DR. W. A. AYERS

Dr. W. A. Ayers came to Ross Grove as pastor two years ago and has endeared himself to his people. Pastor Ayers and his Members gave the Kings Mountain Association a royal welcome and entertained the messengers and visitors in a fine way.

He is also pastor of the Zion church of the neighboring community.

REV. J. W. SUTTLE

Rev. J. W. Suttle is serving the New Bethel Baptist Church for his thirty-sixth consecutive year. This is the sixth time that the Church has entertained the sessions of the Kings Mountain Association during its ninety-seven years of existence. Though it was a rainy day, the pastor and his members made it a pleasant day and a profitable session.

Moderator Suttle was elected for the Thirty-sixth time to lead the Kings Mountain Baptist Association. Pastor Suttle is serving four other churches: Beaver Dam, Double Shoals, Double Springs and Lawndale.

At this time the report on "Our Stewardship in Our Baptist Orphanage," was read by L. C. Pinnix, pastor of the First Church Kings Mountain. Supt. I. G. Greer, of the Orphanage spoke to the report and the Association heard him with delight.

REPORT ON ORPHANAGE

There are certain reasons why orphanages and other child caring agencies are necessary. Among these are poverty, poor health, illiteracy and instability in the home.

The Baptist Orphanage was founded for the purpose of caring for orphan children and yet one of the chief concerns of welfare agencies of the present time is the wrecked home. There are over a thousand children in the orphanages of North Carolina who have both parents living.

The chief function of the home is to bring children into the world and to rear them. No other institution in all Christian civilization has a legal moral right to bring children into the world. In spite of this fact think of the countless number of children born out of wed-lock today! With all of our progress no substitute has yet been found for a Christian home—the oldest institution known to man. You recall Germany tried a different system with little success.

The Baptist Orphanage has rarely ever been able to accept all the children for whom applications have been made and yet it has probably been too much on the receiving end of the line. A great surgeon does not operate until he has made a thorough diagnosis. Institutions should analyze and get the back-ground of each case before a child is admitted. Providing food, clothing and shelter is not sufficient. Many children for whom applications are made should never come to the orphanage. Peter at the Gate Beautiful per-

KINGS MOUNTAIN BAPTIST ASSOCIATION

haps would have done the beggar grave injustice if he had given him money. Instead he said: "Silver and gold have I none; but such as I have give I thee: in the name of Jesus Christ of Nazareth rise up and walk.

We believe that one of the greatest services the orphanage can render is to make it possible for parents and children to help themselves. In addition to service we are rendering children in the orphanage we should help preserve and improve homes that are in danger of breaking down. Last year the orphanage, through its case work helped make adjustments for more than four hundred children where applications had been made to enter the orphanage. Perhaps this is one of the best services the orphanage rendered.

In order to care for more children during these days when it is so expensive to build, the orphanage authorities are developing a program of boarding home care. This enables them to place children in good homes under the supervision of the orphanage and thus give many children the privilege of having a good home without placing them in the institution.

Last year the orphanage cared for seven hundred children; sixty of these were cared for in boarding homes and fifty by Mothers Aid. Case work service was made available to 1107 children. This was made possible through loyalty of the Baptist denomination and other friends who month by month and at Thanksgiving time give to the support of these children in keeping with the will of the Master. Year after year we are more conscious that the method of supporting the orphanage through once a month and Thanksgiving offerings is a wise Christian policy. In addition to cash offerings, the orphanage at all times can use canned goods and other commodities needed for the daily support of a large family.

There were seven churches in our Association that did not give anything to our orphanage last year. Those giving gave in cash and estimated value of merchandise total of \$10,668.37. Once more let us pledge our support to this institution that is dedicated to the one task of making strong, clean, Christian men and women out of boys and girls under our care.

Respectfully Submitted,

L. C. PINNIX

The next report to be presented was our Stewardship in Christian Education. It was read by Pres. Phil L. Elliotte of Gardner-Webb Junior College After Pres. Elliotte spoke to the report, Hon. O. M. Mull discussed Christian Education and ask that the Churches of the As-

KINGS MOUNTAIN BAPTIST ASSOCIATION

ciation respond to the call both, to Gardner-Webb and to Wake Forest expansion program. The Christian Education Report was adopted.

REPORT ON CHRISTIAN EDUCATION

KINGS MOUNTAIN ASSOCIATION

October 23, 1947

The Baptists of North Carolina embarked upon a program of Christian education upon the founding in 1834 of Wake Forest College, primarily for the training of ministers. Subsequently other schools that have entered the field of higher education were founded: Mars Hill College in 1856; Buie's Creek (Campbell) in 1887; Meredith College in 1891; Wingate in 1897; and Boiling Springs (Gardner-Webb) in 1905.

Through the years these schools have struggled with but little aid coming from the Convention. In 1943 at Winston-Salem the Council on Christian Education was created with the hope of finding the way to greater service. This council is composed of four representatives from each college; the entire membership of the Education Committee of the General Board; eight members elected at large by the Convention; and the president and general secretary of the Convention, and the president of the WMU. This council is concerned with financing our institution and consolidating and coordinating them into a mighty force for righteousness. Thirty per cent of all undesignated cooperative program funds now go for education. The usefulness of the council will be determined by the extent to which the people and the individual institutions surrender enough sovereignty to enable it to mould into a unified effort all the machinery of our great educational enterprise without destroying the individuality of any college. The Council operates in the matter of finance, christian emphasis, the curriculum, and the church-school relationship. The over all program is (1) to provide the kind of schools we need for our young people, (2) create the desire on their part for college training, and (3) make it possible financially for them to go.

We face the greatest opportunity and the greatest danger of our existence. The opportunity to Wake Forest is staggering. The income now offered to Wake Forest from the Z. Smith Reynold's Fund is equal to the entire support of our six colleges from the Convention this year. We must rise to meet that challenge. The opportunity to the rest of our institutions is no less important in their individual spheres. Let us remember always that the opportunity and responsibility of keeping our schools close to the people and to the truth can't be delegated to others. Our danger is that in the magnitude of wealth there

KINGS MOUNTAIN BAPTIST ASSOCIATION

may be the swelling of pride that will cause us to forget to sit down humbly before God and the truth of life to find there the wisdom for all our progress. But if in such wisdom we lead, the people will follow and support the endeavor.

