**SUMMER COMMENCEMENT — August 7**

## **An Introduction to Gardner-Webb College**

Gardner-Webb is a liberal arts college, owned and operated by the Baptist State Convention of North Carolina. Gardner-Webb is located in the Piedmont section of western North Carolina, one of the most beautiful and rapidly developing areas of our nation. Both Boiling Springs, the home of the college, and Shelby, a city of 17,000 which is seven miles to the east, are experiencing this growth and development. The college is easily accessible, being located on N.C. 150 and only three miles from U.S. 74 and 13 miles from Interstate 85. Charlotte, the largest city in the Carolinas, is about 50 miles east of Boiling Springs.

### **HISTORY**

From a movement initiated by the Kings Mountain Baptist Association in 1903, and later joined by the Sandy Run Baptist Association, the Boiling Springs High School, Incorporated, was chartered on December 2, 1905, as an institution "where the young . . . could have the best possible educational advantage under distinctive Christian influence." The institution became Boiling Springs Junior College in 1928, struggled through the depression years, and began to expand its enrollment and programs during the 1940's.

In 1942, Governor O. Max Gardner began devoting his energy, time, and wealth to strengthening and guiding the school. Also that year, the name was changed to Gardner-Webb College in honor of the governor, his wife Mrs. Fay Webb Gardner, and their families.

Philip Lovin Elliott began an 18-year period as president in 1943 and initiated a community-service concept of education. His tenure was marked by the college's admission into the North Carolina Baptist family of colleges in 1948 and accreditation by the Southern Association of Colleges and Schools in 1948.

Dr. E. Eugene Poston was selected president in 1961 and launched the ten-year "Decade of Advance" that resulted in the college's being granted full accreditation as a senior college in 1971.

Dr. Craven E. Williams was selected by the Board of Trustees to be the ninth president of the college. His administration began August 1976.

The Greater Opportunities for Adult Learners (GOAL) Program, an Evening College academic program designed primarily for Junior transfer students, was initiated in the fall of 1978.

The Board of Trustees of Gardner-Webb College received their first report on the proposed Master's program in October of 1973. The Faculty of Gardner-Webb College approved the program on August 30, 1979. On August 31, 1979, the Full Board gave their final approval to the Master's Program.

In November, 1979, the Baptist State Convention of North Carolina gave approval for Gardner-Webb to begin a graduate program in education. A Master of Arts in Education program was implemented in the summer of 1980 (Gardner-Webb College Catalog 1980-81).

## **Purpose of the Continuing Education Programs**

The purpose of Gardner-Webb College is to develop quality Christian students who think for themselves, and who will dedicate themselves to the Christian way of life in the vocation of their choice. Specifically, the following statement on page four of the 1979-80 catalog indicates one of the ways in which the purpose may be implemented: "Identifying and serving the educational, spiritual, recreational, cultural, social, and economic needs of its students and others in the surrounding area."

The purpose of the Continuing Education Program at Gardner-Webb College is to provide baccalaureate degree or personal enrichment educational opportunities for qualified adult learners in the geographic region adjacent to Gardner-Webb College. Specific emphasis is given to providing these continuing education experiences during the evening hours near the student's home or place of occupation.

## **Description of Continuing Education Programs**

Gardner-Webb College provides a variety of Continuing Education Programs including Greater Opportunities for Adult Learners (GOAL), Broyhill Academy for the Study of Independent Concepts (BASIC), Summer Enrichment Experience (SEE), in addition to the regular Summer School.

### **GOAL**

The Goal Program is an academic program specifically designed for graduates of two-year institutions who desire to earn a bachelor's degree in selected areas. Programs are provided on campus in Boiling Springs and in nine regional centers: Dallas, Dobson, Lexington, Lincolnton, Morganton, Newton, Spartanburg, Spindale, and Statesville. The programs are offered in varied centers as follows:

#### **Center**

- a. Catawba County Center  
Newton-Conover Junior  
High School  
Newton
- b. Davidson County Center  
Davidson County  
Community College  
Lexington
- c. Gaston Center  
William C. Friday

#### **Programs**

Business Administration,  
Management, Early Childhood  
Education, Middle School  
Education  
Criminal Justice  
  
Business Administration,  
Management, Criminal Justice,

Junior High School Dallas	Early Childhood Education, Middle School Education
d. Iredell County Center Mitchell Community College Statesville	Business Administration, Management, Criminal Justice, Human Services, Early Child- hood Ed., Middle School Ed.
e. Isothermal Center Isothermal Community College Spindale	Business Administration, Management, Early Childhood Ed., Middle School Education
f. Lincoln Center Central School Lincolnton	Business Administration, Management, Early Childhood Ed., Middle School Education
g. Morganton Center Freedom High School Morganton, NC	Criminal Justice, Business Administration, Management, Human Services
h. Spartanburg Arts Center Spartanburg, SC	Business Administration, Management
i. Surry County Center Surry Community College Dobson	Business Administration, Management, Criminal Justice, Early Childhood Ed., Middle School Education
j. Gardner-Webb Campus Boiling Springs	Business Administration, Management, Management Information Systems, Criminal Justice, Early Childhood Ed., Middle School Ed., Human Services

Students may complete twelve semester hours per semester by attending classes two evenings per week (at 6:00 and 8:00 on Monday through Thursday) during the Fall and Spring semesters. Each GOAL class meets two evenings per week from 6:00 to 8:50 during each five-week term of Summer School. GOAL students are entitled to a reduced tuition rate.

## Admission to the GOAL Program

The admissions profile for full admission to GOAL is as follows (all programs except Teacher Education):

- 1) An A.A. degree or equivalent (64 semester hours) in a curricular area and from an institution approved by Gardner-Webb College for inclusion in the GOAL Program
- 2) A minimum grade average of 2.0 (C)
- 3) Basic college-level courses in the following areas:
  - a) English
  - b) Mathematics
  - c) Science
  - d) History
  - e) Religion
- 4) Basic college-level courses in the major as approved by the faculty advisor.

### TEACHER EDUCATION ADMISSIONS CRITERIA:

See Teacher Education Program.

