplinary action, up to and including expulsion from the University and/or satisfactory participation in a drug and alcohol abuse assistance or rehabilitation program approved for such purposes by a Federal, state, or local health, law enforcement, or other appropriate agency, will be taken. More specific penalties are outlined in the following publications: Gardner-Webb University Student Handbook, Gardner-Webb University College of Extended Professional Studies Bulletin, Gardner-Webb University Graduate Catalog. Violations may also be referred to the appropriate civil authorities for prosecution under local, state, and federal law.
- (3) Local, state, and federal laws prohibit the possession, and distribution of illicit drugs, alcohol and weapons. The applicable legal sanctions for various offenses are listed in the North Carolina Criminal Law and Procedure book, a reference copy of which is maintained by the University's Campus Police Department.
- (4) Information describing the health risks associated with the illicit drugs and abuse of alcohol is made available to all students. Additional information and individual counseling is available through the University's Counseling Center. If necessary and at the student's expense, referral can be made to an outside agency.
- (5) Local, state and federal law prohibits the possession of weapons on campus. These laws supersede any statutes which allow the possession of a concealed weapon by permit. G.S. 14-269.2

Admissions, Finances and Financial Aid

Admission Procedures

Gardner-Webb University operates on the Rolling Admissions Plan. Completed applications are acted upon and notified within three weeks. Gardner-Webb University maintains that minimums of 2.2 GPA, 800 SAT or 16 ACT, and rank in the top 60% of their high school graduating class are base lines for academic success. Students who do not possess the desired criteria may be invited to campus for an interview to determine the student's potential for academic success. In addition to quantitative requirements for admission, Gardner-Webb University accepts students with strong character, leadership ability and desire to be a positive influence in the campus community. No single criterion will be decisive, but each item will be considered carefully as acceptance decisions are made. In the case of transfer students, previous college work and recommendation will serve as the criteria for acceptance.

Although an interview is not required of all applicants for admission to Gardner-Webb University, campus visits are encouraged. Interviews and campus tours are available all day Monday through Friday and selected Saturday mornings, except for holidays. Four prospective student visitation days, or VIP days, are planned during the school year. Contact the Admissions Office at 1-800-253-6472 for further information.

Gardner-Webb University admission packets are available from many high school guidance offices or directly from the Admissions Office of the University. Completed applications should be returned with a non-refundable \$20 application fee and transcripts of all high school credits and any college work attempted.

Applicants must meet the University's standards as to intellectual promise, and emotional and social stability. Gardner-Webb University is committed to its responsibility as a liberal arts university within the context of the Christian faith. It seeks to enroll students from a variety of racial, economic, social, religious, and geographic backgrounds.

Although a fixed pattern of high school credits is not prescribed, the following minimum course distribution is recommended as the best preparation for academic work at Gardner-Webb University: English, 4 units; social sciences, 2 units; algebra, 2 units; geometry, 1 unit; foreign language, 2 units; natural science, 2 units; plus electives.

Acceptance of students for admission to the University does not automatically guarantee their entrance into any particular program of the University. Departmental approval is necessary for entry into any departmental program and/or major.

Students may enter at the beginning of any semester or summer term.

Entrance Examinations

Applicants for admission to Gardner-Webb University are required to submit their scores on the SAT of the College Entrance Examination Board or the ACT of The American College Testing Program. Scores should be sent directly to Gardner-Webb University.

Applications, lists of testing centers and dates, and rules on applications, fees and other information are available in most high school guidance offices in the United States. The SAT school code for GWU is 5242, and 3102 for ACT.

Acceptance on Condition

Students whose deficiencies indicate a need for special work may be required to participate in the Learning Assistance Program. Upon successful completion of this work, the student may proceed with regular course work.

Provisional Acceptance

A provisional acceptance may be granted on an individual basis to students who are unable to complete all admission requirements prior to registration. For example, students transferring to Gardner-Webb University from another college or university for the spring semester may be unable to have a complete transcript or record prior to registration. In such cases a provisional acceptance can be granted in order for the student to enroll. A provisionally admitted student must present all academic transcripts and complete requirements prior to mid-term of the initial semester. In accordance with Federal Regulations, Financial Aid cannot be awarded to a student until he/she has been officially accepted.

Special Students

Gardner-Webb University admits a limited number of special students. They include:

- (1) Persons who wish only private music lessons. Such applicants are admitted if instructors in the Department of Fine Arts are able to schedule lessons for them.
- (2) Persons 21 years of age or older who are not high school graduates or degree candidates but wish to take class work. Such persons are accepted on the basis of maturity and background sufficient to do the class work desired.
- (3) College graduates who are interested in further study.
- (4) High school students who wish to take work on the Gardner-Webb campus prior to and during their senior year. Credit for this work is generally transferable to other institutions.
- (5) High school students who wish to enter Gardner-Webb at the end of their junior year may submit an application for consideration for early admission.

Transient Students

A student enrolled at another institution may take a course(s) at Gardner-Webb University and transfer that credit to the other institution. To be considered as a transient student at Gardner-Webb, one must apply to Gardner-Webb and have written permission from the registrar of the other institution.

Foreign Students

In order to be considered for admission to Gardner-Webb University, international students must submit documentation of their ability to read and write the English language. They should do so by submitting results of the Test of English as a Foreign Language (TOEFL). A minimum score of 500 is required. They must also submit documentation of their ability to support themselves financially while in the United States.

Students who fail to meet the English language requirement may enroll at an EL5 Language Center. Proficiency certification by EL5 meets the English language requirement for admission. An I-20 will not be sent until the above documents have been received by the Admissions Office.

Advanced Placement and Credit

Advanced Placement Program: Students achieving a minimum score of three on an Advanced Placement Program test of the College Board will be given advanced placement with credit for the course covered by the test.

College-Level Examination Program: Gardner-Webb accepts credit earned through the College Level Examination Program prior to enrollment and up through the end of the first semester of enrollment. No credit is accepted for tests taken later than the end of the first semester of enrollment. CLEP tests must be taken before a student enrolls in a comparable course.

Gardner-Webb University grants credit to students submitting test scores from the College-Level Examination Program on the following basis:

- (1) Credit will be received on the same basis as transferred credit from accredited institutions of higher learning.
- (2) No credit will be granted in an area for which the examinee has college credit. No course can be dropped to take a CLEP test, and no subject attempted in class may be repeated by CLEP.
- (3) Credit will be received as pass/fail; that is, no hours attempted or quality points will be computed in the examinee's grade point average.
- (4) Unsatisfactory scores will not become a part of the student's record.
- (5) A CLEP test on any subject may be submitted only one time.
- (6) Concerning the General Examination for freshmen applicants:
 - (a) The student must submit a score of at or above 500 on each test.
 - (b) The number of semester hours granted will be that number normally granted for the area covered by the test with the following restrictions:
 - (1) A maximum of six semester hours credit may be granted for each test.
 - (2) A maximum of three semester hours credit may be granted on the basis of a sub-score provided the area is appropriate.
 - (c) Credit thus granted may be applied to the student's course of study only as basic courses or free electives.
- (7) Concerning the Subject Examinations:

- (a) The student must submit a score at or above the mean score for C students on the CLIP national norms, such scores being provided and recommended by the Council on College-Level Examinations.
- (b) The number of semester hours granted will be determined by the scope of the material measured as indicated by the Council on College-Level Examinations.
- (c) Credit thus granted may be applied to the student's course of study without restriction.

Armed Service-Related Programs: Veterans who have successfully completed a course or courses under the Service School training program or through USAF may submit a record of courses completed for review by the Transcript Evaluation Office. Credit may be applied or subject waived, depending upon the discretion of the proper authority and the appropriateness of the course in the student's educational objectives and program.

Local Testing Program: In order to enrich the program of a gifted student, a student attaining a satisfactory score on a special test administered by the appropriate department of the University may be exempted from the course covered by this test, but will be required to take an advanced course in the same department carrying the same or more credit.

Advanced placement may be earned in the Associate in Arts nursing program by successful completion of prescribed challenge examinations. Examinations are available for Nursing 101 - Basic Concepts of Nursing, Nursing 111 - Pharmacological Concepts in Nursing, and Nursing 112 - Nutritional Concepts in Nursing. Challenge of other nursing courses may be permitted in special circumstances. Eligibility for challenging courses includes admission to Gardner-Webb, meeting nursing admission criteria, completion of courses similar to those being challenged, and completion of prerequisites. Details may be obtained from the Director of the Associate Degree Nursing Program.

Arrangements for advanced placement through the local testing program are made individually for each student involved and require the agreement of the Academic Dean and the appropriate academic department.

Admission of Transfer Students

Requirements include a formal application for admission, an official high school transcript showing date of graduation or GED, SAT or ACT scores, and a non-refundable \$20 application fee. The high school transcript (or equivalent) and entrance test scores are not required of applicants who have completed 30 semester hours of college credits with at least a 2.0 Grade Point Average.

The applicant's record is evaluated by Gardner-Webb retention standards, or the applicant must be eligible to return to his previous college in order to be accepted.

Transfer Credit Policy

Students transferring from accredited two-year colleges may transfer up to 64 semester hours. An additional 64 semester hours must be taken on the senior

college level, with the final 32 semester hours for graduation taken at Gardner-Webb.

Students transferring from accredited four-year colleges may transfer up to 96 semester hours. For a bachelor's degree, the final 32 semester hours for graduation must be taken at Gardner-Webb. Candidates for the associate degree must take their final 24 hours at Gardner-Webb.

Credit may be transferred only for courses on which the student has earned a C or better. A course on which a student made a D, except a course counted in the major, may be used to satisfy a course requirement but carries no hours credit. The student must meet graduation requirements for the total number of hours required.

Courses accepted in transfer admission are recorded as credit only; grades are recorded on a transfer evaluation form, but no grade points or grade point average are computed. The grade point average for graduation is computed on academic credit earned at Gardner-Webb. The Registrar interprets the transfer policy and verifies students for graduation.

Grade Point Average

The student's general academic performance is indicated by a Grade Point Average. This figure is determined by dividing attempted semester hours into earned quality points. Two Grade Point Averages are significant for each student: the semester GPA and the GPA for work taken at Gardner-Webb. Students must achieve a GPA minimum 2.0 on all work taken at Gardner-Webb to qualify for graduation.

Readmission of Former Students

Students who are not in attendance for one or more semesters or who withdraw during a semester for any reason must submit a formal application for readmission. Students who have been out more than 24 months must meet new curricular requirements.

Former students who have attended other institutions subsequent to their enrollment at Gardner-Webb must provide an official transcript from each institution attended. Those regulations concerning the advanced standing of transfer students apply to these students.

The National Grade prepared by the American Council on Education is used as a measuring instrument for non-collegiate learning with transfer credit not to exceed six hours.

Admissions to the GOAL Program

Refer to the College of Extended Professional Studies Bulletin.

Admissions to Graduate Study

Refer to the Graduate Program Bulletin of the program desired.

Financial Information

General Information

Gardner-Webb University will make every effort to keep operating costs low while providing quality programs. Through the support of the Baptist State Convention of North Carolina, the Independent College Fund of North Carolina, private gifts from alumni, business and other friends, and endowment earnings, Gardner-Webb is able to charge tuition which is less than the actual cost of instruction and other student services. The University, however, reserves the right to change tuition and other charges at the beginning of any semester if such change is necessary in the judgment of the Board of Trustees.

Board Charge

Students living off campus but enrolled as full-time students may eat in the university dining room upon payment of board fees for each semester as determined by the Business Office, or through buying individual meals.

Book Expenses

The estimated cost of textbooks is \$150 to \$300 per semester, but this varies greatly with the number and types of classes taken.

Costs Covered by Tuition

Included in the tuition fees are costs of registration, use of the library, recreation facilities, admission to home athletic events, student publications, post office box, regular laboratory fees, and 10 to 16 semester hours of work, inclusive each semester. The tuition fees and estimated book expenses do not include fees for special courses, special laboratory work, and study-travel course. Personal expenses will vary with the individual student. For the student who must earn money toward his or her college expenses, there are a number of opportunities for work available through the Financial Planning Office.

Schedule of Payment

Advance Deposit

A Room Reservation Deposit of \$150 for new resident students or an Advance Deposit of \$50 for new commuter students is due within 30 days of being accepted. The Room Reservation Deposit for new resident students or the Advance Deposit for new commuter students is non-refundable after May 1 for fall enrollment and November 1 for Spring Enrollment.

Continuing resident students may reserve a room, beginning March 1, by paying the \$150 Room Reservation Deposit and completing an Application and Contract for Housing. Continuing commuter students should pay the \$50 Advance Deposit to declare their intent to return. The deposit for a continuing student is non-refundable.

Room Reservation Deposits will be credited toward the cost of the room. The Room Reservation Deposit will be forfeited if the reserved room is not utilized. The advance deposit for commuter students will be credited toward the cost of tuition.

Balance of the Account

The balance of the semester charges is due prior to enrolling for classes. Students are encouraged to make this payment before returning to campus.

Those who cannot pay or find it necessary to finance university charges should contact the Business or Financial Planning Office for information regarding alternate payment plans.

Charge Reduction Policy

Registration in the University is considered a contract binding the student for charges for the entire semester. However, it is the policy of Gardner-Webb University to give limited charge reductions in the event a student OFFICIALLY WITHDRAWS from school. A withdrawal form can be obtained from the Registrar's Office. The form must be completed and returned to the Registrar's Office in order for the student to be officially withdrawn. The date of official withdrawal is the date this process is completed.

Reductions will be computed on total charges for tuition, room and board but not on fees. Students leaving school for disciplinary reasons will not be eligible for any reduction and will be liable for the entire semester's charges. Students registered for 10 or more hours who drop a course(s) after the last day of registration will not receive any reduction in charges. Students charged on a per hour basis may receive a pro-rata refund for individual classes that are dropped. (For purposes of interpreting this policy, periods of enrollment will be computed in weeks. A week is defined as a Monday through Friday period or any part thereof. The first week is defined as the week which classes are scheduled to begin.)

Charge Reduction Schedule

When official withdrawal occurs:

On or before the first day of class	refund 100%
During the first 10% of the enrollment period	refund 90%
During the second 10% of the enrollment period	refund 80%
During the third 10% of the enrollment period	refund 70%
During the fourth 10% of the enrollment period	refund 60%
During the fifth 10% of the enrollment period	refund 50%
During the sixth 10% of the enrollment period	refund 40%
After the sixth 10% of the enrollment period	no refund

Note: When a student's charges are reduced, Federal, State, Institutional and Non-Institutional Aid will be adjusted in accordance with the regulations governing the respective programs. Leaving the University without officially withdrawing may result in a student's forfeiting all financial aid and, thus, becoming responsible for the entire balance.

Delinquent Student Accounts

Students with outstanding financial obligation may be prevented from registering for the following semester. A student will not be allowed to participate in commencement exercises or receive a diploma, nor will transcripts be released, until all financial obligations are satisfied. Delinquent Accounts may be referred to

collection agencies and/or credit bureaus. Financial obligations include, but are not limited to student account balance, parking, disciplinary and library fines, and returned checks.

Financial Aid

Gardner-Webb University provides various forms of financial aid to assist the student in bridging the financial gap between the cost of attendance and the amount the student and/or parents can reasonably be expected to provide. However, GWU aid should not be expected when the total cost of attendance is fully paid by other grants, gifts or aid.

Gardner-Webb University Academic Scholarships

All academic scholarships are awarded based on the student's full-time enrollment.

Gardner-Webb Presidential Scholarships

Each year ten students from the entering freshman class are selected as Presidential Scholars. This scholarship program is named in honor of the ten presidents of Gardner-Webb University. The scholarships are awarded on the basis of outstanding academic achievement, demonstrated leadership ability, and commitment to service. To receive Presidential Scholar recognition, a student must be nominated by a friend of Gardner-Webb University and selected by the Presidential Scholarship Screening Committee. The scholarships are renewable for up to three additional years provided the recipient maintains a cumulative 3.0 Grade Point Average and continues to demonstrate strong leadership ability and commitment to service. In order to receive the Presidential Scholarship, the recipient must reside on campus.

Gardner-Webb Honor Scholarships

The applicant must rank in the upper 25 percent of his or her high school class. To renew the scholarship, the applicant must maintain an overall 3.0 Grade Point Average on all credit taken.

Gardner-Webb University Transfer Scholarships

Transfer students with thirty hours of semester transfer credit with a 2.8 Grade Point Average or better will receive a two thousand dollar scholarship. Nominations are made by the Director of Admissions at the time of acceptance following a transfer credit evaluation from the transcript evaluation officer.

Gardner-Webb University Endowed Scholarships

Academic Fellows Scholarships

Established in 1991, the Academic Fellows Scholarships provide assistance for full-time undergraduate students who have demonstrated superior academic performance in high school or college. Only winners of the Presidential

Scholarships will be considered as Academic Fellows. Boiling Springs Rotary Club Scholarships: The Boiling Springs Rotary Club raises scholarship funds for graduates of high schools in Cleveland County. The major project is the annual Rotary Classic Men's Basketball Tournament which traditionally begins the Gardner-Webb basketball season.

Charles and Drew Bridges Health Careers Scholarship: Established in 1986 by Dr. Drew Bridges, class of 1967 and a member of the Athletic Hall of Fame, the scholarship provides support for an athlete who expresses an interest in a career in health services.

Mary Lou Causby Scholarships: The Mary Lou Causby Scholarship for \$300 is awarded annually to a rising sophomore nursing student. Preference is given to a former LPN or an older student who demonstrates maturity, dedication, and commitment to the nursing profession. The student should be deserving of financial assistance.

Susan Renae Cook Scholarships: Funds are provided by Mr. and Mrs. Franklin C. Cook in memory of their daughter, Susan Renae, a 1988 graduate of Gardner-Webb.

Christian Vocation Scholarships: Each student pursuing a Christian vocation may qualify for an annual \$500 scholarship provided a 2.5 grade point average is maintained on all work attempted, and provided the application is submitted by June 1 for fall semester and December 1 for spring semester.

Dover Foundation Scholarships: Funds provided by the Dover Foundation of Shelby, North Carolina are given to an outstanding graduate of each of the following high schools: Crest, Burns, Shelby, Kings Mountain. Application forms for these competitive freshman year scholarships may be obtained from the high school guidance counselors or Gardner-Webb's Financial Planning Office.

First Baptist Church, Shelby, North Carolina Scholarships: Funds are given to deserving students by the First Baptist Church of Shelby, North Carolina.

FOCUS Scholarships The Fellowship of Christians United in Service, a ministry of the Gardner-Webb University Baptist Student Union, gives four, or more, \$250 scholarships each year. One scholarship is awarded to the FOCUS coordinator-elect, and the others are awarded to students nominated by the FOCUS ministry and approved by the Admissions and Financial Planning Committee.