Mrs. W. P. Biggerstaff, Superintendent of the Woman's Missionary Union of the Kings Mountain Association brought a report of the Missionary Union's work for the past year. She read the report of "Our Stewardship in Woman's Missionary Union work. Report was adopted.

The Minutes of the 1947 Annual Session of the Kings Mountain Missionary Union held last April will be recorded following Mrs. Biggerstaff's Report.

WOMEN'S MISSIONARY UNION

Scripture: Luke 14:25-33

The history of missions shows moments of high opportunity. Many of us witnessed high tide caused by our refusal to accept the high tide at its flood. Today we face the same opportunities. May this be the tide that will lead us on to complete conquest for our Lord.

Because of our unmatched growth in numbers, influence and wealth during the past quarter of a century, Southern Baptists must accept a larger share in this new era of missionary responsibility. Woman's Missionary Union has been through the years a helper in every missionary task undertaken by the Southern Baptist Convention. Are we prepared to meet the opportunity? As your leader let me ask you to pray with me that we may have strength to meet the hour of great opportunity.

May we offer some suggestions that might help us gain the needed strength.

First, study missionary history. Many of us are today studying the story of missionary achievement in our own day, but have a small conception of the background of the work. We are unable to understand and appreciate the present because we do not know the past.

Second, let us confess our sins and shortcomings in a spirit of humility. In 1945 we reported 1233 W.M.S. members in 1946 we reported 1263; only a gain of 30 members. In 1945 we reported gifts

KINGS MOUNTAIN BAPTIST ASSOCIATION

of \$27,170.19, in 1946 we reported gifts of \$39,213.33, gain of \$12,043.24. We gave of our means but failed to give ourselves. Let us prepare for the future with a seriousness greater than the past. For every gain we thank God and take new courage.

Third let me suggest that we count the cost of Christian Discipleship. Our Lord advised His disciples again and again to count the cost before they committed themselves to following Him. "If any man would come after me, let him take up his cross and follow me."

Jesus offers His people victory in war against sin and unrighteousness. He offers us as the price of victory, tears, sweat, and blood. Tears represent compassion. Sweat is caused by hard work. Blood is the result of sacrificial service.

Tears—We have become hardened to reports of suffering and starving humanity. Are we satisfied with what we have given to the war ravaged mission fields in China and Europe?

Work—How many of us have given our bodies a living sacrifice to the cause of missions? Jesus said: Hitherto my Father worked for the redemption of this world. Victory will cost all we have of time, energy in every working day God gives us, not the left-over minutes from a busy life.

Sacrifice—Victory will cost us blood, the blood of sacrifice. Perhaps a son, a daughter, or an ambition dearer than life, but all is to be yielded gladly when Christ's call demands first place.

May we be found faithful Stewards of our lives.

MINUTES OF THE FIFTY-THIRD MEETING OF THE KINGS MOUNTAIN WOMEN'S MISSIONARY UNION OF 1947 MORNING SESSION

The Fifty-Third Annual Meeting of the Women's Missionary Union of the King's Mountain Association was held with the New Hope Baptist Church of Earl, North Carolina, April 24, 1947.

Mrs. W. W. Harris of the Second Baptist Church gave the devotional. She read Matthew 4:8-22, John 12: 26, John 14: 15-21, Matthew 28: 18-22. Mrs. O. P. Hamreck, Chairman of the Margaret Fund, gave report of our Training-School. She mentioned the great sacrificial service the graduates of this school have made and are now making. North Carolina has the largest number present this year, and that Dr. Carrie Littlejohn praises us on having both quality and quantity.

Mrs. John Wacaster introduced Miss Florence Lyde, Missionary to China who spoke on the subject, "Fields". In opening her discussion she said that the Missionaries longed for and needed the prayers of the Christian people in the homeland. The need is more consistent now than ever before in China for the Natives see that Christianity is not a doctrine but a real life to live. During the past war-years they have seen Christians stand the many hardships and testings, and they understand the religion of Jesus Christ more fully. We must bring into the winning of the Peace the message of God.

At the close of Miss Lyde's message an offering was made, to be used for training schools in China, amounting to \$141.66.

The closing Meditation for the morning session was brought by Rev. Hugh Harrill. He closed his remarks with prayer and included blessings on the noon day meal.

AFTERNOON SESSION

The afternoon session was opened with singing of hymn, "The Light of the World is Jesus."

Mrs. A. K. Harris, Young Peoples Leader for the Association brought the devotional and used as her subject "Work". Three representatives from the Young People's Department, Miss Jocelyn Magness from Girls Auxiliary, Mrs. J. C. Bridges from Young Women's Christian Association, and Mrs. L. P. Williams from the Royal Ambassadors gave interesting discussions concerning their work.

Roll Call of Churches with Women's Organization showed that 33 were present, a number of pastors of the King's Mountain Churches were recognized at this time. Mrs. Terry Smart, Superintendent of Hickory Division of Women's Missionary Union and Miss Florence Lyde, returned Missionary from China were among the visitors.

Mrs. Rush Stroup, Chairman of Mission Study, brought her report. It showed that every society had been visited and 166 had attended Mission Study classes held in the fall.

Mrs. J. R. Cline, Chairman of Stewardship, gave an interesting and appealing talk concerning stewardship of our lives. She urged that every society study book "To Whom So Much is Given."

The report of the treasurer, Mrs. Tom Gaham was as follows:

The friendly fellowship, the beautiful flowers and the delicious lunch so beautifully served added greatly to the enjoyment of each one present.

We are glad for the pastors present. Their attendance shows interest in our Missionary efforts.

Our hearts and our eyes have been opened anew to the needs and opportunities in the "Fields White Unto Harvest", shown us so fervently by Miss Florence Lyde, Missionary to China.

