STUDENT LIFE

The Gardner-Webb student is involved with and is able to participate in any number of special activities outside the classroom. Extracurricular clubs and organizations are an important facet of campus life. The college administration believes that diversified collegiate activites are necessary for a complete and well-rounded education. The spirit of the administration, therefore, is one of encouragement, with a view to making each activity contribute its utmost toward the growth and development of the individual.

The Gardner-Webb Student Handbook contains information regarding student government, rules and regulations, social life, campus organizations, dormitory regulations, laundry services, and other matters pertaining to college activities.

In general, all students at Gardner-Webb are assumed to possess the maturity, integrity, concern, interest, and responsibility needed to conduct themselves as ladies and gentlemen, with due regard for the feelings and rights of others.

Student Participation in Governance

Student Government Association (SGA): The Student Government Association of Gardner-Webb College includes in its membership all students of the college. The major branches of the SGA are the Student Senate, the Executive Body, and the College Judicial Council. The duties and responsibilities are contained within the SGA Constitution and Bylaws. The SGA promotes the general welfare of the student body, encourages extracurricular activities, and supports all campus social and service projects and campus elections.

The College Judicial Council is largely responsible for citizenship in the college community and for student discipline, campus code violations, and appeals from lesser judicial bodies. All disciplinary cases resulting in suspension or expulsion will be finally heard by the Executive Committee of the college.

Association of Women Students (AWS): AWS is made up of all women students. AWS is responsible for initiating and directing all activities related to the interests and welfare of women students. Each residence hall for women has an organized house council directly related to AWS.

Male House Councils: The Male House Councils are responsible for initiating and directing all activities related to the interests and welfare of men students. Each residence hall for men has a president, vice-president, and secretary-treasurer.

Campus Code

The Code of Conduct is an official part of Gardner-Webb College and gives life on our campus a special personality. We believe it represents values necessary for an open educational community. Students who enroll at Gardner-Webb agree to abide by this Code. The following activities could be considered to be in violation:

1. *Dishonesty,* such as cheating, plagiarism, forgery, or knowingly furnishing false information.
2. *Theft* or damage to property of Gardner-Webb College or a member of the college community.
3. *Immorality,* engaging in lewd, obscene or offensive behavior, speech or writing.
4. *Use or possession of alcoholic beverages or drugs* on campus or at college-related functions, or disorderly conduct on the Gardner-Webb College campus as a result of having consumed alcoholic beverages, beer, and/or drugs.
5. *Gambling* in all forms.
6. *Hazing* as defined by North Carolina Statute 14-35: "to annoy any student by playing abusive or ridiculous tricks upon him, to frighten, scold, beat or harass him, or to subject him to personal indignity."
7. *Unkempt appearance.* Men and women should be neatly and appropriately dressed at all times and in keeping with the campus dress code.
8. *Demonstrations, riots, or disruptive behavior* which interferes with the purpose of the college.
9. *Disrespectful and/or insubordinate behavior,* failure to respond to an official notice from an administrator, faculty, or SGA officer.
10. *Use, possession, or distribution on campus of firearms, explosive, fireworks, or knives* of unlawful length.

Organizations and Activities

Recognizing that active participation in student activities is a significant part of a student's total educational experience at Gardner-Webb College, many clubs and organizations offer opportunities of a varied nature so as to provide a well-rounded program to meet the needs of our student body. All clubs and organizations are faculty sponsored.

Specific information regarding qualifications for membership and offices in campus organizations is contained in the Student Handbook and the Student Government Association constitution.

No secret societies are allowed among the students, and no organization is permitted unless approved as indicated below.

Interclub Council (ICC): ICC coordinates organizations on the Gardner-Webb campus. Any group planning to organize a new club or organization must follow the steps and policies governing the forming and affiliation of an organization. Various forms are acquired from the office of the Director of Student Activities. Clubs and organizations pertain to student life, academic disciplines, and religious, honor or special services.

Religious Activities

The college hopes that each person will find a place in the religious life of the campus and community. Many students affiliate with and become active in local churches but a variety of campus religious activities are also available to provide opportunities for Christian growth.

Weekly required convocations provide opportunities for the entire student body to be together, contributing to the distinctly different quality of life at Gardner-Webb. Programs feature outstanding personalities who have distinct contributions to make to the intellectual, cultural, and spiritual life of the student body.

A religious emphasis week is held each semester. Persons competent in their fields not only lead group activites but meet students on a person-to-person basis during the week.

The Baptist Student Union and other denominational groups provide the framework for other religious meetings and activities.

The College Minister coordinates the Baptist Student Union and religous activities and ministers to the spiritual needs of the college family.

The Director of Church Relations enables the college to express emphatically its kinship with individual churches. Through this office, Gardner-Webb people and programs are taken into the

advance. Upperclassmen have the opportunity near the end of each semester to make requests for rooms. The Director of Men's/Women's Services reserves the right to make room changes at any time when such changes may be necessary.

Key Deposit: A key deposit of $5.00 will be made when a room key is issued by the Residence Hall Director. The deposit will be refunded when the key is returned to the Residence Hall Director who issued it. It is most important that keys be returned when giving up a room. Lost keys may be replaced through the Director of Men's/Women's Services for $5.00.