Lilly Royle Late Music Scholarship Established by Mr. and Mrs. Ray Webb Late and Mr. and Mrs. Jack Late to provide financial assistance to a music major who participates in the Gardner-Webb University Community Orchestra. A scholarship of \$1,000 will be awarded annually on Awards Day for the following academic year.

J. Ray Late Memorial Scholarship Established in 1988 by Petroleum World, Inc. of Chickside, North Carolina, this \$2,000 scholarship is named in memory of J. Ray Late of Shelby. It is awarded to an entering freshman from Cleveland, Rutherford, Polk, McDowell, or Burke County.

Ministerial Board of Associates Scholarship Program: Each member of the Ministerial Board of Associates may recommend a student for the scholarship to be awarded in his name. The scholarship is available to first-time Gardner-Webb students, freshman or transfer, and is for \$1,000 to be credited at the rate of \$125 each semester for eight semesters. The recommendation must be mailed by June 1 for fall semester and December 1 for spring semester to the Director of Financial Planning, Gardner-Webb University.

Minister's Dependent Scholarships Each dependent of an ordained Baptist minister may receive a \$1,000 scholarship each academic year upon completion of the Minister's Dependent Scholarship application. The minister whose dependent claims the scholarship must be a full-time minister of a Southern Baptist Church or an ordained, full-time employee of a SBC-affiliated State Convention or agency. The recipient must be a full-time student. He/she must maintain at least a 2.5 cumulative grade point average to be eligible for renewal each year.

Royal Ambassadors Service Aide Scholarships: A young man who has been involved in the Royal Ambassadors Service Aide program may receive a scholarship ranging in value from \$800 to \$1500. These scholarships are made available by Gardner-Webb; however, the application should be filed with the Baptist State Convention, Brotherhood Department, Box 1107, Cary, N.C. 27512-1107 before April 1.

D.A. Tedder Scholarship: This is a \$200 scholarship given in memory of the Reverend Daniel Allen Tedder of Shelby, North Carolina, by his daughter, Mrs. Frederick Swift. The scholarship is awarded to an able and deserving ministerial student.

Gardner-Webb University Loan Funds

The following guidelines govern the Gardner-Webb University revolving loan funds:

- (1) all transactions, such as signing the promissory note, are made directly with the student, who must be enrolled in good standing or accepted for enrollment at Gardner-Webb University
- (2) the maximum loan for an academic year is \$2,500.

(3) terms of the loan:

- (a) repayment begins six months after termination of education at Gardner-Webb University.
- (b) repayment rate will be \$50 monthly plus interest on the amount needed to repay the loan within the maximum 10-year repayment period.
- (c) the rate of interest is eight percent computed on the unpaid balance.
- (d) the borrower is responsible for any litigation fees incurred because of delinquency.

(4) the student must reapply when additional funds are needed since loans are not automatically renewed.

University Work Program

Gardner-Webb University provides part-time campus employment to a limited number of students who wish to earn a portion of their college expenses by working. Students interested in securing campus employment should submit the

FAPSA. Part-time campus employment for students is available in the cafeteria, residence halls, laboratories, library and departmental offices.

Federal Assistance Programs

Any student enrolled or accepted for enrollment in an eligible program at Gardner-Webb University may receive assistance under the Title IV Programs if he/she:

- (1) is a citizen or permanent resident of the United States;
- (2) has met the Selective Service Requirement;
- (3) is maintaining satisfactory progress according to established standards;
- (4) does not owe a refund on a grant or is not in default on a loan received at Gardner-Webb or any other post-secondary institution;
- (5) completes the Free Application for Federal Student Aid (FAPSA).

Federal Pell Grant Program: Students may apply for a Pell Grant by completing the FAPSA. A three-part Student Aid Report will be forwarded to the student for submission to the Financial Planning Office. Grant amounts are determined by the Financial Planning Office from a payment schedule provided by the Department of Education.

Federal Supplemental Educational Opportunity Grant (SEOG): Grants are awarded to students with exceptional need with priority given to students receiving Pell Grants. Grants range from \$100 to \$4,000 per year.

Federal Work-Study Program: The University participates in the Federal Work-Study Program to provide jobs for students. Employment is arranged on campus or off campus with a public or non-profit agency, such as a hospital, library, or recreational facility. Students are paid the current minimum wage rate.

Federal Perkins Loans: First priority will be given to students with exceptional need. An undergraduate student may borrow up to a maximum of \$15,000 for undergraduate study. Students may borrow up to a maximum of \$30,000 for study toward a professional or graduate degree, including loans borrowed for undergraduate study. Repayment of principal and interest of five percent begins six months after the student ceases to be enrolled at least half-time. Interest accrues at the rate of five percent on the unpaid balance.

Federal Subsidized and Unsubsidized Stafford Loans: Loans may be made by banks, savings and loan associations and private non-profit agencies guaranteed by State Assistance Authorities. The loans are insured by the Federal Government. The government pays the interest on the subsidized loan while the student is in school. However, on the unsubsidized loan the student is responsible for paying or deferring the interest. Undergraduate students may borrow up to \$2,625 for the first year of study. Sophomores can borrow \$3,500 per year. Juniors and seniors may borrow up to \$5,500 per academic year. If you're an independent undergraduate, you can borrow up to 6,625, if you're a first-year student enrolled in a program of study that is a full academic year." (At least \$4,000 of this amount must be in unsubsidized Stafford Loans.) \$7,500, if you've completed your first year of study, and the remainder of your program is a full academic year." (At least \$4,000 of this amount must be in unsubsidized Stafford

Loans.) \$10,500 a year, if you've completed two years of study, and the remainder of your program is at least one academic year.* (At least \$5,000 of this amount must be in consolidated Stafford Loans.) Payments of principal and interest begin six months after graduation or other separation from the University.

Federal PLUS Loan Programs: Parents may borrow for dependent undergraduate students. The maximum amount a parent may borrow is the cost of education minus any estimated financial aid. The borrower (parent or guardian) must meet established credit criteria. These loans are not based on need. Applications are available in the Financial Planning Office.

State Assistance Programs

North Carolina Legislative Tuition Grants: The 1975 North Carolina General Assembly established a program of tuition grants available to North Carolina residents attending private colleges and universities located within the State. The dollar value of this award is subject to State funding and student enrollment.

North Carolina Contractual Scholarship Programs: Awarded to North Carolina residents showing need on their need analysis form. Amounts awarded vary depending on need.

North Carolina Student Incentive Grant Program (NCSIG): Legal residents of North Carolina may apply for Student Incentive Grants to help pay their educational expenses. Students must demonstrate substantial financial need as determined through an approved need analysis form. Awards range from \$200 to \$1,500 per year depending on financial need. FAFSA must be processed by March 15.

North Carolina Prospective Teachers Scholarship-Loans: The State of North Carolina makes a limited number of awards to North Carolina students planning to enter the public school system of the State. The award is \$2000 per year and is a scholarship if the recipient teaches in North Carolina public schools. The deadline for submitting the application is February 12.

North Carolina Vocational Rehabilitation Programs: The State of North Carolina provides financial assistance for residents who have permanent handicaps. Information concerning such aid is available through the Director of Vocational Rehabilitation, State Department of Public Instruction, Raleigh, North Carolina 27605.

Nurse Education Scholarship Loan Program (NESLP): Established by the 1989 NC General Assembly to assist students enrolled in a nurse education program leading to a certificate or degree that enables the holder to sit for licensure in North Carolina as a Licensed Practical Nurse or a Registered Nurse. Awards are based on financial need.

The North Carolina Nurse Scholars Program (NSP): Established by the NC General Assembly in 1989 to provide college scholarships for outstanding high school graduates interested in becoming a registered nurse. The program also makes awards for licensed RNs who return to school to earn the baccalaureate degree. An applicant must be admitted to the nurse education program prior to being awarded the Nurse Scholarship. Application forms are made available to eligible students after January.

Private Assistance Programs

Wilma L. McCurdy Memorial Scholarship Foundation: Administered by First Union National Bank, this fund provides scholarships based upon character, academic standing, and financial need. Preference is given to students from Stanly County, North Carolina.

James G.K. McClure Educational and Development Fund Scholarships: Founded in 1927, this fund named in memory of James G.K. McClure, provides scholarships to students from Western North Carolina who demonstrate academic promise and financial need. Scholarships are provided to entering freshmen and to health career majors.

Nide Qubein & Associates, Inc.: High Point area students attending any private North Carolina college and planning a career in youth-related work may qualify for a scholarship. The amounts are flexible and are awarded on the basis of need and academic achievement. Interested students should write to the Scholarship Committee, Nide Qubein and Associates, Inc., PO Box 5367, High Point, North Carolina 27262. Applications must be received no later than April 15.

Little Pale Whitehead Foundation: Provides scholarships for women from either of the following states: Georgia, North Carolina, South Carolina, Virginia, Louisiana, Mississippi, Alabama, Tennessee, and Florida. Scholarships are based on need and are awarded to students majoring in Nursing and are also available to students who are hearing or visually impaired.

VIII. Dimensions

Students are required to attend the Dimensions Program (formerly called Convocation) each semester of full-time enrollment, for a minimum of six semesters of credit. (See Note 3)

Notes

- (1) The following guidelines apply to the foreign language requirement:
 - (a) Students must complete 6 semester hours of one foreign language, selected either from those offered by Gardner-Webb or any approved foreign language courses transferred from an accredited institution of higher learning. American Sign Language will be deemed a foreign language for purposes of this requirement.
 - (b) International students whose native language is a language other than English will not be required to complete additional courses in a foreign language other than English.
 - (c) Students may receive advanced placement in French or Spanish. Students receiving such credits will complete their six semester hour foreign language requirement at the intermediate level or higher. Students who place into the intermediate level of a particular language (200 or 211) will receive six semester hours of elective credit if they complete 201-202 (or 211) with grades of C or higher.
 - (d) Deaf students who are certified by the appropriate Gardner-Webb faculty to be fluent in American Sign Language will not be required to take additional foreign language courses.
- (2) Computer literacy is a graduation requirement which may be met in one of three ways: by completing Gardner-Webb's Core Curriculum (both English courses and both mathematics courses); by completing a course, or courses, with a computer component, (MGIS 241, 251; CSCI 160, PSYC 396) or by making a passing score on a special test for computer literacy administered by the University.
- (3) Each student is required to enroll for a DIMENSIONS course each semester of full-time enrollment at Gardner-Webb or until a minimum of three semester

hours of credit (six semesters) has been earned. Students who meet requirements earn 1/2 semester hour of credit each term. Part-time students must earn 1/2 semester hour of credit for every 15 hours of credit earned at Gardner-Webb or until a minimum of three semester hours of credit (six semesters) has been earned.* (The required DIMENSIONS courses are numbered 111-116; elective DIMENSIONS courses are numbered 117-118.) Students receiving an F in DIMENSIONS must repeat the course the following semester. Failure to receive a passing grade during the semester that the course is repeated will result in the student being placed on DIMENSIONS probation and will remain on probation until the DIMENSIONS requirement has been fulfilled. Students who fail DIMENSIONS three semesters will be suspended from the University. In order to be reinstated, the student must register for and satisfactorily complete a DIMENSIONS experience during the summer term.

- (4) The last academic year (32 semester hours or more) must be taken at Gardner-Webb.
- (5) Participation in commencement exercise is required. If a student is unable to participate in the Graduation Ceremony upon completion of degree requirements, the student must attend the next commencement exercise.
- (6) Students must demonstrate competence in English, reading and mathematics prior to beginning General Studies courses in those areas.
- (7) A minimum grade point average of 2.00 on a 4.00 scale based on the University grading system is required for graduation, both on all work transferred and on that work attempted at Gardner-Webb.
- (8) The student must have a minimum grade of "C" on each course counted toward the major. A transfer student must complete at least one half of the major at Gardner-Webb.
- (9) The student must also have an overall 2.00 average on all work counted toward any minor. A transfer student must complete at least nine hours of the required minor at Gardner-Webb.
- (10) The student transferring from a two-year college is required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities.
- (11) The student is responsible for making official application for graduation to the Registrar no later than the end of pre-registration during the regular semester immediately prior to the final semester of study. For students completing requirements for graduation in December, the application for graduation must be submitted to the Registrar no later than July 15, 1996. For students participating in the Spring Commencement Exercises, the application for graduation must be submitted to the Registrar no later than November 15, 1996. For students participating in the Summer Commencement Exercises, the application for graduation must be submitted to the Registrar no later than March 30, 1997. A late charge will be assessed for applications for graduation submitted after these dates. The absolute deadline for application for graduation with payment of late fee is as follows: Fall '96, September 1, 1996; Spring '97, January 15, 1997; and Summer '97, May 29, 1997.

Student Responsibility

The student bears the final responsibility for the selection of a program of study and adherence to all published regulations and requirements of the University, including the preceding requirements for graduation.

Associate Degree Requirements

Gardner-Webb University offers an associate degree program in Nursing which requires a minimum of 72 semester hours for graduation. One semester hour of DIMENSIONS for Nursing majors is required. No student may graduate with an associate degree with less than 64 semester hours, inclusive of specified DIMENSIONS credit.

The student is required to take the final 24 semester hours at Gardner-Webb.

The student must have a minimum grade of "C" on each course required in the major field. In Nursing, the student must have a minimum grade of "C" on each nursing course and each science course.

A minimum grade point average of 2.00 on a 4.00 scale is required for graduation, both on all work attempted and on that work attempted at Gardner-Webb.

The student is required to participate in commencement exercises.

The student is responsible for applying officially to the Registrar for graduation. Application deadlines are as follows: July 15, 1996 (for completion of requirements in December, 1996) November 15, 1996 (for spring graduation) and March 30, 1997 (for summer graduation).

The student bears the final responsibility for fulfilling all the requirements for the chosen degree program. It is the student's responsibility to be familiar with the preceding requirements for graduation.

The Major

Each candidate for a baccalaureate degree must choose a major field of concentration. This selection should be made before entering the junior year. However, students in music, natural sciences, nursing and education should begin their major in their freshman year. Requirements for each major are listed with the courses of instruction. Each student must complete two writing level II courses beyond the core, one of which must be in the discipline of the major fields of study.

Registration of the intention to major with a particular department is required. A request is submitted to the chair of the department. The academic advising of all declared majors within a department is the responsibility of the chair. This responsibility may be delegated to any faculty member within that department for that period of time which best serves the interest of the student.

A student may elect to complete more than one major. To do this the student meets the requirements of a primary major plus 30 semester hours in a secondary field as approved by the departmental chair of the secondary major. No course may be counted in both majors. A student graduating with a double major receives only one degree, that of the primary major. However, the transcript denotes both

primary and secondary majors. A transfer student must complete at least one half of the major(s) at Gardner-Webb.

The Minor

A student may choose any minor offered by the University unless the department of the major field of study specifies a specific minor. A minimum of nine hours of the minor must be taken from Gardner-Webb University. Requirements for this minor may be fulfilled by satisfactory completion of an interdisciplinary minor of eighteen hours with at least nine hours in one discipline, selected by the student or recommended by the major department. Advisement regarding minor requirements will be the responsibility of the department of the student's major. Consultation with the chair of the minor is encouraged. Any deviation from catalog course requirements of a minor must be approved in advance by the chairs of the major department and the minor department and filed with the Registrar.

The minor field generally consists of a minimum of 15 semester hours. A transfer student must complete at least nine hours of the minor at Gardner-Webb University. Requirements for each minor field are listed with the courses of instruction. The following minor fields are available:

American Sign Language	History
Art	Interpreter Training

Learning Assistance Program Basic Skills Courses

As part of the Learning Assistance Program, basic skills courses in writing (English 100), reading (Reading 100), and mathematics (Math 099 and Math 100) will be required of all students who enter Gardner-Webb with background

deficiencies in any or all of these areas. Students placed in these courses may be advised to take a reduced, selected course load. These courses are taken in addition to the Basic Course Requirements; however, elective college credit may be earned for the successful completion of three of the four basic skills courses (English 100, Reading 100, and Math 100). Any Learning Assistance Program basic skills course for which a student receives a D or F must be repeated prior to proceeding to the regular core courses in that discipline.

Students with unsatisfactory performance in the Learning Assistance Program will be subject to academic dismissal from Gardner-Webb University. Students failing one or more LAP courses due to excessive absences will be placed on academic suspension.

Contemporary College Experience

Contemporary College Experience is a comprehensive course designed to help students develop an effective balance of academic achievement and personal growth which will contribute to their success. Topics include goal setting, study skills, time management, exam preparation, and wellness.

DIMENSIONS

DIMENSIONS is a series of programs offered for credit each fall and spring semester on a pass/fail basis. DIMENSIONS supports the purpose of Gardner-Webb University, which includes a commitment to the Christian faith, the pursuit of intellectual and cultural fulfillment, and the fostering of a sense of community. Consequently, the three primary objectives of the DIMENSIONS program are:

- 1) To provide opportunities for spiritual growth through worship experiences and programs of a religious nature, all in the context of Gardner-Webb University's commitment to the Christian faith.
- 2) To enhance the academic program of the University by providing opportunities for intellectual and cultural enrichment, to include programs of an academic as well as dramatic, musical, and other cultural events.
- 3) To promote a sense of community by regularly bringing together students, faculty, staff, and friends of the University. While all DIMENSIONS events help to achieve this objective, the Fall University Convocation at the beginning of each academic year and the Annual Academic Awards Day in the Spring are examples of bringing the University family together for highly meaningful events.

Students who meet requirements earn 1/2 semester hour credit each term. Each student is required to enroll for DIMENSIONS courses each semester of full-time enrollment at Gardner-Webb until a minimum of three semester hours has been earned. Part-time students must earn 1/2 semester hour of credit for every 15 hours of credit earned at Gardner-Webb or until a minimum of three semester hours of credit (six semesters) has been earned. Students receiving an "F" in DIMENSIONS are required to repeat the course the following semester. Students who fail a second time will be placed on DIMENSIONS probation and will remain on probation until the DIMENSIONS requirement has been fulfilled. Three grades of "F" in DIMENSIONS will result in suspension from the University.

Any exemption from DIMENSIONS is determined by the Vice President and Dean of Academic Affairs.

General Academic Regulations, Registration and Courses

Classification

Classifications are made at the beginning of the academic year in August or at the time of the student's enrollment.

A sophomore must have removed all entrance conditions and have completed 30 semester hours of work toward a degree.

A junior must have completed 60 semester hours, and a senior, 90 semester hours.

Special students include all persons enrolled at the University who are not seeking a degree.

Course Load

The unit of credit at Gardner-Webb University is the semester hour. A student is considered full-time if enrolled for 12 semester hours or more. The normal load is 18 semester hours, and any student in good standing may enroll for as many as 18 semester hours.

No boarding student may be enrolled for less than 12 semester hours at any time during a semester unless given prior permission by the Office of Residence Life.

The normal load for each term of summer school is 6 semester hours or a 4-semester-hour laboratory course plus one three-semester-hour course.

