RECOGNITION

Gardner-Webb College is a member of the Southern Association of Colleges and Secondary Schools and is fully accredited by the North Carolina Board of Education. It is accredited by the immigration authorities of the United States Government for the training of foreign students, and approved by the American Medical Association for two years of pre-medical training. In addition, the College is an active member of the American Association of Junior Colleges and The Carolina College Conference. It is also a member of the Southeastern Junior College Athletic Association and the Carolinas Junior College Athletic Association.

INFORMATION

LOCATION

Gardner-Webb College is located at Boiling Springs, in Cleveland County, North Carolina, near the foothills of the Blue Ridge Mountains, in the western Piedmont section of the state. It is on North Carolina Highway 150, nine miles south of Shelby.

Asheville, North Carolina, is sixty-eight miles to the west, Charlotte, North Carolina, fifty miles to the east, and Spartanburg, South Carolina, thirty-four miles to the south. Chimney Rock, and beautiful Lake Lure, Kings Mountain Battle Ground, and Blowing Rock are within easy reach for a day's outing. When advantageous, trips will be made available for students to Mt. Mitchell, Craggie, Grandfather, the Cherokee Indian Reservation, the Great Smoky Mountain National Park, and other places of interest.

HISTORICAL SKETCH

Gardner-Webb College has a varied and interesting history. As early as 1903 the idea of establishing a school of high school grade, "where the young - - - could have the best possible educational advantages under distinctive Christian influence," was firmly fixed in the minds of the people of the Kings Mountain Association. By 1905 Boiling Springs was selected as the location of such a school, and the Sandy Run Association had joined enthusiastically with the Kings Mountain group in the determination to build it. The school was chartered on December 2, 1905, as The Boiling Springs High School, Incorporated.

In 1907, construction work on the main building (Huggins-Curtis Hall now) was started, and the corner stones, one for the Kings Mountain Association, and one for the Sandy Run, were laid in June. In May of the same year Mr. J. D. Huggins was elected as the school's first principal. Thus the Boiling Springs High School continued under the leadership of J. D. Huggins, F. A. Brown, J. M. Hamrick, and W. J. Francis until 1928.

In 1928, after the campaign for funds by the Kings Mountain and Sandy Run Associations and the Baptist State Convention had been completed, the school was opened as a junior college, with J. Blaine Davis as its first president and J. D. Huggins as the dean.

Very little change was made in the plant until 1939 when the buildings and grounds were partially renovated and beautified. The gymnasium was veneered with native stone, and by 1940, the E. B. Hamrick building, which has been burned, was under reconstruction. This building had been erected after the First World War as a memorial to the boys from this section of the state, boys who had given their lives in the cause of freedom.

In 1942, the people were led in an effort to raise $150,000.00, which effort resulted in the extension of the campus from five to thirty-five acres, the refinishing and refurnishing of the E. B. Hamrick building, the erection of the new Washburn building, and the complete renovation and refurnishing of the dormitories.

In 1942, the trustees changed the name of the institution to Gardner-Webb Junior Colloge in honor of two prominent North Carolina families.

In 1946, the college was admitted to the Baptist family of colleges of North Carolina on the condition that by November, 1948 the friends of the institution in addition to $750,000.00 for a plant, raise $250,000.00 for endowment. These conditions were satisfactorily and completely met.

Also, in 1948, the college achieved the goal of attaining the highest accreditation within its reach—full and unqualified membership in the Southern Association of Colleges and Secondary Schools.

PURPOSE

Gardner-Webb College is seeking to build its program around an intelligent understanding of the needs of all the people in its particular geographical area. In order to do this two things are essential:

First, the College must keep up through surveys in the communities and experimentation at the College a program of study to discover the needs and wants of its people. It must also discover the boys and girls who should train to meet those needs and create in them the desire to train and for them the means by which they may be trained.

Second, the College must find and put into effect a program of adult education that will develop all the people; and it must expand and enrich its efforts at community service in health, economic development, civic and social welfare, and church-community development.

Finally to help achieve these ends the college must gradually expand its guidance program in the entire geographical area served by the college in the churches, the Sunday Schools, and the high schools as well as in the college itself.

The college in its training program for students has three functions:

First, it attempts to give thorough training in the recognized disciplines to students who wish to go on to higher institutions of learning; second, it seeks to give the widest and richest training possible to those whose formal education will end here; and third, it attempts to give a reasonable amount of vocational training, preferably on the background of a broad liberal education, to prepare students to enter fields of industry and home building earlier.

ENDOWMENT

When Gardner-Webb College was admitted into the Baptist family of colleges, it was on the grounds that the friends of the college raise an endowment of one-fourth million dollars by November, 1948. That task has been successfully accomplished and the funds are invested largely with the trust department of the Wachovia Bank and Trust Company of Charlotte, North Carolina. This fund is constantly being increased by far-seeing and devoted friends.

BUILDINGS and GROUNDS

Approximately 1,100 acres of land and twenty-five buildings comprise the physical equipment of the college. The campus proper, a seventy acre tract of rolling land dotted with a variety of lovely trees, furnishes the location for the various buildings.

RESIDENTIAL BUILDINGS

The Huggins-Curtis Memorial Dormitory — is the oldest building on the campus and is being used for residential, recreational, and instructional purposes.

New Dormitory (For Women)—the central section of the new dormitory for women was constructed in 1946. The east and west wings were added in 1948 to form an open quadrangle. The buildings were recently named by the Trustees as follows: the Suttle dormitory is the east wing of the quadrangle; the McMurry is the west wing; the Hoey-Anthony the first floor of the central building and the Padgett-Young the second floor.

The James Webb Gardner Memorial Dormitory—This three story structure completed in the fall of 1948 at a cost of $230,000 is fireproof and furnishes attractive accommodations for 130 men. In the attic is sufficient space to entertain visiting teams as well as space for a play room.

Apartments: The college owns five duplex apartments which may be used as needed by faculty or students.

Two apartment buildings containing six apartments each have been completely remodeled and are now occupied by married students.

The Gardner-Webb College Community Health Center officially known as *The S. S. Royster Memorial Clinic and Health Center* is just what the name implies. The money for the construction of this lovely and useful building was given by the late Dr. S. S. Royster, and supplemented by gifts from his children. Here under trained nurses and efficient doctors the people of the community as well as the students of the college find health instruction and medical attention. By the help of a $2,500 gift from the State W. M. U. supplemented by gifts from other friends this service has been greatly expanded.

The E. B. Hamrick Building, dedicated in 1943, contains seven class rooms, biology and chemistry laboratories, administrative offices, auditorium, a broadcasting booth, and a two-manual Pilcher pipe organ.

The Washburn Memorial Building is a brick structure erected in 1941 by Mr. Seaton A. Washburn in memory of the Washburn families. At present it is used to house the Commercial Department.

The John R. Dover Memorial Library was completed during the year 1951 and is one of the loveliest buildings on the campus. The new library has on the first floor a large reading and reference area, stacks, librarian's office, receiving and processing room, and two special rooms for Cleveland County Archives and North Carolina History. The basement floor has six large classrooms and a special department for audio-visual aids and music appreciation. This new building, completely furnished and equipped, is undoubtedly one of the finest libraries in the state.

The library contains over 10,000 volumes chosen to meet the needs and interests of the students, with special reference to the topics offered. Newspapers and a selected group of general and special magazines indexed in "The Reader's Guide to Periodical Literature" supplement the resources of the book collection. About 500 volumes are added annually through purchase and gift. The gifts of books have been especially well chosen, and have been worth-while additions to the library. Valuable, too, have been the gifts of money, whereby needed books might be purchased.

The O. Max Gardner Memorial Student Center was completed in the autumn of 1948. The building was constructed and furnished by the family of the late Ambassador O. Max Gardner and is a worthy memorial to a great man. On the first floor the building contains kitchen, dining hall, refrigeration, storage, and offices. On the second floor are a lovely student lounge with approximately 3,000 feet of floor space, offices for public relations, student organizations, guidance clinic, and two society halls.

EXPANSION PROGRAM

On October 1, 1943, Gardner-Webb College started seriously on its program of expansion to care for five hundred students. (The school has no plan to go beyond that number). During the years of its expansion program more than a million dollars has been raised for land, buildings, equipment, grading, and landscaping, and a quarter million for endowment. During that period twenty-one buildings have been erected. Fourteen are housing units and seven are administrative and academic.

The college needs now another million dollars to spend for buildings and equipment, and another three-fourths million for additional endowment. These goals can be reached by supreme loyalty and devotion of the friends of the college, and a program is now on foot to achieve these and other needs by the Golden Anniversary in October 1957.

ALUMNI ASSOCIATION

Membership—All former students, graduates and non-graduates, are considered members of the Alumni Association. All are invited to become active members by making a contribution of not less than $2 annually toward the work of the association.

Meetings—A general business meeting and banquet is held once each year during the college commencement, at which time the directors and officers of the organization are elected and other matters of business attended to. The president of the association has authority to call a special meeting of the association at any time and place he may choose for the purpose of transacting any business pertaining to the work of the association.

Purpose—The purpose of the Alumni Association is to provide an opportunity for the alumni to express their interest for the college in voluntary service, to organize local chapters, to keep in constant touch with the members of the association, and to promote the welfare of the entire college to the mutual benefit of both the college and the alumni.