Food

ARA Food Services Company of Atlanta, Georiga, a divison of ARA Services Inc. of Philadelphia, Pennsylvania, is the catering service contracted by Gardner-Webb College for cafeteria service. The cafeteria is located in the Charles I. Dover Campus Center. The cafeteria offers attractive and well balanced meals at moderate prices during the two semesters and summer sessions of the school. It is mandatory that all boarding students purchase a meal ticket at the first of each semester or summer term. Two alternate plans are offered: a seven day meal ticket providing 21 meals per week and a five day meal ticket providing 15 meals per week. There are also casual rates offered for day students.

Health

Gardner-Webb College, through its relationship with Crawley Memorial Hospital and the Doctors' Building, which are located near the campus, provides a constructive health program for every student.

The physicians and nurses associated with this health service have daily office hours for students. Physical examinations are given when required and remedial programs suggested.

The hospital facilites serve as an infirmary for students who have minor illnesses or injuries. Emergency cases are received at any time. A charge of $2.00 per visit is made during hours regularly scheduled for Gardner-Webb students.

Services of other medical personnel and prescription medicines are the financial responsibility of the student. Students with special problems are referred to specialists in Shelby or their family physicians.

A thorough medical examination is required of all new students. All candidates for intercollegiate teams are examined carefully before being allowed to participate.

Insurance Program

Each enrolled student is covered with accident insurance. This coverage will protect the student 24 hours a day and is in effect for 12 months. Students have the option to purchase hospitalization coverage for sickness. For further details, contact the Business Office.

Bookstore

The Bookstore handles all the books needed by students for their courses of study, and other student needs such as cosmetics, jewelry, and sundry items are available.

Mail Service

The college operates a branch post office for the delivery of U.S. Mail and intracampus messages. Each boarding student is assigned a campus post office box on a permanent basis. This assignment is his campus address as long as he is a continuing student. This service is the primary means by which the college communicates with the student.

Laundry and Dry Cleaning

Modern dry cleaning plants and a self-service laundry near the campus serve the needs of the students. All residence halls have coin operated washing machines and dryers.

Career Planning and Placement

The Placement Office seeks to assist members of the graduating class as well as former students in obtaining positions in their chosen fields. Students who are selecting their future occupations and need assistance in career planning are encouraged to visit the office for consultation.

The Family Educational Rights and Privacy Act of 1975 provides that students may have access to their placement records under certain conditions and that files may be released only with the written permission of the student. Therefore, all students registering with the Placement Office must sign a Placement Authorization Form.

All employers and schools interviewing on campus must confirm in a written statement to the Placement Office that they are equal opportunity employers.

Since the services of the Placement Office do not end when the graduate has been placed the first time, all graduates are advised to keep their placement files current.

GENERAL INFORMATION

Accreditation

Gardner-Webb is a fully accredited member of the Southern Association of Colleges and Schools and the North Carolina Association of Colleges and Universities. It is also accredited by the National League for Nursing and the North Carolina Board of Higher Education, and is authorized by the immigration authorities of the United States for the training of foreign students.

Purpose

The purpose of Gardner-Webb College is to develop quality Christian students who think for themselves, and who will dedicate themselves to the Christian way of life in the vocation of their own choice. This overarching purpose is implemented through the pursuit of four goals:

1. Providing a liberal arts orientation for all students and offering complete programs of study in the liberal arts to those who desire them.
2. Offering students specialized professional and pre-professional preparation in selected areas.
3. Identifying and serving the educational, spiritual, recreational, cultural, social, and economic needs of its students and others in the surrounding area.
4. Fostering those social, cultural, and ethical standards generally supported by evangelical Christianity (which emphasizes salvation by faith in the atoning death of Jesus Christ through personal conversion, the authority of the Scripture, the proclamation of the Gospel, and personal commitment to Christ).

Gardner-Webb College is a liberal arts college, owned and operated by the Baptist State Convention of North Carolina. Campus life is characterized by friendliness and genuine concern for the individual student.

History

From a movement initiated by the Kings Mountain Baptist Association in 1903, and later joined by the Sandy Run Baptist Association, the Boiling Springs High School, Incorporated, was chartered on December 2, 1905, as an institution "where the young . . . could have the best possible educational advantage under distinctive Christian influence." The institution became Boiling Springs Junior College in 1928, and after struggling through the depression years, it began to emerge during the 1940's.

In 1942, Governor O. Max Gardner began devoting his energy, time and wealth to strengthening and guiding the school. Also that year, the name was changed to Gardner-Webb College in honor of the governor, his wife Mrs. Fay Webb Gardner, and their families.

Philip Lovin Elliott began an 18-year period as president in 1943 and initiated a community-service concept of education. His tenure was also marked by the college being admitted into the North Carolina Baptist family of colleges and being accredited by the Southern Association of Colleges and Schools in 1948.

Dr. E. Eugene Poston was selected president in 1961 and launched the ten-year "Decade of Advance" that resulted in the college being granted full accreditation as a senior college in 1971.

Dr. Craven E. Williams was selected by the Board of Trustees to be the ninth president of the college. His administration began August, 1976.