Course Registration

Students are expected to register for themselves at the designated days in August and January. Registration information is made available to all students. Registration includes academic advising, selection of courses and payment of fees. Before preregistration or registration, each student should consult with his or her academic adviser on course selection, General Studies requirements, major requirements and other degree requirements. However, it is the responsibility of the student, not the academic adviser, to ensure that all University graduation requirements are met. A student will not receive credit for any course for which registration has not been completed.

Unless the student and his adviser consider it essential, a student should not change the schedule after registration.

Auditing Courses

Any Gardner-Webb University student may audit a course for a nominal charge. An Audit form must be completed and filed with the Registrar's Office prior to the end of the Drop/Add period (first week of classes).

Area residents not desiring credit may audit a course for a nominal charge provided an application is filed with the Admissions Office and approval of the Academic Dean is received.

Changes in Class and Schedule

The University reserves the right to cancel or discontinue any course because of insufficient enrollment or for other reasons deemed necessary. In order to assure quality instruction, the University reserves the right to close registration when its maximum enrollment has been reached. The University reserves the right to make changes in schedule and /or faculty when necessary.

Adding and Dropping Courses

The student's schedule may be adjusted by adding and dropping courses with the approval of the academic adviser and the Registrar within one week from the beginning of the semester. A fee will be charged for any change following the student's initial registration unless required by the University.

When a student officially withdraws from a course a grade of "W" (withdraw) is recorded during the first four weeks of the fall and spring semesters, or during the first week of a summer term. After this period a "WP" (withdraw passing) or "WF" (withdraw failing) is assigned by the professor based upon an assessment of the student's work to date in the course. No hours attempted are recorded for "W" and "WF" grades.

The last day for withdrawing from an individual course is four weeks after the mid-term grade report period or a date not to exceed 75% of the course. After this time the only courses which will be dropped are those which a student drops when withdrawing from school.

Independent Study

The term "independent study" is reserved for those courses specifically designed as guided reading and/or student-initiated research courses that include a written project/paper which shall become part of the holdings of the Dove Library at the conclusion of the course.

Independent study is open to students with junior and senior standing and requires the approval of the professor offering the study, the student's major department, and the concurrence of the Academic Dean. The proposal must be submitted and approved by the end of the semester preceding the study. No more than six hours credit in independent study may be applied toward graduation requirements.

Course by Arrangement

A course by arrangement is restricted to a catalog course which is not offered by the University during a given semester or cannot be scheduled by the student. The course might be offered to the student on a one-to-one basis. The option is limited to instances of extenuating circumstances. Approval of the professor, department chair, and Academic Dean is required.

Overload

A student whose cumulative grade point average is less than 2.00 may not register for more than 18 hours in the fall/spring terms and not more than 6 hours in each summer term.

Repeat Courses

Only courses with a grade of "D," "F," or "WF" may be repeated. A student may repeat up to six courses in which a "D," "F," or "WF" is made to improve grades for GPA purposes. Beginning with the seventh, all repeat attempts will be counted in the GPA. Multiple repeats of the same course would count toward the six allowed. In the repeat of the first six courses, only the higher grade is counted in computing the Gardner-Webb overall grade point average, although the lower grade remains on the official transcript.

Attendance

Class Attendance

Regular class attendance is an important student obligation. Students are responsible for all course work conducted in class meetings. Because learning is a communal experience, the physical presence of students is required in class for at least 75% of class meetings. Failure to do so will result in loss of credit for the course. Furthermore, it is the prerogative of the professor to set a more stringent class attendance policy. During the first week of the semester the professor will clearly state, in writing, the attendance policy which will govern the class. Students are responsible for knowing the number of absences that they accumulate.

Absence from class does not excuse the student from responsibility for class work. Planned class absences for foreseeable personal circumstances or official University business must be negotiated with the professor prior to the absence.

Absence From Tests and Examinations

Students who miss scheduled tests and examinations without excusable reasons may not make up such assignments. Authorization to make up tests missed for excusable reasons is obtained from the professor of the class.

A student who does not take the final examination at the scheduled time will receive a failing grade in that subject unless excused by the instructor. If the student is excused, the grade will be recorded as Incomplete.

Grades and Reports

Grading System and Quality Points

Graduation is dependent upon quality as well as upon quantity of work done.

A student earns quality points as well as semester hours if the level of performance does not fall below that of "D."

Letter grades are used. They are interpreted in the table below, with the quality points for each hour of credit shown at the right.

Grades	Hours Attempted Per Credit Hour	Quality Points Per Credit Hour
A—Exceptional	4	4
B—Outstanding	3	3
C—Satisfactory	2	2
D—Marginal	1	1

F—Failing	1	0
P—Passing	0	0
I—Incomplete	1	0
W—Withdraw without penalty	0	0
WF—Withdraw passing	0	0
WP—Withdraw failing	1	0
TR—Transfer Credit	Hours Credit Only	Hours Credit Only
CR—Credit	Hours Credit Only	Hours Credit Only
AU—Auditor	0	0
Repeated—Repeated Course	0	0
#—Higher Attempt		
Multiplied by Quality Points	1	Computed According to Grade for Final Grade

An **I** is assigned where course work is not complete because of circumstances beyond the control of the student. The student has until the mid-term grade report of the next semester to complete the course work and remove the **I**; otherwise an **F** will be automatically assigned by the Registrar's Office.

A **W** will be assigned when a student withdraws from a course during the first four weeks of the semester. After the first four weeks of the semester, a **WF** or **WP** is assigned by the professor based upon the professor's assessment of the student's work to date in the course.

The last date for withdrawing from an individual course will be four weeks after the mid-term grade report period or a date not to exceed 75% of the course (including summer school). After this time the only courses which will be dropped are those which a student drops when withdrawing from school.

Once a grade has been submitted to the Registrar, it will not be changed except in the event of a clerical error or an error in calculation, or as a result of the appeal process described below.

A student who has a question about a grade should consult the instructor as soon as possible. A student who believes a grade to be unfair may appeal to the instructor, the department chair, the Academic Dean and the Educational Policies and Standards Committee, in that order. The last date to initiate a grade appeal is the end of the following semester.

Under no circumstances will a grade be changed, after having been reported to the Registrar, without the approval of the Academic Dean.

Grade Point Average

The student's general academic performance is indicated by a Grade Point Average. This figure is determined by dividing attempted semester hours into earned quality points. Three Grade Point Averages are significant for each student: the semester GPA; the GPA for work taken at Gardner-Webb; and the overall GPA, which includes any work taken at other institutions as well as the student's work at Gardner-Webb. The Overall GPA is calculated manually for University-related agencies, Alpha Chi advisers, and departments requiring the overall GPA and includes all work attempted at previous colleges.

Grade Reports

Each student receives a course grade at the end of the semester. Final and mid-term grade reports will be mailed to undergraduates and their parents (at the student's permanent address), unless the student informs the Registrar's Office in writing that he or she is not a legal dependent of his or her parents and by submitting a copy of the parents' most recent income tax return to the financial aid office. Mid-term grades are submitted for freshmen and for students making D's or F's. However, mid-semester grades serve as progress reports and are not entered in students' permanent records.

Honors and Awards

Semester Honors

Two lists of honor students are posted each semester:

- (1) **Dean's List**—Students enrolled for a minimum of 12 hours and fewer than 15 must have a 4.0 Grade Point Average, and students taking 15 hours or more must have a 3.7 or better with no grade below C.
- (2) **Honor Roll**—Students enrolled for a minimum of 12 hours and fewer than 15 must have a 3.5 Grade Point Average with no grade below C, and students taking 15 or more hours must have a 3.2 but less than a 3.7 with no grade below C.

Annual Awards

Annual awards are made to outstanding students in each subject field, and the student with the highest academic record in each of the four classes receives an award. Senior awards are made at the Spring Commencement. Other class awards are made at Fall Convocation.

The Most Outstanding Male Graduate Award is endowed by Dr. John Roberts of Greenville, SC. Dr. Roberts received the award when he graduated from Gardner-Webb in 1949. The award perpetuates the memory of Professor J. D. Huggins, the first principal of the Bowling Springs High School. The award recognizes scholarship and participation in University activities.

The Most Outstanding Female Graduate Award is provided by Mrs. Bonnie R. Price in memory of Miss Etta L. Curtis. The award recognizes scholarship and participation in University activities.

The winners of these awards are selected by the faculty.

Graduation Honors

To be considered for baccalaureate honors a graduating student must complete a minimum of 64 hours at Gardner-Webb University and his or her GPA for that work taken here must merit honors. Those in the upper 12% of the graduating class will receive honors. One-sixth of those so designated will graduate *summa cum laude*; one-third will graduate *magna cum laude*; and one-half will graduate *cum laude*. This Standard will be applied to graduates in each of the following categories: Arts/Sciences, Elementary Education/Physical Education, Day

Business, GCAL, Arts/Sciences, and GCAL Business. This provision will apply in the Spring 1994 graduating class and all subsequent classes.

Associate degree students whose GPAs are 3.2 or more are designated as Honor Students.

Honors Program

Gardner-Webb University provides a comprehensive Honors Program to nurture academically qualified students in all majors. Emphasis is placed on Honors classes, leadership through their academic and co-curricular accomplishments, preparation for graduate school, and special activities. Students who participate in the Honors Program, complete a minimum of 24 semester hours of Honor's courses, and receive the recommendation of the Honors faculty, will receive "Honors Program" recognition during commencement exercises.

Student Access to Educational Records

Gardner-Webb University complies with the Family Educational Rights and Privacy Act of 1974. This Act is designed to protect the privacy of educational records, to establish the right of students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Institutional policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy can be found in the Office of the Registrar. That office also maintains a Directory of Records which lists all student educational records maintained by this institution. Information known as Directory Information will be published unless the student specifically requests the Registrar's Office withhold this information. Directory Information is defined as the following: student name, local and permanent addresses, telephone numbers, date of birth, major(s), dates of attendance, previous educational institutions attended, and degree and awards received.

Questions concerning the Family Educational Rights and Privacy Act may be referred to the Office of the Registrar.

Transcripts of Student Records

Requests for copies of a student's record should be made to the Office of the Registrar. All transcripts will reflect the student's complete academic record. No transcripts will be issued without the written authorization of the student. No transcript will be issued for a student who has a financial obligation to the University.

Work at Other Institutions

Students who plan to take courses at other institutions during a regular term or summer session must have the prior written permission of the Registrar. The consent of the chair of the department in which the student is majoring is also required. The Registrar will give such permission for work only in fully accredited institutions. Credit is allowed only for courses of college level which also are

allowed toward graduation by the institution conducting the summer school. Correspondence courses, taken as a transient student, will not be approved for transfer. After completion of such courses, the student requests that an official transcript be sent to the Registrar, Gardner-Webb University.

The University is not obligated to accept credit for any course when prior permission has not been granted. Study at another institution cannot be used to improve a student's academic standing. The University is not obligated to transfer credits of students who are not in good academic standing. Credit may be transferred only for courses on which the student has earned a C or better. The student must meet graduation requirements for the total number of hours required.

Academic Appeals

A student who has a question about an academic decision should consult the University official responsible for the decision. If the matter is not resolved to the student's satisfaction, the student may appeal to the Academic Dean and the Educational Policies and Standards Committee (EPSC), in that order.

The student must make all appeals in writing on his/her own behalf no more than eighteen months after the date of the decision being appealed. Within the appeal document the student should include his/her local or permanent address and a current phone number where he or she may be reached.

Appeals should not be made on behalf of the student by another party (faculty or official of the institution). Appeals proffered by anyone other than the student whose program is in question will be dismissed. Supporting documentation submitted by a member of the faculty or administration to augment or clarify the student's appeal is welcome and will be given full consideration by the EPSC.

For the policy concerning the appeal of a grade, see the section entitled "Grades and Reports."

Academic Standards and Withdrawal

Retaining Membership in the Student Body

Students once admitted to the University, who meet all requirements for continuing in school, are considered members of the student body. However, it is the policy of the University to require each registered student to reaffirm annually the desire and intention to retain membership in the student body.

Completing or updating a Housing or Commuter Contract is required during the Spring Semester. Advance deposits are required each semester as indicated in the financial section.

Retention Standards

Standards for acceptable academic progress at Gardner-Webb University are set to assist students in assessing the quality of their performance. Academic probation and suspension are used to alert students to potentially serious academic difficulty in their progress toward degree.

Students are placed on academic probation as a warning that their level of academic achievement is falling below the level expected of students in their class.

If their academic achievement should not improve, they are in danger of being suspended from the University.

Students will be placed on probation whose cumulative grade point average falls below these minimum standards:

Freshmen 0 to 29 hours	1.5
Sophomores 30 to 59 hours	1.7
Juniors 60 to 89 hours	1.9
Seniors 90 hours and above	2.0

A student placed on academic probation remains on probation for the entire semester. The student will register for no more than 15 credit hours during any semester while on probation.

In order to be removed from academic probation, the student must bring the cumulative average up to the appropriate minimum standard. If the student fails to bring the cumulative average to a satisfactory level during the probation semester but the semester's average is at or above the minimum required, probation will be continued for another semester.

If, at any time, while on academic probation the student's semester and cumulative average fall below the requirement, the student will be placed on academic suspension. The student will be suspended from the University for the next fall or spring semester. At the end of a one-semester suspension the student must submit a formal application for readmission. If granted, the student may register for classes and will be automatically placed on academic probation.

Should a second academic suspension occur, it will be for at least two semesters. After a two-semester suspension from the University, the student must submit a formal application for readmission. If granted, the student may register for classes and will be automatically placed on academic probation. If placed on suspension a third time, the student will be suspended for two semesters.

Readmission requires the approval of the Admissions and Financial Aid Committee. Students suspended from the University are not automatically reinstated upon reapplication. A student who wishes to appeal the denial of reinstatement may do so through the Admissions and Financial Aid Committee. A student who wishes to appeal being placed on academic probation or suspension may do so through the office of the Academic Dean.

All students enrolled in a minimum full-time course of study are eligible to represent the institution in all extra-curricular activities, unless prohibited for disciplinary reasons. Students on either academic or disciplinary suspension are not allowed to participate in dramatic, musical, athletic, or other practice sessions since they are not to represent the University or participate in the public performance of such events.

Summer study at Gardner-Webb University may be used to improve one's academic standing. For purposes of assessing the student's academic standing, the summer study will be treated as an extension of the spring semester. Students who are on academic probation or suspension may not use study at another institution to improve their Gardner-Webb academic standing.

Withdrawal, Suspension and Expulsion

Voluntary termination of enrollment during the course of a semester or summer term is defined as withdrawal.

Dismissal from school for a specified period of time is suspension, and expulsion is dismissal for an unspecified period of time. The University reserves the right to suspend or expel any student or students when it believes that such action is in the best interest of the institution and/or the student(s). This action will take place only after careful consideration and consultation with the student or students in question and all other parties with information pertinent to the matter at hand.

Any student leaving school before the end of a term is required to secure a withdrawal form from the Registrar's Office, complete it in full, and return it to the Registrar's Office. Honorable withdrawal is granted only if these procedures are followed. Failure to complete this procedure will result in the recording of "F" grades on all work taken that term.

Courses of Instruction

The departments of instruction are organized alphabetically with the various academic disciplines listed with the appropriate department. The departments and disciplines are as follows:

Department or Program	Academic Disciplines
Bryhill School of Management	Accounting, Business Administration, Management, Management Information Systems, International Business, Economics
Communication Studies	Radio, Television Broadcasting, Theatre Art, Film, Photography
Education	Teacher Education
English Language and Literature	English, Journalism
Fine Arts	Music, Art
Foreign Languages and Literature	American Sign Language, French, Greek, Hebrew, Spanish, Interpreter Training
Health and Physical Education	Health, Physical Education, Athletic Training, Sports Management
Mathematical Sciences	Mathematics, Computer Science, Engineering
Natural Sciences	Astronomy, Biology, Chemistry, Geology, Physics
Nursing	Nursing (BSN and ADN)
Psychology	Psychology
Religious Studies and Philosophy	Religion, Religious Education, Philosophy
Social Sciences	Geography, History, Political Science, Sociology
Special Programs	Medical Technology, Physician Assistant

Courses numbered 100-199 are on the freshman level, 200-299 on the sophomore level and 300 and above on the junior-senior level.

After the description of each course three numbers will appear (e.g., 3-0-3). The first digit denotes hours per week in class; the second, required laboratory hours per week; and the third, semester hours credit.

Honors Program

Gardner-Webb University provides a comprehensive Honors Program to nurture academically qualified students in all majors. Emphasis is placed on Honors classes, leadership through academic and co-curricular accomplishments, preparation for graduate school, and university activities.

Statement of Purpose

The purpose of the Gardner-Webb University Honors Program is to nurture academically qualified students in all majors by providing a program of enriching learning experiences in courses taught by an Honors faculty. Honors students are inquisitive people, excited by the challenge of scholarship and comfortable in an environment that demands the acquisition of knowledge and the need to think critically about what they have learned. Regardless of their majors, Honors students are interdisciplinary in their approach – able to synthesize their studies and learn from varied cultures and from each other. The Honors Program encourages the highest standards in its students who should exert leadership through their academic and co-curricular accomplishments.

Honors Program Curriculum

A student may be identified as an "Honors Program Graduate" after meeting graduation requirements in an academic department of the University and meeting the requirements of the Honors Program.

The Honors Program requires the completion of a minimum of twenty-four hours of course work designated as "Honors." A minimum of fifteen hours of course work should be completed in the first two years of study. Honors courses in the first two years may be selected from Honors sections of core curriculum offerings, special courses which are offered on an occasional basis for Honors students, or through "Honors Contracts" with faculty teaching regular sections of the college's overall curriculum.

All Honors students are expected to complete HONR 395, 400, and 401 in their junior or senior years. Honors Program students are expected to maintain a minimum 3.0 grade point average.

To receive "Honors Program" recognition during commencement exercises, a student must meet the following requirements:

- Maintain at least a 3.0 GPA;
- Successfully complete a minimum of 24 hours in Honors courses including HONR 395, 400, 401;
- Initiate, prepare, present and defend a senior HONORS thesis of at least 40 pages in length;
- Complete a minimum of 80 hours of community service which contributes to the welfare of the community; and
- Receive the recommendation of the Honors Committee.

Description of Courses

- 398. HONORS SEMINAR 3 semester hours**
Interdisciplinary advanced study that encourages critical thinking as students explore specific topics. Topics vary from year to year, but recent topics have included: Man and the Environment; Movers and Shakers of the Modern World; Spirituality in the United States; and War, Peace, and Culture. Open to Junior Honors students. Other Honors students may enroll with the permission of the Honors Committee. 3-0-3.
- 400. HONORS RESEARCH 3 semester hours**
This is the first of a two semester sequence of courses designed to culminate with the Honors student presenting and defending a Senior Honors Thesis. Each student will work with a mentor in his or her major area of study to develop a thesis statement, a bibliography, preliminary research, and a prospectus for the thesis. 0-Independent Study - 3, 15.
- 401. HONORS THESIS 3 semester hours**
Each student will finalize and prepare a Senior Honors Thesis under the guidance of a mentor in his or her major. The Thesis will be presented and defended by the student to all interested members of the academic community. Students are encouraged to present their thesis to the wider academic community at regional or national Honors meetings. 0-Independent Study-3, 15.