CAMPUS LIFE

STATEMENT OF PRINCIPLE

The ideal of college life is that of a well-ordered Christian home, where each individual may have as much freedom as is consistent with the well-being of the group. The small college is well suited to achieve this ideal, and to this end students are granted many privileges here which could not be allowed at a larger school. Since it is our belief that growth in character comes only through the development of self-direction and self-control, rules and regulations are reduced to a minimum and are made or amended as may seem necessary for the good of the individual and the group. The responsibility for making and enforcing these rules and regulations rests jointly on faculty and students. For several years the college has had a system of student government, and all problems of conduct are passed upon by the student judicial board. Serious cases are reviewed by the executive committee of the faculty.

It is assumed that students are ladies and gentlemen and that they will conduct themselves accordingly. Cheerful obedience to certain basic principles is expected of everyone. These include:

Faithfulness and Promptness in the performance of all duties whether in the preparation of academic work or the fulfilling of a work contract, or the meeting of financial obligations.

Responsibility and Care in the use of college property, and reparation for all damages done to rooms, furniture, equipment, library books, etc.

Orderly Conduct in dormitories, halls, and dining room at all times, with quiet during study hours and after the signal for lights out at night.

Courtesy and Consideration in all relations between students and teachers, and between young men and young women especially. A large degree of freedom is allowed in social relations but with the understanding that it may be revoked if abused.

Church Attendance and participation in the life of the local church. It is assumed here that training that is devoid of religion is not education. However, church attendance is not compulsory.

Strict Observance of Study Hours on week nights.

Drunkenness, gambling, cheating, and all other forms of immorality are strictly forbidden; and we prefer that those who will not give up all these go elsewhere.

Cheating on an examination or theme results in a zero grade on that examination or theme; second offense, probation; third offense, expulsion. This matter is dealt with summarily.

The cooperation of parents is earnestly requested in carrying out all the regulations of the school, especially in regard to week-end trips home and other absences from the campus. The school year has been arranged with a view to the convenience of its agricultural patrons; and in order to accomplish the required amount of work within the given time, it is necessary that students devote their whole time to it. It is vitally important to the education of the students that they take an active part in the morning and evening worship services in the local church. The church work here at the college is planned as a part of the students' education as really as their class work or any other college activity. For them to miss that is to miss a central factor in their college life. For these reasons parents are urged not to request that students be away from the campus except for the one week-end a month that is provided for them.

Parents are invited to visit the college and to talk or to write freely about their children. The college officials are always glad to know the parents' point of view and to do anything in their power to correct any wrong, real or imaginary.

GUIDANCE PROGRAM

One of the basic principles upon which Gardner-Webb operates is that discipline in its highest form is accomplished by a constructive guidance program. In keeping with this philosophy, the college maintains a Department of Guidance for the purpose of assisting the student to make the best possible adjustment to his college life, and to prepare himself in the best possible way for the responsibility of Christian leadership. The Department of Guidance seeks to provide individual counsel for every student enrolled in the college. This is effectively handled by placing each student in close contact with at least one member of the faculty. Every student at the beginning of the year is assigned to a counselor. The assignments are made on the basis of academic and vocational interest, and personal compatibility. Each counselor meets with his counselees in a general group meeting at least once each grading period and as many times in personal interviews as is necessary for the good of the student. In this role the counselor is more than a teacher. He is also the student's confidant and friend with whom the student may share his problems in every realm of life in a confidential way so that a solution of these problems may be reached for the highest possible good of the student.

The Department of Guidance maintains an office with student personnel files for the benefit of both counselors and students. The Director of Guidance works in close cooperation with the College Government, Faculty, and College Administration in handling student problems as they may arise. Students are encouraged to take advantage of all facilities made possible by the Department of Guidance for their college training and vocational choices.

The Department of Guidance has an expanding testing program with a library of tests including aptitude, achievement, vocational emphasis, and personality inventories. At the beginning of school the department administers

a series of tests and inventories to each student during the Orientation Week. Through this method, the college has an appraisal of the student's ability, personality achievement, and vocational interest. The student's participation in this program is required, and he has not completed his matriculation until he has met the requirements of the Guidance Department.

WHAT TO BRING

Occupants of the college dormitories are expected to bring their own pillows, blankets and linens. All rooms are furnished with single beds. Curtains and a lamp, as well as other personal articles needed, may be brought if desired by the individual.

LAUNDRY AND DRY CLEANING

Two modern dry cleaning plants are near the campus and serve the needs of the students. Trucks from near-by laundries make regular trips to the college.

MESSAGES AND MAIL

Gardner-Webb is connected by telephone with Lattimore and Shelby. Telegraph messages intended for persons at the college, if sent to Shelby, will be telephoned to Gardner-Webb.

Mail arrives over star route four times daily. The college maintains mail delivery service on the campus.

RELIGIOUS ACTIVITIES

Activity at Gardner-Webb is based upon the practical expression of the Christ-life. The positive aspect of the Christian experience is stressed above the negative "thou shalt not." It is assumed that each student will find his place in the religious life of the campus and community without any coercion except the inner urge of his own soul. A spiritual atmosphere is created by the friendly association of students and faculty. The student religious organizations are similar to those in an average church and community. It is the opinion of the administration that the religious opportunities are as valuable a part of the curriculum of the college as English or biology. This fact makes it very important that the student limit his week-end trips to a minimum in order that he may benefit from this training.

The Local Church. Each Baptist student is urged to bring his church letter with him when he comes to college. Students of other denominations are invited to come as affiliate members. This tie with the local church gives the student a sense of security and opens many avenues for social and spiritual fellowship which he would otherwise miss while he is away from home. There is an unusually fine spirit of cooperation between the community and the college. The religious organizations of the college magnify the church and are, in reality, a part of its whole program.

Sunday School. The local church provides a well-organized Sunday School into which the college students fit as members of the community. Of necessity, but without design many of the classes are composed of college students only. Membership in a class is urged upon all students, but they are not required to join the Sunday School or any other religious organization or group on the campus.

Training Union. The Training Union, which has for its aim "training in church membership," attempts to enlist all students. Every student is urged to attend and will not in any way be pressed to change his views about his own doctrines. A well-organized Training Union in the local church affords ample opportunity for observation and training for the members of the individual Unions.

The Young Woman's Auxiliary of W. M. U. The Young Woman's Auxiliary, commonly referred to as the Y. W. A. and a part of the Woman's Missionary Union, enlists the young women of the college in mission study and actual service in local missions. The members are led to see the meaning of missions and to have a compassion for a world without Christ. All the girls who reside in the dormitory are invited to join the Y. W. A. by joining a circle usually composed of those who live on the same hall.

The Christian Volunteer Band. The Christian Volunteer Band is composed of men and women who are volunteers for full-time Christian service. They are wide-awake, eager Christians, interested in becoming better workmen for God in their chosen field. This organization has weekly meetings at which various topics of interest to pastors and religious workers are discussed. From time to time opportunity for Christian service is given in neighboring communities. The annual fish fry which this group enjoys is a special feature of the spring festivities.

The Baptist Student Union. The student who aligns himself with the local church or with any of its organizations automatically becomes a member of the Baptist Student Union. The activities of these organizations are directed by the Executive Council of the Baptist Student Union (known as the B.S.U.). This Council is composed of the general officers of the B.S.U. and the presidents of the unit organizations, such as, Sunday School, Training Unions, Y.W.A. groups, Volunteer Band, and Ministerial group. The Greater Council is composed of the Executive Council plus the roster of officers of the unit organizations. The local pastor and a faculty adviser serve as Counselors for the B.S.U. The B.S.U. Executive Council meets each Monday evening to plan the various activities for which it is responsible. The fellowship within this group is of the highest order and should set a standard of Christian character for the campus.

Many activities are sponsored by the Student Union. Council members select prayer mates and the other members of the Union are urged to do so. Morning watch is conducted each morning. The B.S.U. provides music for chapel, devotions, and group meetings. These spiritual leaders on the campus operate as a unifving force among the religious organizations of the campus.

If Gardner-Webb is friendly, and has the name of being spiritual, it is partly because these earnest-hearted young people are giving their best in the service of Christ in the activities of each day.

Vespers. Vespers, sponsored by the B.S.U., are held each day at 7:00 P. M. in the auditorium of the E. B. Hamrick Building. All are welcome and urged to avail themselves of this opportunity for worship and meditation at the close of the day. This short period of worship is a spiritual powerhouse of the religious life of the campus.

Chapel. The faculty and students meet three times a week for chapel and assembly programs. These programs are of a varied nature and bring to the campus personalities who are outstanding in the fields of religion, education, business, and society. From time to time student groups provide interesting attractions. In all these meetings the spirit of worship is promoted. Attendance at chapel is compulsory and any student who has more than three unexcused chapel absences during any semester will lose credit for his semester's work.

ORIENTATION

The orientation period is a varied phase of college life. During the first week of school students will follow a carefully planned program of orientation and registration. First year students should come to the campus on the day suggested by the college authorities. During orientation week each student is expected to meet the various requirements set forth by the Department of Guidance and take placement or other tests deemed advisable by the other departments of the College.

No student has completed his registration until he has met the requirements outlined in the orientation period schedule.

EDUCATION PROGRAM FOR VETERANS

Gardner-Webb College is approved by the Veterans Administration to offer a course of education to eligible veterans under Public Laws 16, 346, and 550. Veterans planning to attend Gardner-Webb should consult with a representative of the Veterans Administration before the opening date of school, so that proper application and approval may be completed without undue delay. Veterans without any disability should have Certificates of Eligibility and Entitlement when they arrive at Gardner-Webb, for presentation to the Bursar.

PUBLICATIONS

The LOG is the college catalogue. It is the students' legal contract with the college. Prospective students may read it to discover their opportunities in the college; former students, to see what the college is doing; the general public, to evaluate the educational program of the college.