## Provisional Admission to GOAL

Provisional admission to GOAL serves the following types of adult learners:

- 1) A student who does not meet all the requirements for official admission to the GOAL Program but may qualify at a later date (This student would not be eligible for financial aid unless a minimum of 12 semester hours is taken.)
- 2) A student who does not meet requirements for admission to the GOAL Program and does not desire to be admitted to the GOAL Program at a later date, but does desire course credit.
- 3) A student who meets or exceeds requirements for GOAL but does not desire to be admitted to the GOAL Program at the present time
- 4) A student who is currently enrolled in an undergraduate degree program at Gardner-Webb or another undergraduate institution during the day (regular) would not be eligible for Provisional GOAL status.

Determination of Provisional GOAL status will be the responsibility of the Dean of Continuing Education and Summer School. All students who qualify for either GOAL or Provisional Admission to GOAL are entitled to the reduced tuition rate.

## Financial Information

Gardner-Webb College makes available to its students a variety of scholarships, loans, and grants-in-aid. All aid is administered by the Financial Aid Committee of Gardner-Webb College. The committee follows a number of clearly defined rules in its awards, the rules having been established by the college or by donors to the college. There is no discrimination on the basis of race, religion, or sex in the administration of the financial aid programs of Gardner-Webb College.

Under the several financial aid plans offered by Gardner-Webb, a student may attend the college at a cost which compares favorably with other well-recognized institutions. This may be accomplished by advanced planning with the college's Financial Aid Office. The several possibilities of creating a "package" plan may include various combinations of scholarship awards, grants, loans, and other aid sources. Students having financial needs should contact the Financial Aid Director.

## Procedures for Applying for Financial Assistance

1. File an application for admission to the college through the Office of Continuing Education and Summer School.
2. File a financial aid need analysis form with one of the following: (a) American College Testing Program (Family Financial Statement); (b) College Scholarship Service (Financial Aid Form). Forms may be obtained from the Financial Aid Office at Gardner-Webb College.
3. Arrange to come to the campus for a personal interview when requested by the Financial Aid Committee.

Financial Aid Awards are made when the applicant has been accepted for admission.

Renewal of scholarships, grants-in-aid, and loans is conditioned on the student's maintaining an academic and citizenship record in keeping with the standards set by the award. Application for renewal of loans and grants-in-aid by upperclassmen should be made before April 1. Applications received after April 1 can be considered by the committee only in terms of available funds.

Announcement of academic scholarships and other awards is generally made between February 15 and May 1 each year.

All correspondence concerning applications for scholarships and loans should be addressed to: Financial Aid Office, Gardner-Webb College, Boiling Springs, NC 28017.

## **Academic Information for GOAL Students**

### **ACADEMIC COUNSELING**

Each student who is admitted to the GOAL Program is assigned a faculty advisor who assists in the development of a written program of studies.

### **ACADEMIC LOAD**

The normal full load is 12 semester hours during each fall and spring semester and during the ten-week Summer School.

### **REGISTRATION**

Registration is conducted on-site both on the Gardner-Webb campus and at all regional centers in August, January, and June of each year. The Registration team consists of representatives of the following offices/departments at Gardner-Webb: Registrar, Continuing Education, Business Office, Financial Aid, Student Services, Veteran's Affairs, Bookstore, and selected academic departments.

A student must be officially admitted to the college prior to Registration. An Admission Form must be filed with the Office of Continuing Education and Summer School, 103 Webb Administration Building. A \$15 application fee is required of all applicants. A student is not officially enrolled for a course until officially accepted for admission and cleared with the Business Office. Each Course Request Form must be signed by the faculty advisor prior to Registration.

There is a charge of \$5 for late registration. A student may not register for classes after the second class meeting. A student may register at any one of the centers for courses offered in all centers.

### **COST OF INSTRUCTION**

The cost of instruction has been set at \$56 per semester hour for all students who have been admitted to GOAL or Provisional GOAL. The college reserves the right to change the cost per semester

hour when the change is deemed necessary. Students carrying 12 semester hours or more who are legal North Carolina residents enrolled in their first undergraduate program are eligible for the N.C. Legislative Tuition grant, which for the year 1981-82 amounts to \$300 per semester (Fall and Spring only). There is a \$40 art fee and a \$25 lab fee for some computer courses.

### **IDENTIFICATION CARD**

Each student will receive an ID card that serves primarily for use of the John R. Dover, Sr. Library on the Gardner-Webb campus. All other college activities, such as athletic events and concerts require an admission fee. A GOAL student may purchase a yearbook for \$15. Class rings may be ordered at the college Bookstore at any time.

### **READMISSION**

Any student who does not register for two consecutive terms must apply for readmission. An application for readmission should be filed with the Dean of Continuing Education and Summer School at least two weeks prior to the opening of the term in which a student wishes to resume studies at Gardner-Webb College.

### **CHANGE OF NAME OR ADDRESS**

Students are asked to notify the Offices of the Registrar and Continuing Education of any change of name or address.

### **ADDING OR CHANGING COURSES**

The student's schedule of classes may be adjusted by adding or substituting courses with the approval of the Registrar or the Dean of Continuing Education and Summer School within one week from the beginning of the semester. A fee will be charged for any change following the student's initial registration unless it is required by the administration of the college.

### **DROPPING COURSES**

A student may officially withdraw from a course at any time during a semester or summer term. The Registrar provides the necessary forms, and a fee is required. A grade of W (withdrew) is recorded for the semester. After the first four weeks of the semester a WP (withdrew passing) or WF (withdrew failing) is assigned by the professor based upon the professor's assessment of the student's work to date in the course. No hours attempted are recorded for the W or WP grades.

### **AUDITING COURSES**

Any full-time student may audit a class without charge with the permission of the instructor of the course. Area residents not desiring credit may audit

a class, with the permission of the instructor, without charge except where special fees are involved. All auditors must file an application with the Admissions Office.

Auditors are subject to the attendance regulations of the college. Additional requirements, if any, are the responsibility of the instructor.

Credit will not be allowed for any course for which a student registers as an auditor.

## **TAKING COURSES AT OTHER INSTITUTIONS**

Permission for any Gardner-Webb student to enroll at another institution must be obtained beforehand from the Registrar and requires the consent of the chairman of the department in which the student is majoring. The college is not obligated to accept credit for any course when prior permission has not been granted. Summer study at another institution cannot be used to improve one's academic standing.

## **WITHDRAWAL, SUSPENSION, EXPULSION**

Voluntary termination of enrollment during the course of a semester or summer term is defined as withdrawal. Dismissal from school for a specified period of time is suspension, and expulsion is dismissal for an unspecified period of time.