The Broyhill School Of Management

Dean, School of Business: J.E. Crawley

Director, Regular Programs: A.K. Horris

Director, MBA Program: A.J. Neighbors

Director, GDM Program: E.H. Godfrey, Jr.

Professors: L.G. Bottoms, S.C. Camp, H.C. Co, F.K. Griggs

Associate Professor: W.R. Carpenter

Assistant Professors: A.E. Cox, J.D. Hartman, Jr., M. Schumacher

Instructors: Gibson, E. Brown

Distinguished Executive In Residence: C.H. Tichenor

The undergraduate Broyhill School of Management became Gardner-Webb University's first endowed school in 1981 with a gift from the Broyhill Foundation of Lenoir, North Carolina. The Broyhill School of Management provides professional training within the scope of a Christian, liberal arts college, building on the skills in learning and critical thinking that the liberal arts foster. The Broyhill School encourages the pursuit of knowledge and the mission of service for those who choose to serve in the world of business.

Goals and Objectives

The overall goals and objectives for the Broyhill School of Management are to prepare students for the business world who are

- (1) able to adapt themselves in professional careers in business, government, and other areas of human endeavor where organizational, managerial, and analytic skills are vital for success,
- (2) able to learn new skills necessary for success in the workplace,
- (3) able to respond to change in a dynamic, global marketplace, and
- (4) able to become productive citizens within their respective communities.

The Broyhill School of Management attempts to meet the above goals and objectives by offering Bachelor of Science degrees with majors in Accounting, Business Administration, International Business, and Management Information Systems. Minors for business majors are offered in Economics/Finance, International Business, Management, Management Information Systems and Marketing. Minors for non-business majors are offered in Economics, Management, Management Information Systems, International Business, and Business Administration.

Goals and Objectives for Each Major Offered in the Broyhill School of Management

Goals and Objectives of the Accounting Major

Students will:

- (1) be prepared for employment in the accounting field or a related field.
- (2) be prepared to establish a set of accounts for a business.

Goals and Objectives of the Business Administration Major

Students will:

- (1) be able to understand basic concepts of human relations management, marketing, organizational behavior, and production/operations management necessary to manage a modern business or non-profit organization.
- (2) be prepared to adapt to the local business community and to participate in markets in a global community.
- (3) be able to apply quantitative techniques, computer techniques, and other elements of critical thinking to managerial problem-solving.

Goals and Objectives of the Management Information Systems Major

Students will:

- (1) be prepared to identify the current languages and techniques and adapt to related advancements.
- (2) be prepared to integrate skills in management, operations management, accounting, and quantitative techniques into the process of analyzing, designing, and implementing management information systems.

Goals and Objectives of the International Business Major

Students will:

- (1) be prepared to distinguish domestic and international markets in terms of culture, history, and politics.
- (2) be able to understand basic concepts of international trade, such as exporting, licensing, foreign exchange, and foreign investments.
- (3) be proficient in listening, speaking, reading, and writing an approved foreign language.

Business Professional Component Requirements

The following courses are required in the Business Professional Component: Accounting 213, 214, Business Administration 300, 304, 305, 312, 400, Economics 304, Marketing 300, Management Information Systems 241 or 251, Management 316, 416.

Other Requirements

Economics 202 is a prerequisite for all students majoring or minoring in the Broyhill School of Management. Students must obtain a "C" or better in the course.

Requirements for a Bachelor of Science Degree with a Major in Accounting

A major in Accounting requires the Business Professional Component and Accounting 313, 344, 315, 425, 435, and 450.

Students may either transfer credit for intermediate accounting I or II from the senior college level or may qualify for transfer credit by receiving a grade of B or better in the course(s) and scoring at least 75 on a qualifying examination administered by the Broyhill School of Management.

Requirements for a Bachelor of Science Degree with a Major in Business Administration

A major in Business Administration requires the Business Professional Component. In addition, students majoring in Business Administration must complete one of the approved minors of 18 semester hours from the Broyhill School of Management.

Requirements for a Bachelor of Science Degree with a Major in Management Information Systems

A major in Management Information Systems would require 18 hours listed in a common core with computer science—MGIS 201, MGIS 360, MGIS 423, MGIS 430, MGIS 460, and MGIS 471 and 18 hours in Management Information Systems—MGIS 371, MGIS 351, MGIS 352, MGIS 425, MGMT 416 and BADM 480. 18 additional hours from the Business Professional Component—ACCT 213, ACCT 214, ECON 204, BADM 304, BADM 305, and BADM 312 is required. ECON 200 is required as a prerequisite.

Requirements for a Bachelor of Science Degree with a Major in International Business

A major in International Business requires Accounting 214, Business Administration 305, 312, 480, Marketing 300, Management 405, and Management Information Systems 241/251. In addition, the International Business Major must complete the following: Spanish/French 211 (6 hrs.), Spanish/French 212 (6 hrs.), Spanish/French 311 (3 hrs.) Finally, the International Business Major must complete the required 18 semester hours from the International Business Minor for business majors only.

International students whose native language is other than English will complete twelve hours of business electives rather than take FRIN/SPAN 211 and 212. Transfer students with twelve hours of any foreign language at a level

equivalent to FREN/SPAN 211 and 212 will also complete twelve hours of business electives in lieu of FREN/SPAN 211 and 212. When schedules permit, it is highly recommended that international business majors complete FREN/SPAN 305 and FREN/SPAN 306.

International business majors whose foreign language is other than French or Spanish will complete RADM 307 in lieu of FREN/SPAN 311.

Study Abroad

International Business majors will be strongly encouraged to participate in a foreign study program through the Council on International Educational Exchange (CIEE), or through Gardner-Webb sponsored programs abroad. While abroad, students will be advised to take one course from the Business Core.

Minors Offered by the Broyhill School of Management

(For Business Majors Only)

Economics/Finance

A minor in Economics/Finance requires 18 semester hours of Economics/Finance courses approved by the advisor. The following are courses from which to choose: Business Administration 301, Economics 301, 303, 304, 311, 320, 401, 402, 403, 404, 405, 420, and 490.

Management

A minor in Management requires 18 semester hours of Management courses approved by the advisor. The following are courses from which to choose: Management 330, 400, 403, 410, 418, 422, 425, 430, 431, 446, 465, Economics 320 or Marketing 420.

Management Information Systems

A minor in Management Information Systems requires Management Information Systems 241, 251, 371, two courses in an approved programming language, and one 3-semester-hour Management Information Systems elective above the 300 level.

Marketing

A minor in Marketing requires Marketing 420 and five of the following courses: Marketing 302, 304, 400, 404, 406, 408, Economics 401, Management 422, 466.

International Business

A minor in International Business (business majors only) requires 18 semester hours. The following are the required courses: Management 466, Economics 304, 401, 404, Accounting 213, and Political Science 303.

Minors for Non-Business Majors

The following minors are offered for non-business majors:

Economics

A minor in Economics requires Economics 203, 204, and four of the following courses: Economics 301, 303, 311, 320, 401, 420, or Management 410.

Management

A minor in Management requires Management 316, and 15 hours from the following: Management 330, 400, 403, 410, 416, 418, 422, 465, Marketing 420 or 485.

Management Information Systems

A minor in Management Information Systems consists of MGIS 251, 371, two courses in an approved programming language, and two 3-semester-hour MGIS electives above the 300 level.

International Business

A minor in International Business (non-business majors only) requires 18 semester hours. The following are the required courses:

Management 465, Economics 401, Geography 102, Sociology 400, French/Spanish 305 or 306, Political Science 321. Students who complete a second major in French/Spanish may, in consultation with their advisors, substitute non-language courses for the French/Spanish Courses listed above.

Business Administration

A minor in Business Administration requires 18 hours consisting of Accounting 213, Business Administration 306, Marketing 330, Economics 304, Management 316, and Management Information Systems 251.

Department of Communication Studies

Chair: Professor Vaughan

Assistant Professor: Cassidy

Assistant Professor: Costello

Instructor: Carey

The Department of Communication Studies provides students the opportunity to conceptualize, visualize, write, direct, and produce in a variety of communication media including photography, television, radio (radio), print, computer graphics, multimedia, and theater. In addition to media production, writing proficiency is emphasized through courses in communication theory, scripting, and journalism. Our students gain experience leading to a broad range of professional opportunities in business and industry, the arts, and the electronic media. Majors are encouraged to participate in writing and publishing the campus student newspaper, *The Pilot*, and to take an active part in the design and production of the school yearbook, *The Pilot*. WGWC-FM, the 50,000 watt voice of Gardner-Webb University and the campus-wide cable system, "Web-Net," are also available for those interested in gaining practical experience in broadcasting. Students may earn either a Bachelor of Arts Degree in Communication Studies, or a minor in Communication Studies or Theatre Arts.

Goals and Objectives

The goals and objectives of the Communication Studies major are:

- (1) to engender an understanding, sensitivity and competence in matters of human exchange,
- (2) to foster competence, knowledge and skills in the application of the principles of effective communication,
- (3) to develop practical entry level skills appropriate to the communication industry, and,
- (4) to apply the knowledge and skills learned toward making a meaningful contribution to the global community in which we live.

The successful attainment of these goals and objectives is assessed through testing, development of portfolios of student work, documentation of internship performance and periodic evaluation of graduates of the program.

Communication Studies Major Requirements

A major in Communication Studies requires a minimum of 36 semester hours beyond the basic course requirements of the University. English 101 and 102 are prerequisite to all communication courses unless exception is granted by the chair.

Students majoring in Communication Studies with the following concentrations in Electronic Publishing or Journalism must complete nine semester hours comprised of COMM 213 Newswriting, COMM 380 Communication Theory and COMM 480 Legal and Ethical Issues in Mass Media.

The student must elect at least 6 additional hours from offerings within the department to complete a minimum 36 hours in the major. Students may utilize HCNR 400 and/or HCNR 401 to fulfill three hours of credit toward completion of the 36 hour major.

The internship consists of a minimum 150 hours of off-campus, professionally supervised work at a business, studio, or broadcast facility approved in advance by the chair. Typically, internships are completed in photography studios, cable companies, radio and television stations, networks, newspapers, internet service providers or other professional organizations as appropriate to the student's academic and career goals. Theatre majors will intern with summer stock or professional theatre production groups. Students are expected to apply for and acquire their own internship placement. An internship is assigned after completion of course work in the chosen concentration.

Minor

Communication studies majors are required to complete any minor offered by the University. A student who elects a concentration in journalism or electronic publishing may complete a minor in English by taking an additional 12 hours in the department of English. A student in radio and television who wishes to specialize in performance may minor in theatre arts by completing 15 hours of theatre arts (THEA) courses. COMM 350 Film Literature and Criticism may be included in a theatre arts minor.

Minors offered by the Department

The communication studies minor requires 18 semester hours beyond university basic course requirements. Students minoring in Communication Studies must take COMM 270 Internet Survey, COMM 350 Techniques of Scriptwriting, and COMM 380 Communication Theory, plus 9 hours of electives selected from communication (COMM) course offerings.

The theatre arts minor requires 18 semester hours beyond the university basic course requirements. THEA 380 Theatre History, plus 15 hours selected from courses in theatre arts fulfill the minor. COMM 235 Speech and COMM 350 Film Criticism may also be applied to the Theatre minor.

Professional Education

The Department of education, within the framework of the liberal arts and professional studies curriculum, offers a major in Elementary Education (K-6) and Middle Grades Education (6-9). Concurrently, the Department provides opportunities for the intellectual, social, physical, and spiritual development of students within a learning environment based upon Christian principles and values. A Professional Education Minor is available for students seeking (9-12) licensure in the areas of English, Mathematics, Biology, Chemistry, and Social Studies; and in special subject areas (K-12): Music, Health Education, Physical Education, French, and Spanish. Successful completion of these programs fulfills the requirements for the North Carolina Class A Teaching Licensure. Courses are also available for career teachers seeking teacher renewal and for students holding a baccalaureate degree who wish to obtain teacher licensure.

The Professional Education Program has articulated its model for the preparation of teachers as that of the educator as theorist & practitioner resting upon a knowledge base that is organized around four unifying threads: the learner and learning, social context, methodology, and professional development. The courses offered in the Teacher Education Program are designed to foster in students:

- (1) knowledge of and skills in the subject matter in the area of specialization.
- (2) the ability to use the scientific method.
- (3) attitudes and skills to excite learners' interest in and involvement with subject matter.
- (4) knowledge of the nature of the learner and the learning process.
- (5) knowledge of the role of the school in a democratic society.
- (6) knowledge of the philosophical, social, historical, and legal contexts in which professional educators operate.
- (7) knowledge of various teaching strategies, materials, instructional technologies, and methods of classroom organization.

- (8) knowledge and skills to maintain a classroom environment conducive to learning.
- (9) knowledge of various learning styles and the skills to vary instruction to meet learner needs.
- (10) knowledge of elements of cultural diversity and their influence upon the learner.
- (11) the skills to evaluate learning.
- (12) the skills to locate and integrate classic and contemporary scholarship pertaining to student achievement and teacher effectiveness.
- (13) the ability to use effective communication skills in classroom interaction and in consultative and collaborative relationships.
- (14) an understanding of the impact of family dynamics on learning readiness.
- (15) knowledge of the nature of a range of exceptionalities and the skills to begin to design and deliver appropriate instruction.
- (16) an understanding of the necessity for life-long professional learning.

Teacher Education Committee

This committee develops and implements policy, approves curricula, and evaluates programs for the undergraduate and graduate education programs. It is composed of faculty members from each department offering programs leading to licensure, student representatives, and school personnel including a teacher and a member of the support staff.

Admission to Teacher Education Program

To be admitted to the Teacher Education Program, an undergraduate degree seeking student must meet the following requirements:

- (1) File declaration of intent to major or minor in Education with the Academic Advising Center.
- (2) Complete a minimum of 30 cumulative semester hours, with at least 12 hours earned at Gardner-Webb.
- (3) Have a minimum 2.50 grade point average on all college or university work.
- (4) Complete EDUC 201 with a grade of C or better. The Teacher Education Handbook provides specific guidelines for the preservice student.
- (5) Obtain minimum scores currently required by State Board of Education on the National Teacher Examination (NTE). These scores are subject to change by the State Board of Education. Applicants must satisfy the score requirements in effect at the time of Admission to Teacher Education Program.
- (6) Complete Application for Teacher Education Program. Applications are due the first Monday in October and the first Monday in March. (See calendar dates listed on course schedule).
- (7) Successfully complete Teacher Education Interview.

The Professional Semester

The professional semester includes specific coursework and the 10-week student teaching experience. Before beginning the professional semester, the student must meet the following requirements:

- (1) Submit completed Application for Student Teaching on or before February 15 for teaching in a fall semester and on or before September 15 for teaching the spring semester. (See calendar dates listed on course schedule).
- (2) Maintain a 2.50 cumulative grade point average.
- (3) Maintain a grade of C or better in all professional studies courses, including courses taken during the professional semester.
- (4) Complete all requirements for the selected major. Any exceptions must be approved by the Chair of Department of Education. These requirements are described under the appropriate department listing.

Student Teaching and Related Field Experiences

Student teaching assignments and various field experiences required throughout the Teacher Education Program are made by the Director of Field Experiences in public schools within commuting distance from the University. Transportation to these sites is the responsibility of the student.

Completion of the Teacher Education Program

Successful completion of the basic course requirements and all major requirements and the Professional Education Minor, including the professional semester, will qualify students for licensure in North Carolina and many other states.

North Carolina Licensure Requirements

To be recommended for Level A licensure in the state of North Carolina, a student must meet the following requirements:

- (1) Complete approved program of study.
- (2) Obtain minimum scores on Praxis II of the National Teacher Examination.
- (3) Submit completed application for licensure to the office of the Department of Education.
- (4) Provide official transcripts for all college and university work completed at other institutions to the office of Department of Education.

Licensure Only Students

Individuals who hold a baccalaureate degree and wish to obtain North Carolina Class A Teaching Licensure may apply for admission to the approved program for teacher licensure. The student must meet entrance and exit requirements comparable to those required of a degree-seeking student in the approved

program. A minimum of 21 hours must be taken at Gardner-Webb University and recommended for licensure by the institution.

Student Appeals

Students not meeting requirements for admission to teacher education and/or the professional semester (student teaching) may appeal to the Teacher Education Committee for acceptance or continuation in the program. The process for appeals outlined in the Teacher Education Committee Policy Manual.

Requirements for B.S. Degree with Major in Elementary Education

The Elementary Education Program is planned so that students will acquire:

- (1) knowledge across all subject areas included in the breadth of the Gardner-Webb core curriculum and enhanced by the specialty area (Elementary Studies) of the curriculum. [The beginning teacher should be broadly and liberally educated and have full command of the subjects that he or she will teach.]
- (2) knowledge of characteristics of developmental stages of children from ages five to twelve
- (3) understanding of unique learning characteristics of children from a wide variety of cultural and language backgrounds and of exceptional students
- (4) skill to adapt curriculum and teaching strategies to meet elementary learners' needs
- (5) skill to organize classroom environment which meets the needs of and stimulates the intellectual growth of children
- (6) interpersonal skills for the purpose of establishing effective communication within the classroom, within the school, and in establishing productive home-school linkages
- (7) skills to effectively evaluate student learning and to use results to establish an effective instructional program
- (8) understanding of contemporary issues related to teaching as a profession and to schooling in a complex society
- (9) knowledge about schools, teaching and children that increases through carefully planned and supervised field experiences

The basic core requirements are described in the General Studies portion of this catalog.

A major in Elementary Studies requires 34 hours in the following courses: Art 300; Education 301, 305, 312, and 320; Health 320; Literature (this requirement and basic course requirements must include American and World or English Literature); Mathematics 204, 205; Music 343, 346; Physical Education 395; Social Studies Education 307. Department of English Language and Literature

Chair: Gayle Prier

Professors: F. Botzner, J. Brown, D. Garvett

Assistant Professors: J. Hobbs, L. Keener, J. Land, M. Theado, Parker

Instructors: Deryabina, Carlisle

The purpose of the Department of English Language and Literature is to enable students to develop intellectually, to think, read and write independently and critically, and to communicate effectively.

The objectives of the Department of English Language and Literature are to:

- (1) develop in students the ability to write maturely,
- (2) develop in students the ability to think critically,
- (3) develop in students an awareness of literature as an expression of different cultures,
- (4) develop in students a basis for interpreting and evaluating literature,
- (5) provide students with a solid English background which will serve as preparation for various careers.

English Major Requirements:

A major in English requires 36 semester hours of English courses beyond core requirements, with emphasis in one of four available options. English 391 (Workshop in English I) and English 491 (Workshop in English II) are required for all majors. All majors must participate in an exit interview during their last semester of English studies. English majors are limited to 12 hours of 300-level courses, including the required core survey course.