The ANCHOR is the college annual, edited by the students under the supervision of a faculty adviser.

The PORTHOLE is the student handbook and guides the new student in making his adjustment to college life.

The PILOT is the college newspaper, published by the students.

LYCEUM SERIES

Each year a number of outstanding artists, speakers, and entertainers are employed to perform for the students, faculty, and their friends. Drama, music, and lectures constitute most of the programs. In addition to these, a series of excellent performances are provided by the faculty and artists from nearby towns and colleges.

HEALTH

A sound body is such a valuable asset and so requisite to effective study that the college does everything in its power to insure the best possible development of each student and to maintain his general health. A detailed medical examination is given by the college physician to all who are admitted. On the basis of this examination the program of the student is worked out. Ample medical service is provided in the Health Center for minor ailments that do not require extended hospitalization. However, dispensing scientific health knowledge is of primary importance in which case an elaborate provision for dispensation of drugs is not necessary—prevention, not cure, is the aim. The college endeavors to serve varied and well-balanced meals. It is an established fact that proper nutrition is the basis for good health. Films emphasizing this fact are shown from time to time.

ATHLETICS

The Athletic Department of the College offers a well-rounded program for student health and recreation. This includes not only classes in Physical Education and Health, but also intramural sports, such as touch football, volley ball, basketball, tennis, and softball. These games afford the student recreation, and develop permanent interest in sports.

The College sponsors inter-collegiate Football, Basketball, and Baseball. Gardner-Webb is a member of the Southeastern Junior College Conference and the Western Carolinas Junior College Conference.

STUDENT GOVERNMENT ASSOCIATION

By enrolling in Gardner-Webb College, one automatically becomes a member of the Student Government. The purpose of this organization is defined in its constitution: "to afford students an opportunity to learn and observe the rules of community living, to promote responsibility, self-control, and loyalty, to keep all social life on the campus on a high plane and to have it always in harmony with Christian living."

The students' handbook, "Porthole," containing the regulations of the Association, is published annually. New students receive a copy of this publication before school opens, and during orientation week they are given instructions in the "Porthole" by the members of the Student Legislature.

Any serious disciplinary measure involving probation, suspension, or expulsion is first tried by the Judicial Board of the Student Government Association after which it is reviewed by the Executive Committee of the faculty which has the power to approve or veto the student decision or to impose any other penalty.

CLUBS

The Marshal Club is the honor society at Gardner-Webb. Membership in this organization is one of the highest honors attainable by students. Members are chosen by the faculty for their high scholastic standing, character, leadership, and service on the campus, and are inducted at an impressive "tapping" ceremony in chapel. They serve as ushers at public functions and marshals at graduation.

The Mental Hygiene Society is vitally interested in the conservation of mental health in our community, state and nation.

Through study, work, and the acquisition of accurate information, the society seeks to be a source of information and to create a concern in the American public for the prevention of mental and nervous disorders, and for the improved care and treatment of those suffering from mental and nervous disease.

The Monogram Club is the athletic club for men. To qualify for membership a student must pass at least 9 hours of work with a "C" average and earn a letter in football, basketball, or baseball. The purpose of the organization is to foster good fellowship and good sportsmanship among members and to promote better relations with other schools in the Junior College Conference.

The Music Club is composed of students who are taking any phase of applied music, and who are interested in furthering musical interests on the Gardner-Webb campus. Members are expected to participate in program presentations and to show active interest in all musical activities.

The Science Club represents the natural sciences and mathematics. Its aim is to stimulate an intelligent interest in science. Students who intend to major or minor in the natural sciences and who have outstanding scholastic records are eligible for membership. Programs of scientific interest are held at a regular time each month.

Regional Clubs may be organized by students provided there are as many as ten members from a section and they secure a faculty sponsor and the approval of the administration.

No secret societies are allowed among the students, and no organization permitted unless approved by the facutly.

HAZING

Hazing is looked upon as dangerous and cowardly, as well as a violation of law. All initiations must have the approval of, and be conducted under the direction of a faculty sponsor.

FINANCES

Tuition and General Fees	Per Year	Per Pay Period
Boarding Students	$180.00	$45.00

SCHEDULE OF PAYMENT

September 10, 1955	January 21, 1956
November 14, 1955	March 19, 1956

Responsibility for making payment arrangements other than these rests with the student or his parents. These arrangements must be made with the Business Manager at the beginning of each semester.

No student having any unpaid accounts shall receive an official report of grades, a transcript of his credits, or a diploma. Furthermore, he shall not be permitted to enroll for any term until all college accounts of the preceding term are adjusted with the Business Manager.

Room assignments are made by a dormitory committee in order of receipt of deposits. The room reservation will also act as a room breakage fee. At graduation, or upon withdrawal from the dormitory before graduation, this deposit, minus individual or collective deductions, will be refunded.

Students entering college are charged for tuition, fees, and in the case of boarding students, room and cafeteria charges, on a basis of not less than one quarter. If a student withdraws after the close of the semester registration period or later than two weeks after the dates set for interim quarterly payments, the entire charges for that quarter are due. This rule must be observed except in cases where the withdrawal is due to the advice of a physician. In such cases charges will be made on a pro-rata basis, provided the Business Office receives written notice from the physician within one week after the withdrawal occurs.

Gardner-Webb College operates a state rated "A" grade cafeteria for the benefit of the students. Charges are made on a pay period basis. All boarding students are expected to take meals in the cafeteria.

Upon receipt of $5.00, the college will reserve a room for any prospective student, which amount is not refundable after August 1. Room assignments will be made after a student is accepted by the college.

OTHER FEES

Graduation Fee: $6.50.

Transcript Fee: One copy of a student's complete record at Gardner-Webb College is furnished free of charge provided all fees have been arranged for. A charge of $1.00 is made for each additional copy.

Breakage or damage to furniture, rooms or other property is charged to the student doing the damage, or, in the case of dormitory rooms, to the occupants of the room damaged.

Electric Fixtures: The college furnishes necessary light bulbs for dormitory rooms. Students are permitted the use of a radio, but no other electric appliances are permitted in students' rooms. Electric irons may be used at designated places.

THE COLLEGE STORE

The college operates a snack bar, post office, and bookstore for the convenience of the students.

Here the students may get their textbooks and other classroom supplies which must be paid for at the time of purchase. There will be a charge of 50 cents per student for post office boxes each semester.

LOAN FUNDS

W. M. U. Fund For Women

The Woman's Missionary Union of the Kings Mountain Baptist Association has provided a loan fund to be used in $50.00 allotments by worthy young women.

Beaver Dam Baptist Church Fund

The Beaver Dam Baptist Church of the Kings Mountain Association has provided a loan fund to be used in $100.00 allotments by worthy young men and women, with the understanding that the young people of the Beaver Dam Church have first consideration in awarding these funds.

Funds For Needy Students

Some friends of the college have made possible a loan fund available to persons who are in special need of aid in securing an education.

This fund is available without interest for a period of five years.

Joseph Henry Jones Memorial Loan Fund

In memory of Joseph Henry Jones who gave his life in the Battle of the Bulge on December 16, 1944, his mother, Mrs. J. H. Jones, and other friends created a loan fund for worthy students.

Rush Stroup Loan Fund

In 1947 Mrs. Rush Stroup created in memory of her husband a loan fund of $5,000.00. This fund is invested in a special trust fund in the Wachovia Bank and Trust Company of Charlotte and will be used for deserving young people, preferably Cleveland County students and preferably ministerial students.

The Marion Hinson Loan Fund

In 1950 Mr. and Mrs. Claude Hinson of Belmont, North Carolina gave $1,000.00 to establish a student loan fund as a memorial to their son, Marion Hinson.

J. Herbert Bridges Loan Fund

In 1949 J. Herbert Bridges of Charlotte, North Carolina, gave an initial $1,000.00 toward the establishment of a loan fund for worthy and needy students. This fund is now available.

Tom Withrow Foundation Loan Fund

In 1953 A. T. Withrow of Charlotte, North Carolina, established the "Tom Withrow Foundation Fund" for the purpose of aiding needy and worthy students from Rutherford County.

STUDENT HELP

Ministerial Aid

A ministerial student who presents a license to preach, or a missionary student who presents a recommendation for the foreign mission field from his or her home church, will be allowed a ministerial scholarship of $50.00 per year, provided the conditions outlined by the Board of Trustees are accepted by the student. A minister's wife is also entitled to the same, while sons and daughters of ministers actively engaged in preaching will be allowed half of this amount.

Student Work Contracts

Various kinds of work are provided on the campus for students who need to help defray their college expenses through work. These include work in the library, cafeteria, and the bookstore. In accepting work in any of these departments, it is expected that the student maintain a satisfactory scholastic record and prove himself capable of the responsibility required for his work. Work must be approved by a faculty supervisor before the student is paid. Students work by the hour and payments are made by credit to the individual student's account.

To make application or obtain additional information about the student work program, write the Business Manager of the College.

SCHOLARSHIPS

Freshman Scholarships

A limited number of competitive scholarships are available to entering Freshmen.

The college offers to the Freshman making the highest scholastic average at Gardner-Webb a $54.00 scholarship for the sophomore year.

M. G. Martin Memorial Scholarship

In 1927 Mrs. Ellen E. Martin of Mooresboro, North Carolina. gave the school $2,500.00 for the purpose of creating and establishing the M. G. Martin Memorial Scholarship. The interest coming from this scholarship fund is to be used for the education of ministerial students, preferably those related to M. G. or Ellen E. Martin. The amount now available from this fund is $75.00 per year.

