## **Mentoring Novice Teachers**

### **Description**

The purpose of this module is to explore key foundation skills necessary for successful mentoring of novice teachers. Participants who utilize this module will learn the four essential components of successful mentoring--building trust, communication and collaboration, meeting the needs of diverse learners through cultural responsiveness, and building ownership. This module was developed for mentors working with novice teachers but the essential components addressed can also be applied to veteran teachers as well.

### **Subject Terms**

Mentoring  
Mentorship  
Novice teachers  
Trust  
Collaboration  
Communication  
Diversity  
Culturally responsive teaching  
Ownership