All English majors are required to complete a minor in a field of their own choice. For further information see the **English Majors Handbook**.

English Major Options:

- (1) **English Major with Emphasis on Writing:** Students will take at least 9 semester hours of their major in writing courses; in addition, each student is required to complete English 493, Internship in Writing and Editing, English 201, Newspaper Staff, English 202, Yearbook Staff, English 301, Advanced Composition, English 307, Print Journalism I, English 308, Print Journalism II, and English 303, Professional Writing, are recommended. The Workshop should focus on some aspect of the craft of writing.
- (2) **English Education Major with NC State Teaching License 9-12:**

The teacher-training program in English seeks to graduate students who: (1) have a broad background in literature; (2) exhibit a command of the English language in both oral and written communication; (3) possess the skills to

formulate objectives, select material, use appropriate teaching strategies, and evaluate learning; and (4) realize the need for lifelong, professional learning.

Students will follow the program prescribed in the English Handbook and will pursue a minor in Education. English 251, Foundations of World Literature; English 363, Structure and Development of the English Language; English 413, Shakespeare; and English 483, The Teaching of Writing, are required. The Workshop should focus on an area useful to one entering the teaching profession.

Required Minor for English Major with Teaching Licensure: Education 201, 301, 313, 325, 440, 460 and Education 432 or English 481.

Required Cross-Discipline Courses for English Major with Teacher Licensure: Psychology 302 and 303.

(3) **English Major with Emphasis on Theatre Arts:** Students will take 9 semester hours of their major in Theatre Arts courses, with courses selected in consultation with their advisors and with the director of the GWU Theatre Arts Program. Three hours must consist of THEA 341 or THEA 342. In addition, all majors with Theatre Arts Emphasis must take English 371, Masterpieces of World Drama, and the Workshop project should focus on Theatre Arts.

(4) **English Major with Pre-Professional Emphasis:** Students will select courses in consultation with their advisors and other departmental members so as to incorporate a variety of experiences in developing a strong liberal arts basis which provides the opportunity for general language and literature knowledge useful for entry into professional areas or into graduate studies in English. The Workshop should focus on a literary topic.

Requirements for Minor offered by the Department

A minor in English requires fifteen (15) hours in English beyond core requirements. English minors are limited to six hours of 200-level courses, including the required core survey course.

Prerequisite Requirements

English 102 is prerequisite to English 103; English 101 and 102 are prerequisite to all other English courses except English 201 and 202. All students must begin their composition studies upon enrollment in the university and must complete all composition courses consecutively through English 102.

The Department of Fine Arts offers courses through its divisions of Art and Music.

The statement of purpose of the Department of Fine Arts is to stimulate interest in participation in, and knowledge of the arts for all members of the University and the community at large.

The Objectives of the Music Majors are as follows:

Music: Performance, Composition, Treatise

- (1) to demonstrate technical proficiency in the chosen area that enables artistic self-expression.
- (2) to reveal musical values based on knowledge of musical fundamentals and styles.
- (3) to prepare for advanced professional study.

Music Education

- (1) to afford the music education theorist and practitioner the knowledge base of learning, methodologies, social context and professional development needed to teach in a private or public school setting.
- (2) to instill confidence in the student's ability to perform and utilize musical learnings in the classroom and performance arenas.
- (3) to provide prospective music teachers the competencies required to obtain a North Carolina state teacher Licensure in Music Education for grades K-12 in the fields of general music, instrumental, and vocal music.

Sacred Music

- (1) to understand and appreciate aesthetic values found in sacred music used for worship and Christian education.
- (2) to develop a continuing interest in the areas of music performance, worship leadership, choral and instrumental conducting, and required communication skills.
- (3) to think independently and critically concerning general music, theological, and church music issues and their interrelationships.

Gardner-Webb University, through the Music Division of the Department of Fine Arts, is an accredited institutional member of the National Association of

Schools of Music, and all course offerings and degree requirements are in accordance with this body.

Three majors in music are offered: Music Education, Sacred Music and Music options in Sacred Music/Religion, Performance, Composition, Treatise and Music Major with a Second Major. Each of the three majors leads to the Bachelor of Arts degree. In addition, the Department of Fine Arts offers minors in Art and Music.

A Music Handbook and complete curriculum outlines for each major in music and information pertaining to admission to programs, performance requirements, proficiency examinations, etc., are available in the office of the Chair, Department of Fine Arts.

- (4) Music Major: (Options in Performance, Composition, Treatise)-15 hours in courses from the same discipline not directly related to the major or a interdisciplinary Minor (student may choose any courses listed in the catalog).
- (5) Music Major: (Option in Music Major with Second Major). The Second Major fulfills the required minor.

Piano Proficiency

Each music major is required to pass a piano proficiency examination as an integral part of the overall degree requirements. Non-Piano Concentrations must enroll for piano each semester until the piano proficiency is passed. Four semester hours of an applied minor have been set aside in each curriculum for this purpose. Should the proficiency be passed before completing four hours of piano the Non-Piano Concentration may take the remaining hours in any applied elective or Performance Group.

Performance Group Requirement

Each music major is required to satisfactorily participate in a performing group Fall and Spring semester while enrolled as a full-time student, except the student

teaching semester. A minimum of four semesters of satisfactory participation in a performing organization is required for part-time students. A student who requires more than eight semesters to complete a program may make a written request to his/her advisor for exemption from participation in a performance group after ten hours of performance organization credit have been acquired.

Students must enroll in a performance group according to their concentration with the exception of Sacred Music or Sacred Music/Religion: 4 hours of a vocal organization and four hours according to Concentration.

NOTE: The Department of Education requires additional procedures. See related requirements in this catalog under "Department of Education."

Music Theory Placement Exam

Students entering as music majors are required to take a Music theory Placement Exam prior to the first week of class to gauge their level of theoretical competence. A first-time music major will be placed either in the sequence of MU5C 105-106 (First-Year) or MU5C 103-104 (Basic Theory) according to exam results. Transfer music major placement is based on exam results following an exam which covers material from the last semester of music theory study completed by the student.

Comprehensive Exit Examination

During the senior year a comprehensive exit examination in the areas of music theory, music history and music literature must be passed.

Minors Offered by the Department

A minor in Art requires 18 semester hours including Art 201, 203, 205 or 303, 304, and 225. Art Survey is required but may be used to fulfill a core requirement which would allow the art minor to have 6 elective hours. If 225 is used only to fulfill requirements for the minor, the student has 3 hours of electives. Senior Exhibit and Portfolio with Artist's Statement is required.

A minor in Music requires 18 semester hours including Music 105, 106; 4 semesters of a performing organization (4 hours); and 6 hours of applied music (Jury required) and/or conducting. Four hours of applied music must be in the same area. Recital attendance is required (1/2 of the number of recitals required for music majors) during the semester in which applied music credit is being earned toward the minor (see Music Handbook).

Music

Courses are offered in the field of music to train the student in the essential musicianship; to guide the student in the integration of the art of music with that of living; to coordinate the musical activities of the student in order that both sacred and secular music may be maintained at a high standard of quality; and to prepare the student for graduate or professional training, a teaching career, or the ministry of music in churches.

Key to numbering of Music courses:

General Music courses-The first digit denotes the level of study: 1-Freshman; 2-Sophomore; 3-Junior; 4-Senior. The second digit identifies the area of study: 0-Music Theory; 2-Music History and Literature; 4 and 5-Music Education; 6-Sacred Music; 7 and 8-Performance Groups; 9-Independent Study.

Applied Music courses-The first digit denotes the level of study: 0-Preparatory; 1-Lower Division; 3-Upper Division. The second digit signifies the medium of performance: 0-Piano; 1-Voice; 2-Organ; 3-Brass; 4-Woodwinds; 5-Strings; 6- Percussion; 7-Guitar. The third digit indicates the amount of credit earned in applied music: 1-one hour credit; 2-two hours credit; 3-three hours credit; 4-four hours credit.

(Applied music courses numbered: 001-072 are assigned to Preparatory students.; 101-102 and 121-122 are assigned to Keyboard students who have not passed the Piano Proficiency and 301-304 and 321-324 are assigned to Keyboard students who have passed the Piano Proficiency; 111-112 are assigned to Voice students who have not passed the Voice Hearing and 311-314 are assigned to Instrumental students who have passed the Voice Hearing.; 131-172 are assigned to Instrumental students who have not passed the Instrumental Hearing and 311-374 are assigned to Instrumental students who have passed the Instrumental Hearing.)

Department of Foreign Languages and Literature

Chair Professor Morgan

Professor M. Taylor

Associate Professors: M. Lutz, Parsons

Assistant Professors: Cox, Stansbury, Cagle, C. Moore

Instructor: Deryabina

Goals and Objectives

The purpose of the Department of Foreign Languages and Literature is to teach students communicative skills in a foreign language that will enable them to develop an appreciation and knowledge of another culture and its literature.

The educational objectives of the French and Spanish programs are to graduate majors who can demonstrate:

- (1) proficiency in listening to, speaking, reading, and writing the French or Spanish language;
- (2) knowledge about French/Spanish literature;
- (3) knowledge about French/Spanish culture and history.

The educational objectives of the American Sign Language (ASL) program are to graduate majors who can demonstrate:

- (1) proficiency in receptive and expressive ASL;
- (2) knowledge about Deaf Literature;
- (3) knowledge about Deaf Culture and history.

The objectives of the major in French or Spanish with teacher licensure are to prepare teacher candidates to:

- (1) understand all aspects of the French/Spanish language well enough to be able to explain and model the component skills for students;
- (2) teach French/Spanish literature so that it is meaningful to students and related to other areas of study such as history and geography;
- (3) teach French/Spanish culture in such a way as to help students develop a broadened world view and an appreciation of the varied cultures of the world;
- (4) plan, implement, and evaluate instruction in educationally sound ways; and
- (5) select and use the appropriate methodologies and materials for students of different ages, interests, and backgrounds.

A student may earn a Bachelor of Arts degree in French, Spanish, or American Sign Language (ASL). In addition to the major, a student may earn credits for

teacher certification in French or Spanish. Students who have had two years of French, Spanish, or ASL in high school may begin with an intermediate course (201, 211) if a satisfactory score is received on the placement test.

208.	HANDBALL/RACQUETBALL A course designed to develop and strengthen skills in the fundamentals of handball and racquetball. 0-2-1.	1 semester hour
209.	SNOW SKIING (On demand) A course designed to develop and strengthen skills in the fundamentals of downhill skiing. Additional fees will apply. 0-2-1.	1 semester hour
210.	MARTIAL ARTS This course will focus on karate, judo, or another recognized martial art. Components of the class may include but not limited to aerobic drills, self-defense, formal exercises and pre-arranged sparring. 0-2-1.	1 semester hour

Physical Education

211.	INTRODUCTION TO PHYSICAL EDUCATION	3 semester hours
	An overview of the field of physical education with emphasis placed on history and on current issues related to the discipline. 3-0-3 (Fall)	
226.	MOTOR LEARNING	3 semester hours
	A study of basic concepts applicable to motor skill acquisition. Areas of study include variables affecting the learner (e.g., perception, attention, memory) and the learning environment (e.g., knowledge of results, practice, transfer of learning). 3-0-3 (Spring)	
301.	SCHOOL ACTIVITIES	3 semester hours
	Methods, materials and techniques for instruction in recognizing, identifying, and applying a planned, sequential program in elementary physical education. A field experience is required. 3-1-3 (Fall, Spring)	
302.	METHODS IN TEACHING SWIMMING AND LIFESAVERING	3 semester hours
	Red Cross Lifesaving and Water Safety Instructor certification. Will substitute for any 300 level requirement. A field experience is required. 3-1-3 (Spring)	
303.	INTRAMURALS	2 semester hours
	Principles and ideas to effectively organize and administer intramural sports programs in various school settings. A field experience is required. 3-1-3	
309.	OFFICIATING	2 semester hours
	Theories and techniques, both general and sport specific, designed to orient the student to the field of sports officiating. A field experience is required. 3-1-3	
310.	OUTDOOR EDUCATION	3 semester hours
	Designed to provide the student with practical knowledge as it relates to camping, hiking, backpacking and related basic wilderness survival skills. Fees may apply. A field experience is required. 3-1-3 (Fall)	
331.	CREATIVE MOVEMENT (K-12)	3 semester hours
	Methods, materials and techniques for teaching movement and dance on the K-12 level. Emphasis is on creativity through movement exploration and dance. 3-0-3 (Fall)	
335.	KINESIOLOGY	3 semester hours
	An examination of both the anatomical and mechanical factors related to human performance. 3-0-3 (Fall)	
336.	THEORY AND TECHNIQUES OF COACHING	3 semester hours
	An examination of issues relating to the coaching profession, including recruiting, motivation, ethics, public relations, and administrative responsibilities. 3-0-3 (Fall, even years)	
341.	THEORY AND TECHNIQUES OF TEAM SPORTS	3 semester hours
	Methods, theories and techniques for teaching volleyball, softball, football, soccer and basketball on the K-12 level. 3-0-3 (Fall)	
342.	THEORY AND TECHNIQUES OF INDIVIDUAL AND DUAL SPORTS	3 semester hours
	Methods, theories and techniques for teaching tumbling and gymnastics, tennis, track and field, badminton and wrestling on the K-12 level. 3-0-3 (Spring)	

401.	PSYCHOLOGY OF SPORT AND PHYSICAL ACTIVITY	3 semester hours
<i>This course examines various psychological parameters which influence sport behavior and performance. 3-0-3 (Fall, odd years)</i>		
402.	ADAPTED PHYSICAL EDUCATION	3 semester hours
<i>A study of the nature of physical education services, administration, and instructional processes; specific handicapping conditions, modification of activities, facilities, equipment and I.E.P.'s. A field experience is required. 3-1-3 (Spring)</i>		
406.	EXERCISE PHYSIOLOGY	3 semester hours
<i>A course designed to examine the human body's response to exercise. Topical areas include muscular adaptations, energy systems, environmental factors, nutritional guidelines, and various methods of physical training. 3-0-3 (Spring)</i>		
408.	ORGANIZATION AND ADMINISTRATION OF PHYSICAL EDUCATION AND ATHLETICS	3 semester hours
<i>This course deals with the administrative problems involved in the field of health education and physical education. 3-0-3 (Fall)</i>		
409.	TESTS AND MEASUREMENTS	3 semester hours
<i>The study of various tests and measurements used for assessment in health and physical education programs, with special attention given to elementary statistical procedures, test administration and principles of grading. 3-0-3 (Spring)</i>		
419.	SOCIAL ISSUES IN SPORTS	2 semester hours
<i>An introduction to the concept of sport in society. This course examines issues and patterns of social behavior as they relate to play, games, and sport. 3-0-3 (Spring)</i>		
420.	SECONDARY SCHOOL ACTIVITIES (METHODS OF TEACHING)	3 semester hours
<i>Methods, materials, theory, practice, and program development in physical education and health on the secondary level. (A prerequisite to student teaching in health or physical education.) 3-0-3. (Fall, Spring)</i>		
425, 426.	INDEPENDENT STUDY	1-4 semester hours each semester
<i>Designed to enable a student to undertake a specific or latent project of professional interest and need.</i>		

Health Education

221.	PERSONAL PERSPECTIVES OF HEALTH	3 semester hours
<i>A thorough study of the health problems of the individual, school, and community. 3-0-3 (Fall, Spring)</i>		
222.	ADVANCED FIRST AID	3 semester hours
<i>Analysis and practice in emergency and temporary care of injuries and sudden illness. Includes Red Cross certification in Adult CPR. 3-0-3. (Fall, Spring)</i>		
223.	SAFETY EDUCATION	3 semester hours
<i>An introduction to teaching safety education in the school with emphasis on planned participation, observation, and the concepts and theories of accident prevention. 3-0-3. (Fall, odd years)</i>		
224.	NUTRITION	3 semester hours
<i>A course covering basic nutritional concepts including a study of weight control. Applications of nutrition in health education will be emphasized. 3-0-3. (Fall)</i>		

- 319. COMMUNITY HEALTH 3 semester hours**
A course designed to study the individuals and processes involved in shaping local, state, and national health policies, as well as the delivery, utilization, and planning the health services in the U.S. 3-0-3. (Spring, odd years)
- 320. HEALTH EDUCATION (EARLY CHILDHOOD, INTERMEDIATE) 3 semester hours**
Methods and materials for classroom instruction in health and safety for the elementary teacher. A field experience is required. 3-1-3. (Spring)
- 321. HEALTH EDUCATION FOR TEACHERS 3 semester hours**
Methods and materials for the classroom instruction in health and safety for the teacher. A field experience is required. 3-1-3. (Fall)
- 322. HELPING RELATIONSHIPS FOR HEALTH SCIENCE 3 semester hours**
An introduction to using the skill models in effective human relations. Emphasis will be placed on understanding the mental health needs of individuals in the school, the home, and society. A field experience is required. 3-1-3. (Spring, even years)
- 400. COMPREHENSIVE HEALTH EDUCATION 3 semester hours**
A course designed to integrate and apply the principles of health education for grades K-12. Emphasis will be on content selection and methodologies appropriate for the total program. Selected current issues in health will also be a focal point. A field experience is required. 3-1-3. (Spring, even years)
- 401. DRUG/ALCOHOL EDUCATION 3 semester hours**
A study of the sociological, psychological and physiological aspects of drug and alcohol abuse as they impact upon the individual, family and society. 3-0-3. (Fall)
- 402. SEXUALITY/SEX EDUCATION 3 semester hours**
A study of human sexuality education including comprehensive knowledge and an education methodology for effective communication with children and youth. 3-0-3. (Spring)
- 432. FIRST AID INSTRUCTOR'S COURSE 3 semester hours**
American Red Cross instructor's course designed to qualify students as American Red Cross Instructors in Standard First Aid and community Cardiopulmonary Resuscitation. 3-0-3. (Spring)
- 431. PROBLEMS IN HEALTH EDUCATION 3 semester hours**
Advanced study of personal and community health problems, environmental health, healthy living, and mental and emotional health. 3-0-3. (Fall, even years)
- 433. ORGANIZATION/ADMINISTRATION/ EVALUATION IN HEALTH SCIENCE 3 semesters hours**
A course designed to develop competencies in organizing, administering and evaluating a school health program. 3-0-3 (Fall, even years)
- 495, 496. INDEPENDENT STUDY 1-6 semester hours each semester**
Designed to enable a student to undertake a specific research or intern project of professional interest and need.