REPORT OF THE NORTH CAROLINA BAPTIST HOSPITAL

One of the truly great institutions of the nation is our own Baptist Hospital located at Winston-Salem, North Carolina. The primary aim of our hospital is to offer the highest type of medical care to our people and to make its charges commensurate with what the patient is able to pay.

The method of financing the work for charity is unique. All of us are familiar with the mother's day offering, and I do not know

KINGS MOUNTAIN BAPTIST ASSOCIATION

of any organization in the whole world that can equal that particular contribution. It is truly amazing what our Churches can do when a specific plan is adopted for the accomplishment of so much good.

During 1946, 8,000 patients were admitted to the hospital. Of this number over 4,000 were admitted and paid no money for a doctor's fee, and a great many were unable to pay anything toward the hospital expenses. In cases of this kind, the doctors donate their services, and the hospital expenses are taken out of the mother's day offering. Last year the actual expense to the hospital for free service to its patients amounted to \$159,115.75. This represents quite a sizeable sum and one that we ought to be justly proud.

It is impossible to admit all who apply for admission, due to the lack of space. For those who cannot be admitted, a thorough examination is made by a group of highly trained doctors using the best equipment that is available in the medical world. The result of these findings is sent to the patient's own doctor at home and thus the facilities of the hospital are made available to many patients from all parts of the state.

It is especially fitting at this time to pay a special tribute to the Department of Religion at our hospital. Dr. W. K. McGee, head of the department, will speak to us in a few minutes and I'm sure that he will tell you some of his personal experiences as he goes about his daily work. He is ably assisted by Rev. Richard K. Young, a dynamic young minister who has been thoroughly trained in hospital work. These tireless workers teach Bible and promote a religious program for the students, visit and counsel with the patients, keep in contact with the relatives of the patients, and minister to the bereaved. They are on call twenty-four hours a day, just as the doctors are on call, so that they may render spiritual services to those touched by pain or by sorrow. The Baptists of North Carolina can be proud of this new Department that has been added to our hospital.

North Carolina Baptists have developed in their hospital one of the greatest medical centers in our country, and at the same time, one of the strongest influences for the cause of Christ. Its opportunity for serving as an agency of mercy, as a means of teaching, and as a means of spreading the influence of Christ are a challenge to the generous heart of our great denomination, and we cannot afford to restrict its program for lack of money. North Carolina Baptists have voted to enlarge our hospital, and we are looking forward to the time when these plans will become a reality.

Respectfully submitted,

JOE D. HAMRICK

THE REPORT OF THE GENERAL BOARD

KINGS MOUNTAIN BAPTIST ASSOCIATION

Rev. D. F. Putnam, one of our beloved ministers, has gone from us to the Great Beyond. The following Resolutions are submitted and recommended that they be printed in the Minutes along with his picture.

(These Resolutions will be found at the close of the proceedings and along with the Memorial list.)

Brother Putnam served faithfully on the Missionary Committee and was interested in promoting all the work of the Association.

The General Board had a fair representation from the Churches, let us make a much better record this coming year. The Lord's work must be done in order in a faithful manner.

The Board also recommends that the churches of the Association have a Simultaneous School of Missions in March of 1948.

Clerk-Treasurer

Pastor L. C. Pinnix of the First Baptist Church Kings Mountain amde the following motion: That the Moderator appoint a Committee of one each to promote the offerings for the Baptist Orphanage and the Mothers Day for the Baptist Hospital. Motion adopted. The Moderator appointed Walter Davis for Orphanage and Joe Lee Woodward for the Hospital.

The Report on "Our Stewardship in: The Co-operative" was given by Hugh Harrill, pastor of Sandy Plains and New Hope Baptist Churches. Missionary Earl Bradley of the State Mission Board, Raleigh, N. C., spoke to the Report in an inspiring manner. The Report was adopted

THE BAPTIST COOPERATIVE PROGRAM

Our Baptist Program comes out of the New Testament. (See in particular Luke 4:16 30 and Luke 7:17-23.) In short, as church members it is our business to carry on the work that Jesus began, acting both individually and collectively. There is much we can and ought

KINGS MOUNTAIN BAPTIST ASSOCIATION.

to do as individuals; there is more we can and ought to do as we cooperate with other Baptists in our own church and in other churches. Only a few in our churches are called to full time Christian service, whether it be mission work, work with the orphanages, work in the hospitals, or work in the schools; but all of us can share in the promotion of these agencies by putting into practice the New Testament principle of Christian stewardship. When, therefore, we work with others, in providing support for these agencies we are in a cooperative plan.

Again, what the church budget is to the local church the Cooperative program, or Plan, is to the denomination as a whole. For example, a church adopts a budget which sets forth the needs of each object to be supported, such as the pastor, the building expansion and up-keep, and the various other items in the local church budget. As a part of that budget a missionary church will provide a certain percentage of the total budget for the support of the objects of the State Convention and the Southern Convention. The percentage of the total allocated to the objects of the two conventions goes through the Cooperative Program, or Plan, to the objects which are cherished and supported.

But whether it be the budget of the local church or the Cooperative Plan of the Convention, neither can be properly supported unless the people bring their tithes and offerings into the treasury of the church. Figuratively speaking, one does not give to the church budget or to the Cooperative Program. Rather one gives **through** these means or channels. In other words it will be well if one is thinking about these matters thinks in the following terms:

One brings his tithes and offerings to the Lord and places them in the treasury of the church, and these tithes and offerings are used for Kingdom purposes at one and baroad.