Any student leaving school before the end of a term is required to secure a withdrawal form from the Registrar's Office, complete it in full, and return it to the Business Office. Honorable dismissal is granted only if these procedures are followed, and failure to complete will result in the recording of the F grade on all work taken that term.

## **CODE OF CONDUCT**

The Code of Conduct is an official part of Gardner-Webb College and gives life on our campus and in our regional centers a special personality. We believe it represents values necessary for an open educational community. Students who enroll at Gardner-Webb agree to abide by this Code. The following activities could be considered in violation:

1. Dishonesty, such as cheating, plagiarism, forgery, or knowingly furnishing false information.
2. Theft or damage to property.
3. Immorality, engaging in lewd, obscene or offensive behavior, speech or writing.
4. Use or possession of alcoholic beverages or drugs, or disorderly conduct as a result of the above consumption.
5. Gambling in all forms.
6. Physical or verbal abuse or undue humiliation, intimidation, or placing under mental duress and/or fear of imminent physical danger.
7. Appearance—Men and Women. Clothing and hair should be neat and appropriate.
8. Demonstrations, riots, or disruptive behavior which interfere with the purpose of the college.

9. Disrespectful and/or insubordinate behavior, failure to respond to an official notice from an administrator or faculty member.

10. Use, possession, or distribution of firearms, explosives, fireworks, or knives of unlawful length.

NOTE: All cases resulting in suspension or dismissal are to be reviewed by the Executive Committee of the college.

## **DUE PROCESS**

The Student Government Association of Gardner-Webb College includes in its membership all students of the college. A student charged for violation of campus code regulations is afforded Due Process as outlined in Article XI, Section C, paragraph 3, of the SGA Constitution and Bylaws (page 34 of the Student Handbook).

## **REFUND POLICY**

It is the policy of Gardner-Webb College to give full refund to students officially withdrawing from classes prior to the first official class meeting. This request should be made in writing to the Dean of Continuing Education and Summer School. After the first official class meeting, full refund cannot be given. Registration in the college is considered a contract binding the student and his/her parents for charges for the entire semester.

However, provision is made for partial refund in the event of withdrawal covered by reasons of a providential nature (personal illness or death in the immediate family)

1. In the event a student plans to reenter, a pro-rata refund of tuition and fees will be allowed as a credit toward a later term.
2. Should the withdrawal be interpreted as providential by the college and should the student choose a cash refund, one-half (½) pro-rata will be granted on tuition, until one (1) week after mid-term report.
3. No refund of any type will be granted in the event of suspension or expulsion.

## **ACADEMIC APPEALS**

Students may appeal academic decisions by first appealing to the professor making the decision. If the problem of appeal is not satisfactorily resolved, the student may then appeal to the Department Chairman, the appropriate Academic Cabinet Member, and the Educational Policy Committee, in that order. All academic appeals should be made in writing no more than eighteen months after the date of the decision being appealed.

## **CLASSIFICATION OF STUDENTS**

Juniors—students fully qualified academically for credit who have earned 60 or more hours of credit, but less than 90 semester hours

Seniors—students fully qualified academically for credit who have earned 90 or more hours of credit

Special Students—

(a) Credit Students—senior college graduates and rising high school seniors

(b) Non-credit Students—auditors, music students not desiring credit, and a limited number of adults admitted to regular classes regardless of previous training

## CLASS ATTENDANCE POLICY

Regular class attendance is an important student obligation, and each student is responsible for all work conducted in class meetings. Class attendance policy is the prerogative of the professor. Within the first week of each semester, the professor will clearly state, in writing, the attendance policies which will govern the class.

Absence from class does not excuse the student from responsibility for class work. Planned class absences for official college business or foreseeable personal circumstances must be discussed with the professor prior to the absence and plans made for the submission of course work missed.

If weather prevents class meetings, cancellation will be announced on local radio stations for each center. Professors and students may agree upon a mutually acceptable time for make-up of cancellations. A course generally consists of sixteen meetings including the Final Examination. However, an exception may be made for those courses that are affected by official college holidays.

## GRADING SYSTEM

Grades and quality points represent the instructor's final estimate of the student's performance in a course. The following grades are used by Gardner-Webb College:

Grading System	Hours Attempted Per Credit Hour	Quality Points Per Credit Hour
A—Exceptional	1	4
B—Outstanding	1	3
C—Satisfactory	1	2
D—Marginal	1	1
F—Failing	1	0
P—Passing	0	0
I—Incomplete	0	0
W—Withdraw w/o penalty	0	0
WP—Withdrew passing	0	0
WF—Withdrew failing	1	0

An I is assigned where course work is not complete because of circumstances beyond the control of the student. The student has until the mid-term grade report of the next semester to complete the course work and remove the I, otherwise an F will be automatically assigned by the Registrar's Office.

A W will be assigned when a student withdraws from a course during the first four weeks of the semester. After the first four weeks of the semester,

a WF or WP is assigned by the professor based upon the professor's assessment of the student's work to date in the course.

## QUALITY POINT RATIO

The student's general academic performance is indicated by a Quality Point Ratio, abbreviated QPR. This figure is determined by dividing attempted semester hours into earned quality points. Three Quality Point Ratios are significant for each student: the semester QPR; the QPR for work taken at Gardner-Webb; and the overall QPR, which includes any work taken at other institutions and the student's work at Gardner-Webb.

## REPEATING COURSES

A course with a grade of D, F, or WF may be repeated. When a course is repeated, only the higher grade is counted in computing the Gardner-Webb and overall QPRs.

## GRADUATION REQUIREMENTS

A minimum of 128 semester hours is required to complete requirements for the baccalaureate degree. All Candidates for graduation are expected to take their final 30 semester hours with Gardner-Webb College. Students transferring from junior colleges are required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities, with at least the final 30 semester hours at this institution.

A student must have a minimum grade of C on each course counted toward the Major. A transfer student is expected to complete at least one-half of the Major at Gardner-Webb.

A minimum Quality Point Ratio of 2.0 on a 4.0 scale based on the college grading system is required for graduation, both on all work attempted and on that work attempted at Gardner-Webb College.

## APPLICATION FOR GRADUATION

The student is responsible for filing an Application for Graduation with the Registrar at the beginning of the final year of study. All candidates for graduation are expected to be present at Commencement.

