CATALOG REQUIREMENTS

The conditions and policies set forth in this catalog have binding effects upon the University and students for the academic year in which it is in force. The University reserves the right to make necessary changes and corrections. Where changes are made in graduation requirements the University accepts a moral obligation to provide students the conditions effective the year of their most recent continuous enrollment or an alternative which would not be punitive. Otherwise, all other requirements are effective and in force upon publication of changes.

INTRODUCTION TO GARDNER-WEBB UNIVERSITY

Gardner-Webb University is a coeducational, residential, church-related university on a beautiful campus just outside Shelby in Boiling Springs, North Carolina. The University derives its name from O. Max Gardner, distinguished governor of North Carolina in the 1930's, and his wife, Fay Webb Gardner. The beauty of the campus and the quality of the academic program owe much to their example and leadership.

Location. Gardner-Webb University is located in the Piedmont section of western North Carolina, one of the most desirable and rapidly developing areas of our nation. Boiling Springs is a small rural town. Nearby Shelby, a city of 18,000, is noted for its support of the arts and as the home of state and national leaders. Forty-five miles east of Gardner-Webb is the thriving city of Charlotte, the largest city in the Carolinas. Less than one hour away to the south is the city of Spartanburg, South Carolina. Gardner-Webb University is easily accessible, being located only three miles from U.S. 74 and thirteen miles from Interstate 85. Less than one hour from campus are the Smoky Mountains with many recreational opportunities.

Gardner-Webb University enjoys the lifestyle of a relatively small institution yet has the advantage of being centrally located to major urban resources in nearby areas.

Students. Gardner-Webb University, founded by Southern Baptists in 1905, has grown steadily to its current enrollment of over 2,000 students. The 1,900 undergraduates come from many states and several foreign countries. Slightly less than half of the students are men, and the student body includes several racial and socio-economic groups. Gardner-Webb University admits students of any race, color, sex, and national or ethnic origin without discrimination. This diversity enriches the life of the campus community and reflects the nature of American society.

Accreditation. Gardner-Webb University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. In addition, the Davis School of Nursing is accredited by the National League of Nursing and the music department by the National Association of Schools of Music. The University is authorized by the immigration authorities of the United States for the training of foreign students.

Statement of Purpose

Gardner-Webb is a private, coeducational university affiliated with the Baptist State Convention of North Carolina. Its purpose is to provide learning of distinction in the liberal arts and in professional studies within a caring community based upon Christian principles and values. Students, faculty and staff are part of a community of learning, and Gardner-Webb seeks to prepare and encourage students to make meaningful contributions to the global community in which we live. To this end, the University strives to develop students intellectually, spiritually, socially, and physically. They should be able to think independently and critically, communicate effectively, relate well to persons of diverse backgrounds, un-

derstand and appreciate aesthetic values, and grow spiritually. To support this development and foster a community dedicated to life-long learning, Gardner-Webb emphasizes Christian values, academic freedom with responsibility, free intellectual inquiry and discussion, recognition of the dignity and worth of the individual, and strong faculty-student relationships. While pursuing these values, Gardner-Webb seeks to instill the traits of good citizenship in its students and strives to be a good institutional citizen.

Special Studies Program

Gardner-Webb University provides comprehensive special studies programs consisting primarily of the Greater Opportunities for Adult Learners (GOAL) program, to meet specialized educational needs of adult learners. The GOAL program provides opportunities for working adults who possess an Associate degree or equivalent (64 semester/96 quarter hours) to earn a Bachelor of Science or Bachelor of Arts degree during evening hours. The GOAL program is designed to serve students who are unable to pursue a day program because of work schedules, family responsibilities or geographic locations. Programs are available in: Accounting, Business Administration, Health Management, Management Information Systems, Criminal Justice, Human Services, Nursing and Religion. In addition to the Gardner-Webb campus, GOAL programs are provided in the following regional locations: Charlotte, Dallas, Dobson, Hamlet, Marion, Newton, Statesville, Troy, Valdese, Wilkesboro, and Winston-Salem, North Carolina.

Classification as a "Special Student" enables an adult learner who possesses a degree or does not wish to pursue a degree, to enroll in a GOAL course or courses for credit. There is no maximum number of hours which may be accumulated as a special student; however, students who accumulate 15 semester hours should inform the Office of Special Studies of their intent. If a degree is desired, official transcripts must be submitted for evaluation and an advisor assigned. Special students must submit an application for admission and a \$15 application fee. The tuition rate for special students will be the current GOAL tuition rate.

Continuing Education Unit (CEU) experiences are provided on the basis of need. The experiences take the form of conferences, workshops, special courses, seminars, and symposia. Many of these are provided in conjunction with the Broyhill Academy for the Study of Independent Concepts and the B.E. Morris Academy for Christian Studies.

Summer School

Gardner-Webb University provides summer classes at all GOAL centers. The institution is a member of the North Carolina Association of Summer Sessions and the North American Association of Summer Sessions. The Summer School is divided into two five-week terms. A student generally carries a three or six-semester-hour load during each five-week term. GOAL registration for both summer terms is conducted by mail. Application for admission or

re-admission should precede registration by at least a month.

The Graduate Program and Divinity School provide a variety of courses during Summer School. For specific information, see the Graduate Bulletin and/or contact the Director of Graduate Studies or the Dean of the Divinity School. A variety of special programs and camps is also provided during the Summer.

Admissions Criteria

The admissions profile for full admission to GOAL is as follows (all programs except Nursing and Religion):

1. Associate degree or equivalent (64 semester/96 quarter hours) in a curricular area and from an institution approved by Gardner-Webb University for inclusion in the GOAL program.
2. Present 64 semester/96 quarter hours of transfer credit with a grade of "C" or better.
3. Completion of specific prerequisite coursework as deemed necessary by the department of the chosen major.