Suppose the people in a church pledge to bring, and do bring, a total of \$10,000 during the year. (Last year the churches in North Carolina brought in this way around \$12,000,000.) The church decides that it requires \$7,000 of this amount to carry on the work of the local church, leaving \$3,000 to be sent through the Baptist Cooperative Program. When this \$3,000 is received at the Convention office marked "Cooperative Program" it is divided on a percentage basis. That percentage basis for the year 1947 is as follows:

FOR OBJECTS OF THE STATE CONVENTION

| | |
|--------------------------------|-------|
| State Missions | 13 |
| Hospital | 7 |
| Christian Education (Colleges) | 30 |
| | <hr/> |

KINGS MOUNTAIN BAPTIST ASSOCIATION

FOR OBJECTS OF THE SOUTHERN CONVENTION

| | |
|---------------------------|-----|
| Foreign Missions | 23 |
| Home Missions | 9 |
| Seminaries | 8.5 |
| W.M.U. Training School | .5 |
| Relief and Annuity Board | 7.5 |
| Radio Committee | .95 |
| Baptist Brotherhood | .5 |
| Southern Baptist Hospital | .05 |
| Total | 50 |

100 Per cent.

This is the way the plan works both in the local church and in the Convention program. We get the Baptist program from the New Testament; we get the budget plan and our Cooperative Program by using our good sense. Through experience both have proven their worth. Such was not the case twenty years ago, but it is true now, and one wonders why our Baptist people did not get to this plan long, long ago. Of course money that is marked for a special purpose, or object, goes directly as designated. It is the Undesignated Cooperative Program that we are thinking of here.

Now for this year it is hoped that scores of church members will avail themselves of the privilege of becoming tithers, and that week by week they will bring their tithes and offerings into the treasury of the churches. A special effort is being made this fall, and the goal for the Southern Baptist Convention is ONE MILLION TITHERS. That means that North Carolina must reach ONE HUNDRED THOUSAND. It is estimated that at present we have around thirty-five thousand tithers in the State. Thus we have a long way to go if we reach the goal.

Wallace Grove, improvements of grounds and buildings.

Zion, improvements of grounds.

Zoar, improvements of grounds, cemetery and parking areas.

In conclusion let me state briefly how I propose to be of assistance to the Churches in their beautification program.

1. By speaking to Church congregations to help develop interest in church beautification.

2. By working with local church committees who have been authorized to get the work done.

There was a motion to adjourn to meet at seven P. M. The Hymn, "Praise God From Whom All Blessings Flow" was sung. Closing Prayer was led by Rev. W. W. Davidson, of Sandy Run Association. Miss Ola Johnson at the Organ played the Recessional.

THURSDAY NIGHT SESSION

The night session began at Seven P.M. with Miss Ola Johnson at the organ and J. D. Barnette leading the hymn: "He Keeps Me Singing." The Association was called to the order of the session by the Moderator. R. B. Carpenter led the prayer.

The Baptist Training Union Director, John A. Hallaman, presented the report on Associational Baptist Training Union work. He called attention to four new Unions that were organized during the year: Bethlehem, Polkville, New Hope, Pleasant Hill. Director Hallman also presented the following program: The Baptist Training

KINGS MOUNTAIN BAPTIST ASSOCIATION

Union of the First Baptist Church Kings Mountain gave a play, "Stewardship". A Duet was rendered with the play, "I Gave My Life For Thee."

Miss Betty Falls of New Bethel Church and Gardner-Webb College sang "To Thee We Sing A Song of Praises." Miss Ola Johnson accompanied at the organ.

Miss Sara Ann Wilson, the Baptist Training Union Leader, of the New Hope Baptist Church along with eight Boys and Girls presented the Eight Point Record System. The concluding number on the Training Union hour was a Duet "It Pays To Serve Jesus" by Rev. and Mrs. Pinnix of Kings Mountain. The report was adopted as read by Director Hallman.

THE BAPTIST TRAINING UNION REPORT

Growth is the greatest evidence of life that we have. On this basis, the Training Union of the King's Mountain Training Union work has shown a substantial increase since last year. For the last two years, the Training Union has shown a perhaps greater increase than any other phase of our denominational work in this area. We have unions in about 7% more churches than last year and in about 55% more churches than in 1945. The total membership is 260 more than last year and 857 more than in 1945 or a gain over the two year period of a little over 55%.

The above sounds good, but we are still overawed when we recognize how far short we have fallen from doing what we should have done. There are still approximately 20 churches in our Association without a Training Union or without being ready for a Training Union. This is approximately 40% of the churches without the benefit of special training in Bible study or reading, missionary activity, preaching attendance, stewardship of life and the other things so necessary to a well rounded Christian life of usefulness. Also, most of the churches which have unions are not reaching their possibilities.

One of the greatest drawbacks to the success of our work in these churches is the lack of interest on the part of our adults. Will you, adult church member, please awaken to your responsibility and obligation?

Under the leadership and help of Rev. Lewis E. Ludlum, our Associational Missionary, the Union is now promoting a systematic series of group and associational wide mass meetings to inspire and

KINGS MOUNTAIN BAPTIST ASSOCIATION

help, but this will not suffice unless the local church recognizes and assumes its responsibility.

The recent improvement is encouraging, but remember the greatest work is yet to be done. Local church adult will you accept the challenge to invest yourself in developing our growing responsibility, by enriching and making more useful the Christian personnel of your church and thereby glorify your Master?

Respectfully Submitted,

JOHN A. HALLMAN

Moderator Suttle announced the Friday Session of the Association to meet with the New Bethel Church at Nine A.M.

Song: "At The Cross."

The last matter to be discussed for the evening was "Our Stewardship in Baptist Brotherhood." Tom Cornwell, Chairman of the Layman's Committee, read the Report and discussed it. Lewis E. Ludlum, who was acquainted with the speaker of the hour, was asked to introduce him to the Association. The speaker for the hour, was an Attorney and Layman of the Buncombe Baptist Association, Asheville, N. C., Don Young. His subject was "Men or Sheep." He aroused the interest of all that were present, both young and old alike. His text was Matt. 12:12 "How much than is a man better than a sheep." The report was adopted.

THE LAYMAN'S REPORT

Because Baptist laymen in all of our churches have common interests and responsibilities our committee felt that something should be planned for the year that would provide fellowship, instruction, and inspiration.