Payment of Account: Semester charges are due in full not later than the date of registration and deferment after that is not permitted. Charges may be paid either at that time or may be prepaid before the student's arrival on the campus.

Those who cannot pay in accordance with the foregoing terms or who find it necessary to finance college charges on an installment basis may obtain necessary information from the Business Manager or Financial Aid Officer concerning The Tuition Plan. This plan is made available solely as a convenience and is optional.

Charges: Support through the Baptist State Convention of North Carolina, the Independent Grand Fund of North Carolina, the North Carolina Tuition Grants, earnings from endowment investments, and gifts of alumni, business, industry, and other friends provide funds which enable the college to charge tuition that is less than the actual cost of instruction and other student services (other than room and board).

Students accepted after these dates are expected to send the deposits within ten days of notification of acceptance.

Students continuing in the college are expected to make their deposits by April 15 for the fall semester, Boarding students deposit $100 and day students $50.

Any student planning to attend summer school is required to make a minimum deposit of $25 by May 1. The fall semester deposit satisfies this requirement for students who intend to enroll in summer school, also.

Failure to make the required deposit by the stated deadline will be interpreted by college officials as indication the student does not plan to enroll at the college in the up-coming semester.

All advance payments will be credited toward charges when the student has enrolled for classes.

After May 1 and December 15 all advance payments are not refundable.

** Board – The College offers a choice of two meal plans; a 5 day Mon.-Fri., and a 7 day plan. All students who reside in the dormitory or live in community housing are required to purchase a board plan in the college cafeteria. It is very difficult to forecast meal cost over 12 months in advance but based on current rates board will cost approximately $340.00 to $370.00 each semester.*

Refund Policy: The size of the faculty and staff and other commitments of the college are based upon the enrollment at the beginning of the semester, and the fees collected are used to meet these commitments, most of which continue throughout the year. *Registration in the college is considered a contract binding the student and his parents for charges for the entire semester.*

However, provision is made for partial refund in the event of withdrawal covered by reasons of a providential nature as interpreted by the college.

1. In the event a student plans to reenter, a pro-rata refund of tuition, fees, room, and board will be allowed as a credit toward a later term.

2. Should the withdrawal be interpreted as providential by the college and should the student choose a cash refund, one-half (½) pro-rata refund will be granted on tuition, until one (1) week after mid-term report.

3. Full pro-rata refund on board will be granted for any withdrawal except suspension or expulsion prior to four (4) weeks before end of a term.

4. No refund of any type will be granted in the event of suspension or expulsion.

Financial Assistance

Gardner-Webb College makes available to its students a variety of scholarships, loans, and grants-in-aid. All aid is administered by the Financial Aid Committee of Gardner-Webb College. The committee follows a number of clearly defined rules in its awards, the rules having been established by the college or by donors to the college.

There is no discrimination on the basis of race, religion, or sex in the administration of the financial aid programs of Gardner-Webb College.

Under the several financial aid plans offered by Gardner-Webb, a student may attend the college at a cost which compares favorably with other well recognized institutions. This may be accomplished by advanced planning with the college's Financial Aid Office. The several possibilities of creating a "package" plan may include various combinations of scholarship awards, grants, loans, and other aid sources. Students having financial needs should contact the Financial Aid Director early in their high school senior year asking for advice in securing needed financial assistance.

Procedures for Applying for Financial Assistance

1. File an application for admissions to the college with the Director of Admissions.

2. File an application for financial assistance with the Financial Aid Office. Applications received after April 1 can be considered only in terms of available funds; therefore, early application is strongly advised. No application for financial assistance will be considered by the committee until the applicant has been accepted for admission and has paid the reservation deposit to the college. (Both of these applications may be filed at the same time, preferable by April 1.)

3. File a financial aid need analysis form with one of the two companies listed: (1) College Scholarship Service (Financial Aid Form); American College Testing Program (Family Financial Statement). Forms may be obtained from the Financial Aid Office at Gardner-Webb College, from a high school guidance office, or by writing College Scholarship Service, P.O. Box 176, Princeton, New Jersey 08540.

4. File a Basic Educational Opportunity Grant application. Forms may be obtained from the Financial Aid Office at Gardner-Webb College, from a high school guidance office, or by writing U.S. Department of Health, Education and Welfare, P.O. Box 84, Washington, D.C. 20044.

5. Arrange to come to the campus for a personal interview when requested by the Financial Aid Committee. In the case of out-of-state residents, special arrangements may be made upon written request showing evidence of hardship connected with travel to the campus.

Renewal of scholarships, grants-in-aid, and loans is conditioned on the student's maintaining an academic and citizenship record in keeping with the standards set by his particular award. *Application for renewal of loans and grants-in-aid by upperclassmen should be made by April 1.*

Announcement of academic scholarships and other awards is generally made between May 1 and July 1 each year.

Federal Assistance Programs

The U. S. Office of Education supports the following five programs of student assistance:

1. Basic Educational Opportunity Grants.
2. Supplemental Educational Opportunity Grants.
3. College Work-Study.
4. National Direct Student Loans.
5. Guaranteed Student Loans.

Any student enrolled at Gardner-Webb College who is a citizen or permanent resident of the United States is eligible to apply for assistance under these programs.