GOAL Admissions Procedures

1. The prospective student completes the application and forwards it to the Office of Special Studies along with the application fee. Concurrently, the student

- requests official transcripts from all colleges previously attended (**credit from two-year business colleges is not transferable**). All students eligible for Veteran's Benefits must provide proof of high school graduation regardless of the number of hours transferred or the Grade Point Average.
2. Upon receipt of all the above information, the folder is forwarded to the Transcript Evaluation Officer for analysis of transfer credits.
3. Upon completion of this analysis, the Office of Special Studies determines student eligibility for the program based on admissions criteria. Students may be fully accepted or provisionally accepted (see statement on provisional acceptance below). A letter of full acceptance, provisional acceptance, or deferral, along with a copy of the transcript evaluation is sent to the applicant.

4. The academic advisor is forwarded a copy of all materials for proper advising of the student at a later date. Students may enter at the beginning of any semester or summer term. While there is no application deadline, typically three or four weeks are needed to process all applications.

Provisional Acceptance

Provisional acceptance may be granted on an individual basis to students who are unable to complete all admission requirements prior to registration. For example, if a student is unable to provide all transcripts prior to the registration date for his/her center, provisional acceptance may be granted for a period of one semester. The student must complete the processing before the beginning of the next semester in order to be eligible to register. Provisional acceptance may also be granted to a student who is qualified for a program in terms of credit hours and grade point average but may lack certain prerequisites for the chosen GOAL major. Advisors will monitor the progress of this type of provisionally accepted student to determine when all prerequisites have been satisfied and when full acceptance can be given.

Requirements For A Second Baccalaureate Degree/Major Through Special Studies

A second baccalaureate degree may be sought by a person who holds a bachelor's degree from another institution. A second major may be sought by a person who holds a baccalaureate degree from Gardner-Webb University. All applicants must have at least a 2.0 GPA (overall) on all college work attempted.

The following requirements must be met by the student who wishes to receive a second degree:

1. The student must complete a minimum of thirty (30) semester hours with Gardner-Webb University beyond the requirements for any previous degree.
2. At least one-half of the requirements for the major must be completed with Gardner-Webb University.
3. The student must maintain a quality point ratio of 2.0 or better with a grade of C or better in each course counted toward the major.
4. For the second degree, the student must meet all the curriculum requirements, including the core, of the current Bulletin. The student seeking a second degree must choose a major from those listed in the current Bulletin. Because individual course needs are different for each student, the number of semesters required to complete the second degree will vary (effective Spring Semester, 1987).

Transfer Policy

A student may transfer to Gardner-Webb a maximum of 64 semester hours from an accredited two-year institution and a maximum of 98 semester hours from an accredited senior college or university toward meeting degree requirements. An academic advisor will be assigned to work with each student in degree planning. **Credit may be transferred only for courses on which the student has**

earned a C or better. It is transferred as hours earned. No grade points are recorded for transfer work. A course in which a student made a D (except a course counted in the major) may be used to satisfy a course requirement but carries no hours credit. The student must meet graduation requirements for the total number of hours required.

Transfer Credit

The Registrar interprets the transfer policy and certifies students for graduation.

College-Level Examination Program: Gardner-Webb accepts credit earned through the College Level Examination Program prior to enrollment and through the end of the first semester of enrollment. No credit is accepted for tests taken later than the end of the first semester of enrollment.

1. Credit will be received on the same basis as transferred credit from accredited institutions of higher learning.
2. No credit will be granted in an area for which the examinee has college credit. Also, CLEP tests must be taken before the student enrolls in a comparable course. No course can be dropped to take a CLEP test, and no subject attempted in class may be repeated by CLEP.
3. Credit will be received as pass/fail, that is, no hours attempted or grade points will be computed in the examinee's Grade Point Average.
4. Unsatisfactory scores will not become a part of the student's record.
5. A CLEP test on any subject may be taken only one time.
6. Concerning the Subject Examinations:
 - (a) The student must submit a score at or above the mean score for C students on the CLEP national norms, such scores being provided and recommended by the Council on College-Level Examinations.
 - (b) The number of semester hours granted will be determined by the scope of the material measured, as indicated by the Council on College-Level Examinations.
 - (c) Credit thus granted may be applied to the student's course of study without restriction.

Armed Service-Related Programs: Veterans who have successfully completed a course or courses under the Service School training program or through USAFI may submit a record of courses completed for review by the Transcript Evaluator. Credit may be applied or subject waived, depending upon the discretion of the proper authority, and the appropriateness of the course in the student's educational objective and program.

Servicemen's Opportunity College: Gardner-Webb University actively seeks students from among America's past and present service men and women. As a participating Servicemen's Opportunity College, this institution offers a variety of educational opportunities to enable service personnel and veterans to learn skills necessary to their performance of duty, advancement, and future vocational growth.

Academic Information

Academic Counseling

Each student who is admitted to the GOAL Program is assigned an academic advisor who assists in the development of a written program of studies. Advising is provided for new students at first registration, and for continuing students at mid-term of fall and spring and in mid-summer. Time does not permit adequate advising for continuing students at registration. They are therefore strongly urged to attend scheduled advising sessions. Continuing students will be assessed a \$40 late registration fee for registrations postmarked after the published deadline.

Academic Load

The normal full load is 12 semester hours each fall and spring semester and 6-9 semester hours during the ten-week Summer School.

Registration

On-site registration is conducted prior to Fall and Spring semesters. However, mail-in registration procedures have been developed for the mutual benefit of the University and students and are more convenient. Students should meet with their advisors during the scheduled advising sessions to complete all necessary forms and then mail these forms, with payment, to the Business Office, on or before the published deadline. Continuing students must adhere to the mail-in deadline or be subject to a late registration fee.