## CAREER PLANNING AND PLACEMENT

The Placement Office, located in the Development House, seeks to assist students in obtaining positions in their chosen fields. The Family Educational Rights and Privacy Act of 1974 provides that students may have access to their placement records under certain conditions and that files may be released only with the written permission of the stu-

dent. Therefore, all students registering with the Placement Office must sign a Placement Authorization Form. All graduates are advised to keep their placement files current.

## BOOKSTORE

The College Bookstore, located in the lower level of the Charles I. Dover Student Center, provides all the books and materials needed by students for their courses of study.

## REGISTRATION OF AUTOMOBILE

All automobiles must be registered with the Security Office during registration for classes on the Gardner-Webb campus. The current car registration fee is \$10 for Fall and Spring semesters and \$5 for the Summer Terms. A decal is issued for each automobile.

## Core Course Descriptions (excluding Teacher Education)

The first digit indicates the number of required classroom hours per week. The second digit denotes the number of required laboratory hours per week. The third digit signifies the number of semester hours of credit each course carries per semester.

### Mathematics 300, Applied Discrete Mathematics

A study of probability, statistics, logic, mathematics of finance, and linear algebra with emphasis on applications in conjunction with the computer. 2-0-3

### Physical Education 338, Adult Fitness

An integration of concepts of optional health and physical fitness. Emphasis on developing understandings, skills, practices, and positive attitudes toward personal health, total physical fitness, and life-time sport skills. 2-0-3.

### Science 301, Practical Life Science

The practical versus the classical aspects of science are discussed. Hobbies, physical fitness, population and aging, with quality of life and survival. 2-0-3.

### Science 302, Practical Physical Science

Introduction of structure and behavior of matter. Survey of geology, meteorology, and astronomy, with emphasis on underlying physical and/or chemical principles, and practical applications of these principles. Demonstration, field work. 2-0-3.

### Science 303, Human Biology

An introduction to human genetics, disease, and reproduction. 2-0-3.

### Science 321, Energy

Introduction to laws of thermodynamics. Units of

energy and energy transformations. Survey of major sources of energy, with emphasis on limitations of each. Socio-economic and political aspects of present and future energy demands. 2-0-3.

### Science 322, Environment

Survey of principles of ecology with emphasis on human impact on the environment. Literature of ecological movement in the U.S. since 1960. Field trips. 2-0-3.

### Religion 301, Introduction to Biblical Thought

A one-semester survey of the major teachings of the entire Bible. (If a student has received credit for Religion 101 or 102, s/he cannot enroll for Religion 301. If a student has received credit for Religion 301 s/he cannot enroll for Religion 101 or 102.) 2-0-3.

### Religion 303, Old Testament Prophets

A survey of prophecy in Israel with attention given to the historical settings of the individual prophets and to the relevance of their message. 2-0-3.

### Religion 341, Basic Christian Ethics

A systematic study of the nature of morality, the principles of Biblical ethics, and specific ethical issues in contemporary society. 2-0-3.

### Psychology 380, Personal Assessment and Adjustment

An examination of life goals, career plans, self-identity, and adjustment strategies. 2-0-3.

### History 301, Issues in Western Civilization, 1500-1815

2-0-3.

### History 302, Issues in Western Civilization Since 1815

2-0-3.

### Sociology 400, Race Relations

A study of present-day racial and cultural minorities with emphasis on scientific facts about race and on changing attitudes and policies. 2-0-3.

### History 319, The United States in the Twentieth Century

2-0-3.

### Political Science 304, State and Local Government in the United States

A study of the problems of inter-governmental relationships and administrative management in state, county, and municipal government. 2-0-3.

### Sociology 310, Social Psychology

A study of the interaction between the individual and the group, and the influence of each on the other. 2-0-3.

## Major Programs Of Study

### Business Administration, Management, Management Information Systems (MIS)

The Business Administration Department seeks to prepare students to function effectively in society, in the business community, and in the public service, with a program which is continually updated to meet the changing needs of these communities; to promote understanding of economic institutions and governmental institutions; to provide the tools for continued professional training.

A baccalaureate degree in Business Administration, Management or Management Information Systems (offered on the Gardner-Webb Campus only) is available to the GOAL student. Gardner-Webb College assures students with these majors that course work will be provided in the following areas:

- |               |                    |
|---------------|--------------------|
| a. economics  | f. data processing |
| b. accounting | g. marketing       |
| c. law        | h. statistics      |
| d. finance    | i. communications  |
| e. management |                    |

If a student lacks prerequisite course work in the above areas, these prerequisites may be completed within the program of studies with Gardner-Webb College. In some instances, a student may take prerequisite course work at two-year institutions before or during their baccalaureate degree work with Gardner-Webb. A minimum of 128 semester hours is required for graduation. Students transferring from two-year colleges are required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities with at least the final 30 semester hours with Gardner-Webb College.

### Business Administration

	Semester Hours
I. College Core Requirements	30

## Business Course Descriptions

**Accounting 213, 214, Accounting Principles**  
Present-day methods of recording, sorting, summarizing, and interpreting financial information for business enterprises. 2-0-3, 2-0-3.

**Business Administration 310, 311,**

**Business Law I, II**

A survey course in the basic principles of commercial law which includes a study of contracts, agency, negotiable instruments, and personal property. 2-0-3, 2-0-3.

**Business Administration 325,**

**Business Communications**

Language skills for written communication. Prerequisite: Typing proficiency. 2-0-3.

**Business Administration 480, Business Policy**

A case study approach designed to apply areas of management accounting, finance, and economics to contemporary business problems. Prerequisite: Senior standing. 2-0-3.

**Economics 311, Labor Economics**

Analysis of the labor market, unemployment, labor laws, union organization, and the theory of wages. 2-0-3.

**Finance 301, Money and Banking**

Analysis of Federal Reserve System and monetary policy, the role of money in determination of national income role and development of commercial banks, and the basic elements of international finance. 2-0-3.

**Finance 312, Corporation Finance**

Principles governing financial operations and financial management of business enterprises, profit planning, liquidity vs. profitability, capital budgeting, and working capital management. 2-0-3.

**Management 316, Principles of Management**

Theory and practice of business organization and operations. 2-0-3.

**Management 400, Personnel Management**

Principles and practices in personnel management relating to securing, training, retaining of employees. Prerequisite: Management 316. 2-0-3.