Any student assistance received by a student under Title IV shall entitle the student receiving it to payments only if: (1) that student is maintaining satisfactory progress in the course of study he is pursuing, according to the standards of Gardner-Webb College; (2) that student does not owe a refund on grants previously received at Gardner-Webb, or is not in default on any loan from a student loan fund at Gardner-Webb or a loan made, insured, or guaranteed by the Commissioner under this title for attendance at Gardner-Webb College.

Basic Educational Opportunity Grant (BEOG) Program: Applications are available from Gardner-Webb College, high schools, Talent Search, Upward Bound Projects, and public libraries, or by writing to P. O. Box 84, Washington, D.C. 20044. Notification of eligibility should be received within four weeks following submission of the application. The student is to forward this notification to the Financial Aid Office.

Supplemental Educational Opportunity Grant (SEOG) Program: This program is for students of exceptional financial need who, without the grant, would be unable to continue their education. Applicants are eligible to apply if they are enrolled at least half time at Gardner-Webb College. Awards range from $200 to $1,500 per year and are not to be repaid.

College Work-Study Employment: The college participates in the College Work-Study Program to provide jobs for students who have great financial need and who must earn a part of their educational expenses. Jobs are arranged on campus or off campus with a public or private non-profit agency, such as a hospital, library or recreational facility. Students can also participate in the program in the summer through the PACE Program. This program provides full-time summer jobs for qualified students in approved agencies in their home towns. Students interested in the PACE Program must submit both a Financial Aid Form and a PACE Application. These applications are available by request to the Financial Aid Office or from high school guidance counselors. The applications should be submitted by April 1.

National Direct Student Loan (NDSL) Program: These funds are for students who are enrolled at least half-time and who need a loan to meet their educational expenses. A Gardner-Webb student may borrow up to a total of $5,000 with repayment beginning nine (9) months following graduation or separation from the college for other reasons. During the repayment period three (3) percent interest will be charged on the unpaid balance of the loan principal. Application for this program is to be made through the Financial Aid Office of the college.

Guaranteed Student Loan Program: Loans made directly from a bank, credit union, savings and loan association, or other participating lender willing to make educational loans may be guaranteed by a State or private non-profit agency or insured by the Federal Government. Any student currently enrolled or accepted for enrollment may apply. Maximum loans of $2,500 per year, $7,500 total, and a maximum interest rate of seven (7) per cent must be observed.

The Federal Government will pay the interst on these loans for students who are eligible for Federal Interest Benefits until they begin repayment. Payments begin between nine (9) and twelve (12) months after graduation or other separation from the college, and up to ten (10) years may be taken to repay the loan.

Information and application forms are available from Gardner-Webb College, lenders, State Guarantee Agencies and Regional Offices of the U. S. Office of Education. Applications must be submitted before June 1 each year.

Applications may be secured from the Financial Aid Office at Gardner-Webb College or from College Foundation, Inc., 1307 Glenwood Avenue, Raleigh, North Carolina 27605

The awards will provide up to $300 to each eligible student during an academic year. To qualify for a NCLTG award a student must:

1. Be a legal resident of North Carolina for the purpose of tuition payment under the terms and conditions of the Residency Manual of the University of North Carolina, and
2. Be enrolled full-time as an undergraduate student in a North Carolina private college or university, and
3. Be certified by an approved institution as to eligibility and enrollment.

North Carolina Student Incentive Grant Program (NCSIG): Legal residents of North Carolina accepted for enrollment or enrolled full-time, in good standing, in an undergraduate program of study in an eligible college, university, technical, or vocational school in North Carolina may apply for Student Incentive Grants to help pay their educational expenses. Students must demonstrate "substantial financial need" as determined through the need analysis system of either the College Scholarship Service or American College Testing Program. The amount of each grant will be based on the individual student's demonstrated financial need in relation to resources and cost of education but may not exceed $1,500 per academic year. Application forms may be obtained from the Financial Aid Office or from College Foundation, Inc., 1307 Glenwood Avenue, Raleigh, N. C. 27605. The award is $900 per year and is a scholarship if the recipient teaches in North Carolina public schools following graduation. The deadline for submitting the application is March 15.

This program features convenient monthly payments and Parent Life Insurance, which guarantees funds for the student's education to continue. Additional information is available from the Business Office.

ACADEMIC INFORMATION

Academic Counseling: Each student is required to consult with an assigned faculty adviser prior to each registration period to plan a course of study.

Academic Load: The unit of credit at Gardner-Webb College is the semester hour. A student is considered full time if enrolled for 12 semester hours or more. No boarding student may be enrolled for less than 12 semester hours at any time during a semester unless given permission by the Housing Committee.

The normal load is 16 semester hours, and any student in good standing may enroll for as many as 18 semester hours. Permission to exceed 18 semester hours must be obtained from the Academic Dean.

The normal load for summer school is 6 semester hours or a 4 semester hour laboratory course. No boarding student may be enrolled for less than 6 semester hours at any time during a summer term unless taking a 4 semester hour laboratory course, or with permission of the Housing Committee. Permission to carry 7 semester hours must be obtained from the Academic Dean.