Athletic Training

- 325. TECHNIQUES IN ATHLETIC TRAINING 3 semester hours**
An introductory course to the field of Athletic Training. The course will focus on treatment, disposition, and rehabilitation of athletic injuries. 3-0-3. (Fall)
- 326. EVALUATION AND RECOGNITION OF ATHLETIC INJURIES 3 semester hours**

This course will concentrate on the areas of evaluation and recognition of athletic injuries, counseling and guidance. Prerequisite: ATR 225, 3-0-3 (Fall)

325. **REHABILITATION AND CONDITIONING OF ATHLETIC INJURIES** 3 semester hours

This course will concentrate on rehabilitation and conditioning athletic injuries and the modalities to treat such injuries. Prerequisite: ATR 325, 3-0-3 (Spring)

340. **MEDICAL TERMINOLOGY IN ATHLETIC TRAINING** 3 semester hours

A course to aid the student in developing a complete system of record keeping utilized in an athletic training program. The student will apply terminology used to communicate professionally within the medical community. 3-0-3 (Spring)

402. **ATHLETIC TRAINING PRACTICUM** 3 semester hours

This course will provide the student with the opportunity to associate cognitive learning with the practical skills needed by the athletic trainer. The student will be expected to demonstrate specific skills used in a comprehensive athletic training program. 3-0-3 (Fall)

404. **MODALITIES IN ATHLETIC TRAINING** 3 semester hours

A course to provide the student with a basic understanding of the underlying principles supportive of the use of therapeutic modalities, including physiological effects of different modalities and how they work as therapeutic agents. 3-0-3 (Spring)

426. **ATHLETIC TRAINING SEMINAR** 3 semester hours

This course will summarize the experiences the student has learned and demonstrated within athletic training program and will serve as final preparation for the National Athletic Trainer's Certification Exam. 3-0-3 (Spring)

Sport Management

318. **PRINCIPLES OF SPORT MANAGEMENT** 3 semester hours

An overview of the field of sport management with emphasis placed on history, philosophy, ethics, program evaluation, current trends, and career opportunities. 3-0-3 (Fall)

303. **SPORT PROGRAMMING, MANAGEMENT IMPLEMENTATION** 3 semester hours

This course will examine topics required for the successful administration of sports programs including, but not limited to, marketing, fundraising, tournament planning, public and media relations, and conflict resolution. 3-0-3 (Spring)

Department of Mathematical Sciences

Chair: Associate Professor: Bass

Professors: Bannert, Bothams

Assistant Professors: Hart, J. Johnson, Cansapp

Instructors: Hoyle, Tinnell

Department Purpose

The purpose of the Department of Mathematical Sciences is to offer courses in mathematics and mathematically related areas of study which elucidate concrete quantitative concepts and methods of analysis, stimulate abstract and deductive reasoning, and contribute to the intellectual growth so valuable in a wide range of life (career) choices.

Department Goals

- (1) to help students think so as to reach logical conclusions;
- (2) to enable students to have a more meaningful definition of mathematics as a result of postulational thinking;
- (3) to assist students in recognizing mathematics as a powerful tool for calculation and analysis;
- (4) to prepare some students for teaching mathematics in elementary or secondary schools;
- (5) to introduce students to computers and their uses;
- (6) to prepare some students to become computer programmers or computer analysts;
- (7) to prepare some students for studies in engineering;
- (8) to equip students majoring in the mathematical sciences for graduate study in mathematics and / or computer science.

Degrees Offered

The department offers the Bachelor of Science degree in the following majors:

- (1) Mathematics,
- (2) Mathematics with teacher licensure, and
- (3) Computer Science Major.

Dual-Degree Program in Engineering

Coordinator: W. Hoover

Gardner-Webb University in cooperation with the schools of engineering at Arizona University and the University of North Carolina - Charlotte offers a dual-degree program in mathematics and engineering. A participant in this program will attend Gardner-Webb University for approximately three academic years and

the School of Engineering at either Auburn University or UNC-Charlotte is approximately two academic years. After completing the academic requirements of the cooperating institutions, the student will be awarded a bachelor's degree in mathematics from Gardner-Webb University and a bachelor's degree in the chosen engineering specialty from either Auburn University or UNC-Charlotte.

A handbook describing this program may be obtained by contacting the Registrar or the Chair of the Department of Mathematical Sciences.

Mathematics Major Requirements

The Basic Course Requirements must be satisfied.

A major in Mathematics requires 30 semester hours of mathematics, including Mathematics 221, 222, 321, and 322. The remaining hours must be selected from courses numbered above Mathematics 210.

Minor

The minor must be taken in a discipline other than mathematics.

Mathematics Major With Teacher Licensure Requirements

The Basic Course Requirements must be satisfied.

A major in Mathematics with preparation for secondary (9-12) teacher licensure requires 33 semester hours of mathematics and computer science, including Mathematics 221, 222, 302, 303, 304, 310, 321, 400, 404 and Computer Science 140. The remaining hours must be selected from Mathematics 311, 312, 322, 370, 401, 405, 495, 496.

Minor

Required courses are Mathematics Education 432, Education 205, 301, 313, 325, 440, 490 and Psychology 302, 303.

Computer Science Major Requirements (CSCI)

The Basic Course Requirements must be satisfied. It is recommended that MATH 105, MATH 115, or MATH 221 be chosen in the critical thinking section and either chemistry or physics be chosen in the natural world section.

A major in Computer Science requires 36 semester hours. These hours include 18 hours listed in the common component with Management Information Systems, 12 additional hours in computer science and 6 hours in mathematics. CSCI 201, 260, 301, 360, 361, 360, 411, 433, 460 and MATH 221 are required. The remaining computer science course may be selected from CSCI 440, 450, 470, or MATH 370. The remaining mathematics course may be selected from MATH 302 or 311.

Minor

The minor must be taken in any discipline other than Computer Science or Management Information Systems.

Students planning to pursue graduate studies in Computer Science are strongly encouraged to minor in mathematics. Appropriate mathematics courses include MATH 105 (if not taken in the core); MATH 222, 321, 322, 400; MATH 302, 311, 370, (if not taken in the major). Courses should be selected in consultation with the advisor.

Minors Offered By The Department

A minor in Mathematics requires 15 semester hours including Mathematics 221(or 219), 232, and 3 other mathematics courses excluding Mathematics 101, 204, 205, and courses counted in the Basic Course Requirements.

A minor in Computer Science requires 18 semester hours including Mathematics 221(or 219), and any 3 Computer Science courses.

Description of Courses

Note: Mathematics 221 may satisfy both a Basic Course Requirement and a major and minor requirement. Mathematics 219 may satisfy both a Basic Course Requirement and a minor requirement. A student may not receive credit for both Mathematics 219 and 221.

Mathematics

099.	BASIC MATHEMATICAL SKILLS I	0 semester hours
<i>A study of selected topics from arithmetic emphasizing why algorithms work as well as how they work and exploring applications as time permits. No college credit is given for this course. 3-0-0. (Fall)</i>		
100.	BASIC MATHEMATICAL SKILLS II	3 semester hours
<i>A study of selected topics from algebra emphasizing the continuity from arithmetic to algebra and examining applications as time permits. Counts as an elective; will not count toward Basic Course Requirements. 3-0-3. (Fall & Spring)</i>		
191.	SETS AND LOGIC	3 semester hours
<i>A study of sets, the operations of sets, logic and its application to mathematics. 3-0-3. (Fall & Spring)</i>		
206.	FUNDAMENTALS OF STATISTICS AND PROBABILITY	3 semester hours
<i>An introduction to statistical analysis with applications, hypothesis formulations and testing, and introductory principles of probability. 3-0-3. (Fall & Spring)</i>		
210.	FINITE MATHEMATICS	3 semester hours
<i>A study of topics related to elementary matrix algebra, systems of equations, systems of inequalities, linear programming, and mathematics of finance with applications in the behavioral, managerial and social sciences. 3-0-3 (Spring)</i>		
218.	COLLEGE ALGEBRA AND TRIGONOMETRY	3 semester hours
<i>A study of algebraic, trigonometric, exponential, and logarithmic functions and their applications. 3-0-3 (Fall & Spring)</i>		
264.	MATHEMATICS FOR ELEMENTARY TEACHERS I	3 semester hours
<i>A study of real numbers, probability, statistics, geometry, and algebra and the use of the computer with emphasis on understanding the concepts needed to teach</i>		

elementary mathematics. *Prerequisite:* Mathematics 101 or 105 or 110 or 121, 3-0-3 (Fall)

209. MATH FOR ELEMENTARY TEACHERS II 3 semester hours

A study of logic, methods of proofs, problem solving, geometry and computers with emphasis on the concepts needed to teach elementary mathematics. *Prerequisite:* Mathematics 204 or approval of the department chair. 3-0-3 (Spring)

219. CALCULUS FOR BUSINESS AND SOCIAL SCIENCES 3 semester hours

A study of differentiation and integration with applications to business and the social sciences. *Prerequisite:* Mathematics 115 or permission of the department chair. 3-0 (Spring)

221. CALCULUS AND ANALYTIC GEOMETRY I 3 semester hours

A study of real functions and their graphs, slopes, limit, continuity, and derivatives with applications. A student cannot receive credit for both Mathematics 219 and 221. 3-0-3 (Fall)

222. CALCULUS AND ANALYTIC GEOMETRY II 3 semester hours

A study of the definite integral with applications, transcendental functions, trigonometric functions and their inverses, and techniques of integration. *Prerequisite:* Mathematics 221. 3-0-3 (Spring)

303. LINEAR ALGEBRA 3 semester hours

A study of vector spaces, matrices, determinants, systems of linear equations, and linear transformations in vector spaces. *Prerequisite:* Mathematics 221. 3-0-3 (Spring) WL 3

305. MODERN COLLIER GEOMETRY 3 semester hours

A study of elementary geometry from an advanced standpoint, evaluations and criticisms of Euclidean geometry, non-Euclidean and analytic geometry, and some topics in modern geometry. *Prerequisite:* Mathematics 222. 3-0-3. (Fall of Even Years)

304. HISTORY OF MATHEMATICS 3 semester hours

A study of the development of mathematics, together with a study of the lives and contributions of leading mathematicians. *Prerequisite:* Mathematics 221. 3-0-3. (Fall of Even Years)

316. NUMBER THEORY 3 semester hours

A study of number theory including Euclid's algorithm, prime numbers, indeterminate problems, and Diophantine equations, congruences, and numerical functions. *Prerequisite:* Mathematics 205 or 222. 3-0-3(Fall) of Odd Years)

311. DISCRETE MATHEMATICS 3 semester hours

A study of elementary combinatorics, graph theory, Boolean algebra, tree building, mathematical induction, networks, and automata. *Prerequisite:* Mathematics 221. 3-0-3. (Fall of odd years)

312. INTERMEDIATE ANALYSIS 3 semester hours

A study of basic ideas and techniques of analysis for real-valued functions of an arbitrary number of real variables. *Prerequisite:* Mathematics 222. 3-0-3. (On demand)

321. CALCULUS AND ANALYTIC GEOMETRY III 3 semester hours

A study of infinite series, curves, polar coordinates, and vector geometry. *Prerequisite:* Mathematics 222. 3-0-3. (Fall)

322.	MULTIVARIABLE CALCULUS	3 semester hours
<i>A study of functions of several variables, multiple integration, and vector analysis. Prerequisite: Mathematics 321, 3-0-3. (Spring)</i>		
376.	NUMERICAL METHODS	3 semester hours
<i>A study of numerical methods including interpolation and extrapolation, roots of equations, solutions of systems of equations, curve fitting and numerical integration. Prerequisite: Computer Science 301 and Mathematics 302, 321, 3-0-3. (Spring of odd years)</i>		
480.	MATHEMATICAL STATISTICS	3 semester hours
<i>A study in the theory of probability set functions, distributions of random variables and functions, estimations, testing of hypotheses, and analysis of variance and covariance. Prerequisite: Mathematics 105 and 321, 3-0-3. (On Demand)</i>		
401.	INTRODUCTORY TOPOLOGY	3 semester hours
<i>A study of metric spaces, topological spaces, connected topological spaces, and compact topological spaces. Prerequisite: Mathematics 321, 3-0-3. (On Demand)</i>		
489.	DIFFERENTIAL EQUATIONS	3 semester hours
<i>A study of first order ordinary differential equations with applications. Prerequisite: Mathematics 321, 3-0-3. (On demand)</i>		
494.	MODERN ABSTRACT ALGEBRA	3 semester hours
<i>A study of algebraic structures including groups, rings, integral domains, and fields. Prerequisite: Mathematics 222, 3-0-3 (On demand)</i>		
492, 493.	INDEPENDENT STUDY	3 semester hours each semester
<i>Prerequisite: Mathematics 222 and approval of the department chair and academic dean.</i>		
330.	METHODS OF TEACHING MATH (K-6)	3 semester hours
<i>Planning, teaching and evaluating mathematics in the elementary school. Supervised field experiences are required. (For elementary education majors only.) Prerequisite: Mathematics 204, 3-0-3. (Spring)</i>		
432.	METHODS OF TEACHING MATH (9-12)	3 semester hours
<i>A study of the principles and objectives of secondary mathematics, general and specific teaching techniques, organization of content material, and instructional materials. Supervised field experiences are required. 3-0-3. (On demand)</i>		

Computer Science

CSCI 169.	INTRODUCTION TO COMPUTER CONCEPTS	3 semester hours
<i>A general introduction of computers, operating systems, and applications to word processing, spreadsheets, databases, and an introduction to Internet. (Cross-Listed as MCS 251). (Elective credit for CSC3 majors.) 3-0-3.</i>		
CSCI 201.	PROGRAMMING LANGUAGE 1	3 semester hours
<i>A first language course in computers that introduces students to programming, programming logic, and structured programming methods. Utilizes a block structured language such as Pascal, Modula 2 or Scheme to teach programming concepts. (Cross-Listed as MCS 201) 3-0-3.</i>		
CSCI 285.	C PROGRAMMING LANGUAGE	3 semester hours
<i>An introduction to the language syntax, style, and design of C programs. Emphasis on the use of C for low-level design and graphics, including extensions to C++. Prerequisite: CSCI 201, 3-0-3.</i>		
CSCI 301.	SURVEY OF PROGRAMMING LANGUAGES	3 semester hours

Introduction to the history and design of programming languages. The applicability of languages to special uses such as Fortran, Pascal, Ada, Oberon, Object Pascal, C++, BasicTalk. Examination of the modern concepts of object-orientation and functional programming. Prerequisite: CSC1 301. (Cross-Listed as MG25 423) 3-0-3

- CSC1 360. ASSEMBLY LANGUAGE PROGRAMMING AND ARCHITECTURE 3 semester hours**
Low-level programming in assembly language and an introduction to principles of hardware design. Prerequisite: CSC1 301. 3-0-3
- CSC1 361. OPERATING SYSTEMS AND COMPUTER ARCHITECTURE 3 semester hours**
Survey operating systems and principles of operating systems. Examine principles of UNIX design and programming. Prerequisites: CSC1 360 and CSC1 360. 3-0-3
- CSC1 363. DATA STRUCTURES AND ALGORITHM ANALYSIS 3 semester hours**
A study of basic data structures, graphs, algorithm design and analysis, memory management, and system design. Prerequisite: CSC1 301 (CSC1 285 is recommended for CSC1 majors.) (Cross-Listed as MG25 363) 3-0-3
- CSC1 411. SOFTWARE ENGINEERING 3 semester hours**
The study of structured programming, systems analysis, and systems design techniques. Topics include top-down design, software design metrics, project management, program correctness, and the use of computer-aided software engineering (CASE) and configuration management tools. Problems of software engineering and design for graphical user interfaces are discussed. Prerequisites: CSC1 301 and CSC1 433. (Cross-Listed as MG25 471)
- CSC1 433. DATABASE MANAGEMENT 3 semester hours**
Apply design principles learned in Data Structures to relational and object-oriented data base management systems. Prerequisite: CSC1 363. (Cross-Listed as MG25 433) 3-0-3
- CSC1 443. ARTIFICIAL INTELLIGENCE 3 semester hours**
Basic concepts and techniques of artificial intelligence. Natural language, search strategies and control, and applications. Prerequisite: CSC1 363. 3-0-3
- CSC1 450. COMPILER DESIGN 3 semester hours**
Principles of compiler construction and the building of operating systems. Prerequisite: CSC1 363 and CSC1 361. 3-0-3
- CSC1 460. DATA COMMUNICATIONS AND NETWORKING 3 semester hours**
Introduction to concepts of computer network operating systems, telephony, routing, packets, and distributed processing. Prerequisite: CSC1 433 (CSC1 360 and 361 are recommended for CSC1 majors.) (Cross-Listed as MG25 460) 3-0-3.
- CSC1 470. TOPICS IN COMPUTER SCIENCE 3 semester hours**
A specialized study of various computer science developments. Topics will vary from semester to semester. Students will be allowed to take the course more than once.

Engineering

- 101. INTRODUCTION TO ENGINEERING**
An introduction to engineering disciplines, engineering principles, the application of engineering principles to system analysis and design, and the responsibilities and obligations of the engineering profession. 1-0-1. (Fall)

Department of Natural Sciences

Chair: Professor Jones

Professors: L. Brown, Burkett, Parrish

Assistant Professors: T. English, M. Wright, Zehnder

Instructor: Manahan

The goals of the department are:

- (1) to familiarize students with the major concepts of science and the specific vocabulary associated with each concept
- (2) to develop in the students an understanding of science and how it relates to their lives
- (3) to develop a sense of responsibility toward the global environment, and to stimulate an awareness of the fragile interrelationships within ecosystems
- (4) to stimulate critical thinking in science
- (5) to present the aesthetics of nature
- (6) to develop within the student majors a background sufficient for employment in a science related career, pursuance of graduate work in science, entrance into a professional program such as medicine, dentistry, medical technology and other professional careers, and teaching on the secondary level.

The department offers a Bachelor of Science degree in the following majors:

- (1) Biology
- (2) Biology with teacher licensure
- (3) Chemistry
- (4) Chemistry with teacher licensure
- (5) Medical Technology in cooperation with Carolinas Medical Center and Bowman Gray School of Medicine
- (6) Physician Assistant Program in cooperation with Bowman Gray School of Medicine.

Biology Major Requirements

A major in Biology requires 30 semester hours in biology beyond Biology 103, including an animal science (Biology 201, 202, or 315), a plant science (Biology 207 or 320), a molecular science (Biology 301, 401, or 422), ecology (Biology 402), 12 hours of department approved electives and 2 hours of seminar.

Biology chosen as a secondary major must meet all the requirements of the primary major.

Minor

A student may take any course offered by the University.

Additional Requirements/Recommendations

In addition to Chemistry 111 in the core, Chemistry 112, 201 and 202 are required. Math 221 is recommended to majors taking Math 105 and 115 in the core. Preprofessional students should take Physics 201 and 202 in preparation for professional admission tests.

Biology Major with Teacher Licensure Requirements

A major in Biology with secondary teacher licensure requires 30 semester hours in biology beyond Biology 103, including an animal science (Biology 201, 202, or 315), a plant science (Biology 307 or 320), a molecular science (Biology 301, 401, or 422), ecology (Biology 402), anatomy and physiology (Biology 303, 204), practicum (Biology 385), 1 hour of seminar and 4 hours of department approved electives.