Our spring project was four Group Deacons' Schools with meeting places and instructors as follows:

Polkville—Dr. Phil Elliott

Pleasant Ridge—Rev. Lowell Barnette

Shelby, First—Dr. Arch McMillan

Bethlehem—Rev. T. L. Cashwell

Conferences were held each evening March 10-12 and on the fourth evening an associational meeting of deacons was held at Shelby First with Mr. M. A. Huggins as the principal speaker. The project proved to be both delightful and instructive.

The committee has likewise planned a project for this fall. No-

vember 23, 24, 25 are the dates for our Laymen's Church Leadership Conference. Plans are for three conferences on successive at the First Baptist Church, Shelby. Dr. E. L. Spivey, General Missionary of the Baptist State Convention, will lead the conferences. In these we propose to enlist several hundred laymen to come together for discussion of some matters vital to effective Christian leadership in our churches today. Surely the need today is for strong and stalwart Christian men who will rededicate their lives to Christ and seek to become worthy leaders in Christ's Kingdom Work. Let us all work and pray to that end.

The motion to adjourn was made and to meet with New Bethel in the morning. While the congregation was standing the hymn "Blest Be The Tie," was sung.

The closing Prayer was by O. S. Long.

THE SECOND DAY — NEW BETHEL BAPTIST CHURCH

OCTOBER 24, 1947

MORNING SESSION — SECOND DAY

J. W. Suttle, Pastor of New Bethel Baptist Church in his Thirty-sixth as pastor and the Moderator of the Kings Mountain Baptist Association for thirty-five years was present before the hour to begin. Though it was raining the people came to fill the house. Promptly at nine the Moderator called for a song. J. D. Barnette led the Hymn and the New Bethel pianist, Mrs. Frank Cline, accompanied. The Hymn: "Have Thine Own Way Lord."

W. P. Biggerstaff, pastor of the Eastside Baptist Church, Shelby, N. C., had the Devotional message. The Scripture Romans 12:1-2. Prayer

The following young women were appointed as enrollment committee: Miss Kathrine Elam, Miss Pearl Lattimore and Miss May Alice Sparks. Upon the suggestion of the Clerk the following motion was made and passed: That the General Board be instructed to have three day or night schools in order to properly instruct the following in filling out letters and reports: Church Clerks, Treasurers, S.S. Secretaries, B.T.U. Secretaries and W.M.U. Secretaries.

The suggestion was made by W. P. Biggerstaff that the College needed some one to assist H. B. Easom with the Gardner-Webb Endowment Fund. A motion was made: That the Association ask the

KINGS MOUNTAIN BAPTIST ASSOCIATION

Board of Trustees to appoint an assistant to work with H. B. Easom. Motion adopted.

In the absence of Seth Washburn, the Historian of the Association, the Moderator asked W. G. Camp to read the report that Mr. Washburn had written. The report was adopted.

THE HISTORIAN'S REPORT TO THE KINGS MOUNTAIN BAPTIST ASSOCIATION

BROTHERS AND SISTERS IN CHRIST:

It is with regret that I cannot be with you during the meeting of the Association this year, but the same circumstances preventing me from doing so, offers me the opportunity of fulfilling my obligation and your wish. Namely, to write a history of the Kings Mountain Baptist Association and to complete it by 1951 in time for our centennial celebration.

Being in school at Wake Forest College gives me access to a file of minutes of the Association and I am spending several hours each week studying these. I shall rely primarily upon information gathered from these documents and from Logans' History of The Broad River and King's Mountain Associations for facts and trends taking place during the hundred years of our growth. However, realizing the importance of the history of individual churches composing the Association, I shall depend on members of this body to help me gather related materials from other sources. Namely, individual church records, and experiences and observations of elders and ministers in this Association.

I believe that any history should be written primarily for guidance in facing old and new problems. Therefore, I shall attempt to set down not only the glorious progress the Association has made but also efforts which have fallen short of goals and ideals.

The success of this venture will depend in great measure upon your prayers and active participation with me in this matter.

Respectfully submitted,

SETH WASHBURN (Historian)

The Report, "Our Stewardship in Sunday School Work," was presented by J. D. Barnette, the Associational Sunday School Superintendent. After the Report was discussed by the following: J. D. Barnette, Foy Putnam of Mt. Sinia, E. G. Clark of New Prospect, Mrs. A. M. Kiser of Waco and Rev. T. W. Fogleman, it was adopted.

SUNDAY SCHOOL REPORT 1947

The primary purpose of Christ's coming, dying and launching Christianity was to save the lost. Luke 19:10, "For the Son of Man is come to seek and to save that which was lost." Again in Tim. 1:15 "This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners." That was Christ's purpose in launching Christianity. He made and called a few disciples, and his method of reaching the lost was soon manifested. That method was to get a few believers in a place and organize them into an organization called a Church, whose chief purpose was to be the same as that of Christ when he came into the world and when he went to the cross, namely, "To seek and to save the lost." So in the Church we are working at the same thing that the Triune God is working at in the plan of redemption.

We have organized within the Church and without it. The Sunday School, one of the organizations within the Church, represents the teaching side of the church task. It takes many of the active members of the Church and puts them to teaching the Bible to the people within the Church and without it. This puts the Sunday School Organization in a most strategic position with reference to the lost. Many of our Churches are using their Sunday Schools for the purpose of reaching the lost, and this is as it should be. There are several reasons why the Church should use its Sunday School for this all important mission which I mention briefly:

1—Because the Sunday School represents the best and most active part of the Church membership. The very fact that they are engaged in Sunday School work proves that they believe in Christianity and the Bible and that they are interested in the unsaved people about them.

2—They are in closer touch with those to be won than any other class in the Church.

3—They have the best opportunity to speak to and to reach the lost. They have the occasion and the excuse for speaking to them about religion.

4—It definitely assigns the work of soul-winning to the greatest number of the most active Church member. This keeps Evangelism from being limited to the revival meeting. However it greatly helps the revival; it is a strong support for the pastor and the evangelist. As some one has said, "While the pastor and evangelist are dragging the old gospel net each member can be fishing with a single hook.

5—It will spiritualize both Sunday School and Church. it gives

KINGS MOUNTAIN BAPTIST ASSOCIATION

purpose and a real objective to Sunday School work.