On-site registration is not conducted during the summer term. The process is completed entirely by telephone and mail. It is imperative that the student attend the scheduled advising sessions to assure efficient functioning of the system.

The registration process also includes payment for textbooks which will be delivered by professors on the first night of class.

A student must be officially admitted to the University prior to Registration. An Admission Form must be filed with the Office of Special Studies. A \$15 application fee is required of all applicants. A student is not officially enrolled for a course until officially accepted for admission and cleared with the Business Office. Each Course Request Form must be signed by the faculty advisor prior to Registration. A student may register at any one of the centers for courses offered in all centers.

Note: Continuing students whose mail-in registrations are not postmarked by the mail-in deadline will be assessed a \$40 Late Registration Fee.

Readmission

Any student who withdraws or does register for any given semester or term must apply for readmission to the next scheduled term. An application for readmission should be filed with the Office of Special Studies at least two weeks prior to the opening of the term in which a student wishes to resume studies at Gardner-Webb University. There is no fee for application for readmission.

Tuition

Tuition for the 1993-1994 academic year is \$135 per semester hour. The University reserves the right to change cost per semester hour when the change is deemed necessary. Tuition increases, when necessary, are usually implemented during the summer term, however, the University reserves the right to change tuition and other charges at the beginning of any semester if such change is necessary in the judgment of the Board of Trustees. Students enrolled in 12 or more semester hours who are legal North Carolina residents and are pursuing their first baccalaureate degree may be eligible for the North Carolina Legislative Tuition Grant. During the 1992-93 academic year the grant was \$374 for the fall semester and \$368 for the spring semester. The grant is not available during the summer term. Students who have earned two or more Associate degrees may not be eligible for the grant.

GOAL students pay the GOAL tuition rate per semester hour, as specified in the applicable Special Studies Bulletin, for classes designated as GOAL classes, regardless of the number of hours taken. When a class taught on the GWU campus is designated as a GOAL class (it may be designated as both GOAL and regular) the GOAL student pays the GOAL tuition rate. GOAL students may enroll for day classes, but will pay day tuition rates.

Any student holding an undergraduate baccalaureate degree, except BSN-Statesville Nursing students, will pay the graduate tuition rate per semester hour as specified in the applicable graduate catalog, for any class taken from Gardner-Webb University, regardless of location, number of hours taken, or classification of course.

Deferred Payment Plan

Tuition, fees, and book charges are payable in full at registration; however, the University makes available a deferred payment plan to those GOAL students who prefer to make monthly payments rather than a lump sum payment at registration.

Terms of the Deferred Payment Plan:

- I. The payment schedule will be shared during advising sessions.
- II. A Deferred Payment Charge will be assessed at a rate of \$2 per credit hour.
- III. The Business Office reserves the right to accept or reject any request.
- IV. The student is responsible for making payment on the three dates set for each semester.

NOTICES WILL NOT BE SENT

Refund Policy for Graduate and GOAL Programs

Registration at the University is considered a contract binding the student for charges for the entire semester. However, it is the policy of Gardner-Webb University to give limited refunds in the event a student OFFICIALLY WITHDRAWS from classes in the GOAL or Graduate Programs. In order to make a course adjustment (with-

draw), the student must contact the Registrar's Office by phone ((704) 434-4260) or in person. The student will receive a copy of the completed course adjustment form. Withdrawal must be completed prior to the end of the semester in order to officially withdraw.

The University's limited refund policy is as follows:

1. A full refund will be given provided the student officially withdraws prior to the first official class meeting.
2. A full refund less \$50 will be given to a student who does not attend classes but waits until after classes begin to officially withdraw. Attendance will be based on the instructor's records.
3. In the event a student attends class(es) and finds it necessary to officially withdraw, the following pro rata refund policy will be in effect:
75% refund for official withdrawal within 7 calendar days of the date all classes began
50% refund for official withdrawal within 14 calendar days of the date all classes began
25% refund for official withdrawal within 21 calendar days of the date all classes began.
4. No refund of any type will be granted in the event of failure to officially withdraw, suspension or expulsion. Note: The word refund in the policy above actually denotes a reduction in assessed charges. Actual refunds are available only to those having paid accounts. Refunds for students receiving Federal, State, or Institutional Financial Aid will be made in accordance with the regulations governing the respective aid programs.

Delinquent Student Accounts

Students with outstanding financial obligations may be prevented from taking final semester exams and/or enrolling for future semesters. A student will not be allowed to participate in commencement exercises or to receive a diploma, nor will transcripts and/or grades be released, until all financial obligations are satisfied. Financial obligations include, but are not limited to, student account balances, parking fines, library fines and returned checks.

Financial Assistance

All requests for financial aid assistance should be directed to the Financial Planning Office of the University. Financial aid awards are made following a determination of the applicant's admission and eligibility. The Family Financial Statement (FFS) is required, in most cases, for determination of eligibility.

Identification Card

Campus students will receive an ID card that serves primarily for use of the John R. Dover Library on the Gardner-Webb campus. All other University activities, such as athletic events and concerts require an admission fee.

Change of Name or Address

Students are asked to notify the Office of Special Studies of any change of name or address.

Adding or Changing Courses

The student's schedule of classes may be adjusted by adding or changing courses with the approval of the Registrar within one week from the beginning of the fall or spring semester. Call the Registrar's Office directly, (704) 434-4260. A \$5 fee will be charged for any change following the student's initial registration unless it is required by the administration of the University.

Withdrawing From Courses

A student may officially withdraw from a class at any time during the first 75% of a semester or summer term. The Registrar's Office provides the necessary forms upon request and a fee is required. A grade of W (withdrew) is recorded for the course during the first four weeks of the semester. After the first four weeks of the semester a WP (withdrew passing) or WF (withdrew failing) is assigned by the professor based upon the professor's assessment of the student's work to date in the course. Registration is a contractual agreement. Students who withdraw from courses resulting in less than a 12 hour enrollment may lose the North Carolina Legislative Grant and/or other financial aid and will be liable for payment of tuition for all registration unless deemed providential by the Office of Business and Finance.