Valedictorian, Salutatorian

The college offers a $56.00 scholarship to every high school valedictorian and a $28.00 scholarship to every salutatorian. In the event that the high school recognizes the best citizen from the graduating class, that student is also offered a $56.00 scholarship. The college will award these scholarships upon the statement of the high school principal that the student is eligible. However, no student will be eligible for more than one of the three.

GENERAL ACADEMIC INFORMATION

In order to be admitted to the College, a student must first make application. A blank for this purpose will be furnished upon request to the Registrar. All applicants for admission should be in good health. Each applicant will be given a thorough physical examination by the College Physician as a part of the registration procedure.

A transcript blank will be furnished to each student whose application is accepted. This blank is to be filled in by the high school Principal or Superintendent and sent to the Registrar. This record must be approved by the Dean before a student can be accepted as a regular college student.

The following distribution of units will meet almost any situation:

English	4 units
Language	2 units
Social Science	2 units
Algebra	1½ units
Plane Geometry	1 unit
Natural Science	1 unit
Electives	4 units

Gardner-Webb College does not prescribe any fixed subject pattern for admission but evaluates the student's record in light of his chosen course of study. The quality of work and the distribution of units must indicate sufficient preparation for the chosen course of study. If he is found deficient in any subject, or if he does not meet the entrance requirements of the school to which he plans to transfer, he may remove the deficiency in the following way:

1. *Foreign Language.* An applicant who takes a course which includes foreign language should offer two units in that language for admission. If he offers less than two units, he may begin language in college.

2. *Mathematics.* An applicant who elects Mathematics 101 should offer one and one-half units in algebra and he must either offer one unit in plane geometry or take it without college credit. Plane geometry may be taken along with Mathematics 101 but must be completed before a student is admitted to Mathematics 102.

METHODS OF ADMISSION

Students will be considered for admission as follows:

1. *Regular.*

   a. Those who have been graduated from an accerdited high school with a minimum of fifteen units.

   b. Those who have been graduated from a non-accredited high school with a minimum of fifteen units and passed a special examination.

   c. Veterans who have the equivalent of graduation on the basis of G. E. D. Test.

2. *Special.*

   a. Adults who can show by examination ability equivalent to that of a high school graduate. The records of these students are filed separately. Credits are not transferred except upon request of an institution.

   b. Special students of mature years are admitted to classes by special permission of the Dean regardless of previous training. These students do not receive college credit.

The College reserves the right to reject any application without giving a reason.

ADMISSION TO ADVANCED STANDING

A student may be admitted from another college provided he presents an official transcript of his work which shows in addition to the college record a detailed distribution of units offered for college entrance and the name of the high school from which these entrance units were received.

In general any work on which a student has earned a passing grade will be accepted provided it fits into the curriculum pursued at Gardner-Webb.

Regardless of the amount or quality of work done at the other institution, the student must average "C" on all work at Gardner-Webb in order to be eligible for graduation.

REGISTRATION

Certain days at the beginning of each semester or summer term are set aside for registration. Students who register after the designated time will be charged a fee of $1.00 for late registration. No student will be permitted to register after two weeks from the beginning of classes in any semester.

During the registration period a student observes the following procedure: (1) secures from the Registrar's office permission to register and receive necessary information and blanks; (2) arranges his schedule of classes with the help of a faculty adviser; (3) has his course of study and schedule of classes approved by the Registrar; (4) makes payment of fees to the Bursar.

A student will not receive credit for any course for which he has not registered.

By approval of the Dean, a course may be added within two weeks or dropped within six weeks from the beginning of the semester.

A fee of $1.00 will be charged for any change in schedule after the close of the registration period.

Unless granted special permission, no student passing less than nine hours during a semester will be permitted to register for the following term.

CLASSIFICATION

Students are classified at the beginning of each semester or summer term.

Those who register for as many as twelve semester hours which will count toward graduation, are freshmen.

Those who register for at least twelve hours, and have already earned thirty semester hours credit, are sophomores.

Those who are not included in either of the above groups are special students.

CLASS ATTENDANCE

Each student is expected to attend all the scheduled classes regularly.

In order to provide for emergencies and illness one absence without excuse is allowed for each semester hour in the course during the semester.

Additional absences caused by prolonged illness will be handled by the absence committee. (This committee to be composed of the Dean of Instruction, the Registrar, and one other member of the Curriculum Committee to be elected by the Curriculum Committee.)

No student may receive credit for a course without having attended at least seventy-five percent of the scheduled classes. (Classes missed before the student enters must be counted.)

Absences on the last day preceding a holiday and the first day following a holiday will count double.

Three unexcused tardies will count as one absence. Tardy excuses may be submitted to the teacher of the course in which the tardy occurred.

CHAPEL ATTENDANCE

Chapel attendance is required.

Chapel absences will be treated the same as those in a three-hour course in that a student may have three absences before having to appear before the absence committee of the Curriculum Committee. If the committee does not find valid reason for excusing the fourth chapel absence or any succeeding absences thereafter the student will lose credit for all his work for the particular semester in which the excessive absences occur.

GRADING SYSTEM

Southern Association Standards

A—Excellent (95-100) 3 quality points for each semester hour.

B—Above average (88-94) 2 quality points for each semester hour.

C—Average (78-87) 1 quality point for each semester hour.

D—Below average (70-77) no quality points.

F—Failure (below 70) no quality points.

S—Satisfactory; one quality point for each subject involved (All one-hour non-academic courses, including band, choir, glee club, and physical education shall be graded with an "S" or "U".)

U—Unsatisfactory; no quality points.

I—Incomplete. An "I" indicates that the student has not turned in assigned written work, or that he has not yet taken a test or examination, although he has a valid excuse. An "I" automatically becomes an "F" unless removed during the following semester.

Any subject dropped after six weeks is recorded as an "F". Any subject dropped without the permission of the Dean is also recorded as "F".

Repeating courses—A course may be repeated in order to raise the grade only if the previous grade made was a "D." In such a case, the last grade made is the one that counts.

EXAMINATIONS AND REPORTS

Written examinations are required in every course at the end of each semester. Students who do not take these examinations at the scheduled time will receive a failing grade in that subject unless excused by the Dean. If the student is excused, his grade will be recorded as "Incomplete."

If a student is absent from a test which has been previously scheduled, he is given a grade of zero on that test and is not allowed a second test unless given an excused absence by the Dean. In this case the student pays to the Bursar a special fee of $1.00 for a test, or $3.00 for a final examination.

Reports of the student's progress are made at the end of each six weeks, indicating the grade of scholarship and attendance at class and chapel. Summaries of these reports are sent to the parent, the student, and to the office of the Director of Guidance. Only the final semester grade is recorded on the student's permanent record.

STUDENT LOAD

The normal load for a regular student is 17 hours; however, with permission of the curriculum committee a student may take 19 hours as the maximum. Unless he secures special permission of the Dean, every regular student is required to register for at least fifteen hours. No student may drop below twelve hours during a semester.

POINT SYSTEM

In order to protect students from too heavy a load and to afford more individuals an opportunity for experience and leadership in organized groups, a point system has been inaugurated to cover all the extra-curricular activities, including membership and office-holding in athletic, literary, and religious organizations. A full explanation of the point system is given in the student handbook. THE PORTHOLE. A serious and systematic effort is made to guide students into the vocations in which they are most likely to succeed.

WITHDRAWAL

If a student withdraws from school, he should notify the Bursar and the Registrar; otherwise he is not entitled to an honorable dismissal.

Students who have been requested to withdraw are not permitted to register again during the current year.

AWARDS

In memory of the late Professor J. D. Huggins, Mr. L. R. Harrill, State Director of 4-H Clubs, offers a citizenship medal to the senior boy making the best record in scholarship and general interest in college activities.

In memory of the late Miss Ella L. Curtis, The Reverend A. C. Hughes and Mrs. Hughes offer a citizenship medal to the senior making the best record in scholarship and general interest in college activities.

The Reverend John W. Suttle and Mrs. Suttle offer a medal to the student making the best record in Bible courses and having the best grasp of Bible teachings.

The winners of these three awards are selected by the faculty.

SUMMER SCHOOL

Gardner-Webb operates a summer school for the advantage of (1) those who wish to shorten the time required for their education, (2) those who wish to enrich their education by taking more than the minimum requirements, and (3) those who wish to take courses that they need to meet graduation requirements.

Complete information both as to courses offered and expenses may be obtained by writing to the Director of Summer School, Gardner-Webb College, Boiling Springs, North Carolina.

NUMBERING SYSTEM

Freshman topics are designated by numbers 100-199; sophomore topics, 200-299. First semester topics are designated by odd numbers; second semester, even numbers.

REQUIREMENTS FOR GRADUATION

General Requirements

A diploma will be awarded to any student who (1) completes one of the following outlined courses, (2) earns sixty-eight quality points, (3) exemplifies good moral character, (4) speaks and writes good English, (5) completes the sophomore year's study in Gardner-Webb.

Academic Requirements

I. LIBERAL ARTS

In order for the Liberal Arts student to have a well-rounded program of studies, he is required to have a minimum of 12 hours in the English Department, including English 101-102 and English 201-202; 5 hours in the Fine Arts Department; 6 or 12 hours in the Language Department, depending on whether the student offers for admission two units in the same language; 11 or 9 hours in the Natural Science and Mathematics Department, including Biology 101-102, or Chemistry 101-102, or Mathematics 101-102; 6 hours in the Physical Education and Health Department; 6 hours in the Social Science Department, including History 101-102; and additional electives to total 68 hours.