6—It dignifies all Sunday School and Church work by putting the members to work at the same job with the pastor and all the rest. The workers are made to know that they are co-workers with the pastor and with God.

7—It brings about a spirit of co-operation between the Sunday School leaders and the Church. It brings Sunday School activities under control of the Church and identifies the Sunday School as being the Church at work and not as an independent something apart from the Church.

8—It is the pastor's best aid to evangelism. If he is not evangelistic himself if he will use his Sunday School he will find that it will take care of this side of his ministry and Church life.

When, therefore, the Sunday School organization is used to win souls it is being used for the very purpose for which it should. It is in line with the purpose of God and is profitable to the Church.

Our 52 Churches 674 baptisms for the past year, which is a loss of 20 over the preceeding year. We see from this that it took 26 of us one whole year to win one soul to Christ. Surely we ought to seek to lower that number this year.

All our Sunday School work progressed in a very fine way during the past year, but still we have not touched "the hem of the garment". There are still great multitudes to be reached; and it is hoped that in the coming weeks every member of every church and Sunday School in our Association will "Expect great things from God, and attempt great things for God."

Visitors were recognized by the Vice-Moderator, W. P. Biggerstaff, who was presiding while Pastor Suttle was attending to other duties. Visitors: Pres. Hoyt Blackwell of Mars Hill College, who brought words of greetings from the College. Rev. W. W. Rimmer of the South Fork Association.

"Satewardship in Our Christian Literature" Report was read by W. G. Camp. The subject was discussed by W. G. Camp. He introduced Editor L. L. Carpenter of the Biblical Recorder, Raleigh, N. C., who spoke to the Report. The Report was adopted along with a motion: That the Nominating Committee appoint a Biblical Recorder Representative for the Association, preferably a layman.

STEWARDSHIP IN OUR CHRISTIAN LITERATURE REPORT

Christian Literature is literature that breathes the spirit of Christ; Literature that inspires to a better life.

Reading helps to influence thinking; Thinking helps to form character; Character determines life; Life fixes destiny for time and Eternity. How vital then is reading to our happiness, our usefulness and our relationship to the will of God.

We of this Association have for our use the finest of literature. To be specific, first: the Holy Bible, which is a lamp unto our stumbling feet, The Biblical Recorder, Charity and Children, Home Missions, The Commission, Home Life, Royal Service, Ambassador Life, World Comrades and other worthy publications which time and space forbid naming.

Does your home receive a daily paper, a form journal or a popular magazine? Maybe these, of the second list, you ought to read but certainly—as a Christian and a Baptist—you ought not to leave those of the first list unread. Surely every Baptist will want to read at least some of them.

For 25 cents you can get our Home Mission publication one year, 50 cents brings the Foreign Mission Journal and \$1.20 brings our own Biblical Recorder one year to every resident family in the local church. Wont you see that your church takes advantage of this liberal offer and plan to send the Biblical Recorder to each home.

The report of the "American Bible Society" was presented and discussed by A. M. Kiser. The Report was adopted.

THE AMERICAN BIBLE SOCIETY REPORT

The world must have the Bible if it is to be "One World". Jesus Christ is the one hope of men and nations . . . and The Bible is the one primary source of knowledge of Christ. In every missionary advance the Bible goes forward first. The Bible itself is missionary. It can go where the human missionary cannot go, stay when he must leave and keep on working in man's heart. Therefore, giving the bible to the world is a missionary task. Every man must have the Bible in his own native language if the message of Christ is to speak effectively to his heart. Someone must translate the Bible into his language, print it, and send it to him wherever he lives. Since most people in the world are too poor to pay the cost of books, some-

KINGS MOUNTAIN BAPTIST ASSOCIATION

one must help those who can pay only part of the cost and those who cannot pay at all. The American Bible Society, supported by gifts, print it, and serve as that "someone". As a missionary organization, it aides in Bible translation, publishes the Scriptures without note or comment without profit and usually below cost.

During 1946 the Bible Society distributed at home and abroad over 11 million volumes of Scriptures; sent to Japan more than 1-3 million Gospels and more than 1-3 million of the 2 1-2 million New Testaments requested by Japanese Christian Readers; shipped to Germany over 1 million Scripture volumes and 205 tons of materials for a self-help plan by which German people and the German Bible Societies will do the printing of at least 1 million Bibles.

Southern Baptist can lead in providing ENOUGH Bibles for world need NOW. In 1946 Southern Baptist gave \$130,550 to the American Bible Society; total gifts were \$1,119,845. Increased gifts from Southern Baptist will help provide enough now and will multiply their value by inspiring others to give. Please send gifts to the Baptist state office, marked "for the American Bible Society". North Carolina gave last year \$6,500. A world-wide missionary advance waits waits only for needed funds.

H. A. Privette of the Calvary Baptist Church read the Report on the Radio Commission of the Southern Baptist Convention. Report Adopted. On Motion: That the Association make plans to broadcast Religious Program on the Local Radio Station, to purchase time and that a committee be appointed. The motion was passed and referred to the General Board.

REPORT OF THE RADIO COMMISSION, S. B. C.

The youngest agency of the Southern Baptist Convention is The Radio Commission, S. F. Lowe, Director, with headquarters at 427 1-2 Moreland Avenue N. E., Atlanta, Georgia.

Since 1941 the Radio Commission has broadcast the Baptist Hour for at least three months every year, with two three-months periods in 1946. The Baptist Hour programs in April, May and June 1947 were evangelistic and designed to promote all that Southern Baptists are doing in the field of evangelism. These programs also supported Dr. C. E. Matthews, Secretary of Evangelism. The Home Mission Board, in launching his program to enlist one million Baptists to pray daily for a spiritual awakening. .

The Radio Commission has launched two new services during

KINGS MOUNTAIN BAPTIST ASSOCIATION

the past year. First, a special transcribed program is being provided for use in Government hospitals. It is a daily devotional designed to meet the spiritual needs of sick service men. Forty-seven hospitals are using them and others are asking for them. The Commission is seeking to meet this growing opportunity.