**Management 403, Industrial Psychology  
(Human Behavior in Organizations)**

The application of psychological principles to the problems of industry and business, selection of personnel, training efficiency, job analysis, performance measurement, and human relations. Prerequisite: Management 400. 2-0-3.

**Management 416, Industrial Management**

Principles and practices in the management of industrial plants covering plant location and layout, materials handling, quality control, maintenance, and production control. Prerequisite: Management 316. 2-0-3.

**Management Information Systems 241.**

**Basic Computer Systems Principles**

Designed to acquaint the student with the basic components that make up a computer system and what each component contributes to the overall operation of such a system. Business applications of the computer will be stressed. 2-0-3.

**MIS 250, BASIC Computer Programming**

BASIC Language and its applications. 2-2-3.

**MIS 371, Systems and Program Analysis  
and Design**

The development of systems and the analysis of ex-

isting systems that are needed for recording and presenting information to meet business and government requirements. Prerequisite: MIS 351 or MIS 352 or permission from chairman of the department. 2-0-3.

#### **MIS 351, RPG Computer Programming**

Designed to help students create programs utilizing Report Program Generator language and to determine the extent to which RPG may be helpful in business installations. The student learns to work with zero suppression, decimal alignment, and editing of a field. Prerequisite: MIS 241. 2-1-3.

#### **MIS 352, COBOL Computer Programming**

Designed to help students create programs utilizing the COBOL compiler and determine the best possible solution to a given problem using many alternatives. Prerequisite: MIS 241. 2-1-3.

#### **MIS 353, PL/1 Computer Programming**

Designed to acquaint the student with programming instruction, computer languages, writing a program, flow charting, paper tape, magnetic tape, and types of systems. Prerequisite: MIS 241. 2-1-3.

#### **MIS 480, Contemporary MIS Problems**

A seminar reviewing MIS and examining contemporary MIS problems confronting business organizations. 2-0-3.

#### **Marketing 318, Principles of Marketing**

A comprehensive analysis of the marketing system and the marketing process. 2-0-3.

#### **Statistics 307, Economic Statistics**

Statistical methods as applied to economic and business data. 2-0-3.

## **Criminal Justice**

The Criminal Justice major is a cooperative program between Gardner-Webb College and several other institutions, including Cleveland Technical College, Davidson County Community College, Gaston College, Isothermal Community College, Mitchell Community College, Surry Community College, and Western Piedmont Community College. The program provides courses permitting the student to earn an Associate Degree in Law Enforcement at another institution and the Bachelor of Science Degree in Social Science with a concentration in Criminal Justice from Gardner-Webb. Students not wishing to receive the Associate Degree in an approved program will be required to take appropriate work at a two-year institution in order to complete the B.S. Degree at Gardner-Webb. The Criminal Justice student in the GOAL Program will generally be expected to receive the Associate Degree in

A minimum of 128 semester hours is required for graduation. Students transferring from two-year colleges are required to complete a minimum of 64 semester hours of subsequent study in four-year colleges or universities, with at least the final 30 semester hours at Gardner-Webb College.

With the advisor's consent, courses listed as Electives may be substituted for courses listed under Major Requirements.

## **Criminal Justice Course Descriptions**

### **Political Science 314, Judicial Process**

A study of the Judicial Processes in the United States including pertinent court decisions and a general review of the administration of justice in our society. 2-0-3.

### **Health 401, Drug/Alcohol Education**

An introduction to the study of drug/alcohol use and abuse and the educational implications of drug-related problems. 2-0-3.

### **Sociology 400, Race Relations**

A study of present-day racial and cultural minorities with emphasis on scientific facts about race and on changing attitudes and policies. 2-0-3.

### **Psychology 401, Psychopathology**

Survey and analysis of the major mental disorders, interpretation, and theories of therapy, including the relationship of abnormal behavior to social norms. 2-0-3.

### **Management 400, Personnel Management**

Principles and practices in personnel management relating to securing, training, retaining of employees. 2-0-3.

### **Electives (as approved by advisor):**

#### **Political Science 304, State and Local Government in the U.S.**

A study of the problems of inter-governmental relationships and administrative management in state, county, and municipal government. 2-0-3.

#### **Political Science 315, Civil Liberties**

An examination of the philosophical basis and legal status of basic liberties in the U.S. 2-0-3.

#### **Sociology 202, Social Problems**

An analysis of some of the major problems of personal and social disorganization in contemporary society with emphasis upon causes, treatment, and prevention. 2-0-3.

#### **Sociology 310, Social Psychology**

A study of the interaction between the individual and the group, and the influence of each on the other. 2-0-3.

### **Psychology 305, Psychology of Personality**

A survey of the major theories of personality, with particular emphasis upon experimental studies and research procedures in the study of personality. Prerequisite: Psychology 206, Developmental Psychology. 2-0-3.

### **Psychology 206, Developmental Psychology**

The psychological evolution of the individual through the life span and effect of the bio-social field on that evolution. 2-0-3.

### **History 319, the United States in the Twentieth Century.**

2-0-3.

### **Criminal Justice 410, A Philosophy of Criminal Justice**

Major Focus: Punishment and alternatives for dealing with law violation and relating underlying ideas, such as responsibility and insanity. Central to this investigation will be a concern for the justification of punishment, legitimacy of alternatives to punishment, justification for considering illegal acts as products of disease, and the reconcilability of a system of punishment with a deterministic view of human behavior. 2-0-3.

### **Criminal Justice 420, Administrative Decision Making**

An advanced course in police administrative decision making with considerable emphasis on management styles and their effect on the operation of the police force and related criminal justice agencies. 2-0-3.

### **Criminal Justice 430, Criminal Justice Theory and Research**

A discussion and practical application in operations research as it applies to police department, prosecution management, court scheduling, corrections recidivism, probation and parole. The common theme is the use of quantitative analysis to understand phenomena, to solve problems, and to provide policy guidance. 2-0-3.

### **Criminal Justice, 495, Independent Study**

Independent study of selected problems in Criminal Justice. Credits to be arranged.

### **Criminal Justice 497, 498, Internship**

Designed for students enrolled full-time in the Criminal Justice Program, to enhance academic experience by providing an opportunity to acquire a working knowledge of the practical aspects of the criminal justice system. Credits to be arranged.