NOTE: In general those students whose choice of occupation is not covered by any of the following schedules will follow the liberal arts program above.

I. ENGLISH

MR. DEDMOND MR. HAMRICK MISS COPELAND

MR. ROBERTS DR. ELLIOTT

A. ENGLISH COMPOSITION

101-102. *Grammar and Composition.*

This course provides for a thorough review of grammar and the mechanics of composition. There is frequent and extensive practice in theme writing, both formal and informal. The details of grammar are thoroughly covered by means of practice sheets and work books. Guidance is given in the selection of literary works which serve as models for the student's own compositions. Required of all freshmen. Three classes a week, both semesters.

Six semester hours credit.

B. LITERATURE

201-202. *English Literature.*

A survey course in the history and development of English literature from *Beowulf* to the present. The literature is studied as an instrument of the expression of the ideas and emotions of the great English writers; the contents as knowledge; both form and content as the record of the spirit in its quest for a vivid, creative expression of its joys, sorrows, struggles, and aspirations. In addition, literature is considered on a whole as an adventure into the realm of imaginative living. The overall purpose of the course is to help the student develop a keen, yet critical, enjoyment and appreciation of the literature of the English people and to acquaint him with the best that has been thought and written in English literature with the view of offering some aid to the student in working out his own philosophy of life. Three classes a week, both semesters.

Six semester hours credit.

205-206. *Journalism.*

Fundamentals of news and feature writing, including some editorial and advertising basic treatment. This topic treats newspaper make-up and story composition, dealing with current news of the community and beyond with a view to developing practical all-round news writing ability. Practical training in newspaper work augmented by studies of plants, photography, studios, news editorial department operations. Two classes a week, both semesters.

Four semester hours credit

211-212. *English Literature*

An elective course concerning itself with intensive study of one or more representative men in the field of English literature. The course will center itself alternately around such men as Shakespeare, Spenser, and Milton.

Two classes a week, both semesters.

Four semester hours credit.

II. FINE ARTS

Mrs. Gidney

A. MUSIC

1. ORGAN

21-22. *Preparatory Organ.*

Students of varying degrees of advancement are admitted to this course. No previous training is necessary.

101-102. *Freshman Organ.*

Those who expect credit should be able to play upon entrance.

Six semester hours college credit.

201-202. *Sophomore Organ.*

Continuation of previous year's work.

Six semester hours college credit.

2. PIANO

21-22. *Preparatory Piano*

Students of varying degrees of advancement are admitted to this topic. No previous training is necessary. Emphasis is placed on accurate fingering, correct hand position, rhythm, tone production and accuracy; major and minor scales in comfortable tempo, triads, arpeggios and crossings. Books used include those by Williams and Thompson, and Kohler Op. 157, Streabogg Op. 63, Bach Minuets, Chorales, and suitable compositions from the classic and modern composers. Three hours practice a week, both semesters.

101-102. *Freshman Piano.*

Those who expect four hours credit should be able to play upon entrance the equivalent of a Bach Prelude; one of the exercises in Duvernoy Op. 120, and in Burgmuller Op. 100, together with a composition by Beethoven or Mozart and by one of the modern composers.

Those majoring in piano should be able to play creditably upon entering the equivalent of a Bach Two-Part Invention, a movement from a Haydn or Mozart Sonata, together with a representative composition from the romantic and modern school.

All major and minor scales, tonic, dominant seventh and diminished seventh arpeggios, chords, and octaves at a comfortable tempo, Czerny-Liebling Volume II, Bach Two-Part Inventions, Sonatas by Mozart, Haydn, and Beethoven. Composition from the classic, romantic, and modern schools. Nine hours practice a week, both semesters.

Six semester hours credit.

103-104. *Freshman Piano.*

Same as 101-102, except six hours practice, both semesters.

Four semester hours credit.

105-106. *Freshman Piano.*

Same as 101-102 except three hours practice, both semesters.

Two semester hours credit.

201-202. *Sophomore Piano.*

Technical material as outlined above but at a more rapid tempo. Czerny-Liebling Volume III, Heller-Phillip Volume I and II, and more difficult Sonatas by Beethoven, Three-Part Inventions. Compositions from the classic, romantic and modern schools.

Various opportunities are given the student to appear in recitals both on the campus and in neighboring cities. Nine hours practice a week, both semesters.

203-204. *Sophomore Piano.*

Same as 201-202, except six hours practice a week, both semesters.

Four semester hours credit.

205-206. *Sophomore Piano.*

Same as 201-202, except three hours practice a week, both semesters.

Two semester hours credit.

3. VOICE

101-102. *Freshman Voice.*

Fundamentals of good singing through use of the bel canto method; position and poise of the body; correct use and control of the diaphragm; development of freedom and flexibility of voice, good tone quality, distinct enunciation. Study of simple English, Italian, and French songs. One thirty-minute lesson a week and half an hour of practice a day, both semesters.

Two semester hours credit.