Second, the Radio Commission is launching a transcription service to local churches through which plan a good two-speed record player that can play both phonograph and radio records and which retails for \$150.00 is offered to churches for \$100.00. The radio records are made available to churches in packages of four records per package on a rental basis of \$4.00 per package which includes cost of express, packing, processing and programming. Churches are already using these records in B.T.U., Sunday School, prayer meeting, in church after Sunday school on days other than "preaching day," and in hospitals and other institutions in the community. This promises to be one of the best services of the Commission.

The record library of the Commission is available for use over local radio stations. Hundreds of stations broadcast some of these programs during the current year, with 93 stations airing a series of programs on the Christian home during Christian Home Week of this year. These records are available free for broadcast over local radio stations, though there is a modest rental when the records are used in the local churches.

The Commission cooperates with other agencies in the Convention in broadcasting desired by the agencies. During the current year in response to the Y.W.A. Dept. of Woman's Missionary Union, the Commission arranged for the broadcasting of the series entitled "All Aboard for Adventure," over 27 stations. Currently it is cooperating with the Home Mission Board in airing the Good News Hour over 67 stations, and with the Executive Committee, S.B.C., in broadcasting "THE PROVE-ME HOUR" over approximately 150 stations, and with the Baptist Brotherhood in arranging for the broadcasting of a special program over 100 stations on Layman's Day, October 12.

During the meeting of the Southern Baptist Convention in St. Louis the Commission broadcast two television programs.

The forecast of able radio leadership is that by 1950 television will be broadcast on a national scale. What will Southern Baptists enable their Radio Commission to do about preparing to use this new and most effective medium of mass communications

The FM Station is the new type of station which will make it possible for Baptist institutions and local groups to own and operate stations for the glory of the Lord.

Radio—this modern method of communicating the gospel to the

KINGS MOUNTAIN BAPTIST ASSOCIATION

masses of people in this critical period of world history offers Baptists an unprecedented challenge. What will be their response?

After the Sermon, further instructions were given as to how to obtain the lunch, by pastor Suttle.

Rev. J. L. Jenkins of the Boiling Springs Baptist Church led the closing prayer and returned thanks for the Noon Meal.

Adjourn for Lunch.

THE FRIDAY AFTERNOON SESSION

For the beginning of the Afternoon Session the Hymn "To The Work," was sung.

The Devotional Message was brought by Rev. N. S. Hardin of the New Buffalo Baptist Church. The Scripture, Matt. 11-22. His subject: "A Full Surrender."

The Report on Public Morals was prepared by Jesse Blalock, Pastor of the Patterson Springs and Zoar Baptist Churches, but he was not present, having been called away at this time. Pastor O. S. Long of the David Baptist Church read the Report. It was discussed by Rev. R. M. Hauss of Shelby, N. C. Who is a Methodist Minister and a representative of the Allied Church League of North Carolina. The Report was adopted.

THE REPORT ON PUBLIC MORALS

None of us liveth to himself, and no man dieth to himself. The life of the individual affects the life of the community. Private morality becomes public morality. The conditions of society which affect us are very important.

"J. Edgar Hoover" of the F.B.I. tells us that one out of every 17 persons in the United States is a criminal, and that 200,000 persons will commit murder before they die. The cost of crime in this country is \$15,000,000,000 annually. Major crimes are committed at the rate of one every 22 seconds. Crime is one of America's major problems."

Does it not then behove us as Christian citizens to stand against and do all in our power to eradicate the evils of society which confront us?

There is juvenile delinquency which is largely the result of parental delinquency. Many fathers and mother seem to feel no responsibility for the proper care, training, and protection of their children. Children adrift in an evil and merciless world become an easy prey to all kinds of evil while parents are having their fling and ending up in divorce courts and behind prison doors.

Gambling is prevalent in our land to an alarming degree. Pres-

KINGS MOUNTAIN BAPTIST ASSOCIATION

sure increases to legalize gambling on a National scale. Gambling begins in matching games, at card parties and soda fountains and goes to the base ball and football games and on into the professional gambling houses.

The liquor traffic is perhaps the outstanding menace to our nation today. Out of it grow almost all the other evils which beset us. Parental neglect, Juvenile crime, divorce, rape, murder, mob law and other evils too numerous to mention. It is a breeder of disease; a breaker of homes; a dethroner of reason; a companion of war; a co-worker of the devil. It makes immortality more alluring. It inflames the passions of its devotees to indulge in all the ogeries conceived by the mind of satan. It destroys the Soul. "At last it bieveth like a serpent, and stingeth like an adder."

We could mention many other things which affect our public morality but deem it unnecessary. We do call upon all our people as individuals and citizens to get whole heartedly behind every movement undertaken to eradicate the evils which are prevalent among us.

JESSE BLALOCK, Committee

The association by motion instructed the General Board to see that Petitions are prepared at once, and put in the hand of the churches to have the required number of qualified voters sign, and presented to the County commissioners so that an election can be called to vote beer out of the County. The Motion was passed.

The Report on "Relief and Annuity" was read by Professor S. O. Trentham of Gardner-Webb College. It was passed upon as read.

THE REPORT ON RELIEF AND ANNUITY

Believing that God intended that "They who preach the gospel shall live of the gospel" (1 Cor. 9:14), and "If a man makes no provisions for his own relations, and especially for his own household, he has disowned the faith and is behaving worse than an unbeliever" (1 Tim. 5:8, the Southern Baptists have made provisions for those who spend their lives in the service of our Lord. The Relief and Annuity Board of the Southern Baptist Convention is intended to help the churches and schools of the Convention take care of employees provided the employee and the school for which he works is willing to participate in its plan. It enables the church or school, in case a preacher or teacher breaks down physically or becomes too old to work, to retire that employee with a clear conscience.

