SUGGESTIONS FOR USE OF RECORD BOOK

The Church Membership Record book contains the following sections:

- Resident Membership Roll
- Nonresident Membership Roll
- Chronological Membership Roll
- Summary of Church by Years
- Record of Church Officers
- Record of Ministers
- Minutes of Church Business Meeting

In setting up the Resident Membership Roll, arrange names in alphabetical order. Blank space should be left between each letter of the alphabet for additions to be inserted.

When a person is received for membership in the church, the name and other information should be entered on the Resident Membership Roll and the Chronological Membership Roll.

Resident Membership Roll — List names in alphabetical order. "Membership Number" will be transferred from the Chronological Roll. "How Received" is to be filled in "baptism," "by letter from (name of church)," or "statement." "Date of Birth" — day, month, and year (3/1/20). When a person joins Sunday school or Training Union, list class or union.

Nonresident Membership Roll — Names are transferred from the Resident Membership Roll to this roll when a member becomes nonresident.

Chronological Membership Roll — Names are added to this roll in chronological order as members are received. First name entered will be number one, second is number two and so on with lines used consecutively. Complete information including date of

birth. Record date person is baptized or date church letter is received. The membership number by a member's name on this roll should be the same number listed by the name on the Resident Membership Roll.

When a person dies or is lettered out or removed from roll for other reasons, write person's name in continued consecutive order. The first decrease will be number one, second two and so on in the "Dismissal Number" column. Write in date of decrease and reason. The number of members on roll may be determined at any time by subtracting the last number listed in the "Dismissal Number" column from the last number listed in the "Membership Number" column.

Summary of Church by Years — At the close of each year, transfer from other records the totals for the year as listed in column headings.

Record of Church Officers — Each year when new officers are elected, list the names on this page for the current year.

Record of Ministers — Information relative to the change of pastors should be recorded here.

Minutes of Church Business Meeting — Minutes of all church business meetings should be briefly and accurately recorded. They should be dated and signed by the clerk and moderator. Before transcribing minutes to this permanent record, it is suggested that the clerk write them in rough draft and ask himself this question: Have I recorded all essential facts so that the action can be accurately interpreted in the future? Minutes should record only facts. Do not include compliments, criticism, or the number of votes for or against a motion.