Professional Education Minor

Education 201, 301, 316, 325, 401, 432, 440, 450, Psychology 302 and 303.

Additional Requirements

Math 221 in addition to Math 105 and 115 in the core, Health 221 and 6 hours of literature.

Chemistry Major Requirements

A major in Chemistry requires 30 semester hours. The major courses are organic (201,202), analytical (301,302), physical (401,402), biochemistry (422), and two semesters of chemistry seminar.

Chemistry chosen as a secondary major must meet all the requirements of the primary major.

Minor

A student may take any minor offered by the University.

Additional Requirements

Math 221 if not taken in the core, Chemistry 112, Physics 201-202 or 203-204, Chemistry 211 and Biology 105 or 104 should be taken in the core.

Chemistry Major with Teacher Licensure Requirements

A major in Chemistry with secondary teacher licensure requires 30 semester hours. The major courses are organic (201,202), analytical (301,302), physical (401,402), biochemistry (422), chemistry practicum (385), and one hour of chemistry seminar.

Professional Education Minor

The minor consists of Education 201, 301, 316, 325, 401, 432, 440, 450 Psychology 302 and 303.

Additional Requirements

Math 221 if not taken in the core, Chemistry 112, Physics 204-202 or 203-204, Health 221 and 6 hours of literature. Chemistry 111 and Biology 103 or 104 should be taken in the core.

Medical Technology Major Requirements

Coordinator: S. Parrish

Gardner-Webb University is affiliated with the Bowman Gray School of Medicine of Wake Forest University and with Carolinas Medical Center whereby students may earn the Bachelor of Science degree in medical technology.

Students must apply directly to the clinical facilities for admission in the first semester of the junior year. Admission is granted by the clinical facilities based on university transcript, recommendations and personal interview conducted by the clinical facilities.

Students accepted by either of the clinical facilities will complete three years at Gardner-Webb with a minimum of 96 hours and the final year of study, a full calendar year, at the clinical facility. Transfer students must earn a minimum of 30 hours at Gardner-Webb before entering the clinical facility program. After completion of the medical technology program at the clinical facility, the student will graduate with a baccalaureate degree from Gardner-Webb and will receive a certificate from the clinical facility. Final certification as medical technologist will be completed upon the passage of an examination given by a national certifying agency.

The program of medical technology at the Bowman Gray School of Medicine or the Carolinas Medical Center Hospital takes the place of the major. Thirty two hours are accepted by Gardner-Webb from the clinical facility to meet graduation requirements.

Minor

The minor for the program consists of the following courses: Biology 203, 204, 206, and 411.

Additional Requirements / Recommendations

Chemistry 112, 201 and 202 are required. Biology 103, Chemistry 111, Mathematics 105 and 113 are required in the core. Physics 103, or 201/202, Biology 301 and 422 are recommended.

Physician Assistant Certification Major Requirements

Coordinator: L. Brown

The Physician Assistant Program is a cooperative program with the Bowman Gray School of Medicine. The student who enters the program will attend Gardner-

Webb for the first three years and may then apply for admission into the Physician Assistant Program at Bowman Gray School of Medicine. Admission into the program is very competitive. Bowman Gray allows Gardner-Webb to recommend only two applicants for each new class. Transfer students must complete a minimum of 30 hours at Gardner-Webb, 12 of which must be laboratory sciences, before making application to the program. Students recommended by Gardner-Webb and admitted by Bowman Gray will attend a two year program at Bowman Gray and will graduate with a baccalaureate degree from Gardner-Webb University and will receive a Physician Assistant Certificate of graduation from Bowman Gray. Final certification as a physician assistant will be completed upon passage of an examination which is required by the state of North Carolina and most other states. The satisfactory completion of the examination satisfies the requirements for the student to be certified by the National Commission of Certification of Physician Assistants.

Entrance into the program at Bowman Gray requires that the student complete the Gardner-Webb requirements and have at least 1000 hours or a minimum of six months of clinical experience that includes interactions with patients and some responsibility for their care before making application to the Department of Natural Sciences for admission to the Bowman Gray phase of the program. Optimally, the student should have two years or more of clinical experience.

The student must make application to Bowman Gray's Physician Assistant Program during the Fall of the Junior year and concurrently submit a copy of the application to the Department of Natural Sciences at Gardner-Webb. Acceptance into the program is provisional until the student has been interviewed by the admissions staff at Bowman Gray and the results of the interview assessed by the Department of Natural Sciences at Gardner-Webb.

The Gardner-Webb requirements are designed to allow the student who is not admitted into the Physician Assistant Program to continue at Gardner-Webb and graduate with a degree either in biology or chemistry, depending on the interest of the student.

The Physician Assistant Program at Bowman Gray School of Medicine takes the place of the major. Thirty two hours are accepted by Gardner-Webb from the clinical facility to meet graduation requirements.

Minor

The minor for the program consists of the following courses: Biology 203, 204, 206, 301, and 391 or 392.

Additional Requirements

Chemistry route: Chemistry 112, 201, 202, 422; Physics 201 and 202. Biology 103, Chemistry 111, Math 115 and 221 are taken in the core.

Biology route: Chemistry 112, 201, 202, 422. Biology 103, Chemistry 111, Math 105 and 115 are taken in the core.

Physical Therapy

Gardner-Webb does not offer a program in physical therapy. However, students desiring to enter a physical therapy program may complete the basic

curriculum requirements at Gardner-Webb for admission to a physical therapy program. Interested students should contact the university of choice directly. The basic courses for most university physical therapy programs include 8 hours each of chemistry, biology, physics and 3 hours each of algebra and statistics along with other university requirements. Successful applicants have average GPAs of 3.3 on a 4.0 scale. Many of the physical therapy programs are on the master's level which requires a bachelor's degree prior to admission.

Minors Offered by the Department

A minor in Biology requires 16 semester hours including Biology 103, Biology 402 and selections from two of the following three categories: animal science (Biology 201, 202, 319), plant science (Biology 207, 320), and cellular biology (Biology 301, 405, 422).

A minor in Chemistry requires 16 semester hours consisting of Chemistry 112, 201, 202, and a 4 semester hour chemistry elective (chemistry 301 is the recommended course). Chemistry 111 must be taken in the core.

A minor in Health Science requires 16 semester hours consisting of Biology 204, 303/311, and 104 or 303. Chemistry 103 must be taken in the core.

A minor in Physical Science requires 16 semester hours consisting of Chemistry 111, Geology 101 or Geology 105, Physics 201, and one of the following: Physics 202, Chemistry 112, Geology 102, Physics 104.

A minor in General Science requires 16 semester hours above the core science requirement. The students will select four hours from each of the four areas available. Chemistry 103 or higher; Geology 101 or higher, Physics 103 or higher and any biology course numbered 200 or higher.

Description of Courses

Biology

102.	GENERAL BIOLOGY	4 semester hours
Introduction to the principles of biology including ecology, biological chemistry, cellular biology, genetics, reproduction, and development. Laboratory investigations are designed to supplement and enhance the classroom lecture activities. 3-3-4, F, S, So-1, So-2.		
104.	ENVIRONMENT	4 semester hours
Introduction to the principles of ecology with a primary focus on man's direct and indirect influences on his surroundings. Emphasis on current and local concerns. Laboratories focus on methods of sampling, field observations, and methods of examining resource allocation. 3-3-4 F, S.		
205.	MICROBIOLOGY FOR THE HEALTH SCIENCES	4 semester hours
A study of the biology of microorganisms with special focus on the organisms of human disease and on the techniques of microbiology that are appropriate to the health sciences. (Prat for Biology majors.) 3-3-4 F		
201.	INVERTEBRATE ZOOLOGY	4 semester hours
Phylogenetic survey of invertebrates, with emphasis on systematics, morphology, and ecology. Field work, individual term projects. Prerequisite: one semester of general biology or permission of instructor. 3-3-4, F, odd years.		

- 202. VERTEBRATE ZOOLOGY** **4 semester hours**
 Systematic study of the vertebrates with emphasis on morphology, physiology, and ecology. Field study. Laboratory exercises in morphology. Prerequisite: one semester of general biology or permission of instructor. 3-3-4. S, even years.
- 203, 204. HUMAN ANATOMY AND PHYSIOLOGY I AND II** **4 semester hours each semester**
 Survey of basic structure and function of the human body. Levels of organization and homeostatic mechanisms. (Not for biology majors except by permission of instructor.) Biology 203. 3-2-4. F, Su-1. Biology 204. 3-2-4. S, Su-2.
- 206. GENERAL MICROBIOLOGY** **4 semester hours**
 Introduction to microbiology and immunity. Applications in medicine, industry, and agriculture will be included. 3-3-4. S.
- 207. PLANT DIVERSITY** **4 semester hours**
 Systematic survey of the plant kingdom with emphasis on evolutionary changes in morphology, reproductive strategies, cellular development, and anatomy. 3-3-4. F, even years.
- 301. GENETICS** **4 semester hours**
 Study of principles of heredity (including molecular and population genetics), their significance in human inheritance, plant and animal breeding, and evolution. Prerequisite: Biology 103 and Chemistry 201 or permission of instructor. 3-3-4. F.
- 310. NUTRITION** **3 semester hours**
 Biochemical basis of how the body uses food. Relationship of nutrition to health. Practical aspects of obtaining, storing, and preparing food for maximum nutrition. Nutrition through the life cycle. Diets. 3-3-4. S, even years.
- 315. GENERAL AND COMPARATIVE ANIMAL PHYSIOLOGY** **4 semester hours**
 Survey of how animals solve fundamental physiological problems. Emphasis on homeostatic mechanisms. Examples from molecular, cellular, systems, and organismic levels, using both invertebrates and vertebrates. Prerequisite: Biology 103 and Chemistry 201. 3-3-4. F, even years.
- 320. PLANT SYSTEMATICS** **4 semester hours**
 Systematic study of vascular plants with emphasis on the seed plants. Lecture is predominantly analyzing evolutionary morphological characteristics and classical taxonomy. Laboratory work is field-oriented and includes collection and identification of specimens. Prerequisite: Biology 207. 3-3-4. S, odd years.
- 326. PATHOPHYSIOLOGY** **2 semester hours**
 Study of alterations in normal body structure and function associated with various disease processes. Not for biology majors. 3-0-3. Offered on demand.
- 390, 391. PRACTICUM IN LIFE SCIENCES** **1 semester hour each semester**
 Practical experience in designing, setting up, and teaching laboratory. Recommended for all biology majors, and required for those planning to teach. No more than two hours credit may be used toward filling major requirements. Prerequisite: approval of department chair and laboratory instructor(s). 0-6-1, 0-6-1. Offered by arrangement.
- 391, 392, 491, 492 BIOLOGY SEMINAR** **1 semester hour each semester**
 Directed reading, study, and discussion designed to re-emphasize the fundamental principles of biology, to correlate and summarize the course work of the major program and related fields, to introduce new areas and ideas, and to provide experience in literature review and oral presentations. Juniors will enroll in 391 and 392, and seniors in 491 and 492. 1-0-1. F, S, WLD.

- 401. CELL BIOLOGY** 4 semester hours
Survey of cellular structure and function with emphasis on biochemical and physiological mechanisms. Techniques for investigating cells. Prerequisite: Biology 101 and Chemistry 201. 3-3-4. S, even years.
- 402. ECOLOGY** 4 semester hours
Study of the interaction of organisms and their adaptations to their physical environment. The ecosystem approach is emphasized along with population and community ecology. Prerequisite: Biology 101 and either Biology 201, 202, 203, or 320. 3-3-4. F.
- 404. DEVELOPMENTAL BIOLOGY** 4 semester hours
Study of the basic developmental processes including fertilization, differentiation, morphogenesis, embryogenesis, growth, and aging. Selected examples drawn from microorganisms, plants, invertebrates, and vertebrates. Prerequisite: Biology 301 and Chemistry 201. 3-3-4. S, odd years.
- 405. TOPICS IN ADVANCED BIOLOGY** 3 or 4 semester hours
Study of specific areas in biology not covered by other upper-level courses. Course content will vary and will reflect student and faculty interests. Prerequisite: Biology 101 and permission of instructor. 3-3-4 or 3-0-3. Offered on demand.
- 411. IMMUNOLOGY** 4 semester hours
Study of mammalian immune system with emphasis on human immunology. Theoretical and practical aspects will be considered. Diagnostic, therapeutic, and research applications of immunology will also be included. Prerequisite: Chemistry 202. 3-2-4. S, odd years.
- 423. BIOCHEMISTRY** 4 semester hours
Survey of biologically important molecules, metabolism. Prerequisite: Chemistry 202 with minimum grade of C. 3-3-4. F.
- 495, 496. INDEPENDENT STUDY** 1 to 3 semester hours each semester
Individual work planned to meet the need and interests of qualified students. Time and credits by arrangement in semester prior to term in which work is done.

Chemistry

- 103. INTRODUCTORY CHEMISTRY** 4 semester hours
Recommended for nonscience and nursing majors. Emphasis on application of the basic principles of chemistry. Prerequisite: placement out of Mathematics 100 (or its equivalent for transfer students) and no previous college credit for chemistry with a grade of C or higher. 3-3-4. F, Su.
- 111. GENERAL CHEMISTRY I** 4 semester hours
Recommended for first-year science and mathematics majors. The first of a two-semester comprehensive coverage of the fundamental laws and theories of chemistry: history, measurements, mathematical manipulations, dimensional analysis, formula writing and nomenclature, thermochemistry, gas laws, quantum theory of electronic structure, chemical bonding, and physical properties. Prerequisite: Mathematics, Advanced High School Algebra. (This course may not be used with Chemistry 103 to meet basic science course requirements.) 3-3-4. F.
- 112. GENERAL CHEMISTRY II** 4 semester hours
Continuation of Chemistry 111: solutions, chemical spontaneity, equilibria, reaction rates and kinetics, acids-base behavior, redox reactions, nuclear chemistry, and organic or inorganic reactions. Prerequisite: Chemistry 111 with minimum grade of C. 3-3-4. S.

201, 202.	ORGANIC CHEMISTRY I AND II	4 semester hours each semester
Comprehensive coverage of the reactions and structures of aliphatic and aromatic compounds. Laboratory involves typical compound preparations. Prerequisite: Chemistry 112 with minimum grade of C. Continuation in Chemistry 202 requires minimum grade of C in Chemistry 201. 3-3-4, 3-3-4, 201, F; 202, S.		
301, 302.	ANALYTICAL CHEMISTRY I AND II	4 semester hours each semester
Classical and modern methods of chemical and instrumental analysis. Prerequisite: Chemistry 112; prerequisite or corequisite: Chemistry 201. 3-3-4, 301, F, even years; 302, S, odd years.		
390, 399.	PRACTICUM IN CHEMISTRY	1 semester hour each semester
Practical experience in designing, setting up, and teaching laboratory. Recommended for all chemistry majors, and required for those planning to teach. No more than two hours credit may be used toward filling major requirements. Prerequisite: approval of department chair and laboratory instructor(s). 3-0-1, 3-0-1. Offered by arrangement.		
391, 392, 491, 492.	CHEMISTRY SEMINAR	1 semester hour each semester
Directed reading, study, and discussion designed to re-emphasize the fundamental principles of chemistry, to correlate and summarize the course work of the major program and related fields, to introduce new areas and ideas, and to provide experience in literature review and oral presentation. Juniors will enroll in 391, 392, and seniors in 491, 492. Each course 1-0-1. F, S, WLE		
401, 402.	PHYSICAL CHEMISTRY I AND II	4 semester hours each semester
Application of laws of physics and mathematics to chemistry; emphasis on thermodynamics. Prerequisite: Mathematics 221. 3-3-4, 3-3-4, 401, F, odd years; 402, S, even years.		
403.	BIOCHEMISTRY	4 semester hours
Survey of biologically important molecules, metabolism. Prerequisite: Chemistry 302 with minimum grade of C. 3-3-4, F.		
490, 495, 496, 499	INDEPENDENT STUDY	1 to 3 semester hours each semester
Individual work designed to meet the needs and interests of exceptionally qualified students. Juniors will enroll in 495 and/or 496, and seniors in 490 and/or 499. Time and credits by arrangement in semester prior to term in which work is done.		

Geology

101.	PHYSICAL GEOLOGY	4 semester hours
Survey of the distributions, processes of formation, alteration, and transportation of materials composing the earth. The composition and basic identification of common minerals and rocks, and the use of geologic and topographic maps are considered. 3-2-4, F, S.		
102.	HISTORICAL GEOLOGY	4 semester hours
A survey of geologic history of the earth. Emphasis on plate tectonics and the evolution of life throughout geologic times. 3-2-4. Offered on demand.		
103.	OCEANOGRAPHY AND METEOROLOGY	4 semester hours
Survey of basic concepts of physical oceanography and meteorology with emphasis on physical and chemical bases of the disciplines. 3-2-4, F, S.		

405. **TOPICS IN GEOLOGY** 3 or 4 semester hours
 Study of specific areas in geology not covered by other geology courses. Course content will vary and will reflect student and faculty interest. 3-3-4 or 3-0-3. Offered on demand.

Science Education

320. **SCIENCE METHODS** 3 semester hours
 Methods of teaching science (K-9). Planning, teaching and evaluation of science in the elementary school. For elementary education majors only. 3-0-3. F.

Physics

103. **INTRODUCTORY PHYSICS** 4 semester hours
 A study of the elementary concepts of classical and modern physics, including measurement, basic mechanics, energy, thermodynamics, electricity and magnetism, optics and wave motion, and atomic and nuclear physics. Prerequisite: Background in college algebra strongly recommended. 3-2-4. F.S.
104. **ASTRONOMY** 4 semester hours
 A survey of fundamental concepts in modern and historical astronomy and astrophysics. Topics include the origin and nature of patterns and motions in the sky; the makeup and dynamics of our solar system, the sun as a star, and the stellar properties and evolution in general; astronomical instruments and techniques; and galaxies and cosmology. Prerequisite: Background in college algebra strongly recommended. (The course will include some night time observing.) 3-3-4. F.S.
- 201, 202. **GENERAL PHYSICS I AND II** 4 semester hours each semester
 The study of basic classical mechanics, including kinematics and dynamics of a variety of systems; the law of thermodynamics; the physics of matter; fundamentals of wave motion, including sound and physical and geometrical optics; basic electricity and magnetism; and atomic and nuclear physics, as well as other topics in modern physics. Prerequisite: Mathematics 115. 3-3-4, 3-3-4. F, even years; S, odd years.
- 203, 204. **PHYSICS FOR ENGINEERS I AND II** 4 semester hours each semester
 The techniques of calculus will be applied to the topics listed under Physics 201, 202. Co-requisite: Mathematics 221. 3-3-4, 3-3-4. F, odd years; S, even years.