Course Numbering System: Freshman courses are designated by numbers 100-199; sophomore courses 200-299; junior courses 300-399; and senior courses 400-499. Courses with odd numbers are regularly given in the fall term; courses with even numbers, in the spring term. However, introductory basic courses in many departments will be offered every term so that students may arrange their work in regular sequence, according to the time of entrance.

Registration: Certain days at the beginning of each semester or summer term are set aside for registration. The student is sent detailed instructions concerning the registration procedures. A student will not receive credit for any course for which registration has not been completed.

Late Registration: With special permission a student may be registered during the one week period following the close of the regular registration in any semester. A fee will be charged.

Adding or Changing Courses: The student's schedule of classes may be adjusted by adding or substituting courses with the approval of the Registrar or the Academic Dean within one week from the beginning of the semester. A fee will be charged for any change following the student's initial registration unless it is required by the administration of the college.

Dropping Courses: A student may officially withdraw from a course at any time during a semester or summer term. The Registrar provides the necessary forms, and a fee is required. A grade of **W** (withdrew) is recorded for the course through the two weeks following the end of the mid-term grade report period each semester. Thereafter, a **WP** (withdrew passing) or **WF** (withdrew failing) is recorded. No hours attempted are recorded for the **W** or **WP** grades. Should a student stop attending a course without following the procedure indicated above, the withdrawal is unofficial and a grade of **UF** would be recorded. Hours attempted which cannot be removed by repeating the course would also be recorded.

Auditing Courses: Any full-time student may audit a class without charge with the permission of the instructor of the course. Students who are enrolled for less than 12 hours may audit credit courses for one-half the regular fee. Area residents not desiring credit may audit a class, with the permission of the instructor, without charge except where special fees are involved.

Auditors are subject to the attendance regulations of the college. Additional requirements, if any, are the responsibility of the instructor.

Credit will not be allowed for any course for which a student registers as an auditor.

Taking Courses at Other Institutions: Permission for any Gardner-Webb student to enroll at another institution must be obtained beforehand from the Registrar and requires the consent of the chairman of the department in which the student is majoring. The college is not obligated to accept credit for any course when prior permission has not been granted.

Withdrawal, Suspension, and Expulsion: Voluntary termination of enrollment during the course of a semester or summer term is defined as withdrawal. Dismissal from school for a specified period of time is suspension, and expulsion is dismissal for an unspecified period of time.

Any student leaving school before the end of a term is required to secure a withdrawal form from the Registrar's Office, complete it in full, and return it to the Business Office Honorable dismissal is granted only if these procedures are followed, and failure to comply will result in the recording of the **UF** grade on all work taken that term.

Classification of Students

Students are classified at the beginning of the regular school year or at the time of entrance if this is other than the beginning of the school year:

1. Freshmen — Students fully qualified academically for credit as specified in admission requirements who have earned no college credits or who have less than 30 semester hours of credit.
2. Sophomores — Students fully qualified academically for credit who have earned 30 or more semester hours of credit, but less than 60 semester hours.
3. Juniors — Students fully qualified academically for credit who have earned 60 or more hours of credit, but less than 90 semester hours.
4. Seniors — Students fully qualified academically for credit who have earned 90 or more semester hours of credit.
5. Special Students

(a) Credit students — College graduates and rising high school seniors.

(b) Non-credit students — Auditors, music students not desiring credit, and a limited number of adults admitted to regular classes regardless of previous training.

Class Attendance

General Regulations

1. Since each class meeting is important, and the student is responsible for all of the work — including tests and assignments — of all class meetings, attendance is expected at all class meetings unless the student is providentially hindered or representing the college.
2. The instructor is responsible for recording all absences, for excusing absences, and enforcing these attendance regulations.
3. Serious personal illness or accident and a death in the immediate family are valid excuses; normal contingencies, such as medical appointments, special occasions, and minor emergencies are not valid excuses. (Medical excuses should be signed by a physician or nurse.)
4. No absence without excuse is allowed at the time of an announced test or examination.

5. No absence without excuse is allowed in any laboratory work, and all laboratory work must be made up to the satisfaction of the instructor.

6. Three unexcused tardies count as an unexcused absence. (The student is responsible for clearing tardies with the instructor at the end of the class in which the tardy is recorded.)

7. Being late more than fifteen minutes counts as an absence.

8. Failure to wait ten minutes from the beginning of the period for the arrival of the instructor counts as an absence.

9. For each unexcused absence in excess of that which is allowed below, the instructor may deduct three points from the student's semester grade in that course.

10. After the fourth unexcused absence in any course, the Registrar will be notified, and the student will be called in for counseling.

11. Credit will not be granted for any class in which absences exceed 25 percent. Maximum allowable absences from lecture periods for any reason(s) follow.

Class Meetings Per Week	Maximum Allowable Absences
1	3
2	7
3	11
4	15
5	18

Specific Regulations

1. For Certain Students: The following students are allowed no unexcused absences:

(a) All freshmen in their first semester of study at Gardner-Webb College.

(b) All students on academic probation.

(c) Students with Quality Point Ratios less than 1.5.

2. For Juniors and Seniors Having a QPR of 2.0 or Above: To take care of normal contingencies — such as medical appointments, special occasions, and minor emergencies — a student is allowed two hours absence without excuse per semester for each hour of credit in each class. In case of classes with sessions of 1½ hours each only four absences are allowed per semester. Any absence in excess of two hours per credit hour must be shown to be an unpreventable emergency.