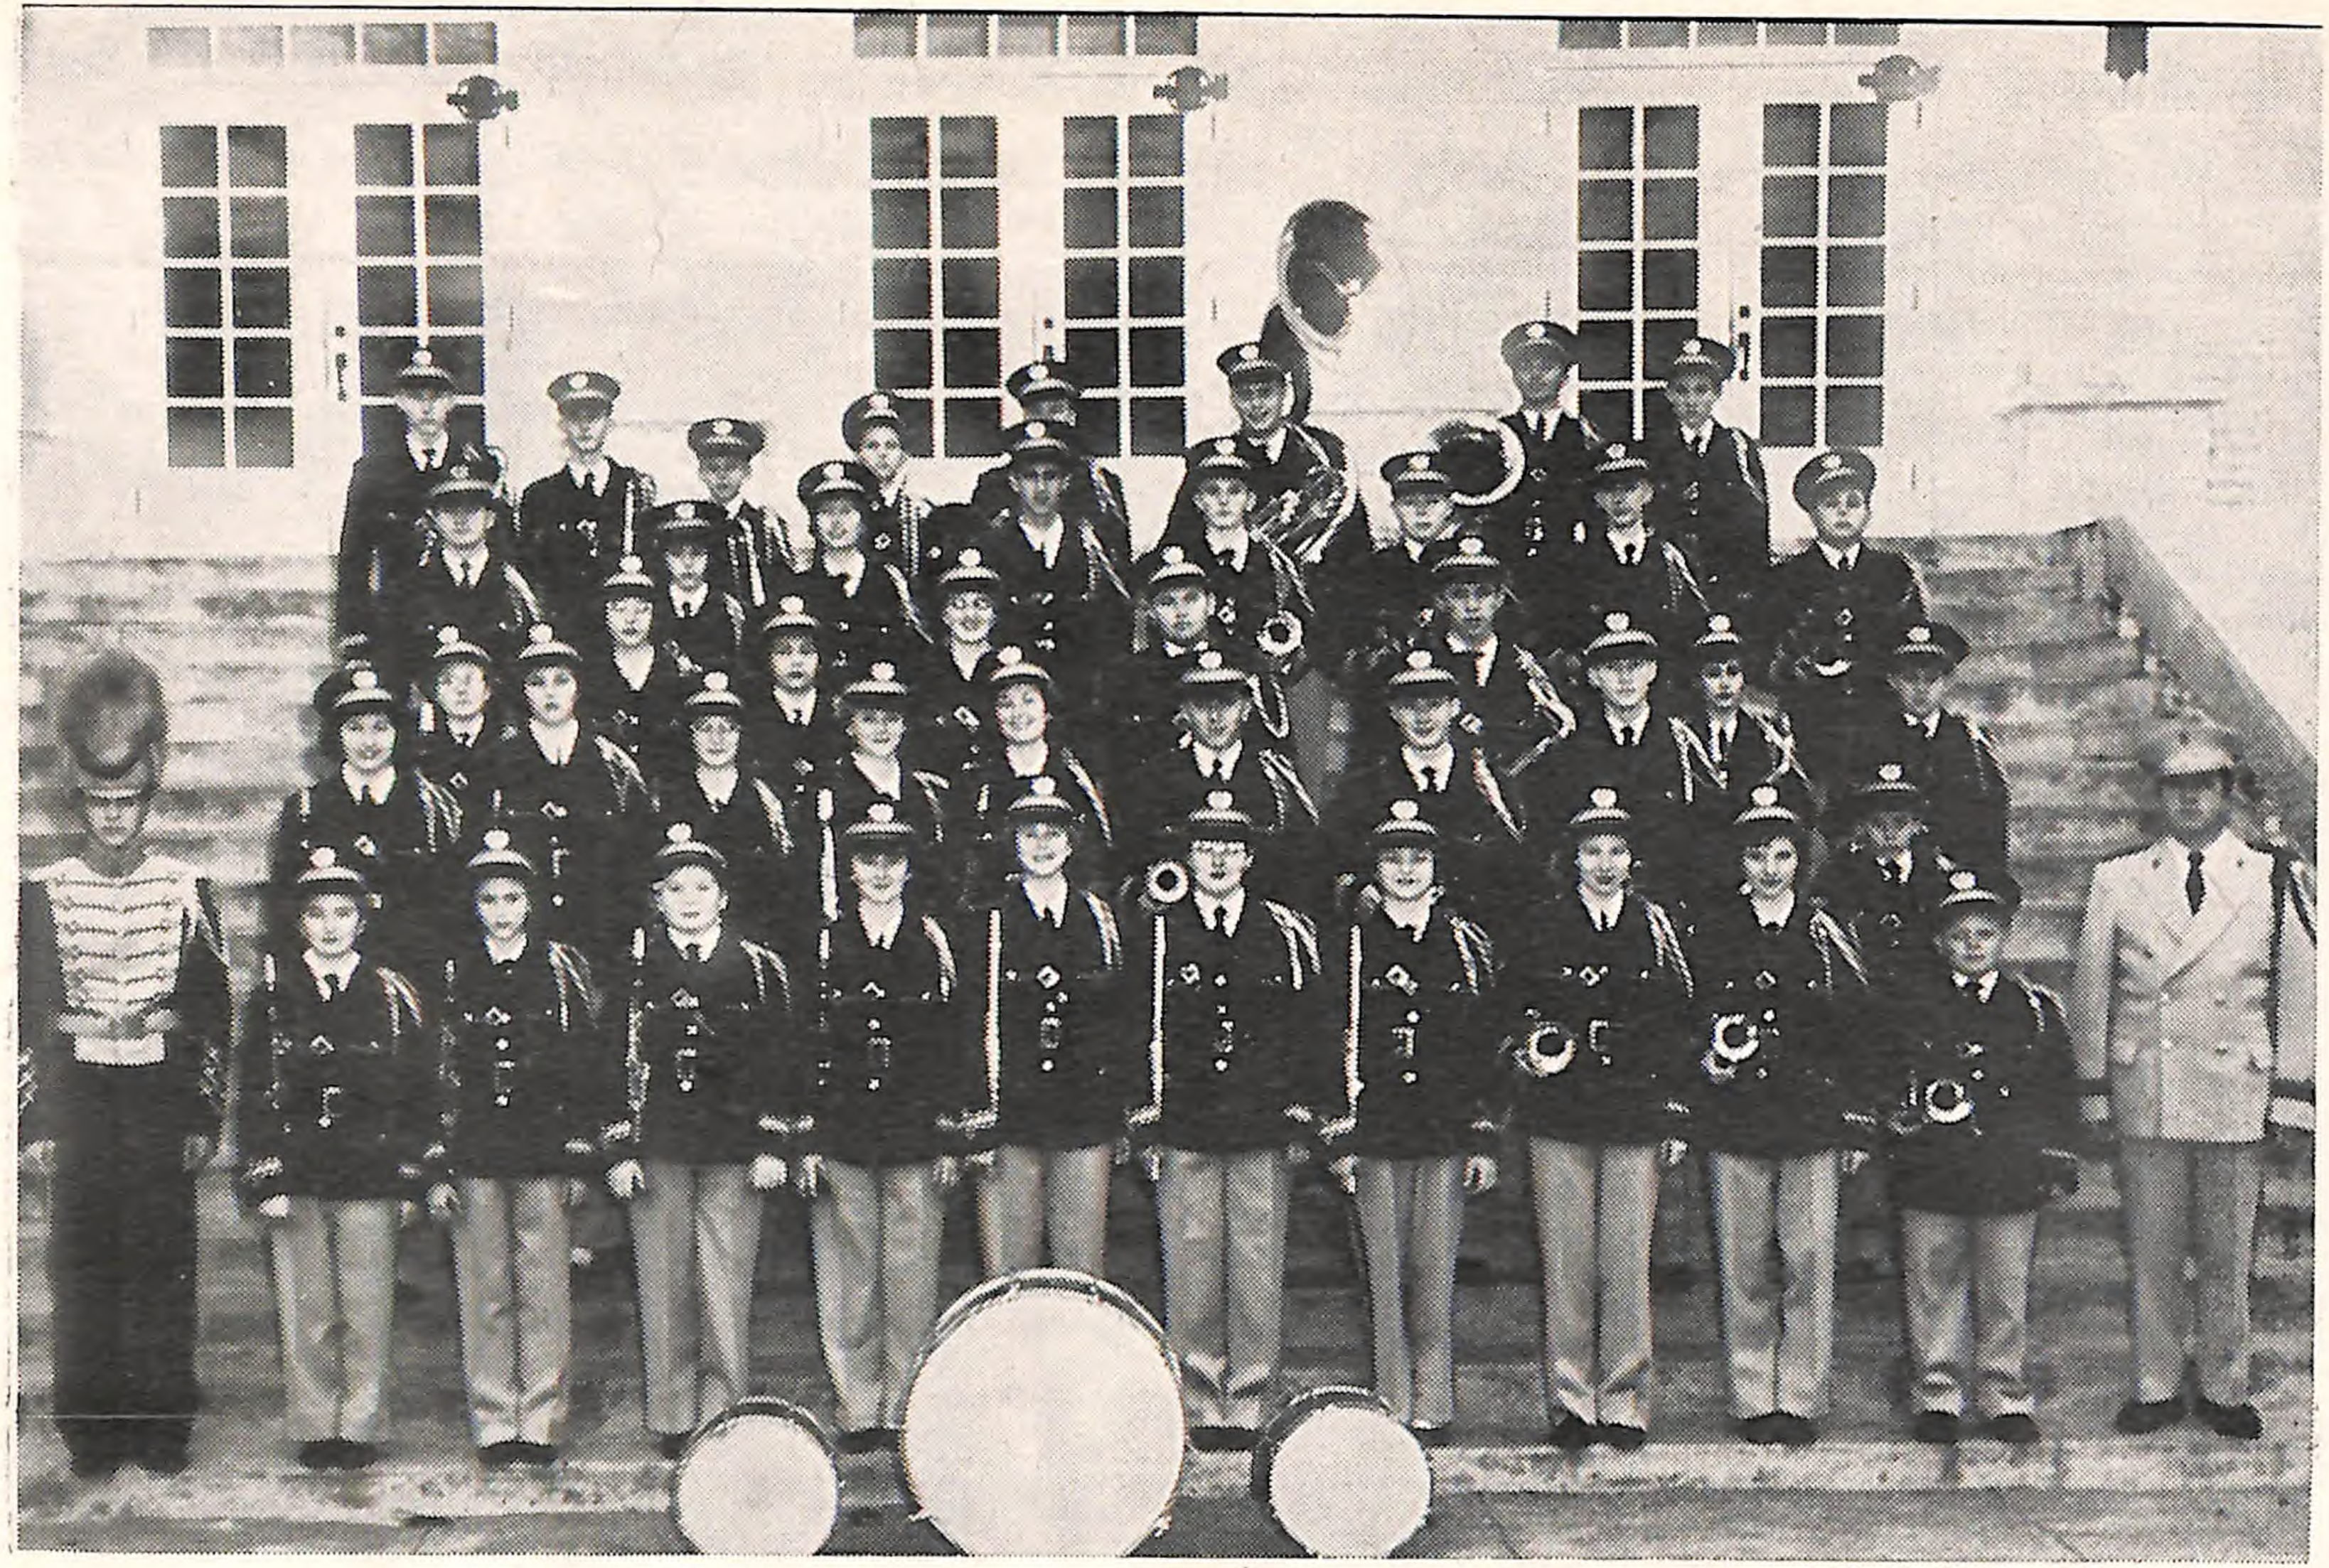
103-104. *Freshman Voice.*

Same as 101-102, except two thirty-minute lessons a week and an hour of practice a day, both semesters.

Four semester hours credit.

Scene at Student-Faculty Reception

President Elliott Presents Trophy to Field Day Winner



The Boiling Springs Band

201-202. *Sophomore Voice.*

Technical work of first year continued on more advanced basis. Further development of range and power. More difficult songs including arias from the standard operas. One thirty-minute lesson a week and half an hour of practice a day, both semesters.

Two semester hours credit.

203-204. *Sophomore Voice.*

Same as 201-202, except two thirty-minute lessons a week and an hour of practice a day, both semesters.

Four semester hours credit.

4. THEORY

101-102. *Music Appreciation.*

This topic is primarily for music majors. Recordings of compositions are played and biographical and explanatory materials are studied. Longer symphonic works are approached from the themic standpoint. This course will be offered if the enrollment is sufficient. One class a week.

Two semester hours credit.

103-104. *Sight-Singing and Ear-Training.*

This topic is given to music students who have sufficient foundation to understand the work. Solfeggio includes fundamentals of music, notation, construction of scales and building chords, together with emphasis on accuracy and pitch, dictation, ear-training and singing. Three classes a week.

(This course will be offered if the enrollment is sufficient.)

Four semester hours credit.

201-202. *Harmony.*

This topic gives intensive review of major and minor scales, intervals, triads in all positions, harmonization of melodies and basses and cadences. Three classes a week.

Six semester hours credit.

5. BAND, CHOIR, AND GLEE CLUB

101-102. *Band.*

Band try-outs will be held at the beginning of each year. Students who desire to take band should have played in a band for at least one year. Rehearsals will be held three hours each week throughout the year.

Twe semester hours credit.

105-106. *Choir.*

The College Choir is composed of 40 voices chosen at the beginning of the year by the Director. Rehearsals are held three hours each week throughout the year. The works memorized include the compositions of modern and ancient composers. In the second semester the Choir prepares a concert program which is presented at various churches in the vicinity of the College.

Two semester hours credit.

107-108. *Glee Club.*

The Glee Club is a mixed chorus of thirty-five voices chosen by auditions held at the beginning of the year. Rehearsals are held twice a week. Material studied includes secular selections for men's chorus, women's chorus, and mixed chorus.

Two semester hours credit.

B. SPEECH AND DRAMATICS

1. SPEECH

101. *Fundamentals.*

A study of the mechanics of speech with special emphasis given to defective speech habits and suggestions for their correction. This course includes oral reading, short speeches, and recordings for purposes of correction and instruction.