School of Nursing

The School of Nursing at Gardner-Webb University is comprised of two programs: (1) The Associate in Arts degree in Nursing [ADN] program leading to licensure as a Registered Nurse [RN] and (2) The upper division Bachelor of Science in Nursing [BSN] degree program for Registered Nurses. The BSN program builds upon the ADN program creating a "two-plus-two" arrangement/RN completion program. The program is open to all RNs who have completed an associate degree or hospital diploma nursing program who meet admission criteria. The ADN program is located in Boiling Springs. The BSN program is offered in Boiling Springs and on a satellite campus in Statesville with centers in Charlotte, Concord, and Winston-Salem. The Boiling Springs campus accommodates both residential and commuting students while the other sites accommodate commuting students only. Information regarding the ADN program is given below in this catalog. Information about the BSN program may be found in the Gardner-Webb University COAL catalog.

The ADN program, which prepares individuals for initial RN licensure, is fully approved by the North Carolina Board of Nursing. Both the ADN and BSN programs are fully accredited by the National League for Nursing.

The School of Nursing is committed to providing high quality education to basic and RN students that is consistent with the Christian mission of the University. Within that framework, learning experiences enable graduates to meet nursing and health care needs of individuals, groups, and communities in a changing society, to be a contributing member of the profession, and to continue personal and professional development.

Associate in Arts Degree (ADN)

Dean, School of Nursing: Professor Toney

Assistant Professors: Caldwell, Hodge, Melfinger

Instructors: Beck-Little, Bivens, Carron, Johnson, Sullivan

Clinical/Laboratory Adjunct Instructors: Baighen, Clark, Colon, Coy, LaBrecche, Little, Monroe, Neville, Taylor

Within the framework of the University and the School of Nursing, the graduate of the ADN program at Gardner-Webb demonstrates the following educational outcomes:

- *Utilizes the nursing process to provide for the client's optimum level of wellness consistent with his/her coping abilities, teaching needs, and capacity for self-care.
- *Prioritizes physiological, psychosocial, cultural, and spiritual needs to provide individualized nursing care for clients in various stages of the lifespan.
- *Provides nursing care characterized by critical thinking, clinical competence, caring, therapeutic interpersonal skills, and attention to societal forces, including technology, which impact health care.
- *Communicates with clients, their families and/or significant others, and other care providers in the planning and delivery of health services.

- *Manages nursing care for groups of clients with health care needs in structured settings such as hospitals and extended care facilities.
- *Practices nursing according to ethical and legal standards.

A major in nursing leading to the Associate in Arts degree has the following requirements which total 72 semester hours:

- (1) The Basic Course Requirements include Biology 105, 203, 204; Psychology 20 and 206; English 101 and 102; Sociology 201; Religion 101 or 102; and Physical Education activity course (31 hours).
- (2) The Major Course Requirements include Nursing 101, 111, 112, 102, 105, 20, 202, 203, 204, 205, and 240 (40 hours).
- (3) DIMENSIONS, a university requirement (1 hour).

Biology 203 and Psychology 201 are pre- or corequisites to first semester nursing courses; Biology 204 and Psychology 206 are pre- or corequisites to second semester nursing courses. All pre- or corequisites must be successfully completed before taking clinical nursing courses or the student must be enrolled in them continuously throughout the semester while taking the nursing courses. If a corequisite is dropped, the student must also withdraw from nursing courses. A minimum grade of C is required on all nursing and science courses. Only one repeat of one nursing course is permitted; a second D or F in a nursing course will preclude further enrollment in the ADN program at the University. A science course can be repeated only once.

A nursing class is admitted once a year for the fall semester. Applicants are considered only after they have been admitted to the University. The best qualified applicants are selected from those who apply each year. A waiting list is established as necessary. Program admission criteria include the following:

- (1) Graduation from high school or equivalent.
- (2) High school or college algebra, biology, and chemistry with minimum grades of C.
- (3) A minimum 2.5 cumulative overall grade point average (on a 4.0 scale) on all previous work taken.
- (4) If transferring less than 15 semester hours, must present a minimum total SAT score of 1000 (500 Math and 500 Verbal) or ACT score of 21. The SAT score is based on the recentered scale of 1995.
- (5) If transferring less than 15 semester hours and SAT is below 900 or ACT below 21, student must pass University placement tests in reading, math, and English.
- (6) Satisfactory physical and mental health as documented on University health form. Other information may be requested as necessary.

Prior to enrollment in nursing courses, students must show evidence of required immunizations including Hepatitis B (or waiver), current CPR certification (adult and child), and professional liability insurance. Conditions of admission must be maintained to enroll in the program.

Eligibility for licensure as a registered nurse includes clinical, mental, and physical competence and freedom from conviction of felonies or other serious

legal acts, including substance abuse, is outlined in the North Carolina Nursing Practice Act (1995). Note: all states have similar stipulations.

Advanced Placement

Advanced placement in the program may be earned through transfer of nursing courses or credit by examination. Challenge examinations are available for Nursing 101, 111, and 112. Challenge of other nursing courses may be permitted in special circumstances. Eligibility for challenging courses includes admission to Gardner-Webb, meeting nursing admission criteria, completion of courses similar to those being challenged, and completion of prerequisites.

Description of Courses

- | | | |
|--|---|-------------------------|
| 100. | TRANSITION TO ASSOCIATE
DEGREE NURSING | 1 semester hour |
| Optional course for the student who has successfully challenged Nursing 101 and is pursuing the Associate in Arts degree in Nursing at Gardner-Webb. Emphasis is placed upon roles of the associate degree nurse, nursing care planning, health assessment, communications, and caring. 1-0-1. (Full semester course, offered as needed). | | |
| 101. | BASIC CONCEPTS OF NURSING | 8 semester hours |
| Foundational course which introduces basic nursing concepts such as caring, human needs, the nursing process, and roles of the associate degree nurse. The student learns beginning skills used in clinical nursing practice. Corequisites: NURS 111, 112. Pre- or corequisites: BSCN 203; PSYC 201. 4-0-6. (Full semester course) | | |
| 102. | BASIC CONCEPTS OF
CLINICAL NURSING | 5 semester hours |
| Continuation of clinical nursing concepts and skills relating to gerontology, perioperative care, mobility and rehabilitation, fluid and electrolyte balance, alterations in the immune and endocrine systems, disabling and chronic conditions, and oncology. Prerequisites: NURS 101, 111, 112; BSCN 203; PSYC 201. Pre- or corequisites: BSCN 204; PSYC 206. 4-12-5. (Half-semester course) | | |
| 103. | PSYCHOSOCIAL NURSING | 4 semester hours |
| A study of nursing care needs of the person experiencing stress or altered patterns of behavior with a focus upon coping mechanisms, psychotherapeutic modalities, communication skills, and therapeutic relationships. Prerequisites: NURS 101, 102, 111, 112; BSCN 203; PSYC 201. Pre- or corequisites: BSCN 204; PSYC 206. 4-12-4. (Half-semester course) | | |
| 111. | PHARMACOLOGICAL
CONCEPTS IN NURSING | 2 semester hours |
| Introduction to major classifications of drugs, concepts and skills utilized in the computation and administration of medications and solutions, and nursing responsibilities relating to pharmacologic agents. 2-0-2. Pre- or corequisites: BSCN 203; PSYC 201. (Full semester course) | | |
| 112. | NUTRITIONAL CONCEPTS IN NURSING | 1 semester hour |
| Introduction to basic food groups, nutritional components and sources, nutritional needs throughout the lifespan, therapeutic diets, and role of the nurse in nutritional care. 0-0-1. Pre- or corequisites: BSCN 203; PSYC 201. Open to non-nursing majors with special permission of the instructor. (Full semester course) | | |

- 201. NURSING CARE OF THE CHILDREARING FAMILY** 4 semester hours
A study of nursing and health care needs of the mother, infant, and family during the normal and high-risk childbearing cycle. Prerequisites: NURS 101, 102, 111, 112, BCK 203, PSYC 201. Pre- or corequisite: BCK 204, PSYC 206, 3-0-4. (Half-semester course)
- 202. NURSING CARE OF CHILDREN** 4 semester hours
A study of nursing and health care needs of children within the family unit, utilizing a human needs theory, the nursing process, nursing roles, and principles of growth and development. Prerequisites: NURS 101, 111, 112, 102, 103, 204, BCK 203, 204, PSYC 201, 206. Pre- or corequisite: BCK 105, 3-0-4. (Half-semester course)
- 203. NURSING CARE OF ADULTS WITH SELECTED HEALTH PROBLEMS** 5 semester hours
A study of nursing and health care needs of the adult experiencing problems relating to digestion, elimination, regulation, reproduction, vision and hearing. Prerequisites: NURS 201, 111, 112, 102, 103, 201, BCK 203, 204, PSYC 201, 206. Pre- or corequisite: BCK 105, 4-12-5. (Half-semester course)
- 204. NURSING CARE OF ADULTS WITH COMPLEX HEALTH PROBLEMS** 5 semester hours
A study of nursing care needs of the adult experiencing complex/serious health problems primarily related to cardiopulmonary and neurological dysfunction. Learning experiences also assist the student to critically appraise and apply previous nursing knowledge in the management of care for clients with varied health problems. Prerequisites: All BCK and PSYC courses; all other Nursing courses except NURS 208 and NURS 290 which are corequisites, 3-15-5 (Half-semester course)
- 205. COMPUTER CONCEPTS IN NURSING AND HEALTH CARE** 1 semester hour
Overview of computer technology in society with emphasis on its impact and role in nursing and health care. Introduction to the computer, information storage and processing, and legal and ethical implications. Includes experiences and observations with computer technology on campus and in clinical settings. Elementary typing skills required. 3-0-1. (Full semester course)
- 206. ASSOCIATE DEGREE NURSING PRACTICE IN CONTEMPORARY SOCIETY** 8 semester hours
A study of major trends and issues, organizations, legal, ethical, and sociopolitical influences, opportunities, and responsibilities related to health care, the discipline of nursing, and the practice of nursing by the associate degree graduate. Prerequisites: NURS 104, 111, 112, 102, 103, 201, All BCK and PSYC courses; Pre- or corequisite: NURS 202, 203, 205; Corequisite: NURS 204, 3-0-3. (Full semester course)

Department of Psychology

Dean, School of Education: Professor Hunt

Chair, Professor B. Wright

Professors: Partin, Gaditis, F. Brown, Whitlow

Associate Professor: J. Rainer

Assistant Professor: Carscaddon

Goals and Objectives

The Department of Psychology endeavors to develop within its students the following:

- (1) An understanding of the fundamentals of human behavior
- (2) A functional knowledge of scientific methods of studying behavior
- (3) An appreciation of the dignity and complexity of persons.

A student may earn a Bachelor of Science degree in Psychology.

Psychology Requirements

A major in Psychology requires 36 semester hours of Psychology, including Psychology 201, 206, 287 and 441 (or 441). Fifteen hours, including Psychology 499, must be earned at the 400 level.

Psychology majors are required to complete a minor field selected in consultation with the faculty adviser. Students choosing Psychology as a secondary (30 hour) major must meet all of the requirements of the primary major. (Honors program students majoring in Psychology may count Honors 400/401 collectively as one of the five required 400 level courses.)

Minor in Psychology

A minor in Psychology requires 18 semester hours, including Psychology 201, 206, plus 12 additional hours. Six of these 12 hours must be at the 400 level. Psychology 280, which is included in the Basic Core Requirements, is not included in the minor.

Description of Courses

201.	GENERAL PSYCHOLOGY	3 semester hours
	A survey of psychology as the scientific study of behavior. The areas include learning, motivation, personality, measurement, the development process, social adjustment and the biological basis of behavior. This course is prerequisite to all other courses in Psychology, except psychology 280. 3-0-3. (Does not apply to students in teaching preparation programs.)	
206.	DEVELOPMENTAL PSYCHOLOGY	3 semester hours
	The psychological evolution of the individual through the life span and effect of the bio-social field on this evolution. 3-0-3.

Department of Religious Studies and Philosophy

Chair: Professor Cullinan

Professors: Partain, White

Associate Professors: Gregg, Lutz, Parsons, Steibel

Assistant Professor: Haeberle, B. Moore

Instructor: Jessup

Part-time Professor: Proctor

Statement of Purpose

The purpose of the Department of Religious Studies and Philosophy encompasses two areas:

For each student enrolled in the undergraduate and GDAI programs, the department offers an introduction to the Old and New Testaments. These introductions offer a survey of the history and faith of the communities out of which the texts emerge. They are intentionally placed in the context of a liberal arts education.

For students seeking a major, the department offers a major in Religious Studies with a choice of concentrations in Religion, Education Studies, or Biblical Languages and Literature. Each concentration presents a well-balanced course of study designed to acquire each student with a variety of sub-disciplines and to nurture in each student disciplines appropriate for life-long learning and service.

Specific goals for these two areas are as follows:

The department seeks to lead each undergraduate student enrolled in the survey courses to demonstrate the ability to

- (1) identify and discuss the significance of the major people, places, events, themes, and types of literature in the Old and New Testaments.
- (2) trace the historical development of the canons of the Old and New Testaments.
- (3) identify, assess, and utilize appropriate resources in biblical interpretation.
- (4) utilize the principles of critical analysis in interpreting a passage of Scripture.

The department seeks to prepare those students who major in the department to demonstrate the same skills as listed above and adds the following overall objectives (specific objectives are included in the various areas of concentration):

- (1) basic skills in biblical interpretation and exegesis.
- (2) skills in critical thinking, written and oral communication.
- (3) an openness to the various theological and philosophical opinions of others and ability to communicate comfortably with those who agree and disagree with their own positions.
- (4) an increasing awareness of one's own self, including one's theology, personality, family of origin, choice of vocation, and inter-personal relationship skills.

- (5) an appreciation and understanding of the value of a major in religious studies within the context of a liberal-arts education,
- (6) the articulation of a systemic plan for life-long learning and service.

Faculty members in the Department of Religious Studies and Philosophy are committed:

- (1) to a life of scholarly exploration into our Judeo-Christian heritage,
- (2) to living lives which reflect the ideals and values of that heritage (including the worth of every person and our responsibility to be servants), seeking to follow the example of Jesus Christ,
- (3) to communicate the ideals and values of our Christian faith on campus and in the community.

Requirements for a degree with a Major in Religious Studies and Philosophy

The Minnesota Multiphasic Personality Inventory is administered to each student majoring in the department. This instrument provides the student the opportunity to look in a more intensive way at his/her personal strengths and weaknesses as they relate to ministry. The inventory and interpretation are offered each fall semester. Students are encouraged to take the MMPI during their Sophomore or Junior years. Students must complete the MMPI and have a conference before they can graduate.

The Christian Ministry Association is the departmental club established to benefit religion majors and other interested students/faculty by providing additional opportunities for learning and service in the field of Christian Ministry. All students majoring in the department are required to attend four of the six yearly meetings.

Concentration in Religion

Those students who major in the department with a concentration in Religion should:

- (1) identify and develop the critical tools necessary for the disciplined exploration of Biblical Studies, Christian History and Thought, Religious Education, and related disciplines,
- (2) have a heightened awareness of the diversity and depth of their Christian religious experience,
- (3) list and discuss significant writers, literature, methodology, and the unique shape of the various disciplines in the field of Religion,
- (4) be able to do critical research in Religious Study and to give clear, substantive oral and written reports of such research.

- (1) to prepare students for careers such as teaching, research, social work, and government service.
- (2) to provide a foundation for continued study in graduate or professional schools.
- (3) to help the student acquire an awareness of the major social, political, and historical contexts of various world cultures past and present.
- (4) to help the student understand and function effectively in the society in which he or she lives.

The teacher training program attempts to:

- (1) assure that the student acquires an understanding of the social, political, geographical, economic, and religious forces operating in society.
- (2) provide for in-depth preparation in history and the social sciences plus an intensive study in one or more of the major disciplines.
- (3) provide for development of the social studies skills required in formulating objectives, selecting content, using effective teaching strategies and evaluating learning.
- (4) instill in the student an awareness of the need for continuing education and professional development. Students seeking secondary social studies certification must meet requirements for admission and completion of the teacher education program as well as fulfill the specific departmental requirements for a major and for teacher certification which are listed below.

All students are required to complete a minor in a field of their own choice. Students choosing to seek teacher licensure must minor in teacher education and complete a supportive minor within the Department.

Requirements for Majors Offered in the Department

A major in History requires 33 semester hours of History beyond core requirements. As a part of the 33 semester hours, each student should have a minimum of 9 hours in American history and 9 hours in non-American history and History 200. History 200 should be taken in the sophomore year prior to taking any 300 or 400 level history courses.

A major in Sociology requires 30 semester hours of Sociology including 20, 311, 330 and Sociology 399.

A major in Social Science requires 33 semester hours as follows, 6 hours each of economics; and 9 hours of courses at the 300 or 400 level in the social sciences. The remaining 3 hours is met by taking a method course appropriate to the minor, e.g. History 200, Sociology 301, Political Science 411.

Requirements for Minors Offered in the Department

A minor in History requires History 201 and 202 plus 12 additional hours of history beyond core requirements as approved by the faculty advisor.

A minor in Sociology requires Sociology 201 plus 15 additional hours of sociology as approved by the faculty advisor.

A minor in Political Science requires Political Science 201 and 202 plus 12 additional hours of Political Science as approved by the faculty advisor.

A minor in Social Sciences requires History 201 and 202, Political Science 201 and 202, Sociology 201 plus one additional 3 semester hour course as approved by the faculty advisor.

A minor in Criminal Justice requires 18 hours chosen from the following: CJ 410, 420, 430, 497; Sociology 411, Political Science 314, Management 400 and Health 401.

Teacher Licensure Requirements

Any student majoring in History, Sociology or Social Sciences and wishing to complete requirements for teacher licensure for secondary schools must complete a teacher education minor composed of the following courses: Education 201, 301, 316, 325, 440, 490; Psychology 302, 303 and Social Studies Education 432.

All students seeking teacher licensure must complete a supportive minor within the Department to supplement their major in order to meet State Department of Public Instruction competencies. Students majoring in History must take a supportive minor in Social Sciences (any 18 hours of Political Science, Sociology or Economics). Students majoring in Sociology or Social Sciences must take a supportive minor in History (18 hours of History that must include a minimum of 5 hours of American History and 6 hours of European History). These courses are required so that teachers will meet all State Department of Public Instruction competencies and be fully prepared to teach any of the basic North Carolina secondary Social Studies courses. The additional courses are taken in lieu of free elective hours.

Students must make a grade of C or better in any course which counts toward meeting a State competency.

The Alma Mater

Hammett-Hammett

*At the foot of the mountains
Is our College proud she stands,
Serving all who want her service,
Blessing all with out-stretched hands.*

*Alma Mater, Alma Mater,
We sing our love to Thee
We pledge our hearts in deep devotion
Our love, Our Faith, Eternally.*

*Alma Mater, Alma Mater,
We sing our love to thee:
We pledge our hearts in deep devotion
Our love, Our Faith, Eternally.*