Auditing Courses

Any student may audit a class with the permission of the professor of the course. All auditors must file an application with the Office of Special Studies. Auditors not enrolled in other Gardner-Webb classes will be charged \$50 per course plus any special fees.

Auditors are subject to the attendance regulations of the University. Additional requirements, if any, are the responsibility of the professor. Credit will not be allowed for any course for which a student registers as an auditor.

Taking Courses at Other Institutions

Permission for any Gardner-Webb student to enroll at another institution must be obtained beforehand from the Registrar and requires the consent of the chair of the department in which the student is majoring. The University is not obligated to accept credit for any course when prior permission has not been granted. Study at another institution cannot be used to improve one's academic standing. Correspondence courses taken as a transient student will not be approved for transfer.

Independent Study

The term "independent study" is reserved for those courses specifically designed as guided reading and/or student-initiated research courses that include a written project/paper which shall become part of the holdings of the Dover Library at the conclusion of the course. Independent study is open to students with junior and senior standing and requires the approval of the professor offering the study, the chair of the department, and concurrence

of the Dean of Special Studies. The proposal must be submitted and approved by the end of the semester preceding the study. No more than six hours credit in independent study may be applied toward graduation.

Course by Arrangement

A course by arrangement is restricted to a catalog course which is not offered by the University during a given semester or cannot be scheduled by the student. The course might be offered to the student on a one-to-one basis. The option is limited to instances of extenuating circumstances. Approval of the professor, department chair, and Dean of Special Studies is required.

Withdrawal, Suspension, Expulsion

Voluntary termination of enrollment during the course of a semester or summer term is defined as withdrawal. Dismissal from school for a specified period of time is suspension, and expulsion is dismissal for an unspecified period of time. Any evening student leaving school before the end of a term is required to secure a withdrawal form from the Registrar, complete it in full, and return it or call the Registrar's office ((704) 434-4260) to completely withdraw by phone. Honorable dismissal is granted only if these procedures are followed, and failure to comply will result in the recording of the F grade on all work taken that term.

Classification of Students

Juniors—students fully qualified academically for credit who have earned 60 or more hours of credit, but less than 90 semester hours.

Seniors—fully qualified academically for credit who have earned 90 or more hours of credit.

Class Attendance Policy

Regular class attendance is an important student obligation, and each student is responsible for all work conducted in class meetings. Class attendance policy is the prerogative of the professor. Within the first week of each semester, the professor will clearly state, in writing, the attendance policies which will govern the class. Although some professors permit no absences, the general University rule is that students must attend 75% of the class time in order for credit to be awarded.

Absence from class does not excuse the student from responsibility for class work. Planned class absences for official University business or foreseeable personal circumstances must be discussed with the professor prior to the absence and plans made for the submission of course work missed.

If weather prevents class meetings, cancellation will be announced on local radio stations for each center. Professors and students may agree upon a mutually acceptable time for make-up of cancellations. A course generally consists of sixteen meetings including the final examination. However, an exception may be made for those courses that are affected by official University holidays.

Grades and Reports

Academic Appeals

A student who has a question about an academic decision should consult the University official responsible for the decision. If the matter is not resolved to the student's satisfaction, the student may appeal to the professor, the Chair of the academic department, the Dean of Special Studies and the Educational Policies and Standards Committee, in that order. All academic appeals (other than grades as noted below) must be made in writing no more than eighteen months after the date of the decision being appealed.

Once a grade has been submitted to the Registrar, it will not be changed except in the event of a clerical error or an error in calculation or as a result of the appeal process described below.

A student who has a question about a grade should consult the professor as soon as possible. A student who believes a grade to be unfair may appeal to the professor, the department chair, and the Educational Policies and Standards Committee, in that order.

Under no circumstances will a grade be changed, after having been reported to the Registrar, without the approval of the Academic Dean. Grade appeals must be instituted on or before the last day of the semester following the semester in which the grade was issued

Grading System

Grades and grade points represent the instructor's final estimate of the student's performance in a course. The following grades are used by Gardner-Webb University:

	Hours Attempted Per Credit Hour	Grade Points Per Credit Hour
Grading System		
A—Exceptional	1	4
B—Outstanding	1	3
C—Satisfactory	1	2
D—Marginal	1	1
F—Failing	1	0
P—Passing (Nursing 206 only)	0	0
I—Incomplete	1	0
W—Withdraw w/o penalty	0	0
WP—Withdrew passing	0	0
WF—Withdrew failing	1	0

An "I" is assigned where course work is not complete because of circumstances beyond the control of the student. The student has until mid-term grade report of the next semester to complete the course work and remove the

"I"; otherwise an "F" will be automatically assigned by the Registrar's Office.

A "W" will be assigned when a student withdraws from a course during the first four weeks of the semester. After the first four weeks of the semester, a WF or WP is assigned by the professor based upon the professor's assessment of the student's work to date in the course. Summer withdrawal dates are published in registration materials.

The last date for withdrawing from an individual course will be four weeks after midterm grade report period or a date not to exceed 75% of the course. After this time the only courses which will be dropped are those which a student drops when withdrawing from school.

Grade Point Average (GPA)

The student's general academic performance is indicated by a Grade Point Average. This figure is determined by dividing attempted semester hours into earned grade points. Three Point Averages are significant for each student: the semester GPA, the GPA for all work taken at Gardner-Webb and the overall GPA which includes any work taken at other institutions as well as the student's work at Gardner-Webb. The overall average is calculated manually for University-related agencies, the Alpha Chi AdvisOr, and departments requiring overall GPA and includes all work attempted at previous educational institutions. Students must achieve a minimum GPA of 2.0 on all work taken at Gardner-Webb to qualify for graduation.

