Message from Dr. Truett

My dear Brother Wall:

Let me join you and your noble church family in devoutest thanksgivings to God for your significant dedicatory services next Sunday, June 13.

Although I cannot be with you in person on that joyful day, yet I would be with you in the spirit of deeply grateful joy. As of old the people sang: "This is the day which the Lord has made - we will rejoice and be glad in it" - so you and your blessed church family can sing the coming Lord's Day. And I will most gratefully sing with you.

The memories of my days there with you last year will ever linger with me, to gladden and bless me.

Mrs. Truett would join me in these grateful and affectionate greetings for you and Mrs. Wall, and for Horace and Mrs. Easom - and for all your people of that glorious community. The Lord of hosts be with you all, and lead you on!

(Signed) George W. Truett

Appreciation of Dr. Leavell and Revival Services

One of the most far-reaching revivals ever held in our church is in progress at present. Dr. Roland W. Leavell has been preaching some of the strongest Gospel messages ever heard in our community. Hundreds have been attending the two services each day. He has not only been preaching, but has been leading two groups of men and women in personal work each day. The Church has experienced a great many professions and additions and many have been coming into the fellowship of the Church pending reception of their Church letters. The services will close with the service this evening at 8 o'clock, but the results will continue on through the future. Pastor and people wish to express grateful appreciation to Dr. Leavell for the wonderful way in which he has led this Revival.