3. For All Other Students: To take care of normal contingencies — such as medical appointments, special occasions, and minor emergencies — a student is allowed one hour absence without excuse per semester for each hour of credit in each class. In case of classes with sessions of 1½ hours each only two absences are allowed per semester. Any absence in excess of one hour per credit hour must be shown to be an unpreventable emergency.

Grading System

The **I** grade indicates that the student has not completed course requirements within the time limits of the term. It may be assigned only if the student has made arrangements with the instructor prior to the date of the final examination and only if the student has a valid excuse. Serious personal illness or accident and a death in the immediate family are valid excuses. An **I** automatically becomes an **F** unless course requirements are completed within the next semester and counts as an **F** in the student's QPR until it is completed.

The **W** is recorded for each course officially dropped through two weeks following the end of the mid-term grade report period in each given semester. After this, a **WP** or **WF** will be recorded for each course officially dropped. Students who officially withdraw from school and those who are suspended receive a grade **WP** or **WF** depending on their progress in each course at the time of withdrawal or suspension.

A **UF** is recorded for all courses should a student drop out of school without following official withdrawal procedures. It is also recorded for individual courses which the student drops unofficially by non-attendance. Hours attempted with a grade of **UF** cannot be removed.

The **FA** grade is used to signify that the student's level of performance was passing, but credit could not be allowed because of absences.

Quality Point Ratio

The student's general academic performance is indicated by a Quality Point Ratio, abbreviated QPR. This figure is determined by dividing attempted semester hours into earned quality points. Three Quality Point Ratios are significant for each student: the semester QPR; the QPR for work taken at Gardner-Webb; and the overall QPR, which includes any work taken at other institutions and the student's work at Gardner-Webb.

Repeating Courses

A course with a grade of **D, F, I, WF,** or **FA** may be repeated. When a course is repeated, only the higher grade is counted in computing the Gardner-Webb and overall QPRs.

Examinations and Reports

Written examinations are required in every course at the end of each semester. Students who do not take these examinations at the scheduled time will receive a failing grade in that subject unless excused by the Academic Dean. If the student is excused, the grade will be recorded as Incomplete.

Grading System

		Hours Attempted Per Credit Hour	Quality Points Per Credit Hour
A	— Excellent (95-100)	1	4
B	— Above average (88-94)	1	3
C	— Average (78-87)	1	2
D	— Below average, passing (70-77)	1	1
F	— Failure (below 70)	1	0
P	— Passing	0	0
I	— Incomplete	1	0
IP	— In progress	0	0
W	— Withdrew without penalty	0	0
WP	— Withdrew passing	0	0
WF	— Withdrew failing	1	0
UF	— Withdrew unofficially	1	0
FA	— Failure due to excessive absences	1	0

If a student is absent from a test which has been previously scheduled, a grade of zero is given on that test and a second test is not allowed unless recommended by the teacher. A charge of $2.00 for a test and $5.00 for a final examination will be made unless the absence was for emergency reasons.

Reports of the student's progress are made at the end of each nine weeks. Summaries of these reports are given to the students at the end of each grading period. Parents are mailed mid-semester grades only if the student's progress for any given period is not satisfactory. Only the final semester grade is recorded on the student's permanent record, but no grades will be released if an account is in arrears unless satisfactory arrangements can be made with the Business Office.

Transcripts

The Registrar will furnish transcripts of credit on request. One official transcript is provided to each student without charge. Subsequent copies are $2.00 each, and this fee should accompany the request.

No transcript will be issued until all the student's accounts have been settled satisfactorily.

Honors and Awards

Semester Honors

Two lists of honor students are posted each semester:

1. Dean's List — Students enrolled for 15 semester hours or more whose semester Quality Point Ratio is 3.7 or better with no grade below **C.**
2. Honor Roll — Students enrolled for 15 semester hours or more whose semester Quality Point Ratio is 3.2 but less than 3.7 with no grade below **C.**

Annual Awards

Annual awards are made to outstanding students in each subject field, and the student with the highest academic record in each of the four classes receives an award at Commencement.

In memory of the late Professor J. D. Huggins, Mr. L. R. Harrill, State Director for 4-H Clubs, offers a citizenship medal to a male graduate recognized for scholarship and participation in college activities.

In memory of the late Miss Etta L. Curtis, Mrs. R. E. Price offers a citizenship medal to a female graduate recognized for scholarship and participation in college activities.

The winners of these awards are selected by the faculty.

Graduation Honors

All students are eligible for graduation honors. A student with transfer credit is considered if the work at Gardner-Webb merits honor, but the overall Quality Point Ratio is used to determine the level of honor.

Baccalaureate degree candiates with Quality Point Ratios of 3.2 or more are graduated *Cum Laude;* those with 3.6 or more are graduated *Magna Cum Laude;* those with 3.8 or more are graduated *Summa Cum Laude.*

Associate degree students whose Quality Point Ratios are 3.2 or more are designated as Honors Students.