Repeating Courses

Only a course with a grade of D, F, or WF may be repeated. When a course is repeated, only the higher grade is counted in computing the Gardner-Webb GPA.

Retention Standards

Standards for acceptable academic progress at Gardner-Webb University are set to assist students in assessing the quality of their performance. Academic probation and suspension are used to alert students to potentially serious academic difficulty in their progress toward degrees.

Students are placed on academic probation as a warning that their level of academic achievement is falling below the level expected of students in their class. If their academic achievement should not improve, they are in danger of being suspended from the University.

Students will be placed on probation whose cumulative grade point average falls below the minimum standards.

Juniors 60 to 89 hours 1.9

Seniors 90 hours and above 2.0

A student placed on academic probation remains on probation for the entire semester. The student will register for no more than 12 credit hours during any semester on probation.

In order to be removed from academic probation, the student must bring the cumulative average up to that required of the class. If the student fails to bring the cumulative average up to a satisfactory level during the probation semester, but the semester's average is at or above the minimum required, probation will be continued for another semester.

If at any time while on academic probation the student's semester and cumulative average fall below the requirement, the student will be placed on academic suspension. The student will be suspended from the University for the next fall or spring semester. At the end of a one semester suspension the student may submit a formal application for readmission. If granted, the student may register for classes and will be automatically placed on academic probation. Should a second academic suspension occur, it will be for at least two semesters. After a two semester suspension from the University, the student must submit a formal application for readmission. If granted, the student may register for classes and will be automatically placed on academic probation. If placed on suspension a third time, the student will be suspended for two semesters. Readmission requires the approval of the Admissions and Financial Aid Committee. Students suspended from the University are not automatically reinstated upon reapplication. A student who wishes to appeal the denial of reinstatement may do so through the Admissions and Financial Aid Committee. A student who wishes to appeal being placed on academic probation or suspension may do so through the office of the Academic Dean. Students on either academic or disciplinary suspension are not allowed to participate in dramatic, musical, athletic, or other practice sessions since they are not to represent the university or participate in the public performance of such events. Summer study at Gardner-Webb University may be used to improve one's academic standing. For purposes of assessing the student's academic standing, the summer study would be treated as an extension of the spring semester. A student who is on academic probation or suspension may not use study at another institution to improve his/her Gardner-Webb academic standing.

Honors

Semester Honors

Two lists of honor students are posted each semester:

1. Dean's List— Students enrolled for a minimum of 12 hours and fewer than 15 must have a 4.0 Grade Point Average, and one taking 15 hours or more must have a 3.7 or better with no grade below C.
2. Honor Roll— Students enrolled for a minimum of 12 hours and fewer than 15 must have a 3.5 Grade Point Average with no grade below C, and one taking 15 or more hours must have a 3.2 but less than a 3.7 with no grade below C.

Graduation Honors

Effective Spring Semester 1994, to be considered for baccalaureate honors, a graduating student must complete a minimum of 64 hours at Gardner-Webb University and his or her GPA for that work taken here must be at least 3.5. Those in the upper 12% of the graduating class will receive honors in an approximate 1:2:3 ratio with regards to summa, magna, and cum laude designations. This standard will be applied to graduates in each of the following categories: Arts/Sciences, Elementary Educa-

tion/Physical Education, Day Business, GOAL Arts/Sciences, and GOAL Business.

Graduation Requirements

A minimum of 128 semester hours is required to complete requirements for the baccalaureate degree. All candidates for graduation are expected to take their final 30 hours with Gardner-Webb University. Students transferring from junior colleges are required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities, with at least the final 30 semester hours with this institution.

A student must have a minimum grade of C on each course counted toward the Major. A transfer student is required to complete at least one-half of the Major at Gardner-Webb (15 semester hours).

A minimum Grade Point Average of 2.0 on a 4.0 scale based on the University grading system is required for graduation.

Application For Graduation

Each student is responsible for fulfilling all requirements for the chosen degree program. In cooperation with his/her advisor, the student is also responsible for filing an Application for Graduation with the Registrar no later than the end of preregistration during the semester prior to the final semester of study. Specific deadlines will be published and a \$40 late fee will be imposed after this date. A final deadline will also be published after which applications will be carried forward to the next scheduled commencement. All candidates are expected to be present at Commencement. The University is not obligated to grant a degree to any candidate for graduation who does not attend the exercises. Students who cannot attend commencement will be required to attend the next scheduled one. Excusals will be made only for very extenuating circumstances. Contact the Dean of Special Studies to request such excusals.

Student Responsibility

The student bears the final responsibility for the selection of a program of study and adherence to all published regulations and requirements of the University, including the preceding requirements for graduation.

Career Planning and Placement

The Placement Office, located in the Dover Campus Center, seeks to assist students in obtaining positions in their chosen fields. The Family Educational Rights and Privacy Act of 1974 provides that students may have access to their placement records under certain conditions and that files may be released only with the written permission of the student. Therefore, all students registering with the Placement Office must sign a Placement Authorization

Form. All graduates are advised to keep their placement files current.

Campus Shop (Hours: 9:00-5:00 Monday-Friday)

The Campus Shop, located on the ground floor of the Dover Campus Center, provides all books and materials needed by students for their courses of study. Textbooks will be delivered by GOAL professors at their first class meetings. Book buy-back is conducted near the Campus Shop by book companies during the week of final examinations each fall and spring semester.

Class rings and graduation announcements must be ordered in writing. Class ring brochures are available upon request at the regular University telephone number (704) 434-2361, Extension 4273. Those desiring to purchase a University yearbook may write to: Yearbook Advisor, Gardner-Webb University, Boiling Springs, N.C. 28017.