## **Human Services Program**

The Human Services Degree Program is designed

within the liberal arts tradition of Gardner-Webb College to prepare students for work in a wide range of social agencies that serve human needs at individual, group, or community levels. The program is designed for students who have completed approximately one-half of their four-year college course work and who desire to complete the Bachelor's Degree with the intent of improving their helping skills in an agency in which they are currently employed or of preparing themselves to obtain employment in social service agencies. Although emphasizing the social and behavioral sciences, the program has a strong interdisciplinary orientation.

A student desiring to enroll in the Human Services Degree Program should normally have an Associate's Degree in an appropriate area. Successful completion of courses attempted in the liberal arts and social behavioral sciences is required.

A minimum of 128 semester hours is required for graduation. Students transferring from two-year colleges are required to complete a minimum of 64 semester hours of subsequent study in senior colleges or universities, with at least the final 30 semester hours at Gardner-Webb College.

## Human Services Course Descriptions

### Human Services 300, Ethical Issues in the Helping Professions

A detailed examination of selected current ethical issues in the human services field. 2-0-3.

### Human Services 301, Treatment Modalities

A survey of theories and procedures appropriate for use with clients of community agencies. 2-0-3.

### Human Services 302, Group Dynamics

An introduction to group structure and processes and an analysis of their effects on individuals. 2-0-3.

### Human Services 320, Introduction to Clinical Practice

An introduction to the practices, procedures, and techniques involved in a mental health setting. 2-0-3.

### Human Services 400, Legal Issues in the Helping Professions

A critical examination of current legal issues facing the helping professions. 2-0-3.

### Human Services 491, Seminar

A synthesis and integration of previous course work following a problems approach. 1-0-1.

### Psychology 305, Psychology of Personality

A survey of the major theories of personality, with particular emphasis upon experimental studies and

research procedures in the study of personality. Prerequisite: Psychology 206. 2-0-3.

**Psychology 401, Psychopathology**

Survey and analysis of the major mental disorders, interpretation, and theories of therapy, including the relationship of abnormal behavior to social norms. 2-0-3.

**Psychology 402, Introduction to Counseling**

The study of basic theories and functions of counseling. Laboratory emphasis will be upon development of a personal counseling philosophy and its application. Prerequisite: Psychology 401 or permission of instructor.

**Psychology 406, Psychology of Exceptionality**

A study of marked superiority or inferiority to physical, mental, emotional and social norms. Prerequisite: Psychology 206. 2-0-3.

**Psychology 444, Psychological Measurement and Appraisal**

An introduction to psychological measurement, with emphasis on the measurement of intelligence, achievement, personality, interests, and special aptitudes. 2-0-3.

**Sociology 311, Social Research Methodology**

The scientific method applied to social phenomena: formulating and testing hypotheses, techniques for collecting data, measuring social variables, interpreting research findings. The scientific method as applied to social sciences will be explored in the latter part of the course through student participation in the design and analysis of a survey. 2-0-3.

**Sociology 313, Sociology of Deviant Behavior**

Introduction to theories of deviant behavior. Description and explanatory approaches to kinds and amounts of deviance in contemporary America; social change, anomie and social disorganization theories; the process of stigmatization; formal and informal societal responses to deviance and the deviant. Prerequisite: Introduction to Sociology or Psychology. 2-0-3.

**Health Education 322, Helping Relationships for Health Science**

A study dealing with human relations skill training using the Gazla Model as a base. 2-0-3.

**Health Education 401, Drug/Alcohol Education**

An introduction to the study of drug/alcohol use and abuse and the educational implications of drug-related problems. 2-0-3.

**Health Education 402, Sexuality/Sex Education**

An introduction to the study of basic issues relating to sexuality. Included will be strategies for teaching sex education. 2-0-3.

**Health Education 431, Problems in Health Education**

Advanced study of personal and community health problems, environmental health, family living, and mental and emotional health. 2-0-3.

## Elementary Education Program

**Education Admissions Criteria:**

- 1) An A.A. degree or equivalent (64 semester hours) in a curricular area and from an institution approved by Gardner-Webb College
- 2) A minimum grade average of 2.25 (C+)
- 3) Curriculum application and department requirements must be met no later than the end of the second semester of classwork with Gardner-Webb College. One department requirement is passing three of the four STEP tests (Sequential Tests of Educational Progress).\*
- 4) Prerequisite basic college level courses:
  - a) English 101 and 102 or equivalent
  - b) Mathematics 101 or equivalent
  - c) Science 101 and 102 or equivalent
  - d) History 101 and 102 or equivalent
  - e) Religion 101 and 102 or equivalent
  - f) Health-Personal/Community Health
  - g) Physical Education-Activity
- 5) Education courses in the major must be completed with Gardner-Webb College; however, major course work from senior institutions will be evaluated by the Department of Education of Gardner-Webb.
- 6) Application to the Teacher Education Curriculum should be submitted to the Education Department of Gardner-Webb by the time 64 semester hours have been completed (entrance to GOAL Program).
- 7) Application to the Student Teaching Semester or Block, should be submitted to the Education Department of Gardner-Webb by the time the student has completed three years of study (needing no more than 30 semester hours to graduate).

\*given annually at selected centers

## Early Childhood Course Descriptions

The first digit indicates the number of required classroom hours per week. The second digit denotes the number of required laboratory hours per week. The third digit signifies the number of semester hours of credit each course carries per semester.

### Education 360, Reading Foundations (K-3)

Involves the teaching of reading and related language arts from the kindergarten through the third grade. 2-0-3.

### Education 362, Language Arts in the Elementary School

Planning, teaching, and evaluating language arts in the elementary school. 2-0-3.

### Health 320, Health Education

Methods and materials for classroom instruction in health and safety for the elementary teacher. 2-1-3.

### Physical Education 301, School Activities

A course in methods and materials, theory, and program building in physical education. 2-1-3.

### Science Education 301, Life and Physical Science

An introduction to the physical sciences with emphasis on Physics and Chemistry. 2-2-4.

### Science Education 302, Life and Physical Science

An introduction to the earth and biological sciences with emphasis on Geology, Astronomy and Biology. 2-2-4.

**Mathematics 330, Methods of Teaching  
Mathematics and Science**

Planning, teaching and evaluating mathematics and science in the elementary school. 2-0-3.

**History 304, Survey of United States History**  
2-0-3.

**Political Science 302, United States Government**  
A comprehensive presentation of the principles of American constitutional government, and a behavioral analysis of the institutions and processes of the national and state governments and the Federal system. 2-0-3.

