Dear Tom:

Thank you for your letter of November 8. We have not at this time made any decision concerning the acreage that Gardner-Webb owns in the west end of Cleveland County. However, our Property Committee has suggested that we get some idea of its possible value. Therefore, they have undertaken a study to see what sort of income it might produce for us.

I am sending a copy of your recent letter to Mr. Hobart Smith who is chairman of the Property Committee and upcoming chairman of the Executive Committee of the Board of Trustees.

Kind personal regards,

Cordially,

Craven E. Williams