Parking

On-street parking on the periphery of the Gardner-Webb Campus is available. If on-campus parking is desired, a decal is required, which may be purchased at the Security Office. The annual parking decal costs \$25, and one for the summer costs \$10. A decal is issued for each automobile.

Parking at off-campus centers is adjacent to the classroom buildings.

GOAL Core Curriculum

Before graduation from the Gardner-Webb University GOAL Program with a Bachelor's Degree, the student will have completed a liberal arts core which consists of the following areas of coursework taken at a community/junior/technical college, another senior institution, and/or Gardner-Webb University. It is anticipated that Gardner-Webb will offer the courses in the specified areas over a two-year period. Advisors will work with students (using the transcript evaluation) to determine the extent to which requirements have been met before coming to Gardner-Webb and will assist the student in selection of courses.

I. Communication

A. English 101

B. English 102

All accepted for admission to GOAL for the Fall 1993 and subsequent semesters will present evidence of completion of a year of English coursework (freshmen English) from a community college or senior institution. Students not meeting this requirement may be admitted provisionally and can take English 300 (Composition and Literary Interpretation) at GWU. This course will be in addition to all other graduation requirements.

C. Oral/Visual Communication

Most students have this competency through previous coursework in speech, business communications, or other similar courses. For those that have not met the competency, the advisor will ensure that the student enrolls in appropriate courses at GWU which emphasize oral and visual presentation. Drama, speech, debate, business communications, teaching, preaching, or other approved courses will meet this competency.

II. Critical Thinking

A. Mathematics

A course in probability & statistics, finite math, or a higher level course such as college algebra, trigonometry, or calculus.

B. Computer Literacy - Computer literacy can be validated in one of four ways.

1. The student has taken or will take an introductory computer course which emphasizes basic computer skills.

2. If a student makes regular use of a computer in his/her job then the student can secure a letter from his/her employer outlining these computer

skills and indicating the specific computer tasks which are performed by the individual on a recurring basis.

3. The student may take a computer literacy test administered by the University to determine if he/she has attained an acceptable level of computer literacy.

4. If a student has not met requirements through one of the above, a required workshop will be provided by the University.

III. The Natural World - Two of the following will be offered:

A. Science 302 - Physical Science

B. Science 303 - Human Biology

C. Science 322 - Environment

Two regular college courses in Biology, Chemistry, Physics, Geology, etc., may be used to satisfy the requirement.

IV. Personal Development - Two Courses

A. Psychology 380 - Personal Assessment & Adjustment

B. Health & Physical Education 338 - Health Maintenance, Promotion, and Wellness

V. Civilization - Two Courses from the following:

A. Social Science 305 - Global Understanding

B. History 301 - Western Civilization I

C. History 302 - Western Civilization II

D. History 319 - 20th Century U.S. History

E. Political Science 302 - U.S. Government

Students who have taken no history must take at least one history course at GWU.

VI. Aesthetics - Two Courses (1 from each category)

A. Art 307 - Art Appreciation for the adult learner

Music 320 - Survey of Music

French 300 - Aspects of French Culture and Language

Spanish 300 - Aspects of Spanish Culture and Language

B. English 330 - English Literature Survey I

English 331 - English Literature Survey II

English 332 - American Literature

VII. Christianity - Two Courses

A. Religion 304 - Old Testament Survey

B. Religion 305 - New Testament Survey

(Religion 341 - Christian Ethics is required of all Nursing majors)

GOAL Major: Business Administration 300, 305, 312, 318 (or Management 422), Management 410 or 403, Business Administration 480, Management 400 (or 416). 10 semester hours of business electives.

Management Information Systems Degree Requirements

This major is available only at the Iredell Center in Statesville and on the Gardner-Webb campus.

*Prerequisites: (These should be completed prior to enrolling at Gardner-Webb.) Two courses in accounting principles, one each in macro- and microeconomics, and an associate degree in Management Information Systems/Data Processing or 14 semester/21 quarter hours in computer-related subjects; equivalent of Gardner-Webb's English 101 and 102.

GOAL Core Courses: Please see page 11.

GOAL Major: Business Administration 305, 312, 480, Management 416, 410 (or 403), Internship or other business elective, Management Information Systems 371, 423 (or 432) 433, 471, 485.

*An applicant must have completed at least two courses in accounting and one course in economics to be accepted. Applicants with economics deficiencies may take Economics 301 and/or 311 to satisfy the requirements. These substitute courses will be offered at selected GOAL centers.

Davis School Of Nursing

Bachelor of Science in Nursing Program

The purpose of the Davis School of Nursing BSN program is to provide baccalaureate nursing education within a caring Christian atmosphere, to advance the practice of nursing through the utilization of nursing research, and to enhance the health and well-being of the community served. To support this purpose, the program:

- (1) provides registered nurses with varying educational, experiential, and cultural backgrounds an entry point into baccalaureate nursing education;
- (2) provides an upper division major in nursing;
- (3) prepares a generalist who can deliver professional nursing care in a variety of settings;
- (4) prepares a nurse accountable to the profession and society; and
- (5) provides the foundation for graduate education in nursing.

Admission to the Bachelor of Science in Nursing Program

Students applying for admission to the BSN program must also apply for admission to Gardner-Webb University through the Office of Special Studies.