**Sociology 320, Cultural Anthropology**  
A study of the nature and growth of culture in primitive and contemporary non-industrial societies. 2-0-3.

**English 332, American Literature Survey**  
Representative writers from the beginning to the present. 2-0-3.

**English 331, English Literature Survey**  
Representative writers from the eighteenth century to the present. 2-0-3.

**Art 301, Art Skills and Appreciation**  
1-2-3.

**Music 345, Music Foundation for the  
Classroom Teacher**  
Provides background in theory and music appreciation for classroom teachers. No previous experience necessary. Includes piano and autoharp chording, singing, fundamentals, and recorder. Survey of music history from Baroque to present day. 2-0-3.

**Music 346, Music Methods for the  
Classroom Teacher**  
Practical application of skills acquired in Music 345. Examination of basal music series, plus outside reading. Expanded experience with instruments. Actual teaching experience with school-age children. Prerequisite: Music 345 or demonstration of proficiency. 2-0-3.

**Education 310, Materials and Media**  
Teaching educational equipment operation and the preparation, utilization, and evaluation of teaching aids and materials. 2-0-3.

**Education 312, Practicum in Reading (K-3)**  
Provides experience for the prospective teacher in the practical application of teaching reading skills and in diagnosing problems on the K-3 level. Prere-

quisite: Education 360. 1-3-3.

**Education 320, Children's Literature (K-3)**  
A critical study of classical and current books and materials for children on the K-3 level. Recommended prerequisite: Education 360. 2-0-3.

**Education 345, Early Childhood Curriculum**  
A study of the design, implementation, and evaluation of child-centered experiences appropriate for the learner enrolled in a nursery, kindergarten, or primary education setting. 2-1-3.

**Education 425, Modern Foundations of Education**  
A study of the social, cultural, and philosophical influences on the development of the elementary child and the origin and development of education in the United States for the elementary level. 2-0-3.

**Education 430, Methods of Teaching (K-3)**  
Provides an understanding and application of the use of materials and teaching methods. Laboratory experience with children on the K-3 level is required. 2-3-3.

**Education 450, Student Teaching**  
An eight-week day-time period of full-time supervised teaching at the appropriate level designed to provide the complete range of teacher's work and its interlocking relationships. 0-90 or more (total)-6.

**Psychology 301, Child Psychology**  
A study of the general principles of growth and development of the child from birth to early adolescence with emphasis on intellectual, physical, emotional, and social development. 2-0-3.

**Psychology 303, Educational Psychology**  
Analysis of the basic principles of classroom learning with emphasis on the application of theory to practical situations. Special attention is also given to fundamental testing practices and measurement concepts. 2-0-3.

## Middle School Course Descriptions

The first digit indicates the number of required classroom hours per week. The second digit denotes the number of required laboratory hours per week. The third digit signifies the number of semester hours of credit each course carries per semester.

**Education 361, Reading (4-9)**  
Involves the teaching of reading and related language arts in intermediate grades. 2-0-3.

**Education 362, Language Arts in the  
Elementary School**  
Planning, teaching, and evaluating language arts in the elementary school. 2-0-3.

**Health 320, Health Education**

Methods and materials for classroom instruction in health and safety for the elementary teacher. 2-1-3.

**Physical Education 301, School Activities**

A course in methods and materials, theory, and program building in physical education. 2-1-3.

**Science Education 301, Life and Physical Science**

An introduction to the physical sciences with emphasis on Physics and Chemistry. 2-2-4.

**Science Education 302, Life and Physical Science**

An introduction to the earth and biological sciences with emphasis on Geology, Astronomy, and Biology. 2-2-4.

**Mathematics 330, Methods of Teaching****Mathematics and Science**

Planning, teaching and evaluating mathematics and science in the elementary school. 2-0-3.

**History 304, Survey of United States History**

2-0-3.

**Political Science 302, United States Government**

A comprehensive presentation of the principles of American constitutional government, and a behavioral analysis of the institutions and processes of the national and state governments and the Federal system. 2-0-3.

**Sociology 320, Cultural Anthropology**

A study of the nature and growth of culture in primitive and contemporary non-industrial societies. 2-0-3.

**English 332, American Literature Survey**

Representative writers from the beginning to the present. 2-0-3.

**English 331, English Literature Survey**

Representative writers from the eighteenth century to the present. 2-0-3.

**Art 301, Art Skills and Appreciation**

1-2-3.

**Music 345, Music Foundations for the Classroom Teacher**

Provides background in theory and music appreciation for classroom teachers. No previous experience necessary. Includes piano and autoharp chording, singing, fundamentals, and recorder. Survey of music history from Baroque to present day. 2-0-3.

**Education 310, Materials and Media**

Teaching educational equipment operation and the preparation, utilization, and evaluation of teaching aids and materials. 2-0-3.

**Education 314, Practicum in Reading (4-9)**

Provides experiences for the prospective teacher in the practical application of teaching reading skills and in diagnosing problems on the 4-9 level. Prerequisite: Education 361. 1-3-3.

**Education 322, Children's Literature (4-9)**

A critical study of classical and current books and materials for children on the 4-9 level. Recommended prerequisite: Education 361. 2-0-3.

**Education 340, Middle School Curriculum**

A study of the trends and organization of the curriculum with emphasis on design, implementation, and evaluation of experiences appropriate for the transescent learner. 2-1-3.

**Education 425, Modern Foundations of Education**

A study of the social, cultural, and philosophical influences on the development of the elementary child and the origin and development of education in the United States for the elementary level. 2-0-3.

**Education 431, Methods of Teaching (4-9)**

Provides an understanding and application of the use of materials and teaching methods. Laboratory experience with children on the 4-9 level is required. 2-3-3.

**Education 450, Student Teaching**

An eight-week day-time period of full-time supervised teaching at the appropriate level designed to provide the complete range of teacher's work and its interlocking relationships. 0-90 or more (total)-6.

**Psychology 302, Adolescent Psychology**

The study of emotional, physical, and social maturation from puberty to early adulthood with emphasis on adjustment difficulties and communication with the adolescent. 2-0-3.

**Psychology 303, Educational Psychology**

An analysis of the basic principles of classroom learning with emphasis on the application of theory to practical situations. Special attention is also given to fundamental testing practices and measurement concepts. 2-0-3.