Three classes a week, first semester.

Three semester hours credit.

102. *Public Speaking.*

A study in the art of preparation and presentation of public discussions. Special attention is given to developing the student's speaking personality. This course includes platform and radio speaking. Prerequisite: Speech 101.

Three classes a week, second semester.

Three semester hours credit.

2. DRAMATICS

101-102. *Play Production.*

Theory and laboratory work in directing, acting, scene-designing, costuming, lighting, make-up and stage settings are emphasized. Beginning with the one-act play and progressing to the more complicated three-act play, drama of literary merit is studied and produced. This course is designed to meet the needs of the amateur producer as well as to develop the individual's latent dramatic talents. Minimum of thirty-four classes and sixty-eight hours of laboratory.

Four semester hours credit.

III. LANGUAGE

MRS. POLLOCK MR. MORRISETT MISS KEETER DR. HOLLAND

A. CLASSICAL

1. LATIN

101-102. *Beginning Latin.*

This includes mastery of declensions and conjugations and a careful study of syntax. All basic constructions are learned, so that any simple Latin text may be read. Derivations of English words and an understanding of Roman background are stressed. Three classes a week, both semesters.

Six semester hours credit.

201-202. *Advanced Latin.*

Prerequisite, Latin 101-102 or its equivalent. A continuation of the study of Latin grammar with more difficult translation. History, political and military life, and customs of the Romans are studied further and additional English vocabulary gained through derivatives. Three classes a week, both semesters.

Six semester hours credit.

2. GREEK

101-102. *Beginning Greek.*

A thorough study of the Koine Greek of the New Testament. Emphasis upon grammatical forms, translations into English and Greek, simple syntax. During the second semester selected portions of the Greek New Testament are read and exegeted. Text: *A Beginner's Grammar of the Greek New Testament* by Hersey Davis. Three classes a week, both semesters.

201-202. *Advanced Greek.*

A comprehensive and detailed review of grammar with emphasis upon the syntax of the noun and verb. Reading and exegesis of selected portions of the Greek New Testament. Text: Dana and Mantey, *A Manual Grammar of the Greek New Testament.* Three classes a week, both semesters.

Two semester hours credit.

B. MODERN

1. FRENCH

101-102. *Elementary French.*

This is planned for those who have no knowledge of the language or who have not completed two units of high school French or its equivalent. It presents the simpler grammatical construction, introduces a practical vocabulary, and informs the student concerning French life, customs, and manners. This is done by means of reading, translation, dictation, and conversation. Three classes a week, both semesters.

When followed by 103-104, six semester hours credit.

103-104. *Intermediate French.*

Prerequisite, French 101-102 or two units of high school French or its equivalent. This is a continuation of the work begun in French 101-102. It consists of a thorough review of grammar and composition, a study of French civilization, and the reading of selections from such authors as Alphonse Daudet and Anatole France. Conversation based on reading and on current events adds interest to the class activities. Three classes a week, both semesters.

Six semester hours credit.

201-202. *French Literature.*

Prerequisite, French 103-104 or its equivalent. This is a survey course covering the literature of France from the Old French period through the first thirty years of the present century. The causes and development of the various literary movements are stressed. Particular attention is given to the literature of the Renaissance and to French Classicism, Romanticism, and Realism. Three classes a week, both semesters.

Six semester hours credit.

2. SPANISH

101-102. *Elementary Spanish.*

This course is planned for those who have little or no knowledge of the language and people of Spain and Hispanic America. It presents the fundamentals of grammar and composition, a basic vocabulary, and the most used idioms. It attempts to make possible the practical use of the language by reading, dictation, and conversation. Phonograph records are used for ear training. Three classes a week, both semesters.

When followed by 103-104, six semester hours credit.

103-104. *Intermediate Spanish.*

Prerequisite, Spanish 101-102 or two units of high school Spanish. This course, a continuation of Spanish 101-102, is planned to review grammar and composition, to enlarge vocabulary, to encourage the use of current idiomatic construction, to develop more accurate aural perception, and to stimulate an interest in, and understanding of the literature and lives of the Spanish speaking people. Some of the texts used present the history of South America from the era of exploration and

colonization through the securing of independence from Spain by the colonists. Other texts present the social, political, and economic problems of the modern nations. Phonograph records made by native speakers add interest to the class work and help to develop aural perception. Three classes a week, both semesters.

Six semester hours credit.

201-202. *General Survey of the Literary and Cultural Heritage of Spain.*

Prerequisite, Spanish 103-104 or its equivalent. This course merely touches upon current problems of Spain. Emphasis is upon the economic, political, social, and cultural development of the nation and their influence on the literature.

Three classes a week, both semesters.

Six semester hours credit.

IV. NATURAL SCIENCE And MATHEMATICS

MR. DIXON
DR. DYER

MR. STACY
MR. MOSELEY

A. NATURAL SCIENCES

1. BIOLOGY

101-102. *General Biology.*

A general introductory course in Biology designed to acquaint the student with basic characteristics of living matter, including a survey of the plant and animal kingdoms. Metabolism, growth, reproduction, heredity, and other biological concepts are studied. Two classes and two two-hour laboratory periods a week, both semesters.

Eight semester hours credit.

2. CHEMISTRY

101-102. *General Inorganic Chemistry.*

An introduction to the subject of Inorganic Chemistry, which embraces the preparation, properties, and uses of the principal elements, metallic and non-metallic and their compounds with special emphasis on writing and balancing equations. Two classes and two two-hour laboratory periods a week, both semesters.

Eight semester hours credit.

B. MATHEMATICS

27. *Plane Geometry.*

The geometrical concepts are fully developed and the basis of congruence is thoroughly taught. From that point on the course moves rapidly with a wide application of geometric facts to many, varied problems. Stress is given to mensuration, congruence, and similarity. The purpose of this topic is to teach students processes of analytical thinking and of critical evaluation of data. Three classes a week, one semester. No college credit.

101. *College Algebra.*

This is basic functional mathematics for all types of college students (business, actuarial, and others.) Content: fundamentals, special products and factoring, fractions, linear equations, exponents and radicals, quadratic equations, systems and quadratics, ratio, proportion, variation, the binominal theorem, progressions, theory of equations. Three classes a week, first semester.

Three semester hours credit.

102. *Plane Trigonometry.*

Functions of acute angles and logarithms are given substantial application. Then the functions of the general angle are developed with attention to the associated theory. Emphasis is given to the practical side of trigonometry: extraction of roots; logarithmic calculations; construction of vectors; and calculations of areas, distances, and directions. The content includes identities, oblique triangles, composite angle, mil, radian, and inverse functions. Three classes a week, second semester.

Three semester hours credit.

106. *Solid Geometry.*

Prerequisite, Plane Geometry. Spatial concepts are thoroughly developed. Mensuration is stressed. Attention is called to formulas that will be useful in physics, engineering, and advanced mathematics. Two classes a week, second semester.

Two semester hours credit.

104. *Mathematics of Finance.*

This course deals with simple and compound interest laws, annuities, sinking funds and amortization, depreciation, bond evaluation, insurance, and other applications. Three classes a week, second semester.

Three semester hours credit.

MATHEMATICS FOR ENGINEERS:

Students who plan to study engineering are required to take Mathematics 111, 112, and 113. These courses are recommended for those who plan to major in mathematics.

111. *Algebra for Engineers.*

The first part of this course is the same as Mathematics 101. The last part is devoted to a more complete study of mathematical induction, inequalities, theory of equations, and partial fractions.

Six days a week, first twelve weeks.

Four semester hours credit.

112. *Trigonometry for Engineers.*

The first part of this course is the same as Mathematics 102. During the last few weeks consideration is given to inverse functions, complex numbers, and the solution of spherical triangles.

Six days a week, second twelve weeks.

Four semester hours credit.

113. *Analytic Geometry.*

A study of the relations between curves and their equations. Loci of equations, straight line, circle, parabola, ellipse, hyperbola, general second degree equation, polar co-ordinates, transformation, parametric equations and transcendental functions.

Six days a week during the last twelve weeks.

Four semester hours credit.

201-202. *Differential and Integral Calculus.*

A course in the fundamental principles of the calculus including the formulas for differentiation of algebraic and transcendental functions with application to geometry and to problems in rate, maxima and minima, curve tracing, curvature, areas, volumes, work, pressure velocity and acceleration.

Integration of algebraic and transcendental functions, definite integral, with applications to problems in area, volumes, lengths of arcs, surfaces, centroids, pressure, force, work. Indeterminate forms, methods of integration, and series.

Four classes a week, both semesters.

Eight semester hours credit.

C. PSYCHOLOGY

201. *General Psychology.*

A study of the basic facts and principles of psychology. This course is designed to acquaint the student with the scientific aspect of psychology and provide a basis for further study. Open only to students of sophomore standing. Three classes a week, first semester.

Three semester hours credit.

202. *Mental Hygiene.*

Prerequisite, Psychology 201. A practical study of behavior with the view of helping oneself and others to make wholesome adjustments in life. This course will also lead the student in a study of mental and emotional conflicts and maladjustments and efforts to avoid or cure them.

Three classes a week, second semester.

Three semester hours credit.

V. PHYSICAL EDUCATION And HEALTH

MISS MORGAN — MR. HARRIS

PHYSICAL EDUCATION

Each student is required to register for Physical Education each semester. In unusual cases he may be excused by the Dean. While participating in a major sport, a student is not required to attend regular classes. (Students admitted to these courses are expected to wear regulation uniforms which may be purchased from the College Book Store.)