Prerequisites for Admission:

- A. Completion of an Associate's Degree with a major in nursing or a hospital diploma nursing program with RN certification. RN or temporary RN licensure in the state of North Carolina.
- B. Completion of a minimum of 25 semester hours of nursing courses at the ADN level or the completion of a series of nursing exams for 37 hours of credit with 25 hours applied directly to baccalaureate nursing courses. Note: Any credits received over 25 hours will be grouped under the category of ADN nursing elective hours. (Refer to the BSN Student Handbook for detailed information). Hospital diploma graduates who need to complete nursing exams for credit must do so within one and one-half years of beginning the program. Students cannot enroll in 300 and 400 level nursing courses until testing is completed.
- C. One year of clinical nursing experience within the past five years or completion of a nursing program within the past year.
- D. Two references upon initial application.
- E. Cumulative and nursing GPA of 2.5 or special permission. (Graduates of diploma schools of nursing or individuals who are not eligible to receive lower division nursing transfer credit may earn a maximum of 37 hours of nursing credits, depending upon the results of selected tests.) NOTE: Credits for advanced placement may be earned via CLEP, NLN, ACT-PEP and departmental exams. Such credits earned will be interpreted as credits earned through Gardner-Webb. Consult with the BSN Program Chair for further information regarding advanced placement.

- F. Successful completion of courses in the following areas is recommended before entry into the program:
 1. Completion of coursework in anatomy/physiology and microbiology with a required grade of C or higher. Hospital diploma graduates who completed this coursework and do not have college transfer credits for these courses may elect to take the NLN exams for these courses. Students may also opt to take Science 303, Human Biology to meet the anatomy/physiology requirement. (This includes students who have not earned a C or higher in anatomy/physiology.)
 2. English 101 and 102 (300) with a required grade of C or higher(Special admission status may be granted to students lacking some of the above courses.)

BSN Degree Requirements:

- A. GOAL CORE: See Page 11
- B. MAJOR: Nursing 300, 301, 302, 307, 401, 403, 404, 405, 409. Students may also take Nursing 406 and/or Nursing 495 if additional elective hours are needed for graduation.
- C. NURSING SUPPORT COURSES: Grade of "C" or higher is required. Biology 335, Environment or Environmental Health course, Sociology 340; One 300 or 400 level management or health management course; one statistics course (Students who take Math 316 and earn a grade of "C" or higher will not be required to take an additional statistics course.), Political Science 302.

Special Nursing Requirements:

1. Students must provide their own transportation to the clinical agencies.
2. Health Form with complete immunization record must be completed prior to enrollment in any clinical nursing course.
3. Students must purchase their own stethoscopes, bandage scissors, pen lights, name pins and lab coats.

DEPARTMENT OF RELIGIOUS STUDIES AND PHILOSOPHY

On the Gardner-Webb campus in Boiling Springs, the Department of Religious Studies and Philosophy offers an evening major in Religion leading to a Bachelor of Arts degree. The program is designed primarily for the busy pastor who has graduated from Fruitland Baptist Bible Institute and who would like to complete a B.A. degree through evening study. The GOAL Religion program is also open to other students who qualify for admission. Fruitland graduates, and others who have the prerequisite courses, will be able to earn a degree by taking two evening courses each term through the four-year cycle.

Prerequisites for Admission:

1. Graduates of Fruitland Baptist Bible Institute qualify and are given up to 55 semester hours of credit for the courses completed. (Many students earn 15-20 additional hours of college by taking CLEP tests).
2. Other persons who have earned some college credit also qualify for admission to this program and will be given credit at Gardner-Webb on a course by course basis.

GOAL RELIGION CORE COURSE REQUIREMENTS for Fruitland Graduates (Others will be evaluated according to their individual situations):

Students must complete the following courses.

(Tr. Cr. = transfer credit for Fruitland graduates.)

With the advisor's consent, courses listed as Electives may be substituted for courses listed under Major Requirements. (See checksheet in back.)

The Bachelor of Science Degree Program In Social Science

With a Concentration in Human Services

The human services program is designed within the liberal arts tradition of Gardner-Webb University to prepare students for work in a wide range of social agencies that serve human needs at individual, group, or community levels. The program is designed for students who have completed approximately one-half of their four-year college course work and desire to complete the Bachelor's Degree with the intent of improving their helping skills in an agency in which they are currently employed or of preparing themselves to obtain employment in social service agencies. Although emphasizing the social and behavioral sciences, the program has a strong interdisciplinary orientation.

A student desiring to enroll in the human services program should normally have an Associate's Degree or equivalent in an appropriate area. Successful completion of courses attempted in the liberal arts and social/behavioral sciences is recommended.

A minimum of 128 semester hours is required for graduation. Students transferring from two-year colleges are required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities, with at least the final 30 semester hours with Gardner-Webb University.

Code of Conduct

The Code of Conduct is an official part of Gardner-Webb University and gives life on our campus and in our regional centers a special personality. We believe it represents values necessary for an open educational community. Students who enroll at Gardner-Webb agree to abide by this Code. The Code is outlined in the student handbook. The following is a list of prohibited behaviors:

Alcohol/Drugs

Possessing, consuming, being inebriated (drunk), driving while impaired, selling or distributing alcoholic beverages or illegal drugs on campus or at a Gardner-Webb University off-campus site.

Vandalism

The willful damage to, destruction or defacement of property in general.

Stealing

Unauthorized taking of property or being in possession of stolen property.

Accessory/Accessory after the Fact

Being a party to, witness to or having knowledge of any policy violation which is occurring or has occurred without reporting such violations immediately to the proper authorities.

Lying

Furnishing false information with the intention of deceiving.

Assault

An act or movement which conveys an intention to use force of violence or cause physical injury to another person.

Aggravated Assault

An assault in which there is an intent to inflict injury or an attempt to inflict serious injury which may involve the use of a weapon.

Unauthorized Entry

Breaking and unauthorized entry into any Gardner-Webb University facility.

Hazing

To annoy any student by playing abusive or ridiculous tricks on him/her, to frighten, scold, beat or harass him/her or subject him/her to personal indignity.

(North Carolina Statute: 14:35)

Verbal Abuse or Harassment

Insulting, taunting or threatening communication; defaming of character; indecent language, verbal assaults; derogatory, sexist or racist remarks; or any behavior that puts another member of the university community or guest in a state of fear or anxiety.