Retention Requirements

Retaining Membership in the Student Body

Students once admitted to the college, who meet all requirements for continuing in school, are considered members of the student body. However, it is the policy of the college to require each registered student to reaffirm annually the desire and intention to retain membership in the student body. This is done through a special form of application and involves on the part of the college a re-evaluation of the characteristics demonstrated by the student during his enrollment at the college.

Filing of intention to return is expected by April 15. Advance deposits are required each semester as indicated in the Financial Section.

Students who are continuously enrolled at the college do not pay a re-application fee.

Retention Standards

These standards apply to all full-time students. Part-time students are expected to maintain satisfactory progress in class work and Quality Point Ratios. Their eligibility to continue in the college is determined by the Admissions Committee.

These standards will be applied at the close of each academic year to the student's Overall Quality Point Ratio. A student whose academic record is very poor may be asked to withdraw from the college.

Students subject to academic restriction, probation, or suspension may attend summer school at Gardner-Webb College in order to remove deficiencies. The records of those attending summer school elsewhere will not be reviewed prior to the fall semester, and those students will continue to be subject to these standards as they applied at the close of the academic year.

Students who are on probation either academic or disciplinary, are not eligible to represent the college until the probation is removed.

The student bears the final responsibility for the selection of a program of study and adherence to all published regulations and requirements of the college.

The student is responsible for fulfilling all requirements for the chosen degree program. Each student must fulfill all the Basic Course Requirements as approved by the Academic Dean or the Registrar and all the requirements for the Major, Supportive Studies, and Complementary Electives as approved by the departmental chairman. A transfer student is expected to complete at least one-half of the Major at Gardner-Webb College.

The student is also responsible for applying officially to the Registrar for graduation at the beginning of the final term of study.

All candidates for graduation are expected to be present at Commencement. The college is not obligated to grant a degree to any candidate for graduation who does not attend these exercises.

BACCALAUREATE PROGRAM DEGREES AND REQUIREMENTS

The degrees conferred are Bachelor of Arts and Bachelor of Science. The Bachelor of Arts degree is awarded to students majoring in Biblical Literature and Languages, English, French, History, Music, Religion, Social Science, and Spanish. A major in Biology, Business Administration, Chemistry, Early Childhood Education, General Science, Health Education and Physical Education, Intermediate Education, Mathematics, or Psychology leads to the Bachelor of Science degree. A B.S. degree in Medical Technology is awarded in conjunction with the Bowman Gray School of Medicine or the Charlotte Memorial Hospital. (See Basic Course Requirements)

Basic Course Requirements

All candidates for the Bachelor of Arts degree will complete the following required courses as specified in Group A. Prospective Bachelor of Science graduates may choose either Group A, B, or C. This option involves only the quantity of semester hours required in Foreign Language, Science, and Mathematics. The Foreign Language requirement may be satisfied by the completion of a Foreign Language course numbered 202 at this college, the transfer of an equivalent college course, or by competency in the language as determined by test. The number of required semester hours is dependent upon the number of high school language units earned by the student.

Majors

Each candidate for a baccalaureate degree must choose a major field of concentration. This selection should be made before entering the Junior year. Registration of the intention to major with a particular department is required. A request is submitted to the chairman of the department. If the request is approved, this information is communicated to the office of the Academic Dean.

The academic counseling of all declared majors within a department is the responsibility of the chairman. This responsibility may be delegated to any faculty member within that department for that period of time which best serves the interest of the student.

The student who wishes to choose a different major field of concentration must receive the joint approval of the departmental chairmen concerned and the Academic Dean.

A student may be declared to have a double Major by meeting the requirements of a primary Major plus 30 hours in a secondary field as approved by the departmental chairman of the secondary Major. The two Majors would be mutually supportive or complementary as the case might be, but no course may be counted in both Majors. A student graduating with a double Major would receive only one degree, that of the primary Major.

Supportive Studies, Complementary and Free Electives

Supportive Studies, in general, are courses chosen by the student in consultation with the faculty adviser which are closely related to, but not identical with, the Major. The purpose of these courses is to give a broad base of support to the student's Major or professional preparation. These courses may be taken from more than one area.

Complementary Electives are selected in the same manner as Supportive Studies. They are chosen from areas not closely related to the student's Major, and are intended to give breadth to the total academic experience.

The student is at liberty to select Free Electives from any field of study.

Freshmen and Sophomores who are uncertain about their major field of study may follow the program listed below during their first two years

Convocation

Each student is required to attend Convocation during each semester of enrollment at Gardner-Webb College. One semester hour of credit is given for two semesters' attendance at Convocation, and a maximum of four semester hours credit for Convocation may be applied toward the completion of the 128 hours required for graduation. Students who do not offer four hours credit for Convocation must complete the required 128 semester hours by taking additional hours credit. Three absences per semester are allowed for which the student is not accountable. Excuses for Convocation absences must be submitted to the office of the Academic Dean for approval. Excessive absences will cause the student to be subject to the loss of all academic credit for the current semester.

DEPARTMENT OF BIOLOGY, CHEMISTRY, AND GEOLOGY

Courses in Biology and Chemistry are designed to help students develop a better understanding of themselves and nature. Students majoring in this department may prepare for graduate study, for teaching, and for professional study in pharmacy, optometry, medical technology, nursing, physical therapy, agriculture, and industry.