Courses For Men

101. *Physical Education.*

Freshmen men. Consists of calisthenics, running, combative, rope jumping, rules and techinques of team sports. Two classes a week. first semester.

One semester hour credit.

102. *Physical Education.*

Freshmen men. Drill, basketball, volleyball, tumble, track and field work, badminton, and archery. Two classes a week, second semester.

One semester hour credit.

103. *Physical Education.*

Sophomore men. Same content as Physical Education 101 with emphasis on actual participation in team sports. Two classes a week, first semester.

One semester hour credit.

104. *Physical Education.*

Sophomore men. Adult sports for recreation: volleyball, tennis, croquet, ping pong, badminton, shuffleboard, horseshoes, and archery. Two classes a week, second semester.

One semester hour credit.

105-106. *Physical Education.*

Adaptive physical education for the handicapped. Corrective exercises, adaptive games. This course is designed to fill the individual needs of students who require special attention. Two classes a week, both semesters.

Two semester hours credit.

Courses For Women

101-102. *Physical Education.*

Freshmen women. Beginners' archery, volleyball, basketball, stunts and tumbling, tennis, folk dancing, and calisthenics. Two classes a week, both semesters.

Two semester hours credit.

103-104. *Physical Education.*

Prerequisite, senior standing. Advanced volleyball, basketball, stunts and tumbling, folk dancing, tennis, and recreational sports. Two classes a week, both semesters.

Two semester hours credit.

105-106. *Physical Education.*

Adaptive physical education for those students who are not able to take regular class work. Corrective exercises, modified games for special cases. Two classes a week, both semesters.

Two semester hours credit.

HEALTH

101. *Health.*

Hygiene. The text book used, PERSONAL AND COMMUNITY HYGIENE APPLIED. Elementary physiology and anatomy are taught as far as they are related to the desired objectives in personal health and community hygiene.

Two classes a week, one semester.

Two semester hours credit.

VI. RELIGION

MR. MORRISETT
DR. DYER

MR. LAMM
MR. ALLEN

A. BIBLE

1. OLD TESTAMENT

101. *Old Testament Survey.*

Major emphasis is placed on the Historical Books of the Old Testament, the Prophets and Psalms being studied within the periods where they occur. The progress of God's redemptive plan is set forth through the great characters and events. Assigned memory work and parallel reading. Three classes a week, first semester.

Three semester hours credit.

103. *Genesis.*

A course designed especially for ministerial and missionary students who desire to do more detailed exegetical work than is possible in Bible 101-102. Lecturers, class discussions, papers. Three classes a week, first semester.

Three semester hours credit.

201. *The Poetry of the Old Testament.*

Lecturers on the form of Hebrew poetry, followed by a careful study of representative passages from the Psalms, Proverbs and Job. Papers, readings, and discussions. Three classes a week, first semester. Not offered in 1953-54.

Three semester hours credit.

203. *The Minor Prophets.*

A survey of the messages of the shorter books of prophecy with emphasis upon the spiritual interpretation. Lecturers, readings, discussions, papers. Three classes a week, first semester.

Three semester hours credit.

2. NEW TESTAMENT

102. *New Testament Survey.*

The life and teachings of Jesus are studied in chronological order with the use of maps. A study also is made of the spread of Christianity under the leadership of the Apostle Paul, using the Acts as a basis of study. Representative Epistles are read and discussed. Assigned memory work and parallel reading. Three classes a week, second semester.

Three semester hours credit.

104. *Matthew.*

A detailed analysis and exegesis of the book, preceded by a rapid survey of the character and purpose of each of the Gospels. Lectures, assigned readings, discussions, papers. Three classes a week, second semester.

Three semester hours credit.

202. *The Letters of Paul.*

A careful study of several of the shorter epistles with application of Paul's teachings to Christian experience. Lectures, class discussions, assigned readings, papers. Three classes a week, second semester. Not offered in 1953-54.

Three semester hours credit.

204. *The Epistle to the Hebrews.*

Exegesis of the book, formation of an outline study, papers, lectures, discussions. Three classes a week, second semester.

Three semester hours credit.

3. RELIGIOUS EDUCATION

101. *Church Administration.*

A survey of the work of the church including over-all pastoral leadership and lay leadership in Sunday School, Training Union, and other activities of the local church, and the relationship of the local church to other churches: doctrines, ordinances, officers, and government. Consideration is directed to the church covenant, constitution, by-laws, committees, employed help, budget, and publicity. Two classes a week, first semester.

Two semester hours credit.

102. *Studies in Religious Education.*

A careful study of the aims, methods, agencies, and curriculum activities of the school, the training program, and specialized services of the church: religious drama, visual aids, worship, stewardship, missions. Two classes a week, second semester.

Two semester hours credit.

201. *The Church and Its Organizations — The Sunday School and Brotherhood.*

A survey of the department and class Sunday school as to purpose, methods, grading, reaching the constituency, securing and training workers, obtaining and using space, and dealing with problems.

A study of Brotherhood movement as to origin, methods, aims, and program of work in the local church. Two classes a week, first semester.

Two semester hours credit.

202. *The Church and Its Organizations — The Training Union and W. M. U.*

A survey of Training Union as to purpose, methods, grading, organizational set-up in unit and departmental organizations. A study of the value of a training program in the church.

A careful study of W. M. U. methods and the program of work set forth in missionary education of the members of the local church. Two classes a week, second semester.

Two semester hours credit.

VII. SOCIAL SCIENCE

MR. TROUTMAN DR. ELLIOTT

MR. TERRELL

A. HISTORY

101-102. *Western Civilization.*

A historical survey of the cultures of the Western World. Ancient Civilizations of Egypt, Mesopotamia, Palestine-Syria, Persia, and Crete are briefly considered in order to provide a background for the study of classical Greco-Roman civilization and contemporary Western civilization. Great ideas are given equal place with great events in this introductory study of the forces which have shaped the modern world. Three classes a week, both semesters.

Six semester hours credit.

201-202. *American History.*

Prerequisite, Sophomore standing. A survey of the principal forces and movements which have formed the United States of today. Three classes a week, both semesters.

Six semester hours credit.

B. GOVERNMENT

201. *Government in a Democracy.*

A critical evaluation of the essential features of democratic government. Special attention is given to the theory and practice of democracy in the United States; but the democracies of Canada and Great Britain are considered for comparative purposes. Three classes a week, one semester. Not offered in 1954-55.

Three semester hours credit.

203. *Economics.*

This course deals with fundamental laws and principles of Economics with some consideration of current policies and problems.

Three classes a week, one semester.

Prerequisite sophomore standing.

Three semester hours credit.

D. SOCIOLOGY

202. *Introductory Sociology.*

This is an introduction to the study of society, providing essentials for an intelligent understanding of the forces making for group life and for specialized study of sociological problems. Sophomore elective.

Prerequisite sophomore standing. Not offered in 1954-55.

Three classes a week, one semester.

VIII. VOCATIONAL ARTS

MR. VOSECKY MISS KEETER

A. SECRETARIAL SCIENCE

105-106. *Shorthand.*

Fundamental principles of Gregg Shorthand with special emphasis on accuracy and speed. Dictation and transcription accompany the pursuit of fundamental perfection in shorthand. Three classes a week, both semesters.

Six semester hours credit.

107-108. *Typing.*

Typewriting is recommended to anyone wishing to become proficient in the touch system of typwriting whether or not he expects to do secretarial work. This topic is designed to give a real working knowledge of all parts of the typewriter and a complete command of the keyboard through finger concentration and accuracy drills, consisting of interesting word, sentence, and paragraph work. Practice in typing clean, correct business letters is emphasized. Three classes a week, both semesters.

Four semester hours credit.

204. *Secretarial Practice.*

This course acquaints the student, through actual laboratory experience, with the major and minor activities and duties of the secretary. It is designed to bring into the classroom as much as possible the office atmosphere. Personality, filing, and use of office machines are emphasized. In this course the student has the use of a complete dictaphone outfit, several electric adding machines, and a posting machine.

Three classes a week, second semester.

Three semester hours credit.

205-206. *Shorthand.*

Training in the editing duty of the private secretary is a part of this course. For credit in this course, the student must be able to take new-matter dictation at one hundred words per minute and transcribe it at least forty words per minute. Three classes a week, both semesters.

Six semester hours credit.

207-208. *Typing.*

This course is designed to increase speed and improve efficiency. Definite budgets of graduated difficulty are required. Three classes a week, both semesters.

Four semester hours credit.

B. BUSINESS ADMINISTRATION

111. *Introduction to Business*

A basic course in the organization, functions, operation, controls, and problems of business enterprise.

Three semester hours credit.

112. *Business Finance.*

An introduction to principles governing financial operations of business enterprises with emphasis upon the problems of the small business unit. The financial considerations in promotion and the selection of the form or organization, financial functions and organizations, bank and trade credit, and failure and expansion of a small business are considered. Prerequisite: Introduction To Business 111 or Accounting 113; second semester.

Three semester hours credit.

113-114. *Accounting Principles.*

This acquaints students with present day methods of keeping and interpreting business records and reports. Emphasis is given to the study of special journals, notes, interest, deferred charges, discounts, and columnar records. The student completing this topic will have kept two actual sets of books: one set in sole proprietorship and one in partnership. Two double classes a week, both semesters.

Six semester hours credit.

211. *Business Law.*

A study of law as it applies to ordinary business transactions, including the making of contracts, principal and agent, negotiable instruments, principal and surety, insurer and insured. Its primary purpose is to give students an understanding of the essential laws that affect business and social life.