Gambling

Illegal gambling, wagering, or betting.

False Reporting

Intentional false reporting of a bomb, fire, or any other emergency.

Obscene, Lewd, Indecent Media Exhibition

The use, display, or exhibition of pornographic magazines, movies, video tape, records, cassettes, or posters.

Demonstrations

The gathering of a group of students for the purpose of a demonstration that is not orderly or peaceful which interferes with the academic process or normal operation of the University.

Aiding/Abetting

Aiding, abetting or conspiring with another person to become involved in prohibited behavior.

Disorderly Conduct

Any disorderly behavior

Firearms/Explosives/Weapons

The use, possession or distribution at any GWU facility of firearms, explosives, fireworks or knives.

Language

Lewd, obscene, indecent, profane and vulgar language, writing, expression or behavior.

Academic Dishonesty

Academic dishonesty is the deliberate and knowing misrepresentation of one's academic work. A student is dishonest when two circumstances occur: (1) The student knows that his or her professor would disapprove of some

aspect or circumstance of the student's academic work; and (2) the student submits the work to the professor for evaluation while hiding that particular aspect or circumstance from the professor. To do so is clearly dishonest because the professor will evaluate the work as what he or she understands it to be. The student has deceived the professor by misrepresenting the work, and the evaluation has not been rightly earned.

From another perspective, academic dishonesty may be viewed as the use of unauthorized assistance in any work which is to be evaluated—"unauthorized" meaning that the professor would not approve of the form of assistance received and is unaware of its use. The student is being dishonest if he or she deliberately hides this assistance from the professor while knowing that the professor would not approve of it. If the professor is unaware of the assistance that has been received, he or she will evaluate the work as being entirely the student's own. Thus the evaluation has not been fairly earned by the student. Furthermore, the student who knowingly gives unauthorized assistance is also guilty of academic dishonesty.

Tests and Examinations

Academic dishonesty occurs when a student receives any assistance that the professor has not expressly permitted. It may take the form of looking on another student's test paper or bringing in to the test any information or materials not expressly allowed by the professor. Both of the above definitions of academic dishonesty apply: The student has misrepresented the test as being entirely his or her own work. Furthermore, the student has received unauthorized assistance.

Research Papers and Reports

A form of academic dishonesty is plagiarism, which is the use of someone else's information or exact words without properly "documenting" or identifying that source. Whenever someone else's exact words are used, those words must be properly punctuated as quotation and the source fully identified. Also, any information which has been taken from a source other than the student's own personal knowledge—a book, article, interview, etc.—must be properly documented, even though the student may be paraphrasing the information. A student should not hesitate to consult the professor about any question or uncertainty about proper documentation.

Assignments

Often a professor may allow and even encourage students to work together on assignments or receive assistance from other students, other faculty members, other University staff members, friends or family. However, if the professor has not expressly allowed such assistance and expects the assignment to be done entirely by the student, to do otherwise would be dishonest. The student should consult the professor if there is any doubt about the outside assistance being appropriate.

The list above is not intended to be all inclusive, but it illustrates the intent of the University Code of Conduct.

Due Process

The Student Government Association of Gardner-Webb University includes in its membership all students of the institution. A student charged for violation of campus code regulations is afforded due process as outlined below:

A student charged with participating in prohibited behavior is granted the following in order to ensure fundamental fairness in the judicial process.

- A. Notice. The student has the right to be informed in writing of the charge(s) against him or her. The notice must provide the charge(s) as well as the specific evidence which resulted in the charge(s).
- B. Procedures. The student has the right to be informed orally or in writing of the judicial procedures.
- C. Right to Counsel. The student has the right to be represented by a person of his/her choice **from the University** to act as counsel.
- D. Evidence. The student has the right to have dismissed from consideration evidence which resulted from confessions obtained by coercion or deceit and objects or documents obtained as a result of illegal search.
- E. Right to call witnesses. The student has the right to present witnesses **from the University** to testify in his/her defense.
- F. Hearing. The student has the right to respond to charges before a disciplinary decision is made.
- G. Written report. The student has a right to a letter reporting the result of the hearing.
- H. Appeals. The student has the right to appeal a decision by either a hearing officer or a judicial board for any of the following reasons:
 - (1) irregularity in proceedings
 - (2) punishment inconsistent with the nature of the offense
 - (3) additional evidence not available at the hearing

When a student pleads guilty and a minimum penalty is assessed, the student does not have the right to appeal the decision.

Compliance Statement For The Drug-Free Schools and Communities Act Amendments

Gardner-Webb University supports and is fully committed to the concept of a drug- and alcohol-free campus and community. In order to comply with the Drug-Free Schools and Communities Act Amendments of 1989, Gardner-Webb publishes the following and makes it available:

- (1) The unlawful manufacture, distribution, dispensing, possession or use of controlled substances such as, but not limited to, the following:

Narcotics (heroin, morphine, etc.)

Cannibis (marijuana, hashish, etc.)

Stimulants (cocaine, diet pills, etc.)

Depressants (tranquilizers, etc.)

Hallucinogens (PCP, LSD, "designer drugs," etc.)

Designer (MDA, MDA-known as "ecstasy", ice, etc.)

Alcohol

is prohibited by students on Gardner-Webb University property or as any part of the university's activities. As a condition of enrollment, Gardner-Webb University students will abide by these terms.

- (2) Gardner-Webb will impose disciplinary sanctions on students who violate the terms of paragraph 1, above. Upon conviction, the appropriate disciplinary action, up to and including expulsion from the University and/or satisfactory participation in a drug and alcohol abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency, will be taken. More specific penalties are outlined in the following publications: Gardner-Webb University student handbook, Gardner-Webb University Special Studies Bulletin, Gardner-Webb University Graduate catalog. Violations may also be referred to the appropriate civil authorities for prosecution under local, state, and federal law.