**Areas of Concentration:** See faculty advisor for requirements.

## **Broyhill Academy for the Study of Independent Concepts (BASIC)**

**Mr. Dan W. Moore, Director**  
**217 Webb Administration Building**

The Broyhill Academy was created in the spring of 1979 by a special gift from the Broyhill Foun-

dation of Lenoir, North Carolina. Since then, many other businesses have made sizeable contributions. The Academy is an integral part of Gardner-Webb College with a Board of Directors appointed jointly by Gardner-Webb and Mr. Paul Broyhill. All activities are directed by Gardner-Webb College.

Activities that have been initiated and will be continued include workshops for public school teachers entitled, "Economic Awareness" (they may earn one Continuing Education Unit), special workshops on the marketing of farm products for area farmers, practical business courses for owners/operators of small businesses, an outstanding speakers program for students (college and high school) and business leaders, and a week-long camp for rising high school seniors entitled, "Learn about Business." Many other exciting activities are being planned.

The program attempts to provide experiences that will enable the participants to function more effectively in the free enterprise arena and to better appreciate its advantages over other economic systems. A major emphasis is placed on program activities that will bring the academic and business worlds closer together.

## Summer Enrichment Experience (SEE)

Dr. Robert E. Morris, Director  
206 Craig Building

SEE is a comprehensive three-week summer residential program designed to provide an enriched educational experience for gifted emerging adolescents. The program is designed to accommodate academically gifted students who are currently enrolled in the sixth, seventh, eighth, and ninth grades throughout the Southeastern United States.

Candidates are nominated by their respective schools. Admission criteria for academic achievement correlates with the North Carolina public school guidelines for identification of gifted students. These criteria are:

1. a recommended minimum score of 120 on an individual or group mental ability test
2. achievement test score (total battery score) at least two grade levels above placement, or a specific subject score (such as math) of three grade levels above placement
3. recommendation by a teacher or counselor and approval of the school principal

The goal of this program is an enriched learning experience for selected gifted students. The objectives include:

1. stressing the development and use of thinking and listening skills
2. providing a unique combination of learning activities with emphasis on academic quality and high interest
3. providing an opportunity for students to interact with members of a college faculty

4. designing physical activities for fitness, lifetime sport skills, and enjoyment
5. exposing students to the fine arts and various cultural events
6. providing support services as needed
7. ensuring careful supervision of leisure time and dormitory activities

The major content areas are drawn from departments within the college. Each student chooses two areas of study from the following: science, mathematics, English, foreign language, social sciences, and fine arts. All determinations of instructional content, staffing, and services are made after consultation with individual departments. In each area of study, the emphasis is on topics to complement rather than to duplicate those which are covered in the public school curriculum. For example, the science curriculum includes aspects of ecology, microbiology, or astronomy which are beyond the scope of the regular school curriculum.

In order to facilitate instruction, the students are divided into groups by grade and interest levels. Three instructional periods for each student, along with recreation and free time make up the daily schedule. Special educational experiences are designed for the weekends.

In addition to academic study, each student receives instruction in a specific physical activity skill, such as tennis or swimming, conducted by a qualified physical education professional and student assistants. Recreation time each afternoon is devoted to activities with an emphasis on enjoyment and participation. Activities including swimming, softball, basketball, volleyball, and soccer-speedball are offered.

The expertise of the faculty, the physical facilities, and the commitment of the College to a quality program are the strengths of the instructional program. The social activities and dormitory life appeal to students, and the close supervision of students by dorm counselors and staff members reassure parents that the students are carefully supervised 24 hours a day.

Application forms and additional information concerning the SEE Program may be obtained by writing to Dean of Continuing Education and Summer School, Gardner-Webb College, Boiling Springs, N.C. 28017 or by calling (704) 434-2361.

## Summer School

Gardner-Webb College provides a qualitative, comprehensive Summer School, accredited by the Southern Association of Colleges and Schools. The institution is a member of the North Carolina Association of Summer Sessions. The Summer School is divided into two five-week terms offering courses during both day and evening hours. High school graduates are encouraged to begin their college careers during the summer. Any student enrolled at another college may present a notice from his/her own college approving attendance at Gardner-Webb, and credit will be transferred to his/her col-

lege. A student generally carries a six-semester-hour load during each five-week term. Registration is conducted at the beginning of each term. Application for admission should precede Registration by at least two weeks.

The Master of Arts in Education Program provides a variety of courses during Summer School. For specific information, see the Graduate Bulletin and/or contact the Director of Graduate Studies.

A variety of special programs and camps are provided during the Summer School. For specific information, see the Spring edition of the GOAL Post.

## Board Of Trustees

Chairman: Lloyd C. Bost  
Vice Chairman: Bernard H. Parker  
Secretary: Joe Mauney  
Treasurer of the Corporation:  
Hobart C. Smith

Associate Professor, Religious Education, Religion  
B.A., Carson-Newman College; M.R.E., Ed.D.,  
Southwestern Baptist Theological Seminary.

DAVID A. DeGRAAF, Ph.D.  
Assistant Professor, Science Education  
B.A., Calvin College; M.A., Western Michigan  
University; Ph.D., Western Michigan University.

JOHN R. DRAYER, Ph.D.  
Associate Professor, Religion  
B.A., Belmont College; B.D., Th.M., Ph.D.,  
Southern Baptist Theological Seminary;  
additional study, University of North  
Carolina-Chapel Hill.

ANTHONY F. EASTMAN, Ph.D.  
Professor, History  
B.A., Union University; M.A., Memphis State  
University; Ph.D., University of Southern  
Mississippi.

TERRY L. FERN, D.M.A. Candidate  
Associate Professor, Music  
B.M., Oklahoma Baptist University; M.M.,  
University of Louisville; D.M.A. Candidate,  
North Texas State University.

ROGER G. GADDIS, Ph.D.  
Chairman, Department of Psychology; Associate  
Professor, Psychology  
B.A., University of North Carolina-Charlotte;  
M.A., University of Tennessee; Ph.D.,  
University of South Carolina; additional

study, Appalachian State University.

P. DAVID GARDNER, JR., D.A.  
Assistant Professor, Health Education,  
Physical Education  
B.S., M.A., Appalachian State University;  
D.A., Middle Tennessee State University.

NELL S. GRIGGS, M.A.  
Assistant Professor, Health Education,  
Physical Education  
A.B., Lenoir-Rhyne College; M.A., Appalachian  
State University; additional study, Western  
Carolina University, University of North  
Carolina-Charlotte.