Students who intend to study medicine, dentistry, or veterinary medicine should major in Biology or Chemistry. Since requirements for entrance to medical, dental, and veterinary schools vary, students should base their programs of study on the requirements of the specific schools in which they are interested. Consultation with a faculty advisor at Gardner-Webb is required.

DEPARTMENT OF EDUCATION

The Department of Education has as its primary responsibility the preparation of young men and women as elementary teachers, secondary teachers, and teachers in the special subject areas. Teacher training is recognized throughout the college as one of the important functions of the institution.

Within the framework of the liberal arts and sciences curricula, the Department of Education offers programs in early childhood (K-3), intermediate (4-9), and secondary education (9-12), which fulfill the requirements for a North Carolina Class A Certificate. The Department also offers a variety of courses that may be taken by career teachers for certificate renewal or self improvement. Specific emphasis is given to competency based experiences that will enable the prospective teacher to relate theory to practice through: (1) the understanding of human growth and behavior, (2) the promotion of professional and moral development, (3) an increased awareness of the duties and responsibilities of teaching, and (4) the preparation of the prospective teacher to become an integral, contributing member of the community.

Teacher Education

Specific characteristics of the Teacher Education Program are:

1. Students are provided a variety of experiences during the freshman and sophomore years that enable them to make valid career choices relative to teaching.
2. Developmental laboratory experiences in area public schools are provided throughout the program.
3. Low faculty-student ratio enables the prospective teacher to receive personalized instruction and guidance.
4. Student teaching experiences are provided in a variety of settings including traditional self-contained classroom, open classroom, team teaching, and inter-institutional teaming of student teachers.
5. Specific emphasis is given to helping the prospective teacher develop the competencies needed to individually personalize instruction.
6. A post-student teaching follow-up is provided for each student.

ASSOCIATE DEGREE PROGRAM

The Associate in Arts degree is offered in two fields of study, Business and Nursing. One of two specialties may be chosen in Business. These are General Business and Secretarial Science. See the Department of Business Administration for details.

DEPARTMENT OF NURSING

The Department of Nursing functions within the framework and philosophy of Gardner-Webb College. The faculty agrees that the graduate of the program should be a responsible contributing member of the health care system.

The faculty believes that Associate Degree Nursing education is a maturational process involving the students and faculty working together to develop a concept of learning. The student is guided in the understanding and application of scientific principles as related to self and other persons.

The faculty further believes that the acquisition and use of knowledge, primarily an individual responsibility, is influenced by personal differences, motivation, and readiness, and the technical nurse can be prepared as a beginning practitioner in two years in an institution of higher learning.

The faculty believes that nursing is a health service to people based on selected principles of physical, biological, and behavioral sciences having as its objectives promotion and maintenance of an optimum level of wellness of all individuals.

The Associate Degree nurse is a learner-practitioner who functions within the health care system, and continues to acquire and redefine skills as made necessary by social and technological changes.

The nursing program is offered by Gardner-Webb College in cooperation with the Rutherford Hospital of Rutherfordton and Cleveland Memorial Hospital in Shelby, North Carolina. The program enables the student to complete in approximately two years a course of study which leads to the Associate in Arts Degree. Students study and work with clients in hospitals and various other health agencies. Upon completion of the course the nurse is eligible to write the State Board Examination for licensure as a Registered Nurse.

The curriculum of the Associate Degree Nursing Program at Gardner-Webb College is designed to prepare the student:

1. To apply principles of human behavior in establishing and maintaining favorable interpersonal relationships;
2. To understand the role of the Associate Degree Nurse and his/her functions in the ever changing health care system;
3. To identify facts and principles of physical, biological, and behavioral sciences which form a basis in nursing;
4. To demonstrate skill in gathering data, assessing needs, planning, intervening, and evaluating nursing care of clients with common, recurring health problems and to promote and maintain a high level of wellness for individuals;
5. To be cognizant of present, emergent, and changing concepts of legal, moral, and social responsibilities as a nurse/as a person.

Accreditation of the Nursing Program

The program is accredited by the North Carolina Board of Nursing and by the National League for Nursing.

ALUMNI ASSOCIATION

Membership — All former students, graduates and non-graduates, are considered members of the Alumni Association.

Meetings — A general business meeting and banquet is held in the spring. Officers and directors have business meetings the third Saturday of the first month of each quarter.

Purpose — The purpose of the Alumni Association is to provide an opportunity for the alumni to express their interest in the College through voluntary service, to organize local chapters, to keep in constant touch with the members of the association, and to promote the welfare of the entire College for the mutual benefit of both the College and the alumni.

Program — In addition to the spring meeting, the general association promotes homecoming in the fall. Chapters have their own meetings according to their desires. The main emphases are communication and fellowship among the Alumni and College Community and support of the College, especially through the Annual College Fund.

Alumnus of the Year — Selection is made by the Board of Trustees of the College. The award is presented by the President of the Alumni Association at the Spring Alumni Banquet.

Distinguished Service Awards — Selections are made by the Awards Committee of the Alumni Association Board of Directors. Three awards are presented in the spring to individual alumni for: service to denomination and church, service to community, and service to Gardner-Webb College.