The Southern Baptist Convention created the Board of Ministerial Relief and Annuities in 1918. The first annuity certificate was issued in July 1919. Mr. John D. Rockefeller has been a great donor to the

KINGS MOUNTAIN BAPTIST ASSOCIATION

annuity funds. From time to time improvements have been made and the Plan given added security. Any employee from the minister to the janitor of any Baptist church may participate. The employee pays 4% of the actual cash salary he receives but not on a salary larger than \$4,000.00 per year. The church pays 4% of the salary it pays employees. The church may put this 4% into its buduget or it may have a certain day in the year set aside to raise the entire sum. The budget method seems to be the better method. Payments should be made monthly or quarterly. The Convention then pays \$18.00 per each full time pastor or other employee. An employee may retire at the age of 65 years or earlier if he is totally disabled. He may continue to hold meetings and preach after retirement at 65 years and still get his annuity. Those who retire in 1941 will receive an amount equal to 25% of their average annual salary (after 33 1-2 years service) and a somewhat smaller amount if their term of service has been shorter than this. Each year the percentage of the average salary will be greater until pastors retiring in 1956 will receive 50% of their annual average salary. After the amount of retirement salary is set it does not increase, although there are certain provisions whereby a person rereiving a very small amount may have it increased as much as \$72.00 per year when set.

Interested persons may receive further information about this important matter by writing Mr. M. A. Huggins, Biblical Recorder Building, Raleigh North Carolina. The present assets of the Board is \$10,000,000 by 1956 ten years hence \$25,000,000 and in 1968 (the fiftieth year of operations) these assets shall have reached \$40,000,000. There are now more than 13,000 ministers, missionaries and other workers sending their monthly dues. It is the hope of the board that 30,000 active ministers will be sending their dues in 1968.

This is a worthy enterprise of Southern Baptists, so let us have faith in God and in our people believing that the future has much in store for our aged and incapacitated workers. Let's remember the words of Longfellow,

"Build today, then, strong and sure with a firm and ample base,
and ascending and secure shall tomorrow find its place."

S. O. TRENTHAM

LAWRENCE ROBERTS, Clerk

IN MEMORIAM

The Rev. D. F. Putnam age 77, a native of Cleveland County, who went away from us to the Great Beyond Sunday, September 14, 1947. Who was able to continue at his task to the end, but for only a few days of illness, before his going.

At the time of his death he was pastor of the Temple Baptist Church of the Kings Mountain Baptist Association which was located in Kings Mountain, N. C. The Sunday School building had been completed a year ago. Bro. Putnam along with the members of the Church had materials on the ground and was to begin the work the day that he was stricken on the auditorium.

During his period of efficient ministry for 50 years and more he served 43 different Baptist Churches in the State. Much of this time was spent in State Mission work in different parts of the state. He was licensed and ordained to the full Gospel Ministry by his home Church, the Zion Baptist Church in this County.

Brother Putnam was a builder of churches from the very beginning of his ministry. He remodeled and completed more than 20 churches. In the last ten years of his work he organized, financed and completed three new Churches and was interested in others in the Kings Mountain Association. These Churches are David, organized 1938, Polkville 1940 and Templee 1945. He was outstanding as a

KINGS MOUNTAIN BAPTIST ASSOCIATION

builder, financier, a thorough worker in evangelistic and missionary effort.

In the passing of Brother Putnam and his ever faithful companion, Mrs. Elizabeth Spangler Putnam, whom he married in 1896 and who preceded him in passing some three years; we have lost two tireless and fearless workers of the Kingdom interest.

To the members of the Temple Baptist Church, his first love, his children, grandchildren, his brothers and friends, we wish to express our deepest heartfelt, sincere sympathy and good-will in the home going of your parent and pastor friend.

LAWRENCE ROBERTS

(The Committee appointed by the General Board of the Kings Mountain Baptist Association, September 22, 1947.)

KINGS MOUNTAIN BAPTIST ASSOCIATION

S. LESTER ROBERTS, AGE 76 — DIED MARCH 9, 1947

Brother Roberts joined the Elizabeth Baptist church when around sixteen years of age, and remained a true and faithful member until death.

In the early days of his manhood, the churches of the Kings Mountain Association had as their policy, church collectors for the purpose of securing funds for the pastor's salary and for missions. Brother Roberts was appointed by his church as collector; a position he held as long as the churches used this method.

He served long and faithful as a committee on church discipline. The purpose of this committee was to keep check on the conduct of the members. He was vitally interested in associational affairs, and for a period of fifty years Brother Roberts was found among the few who are privileged to attend the annual association for such extended number of years. Most of the fifty years in which he attended the sessions of the Kings Mountain Association, he represented his church as messenger.

He served as a member of the general board, from its organization to within a few months of his death.

Brother Roberts was a man of profound conviction and spoke out for the right as he saw it, for his family, community, and for his

KINGS MOUNTAIN BAPTIST ASSOCIATION

church. In the last years of his life, he represented the Biblical Recorder in the interest of his church and lived to see it develop from less than a dozen subscriptions to the family plan, and finally, he saw the Recorder placed in the church budget.

We recommend, that a copy of this resolution be sent to the family, that a copy be printed in the Associational minute, and that a copy be sent to the Biblical Recorder.

Respectfully Submitted,

ADDENDA

The Ross Grove Church entertained the Association in 1920 and for the Second time October 23, 1947. There was in attendance at Ross Grove a large crowd of messengers and visitors. Estimated to be 1500.

One outstanding feature of the Ross Grove was the organ music, chimes and loud speaker arrangement.

The Second Day was held at New Bethel Church. This was the sixth time for the Church to entertain the Association, 1852, 1862, 1887, 1908, 1932 and 1947.

There were at least two persons that had attended four sessions of the association at New Bethel, G. C. Hord a member of the church and D. M. Weatherspoon of the Gaston association. S. L. Dellinger has attended five sessions.

Moderator Suttle was elected at New Bethel session to become the moderator for the thirty-sixth consecutive year. Also he is serving the church as her pastor for his thirty-sixth year.

The Associational year closes September 30th., each year, and all Church Letters should be sent to the Clerk promptly. According to Churches, an amount equivalent to 7% of the Pastor's salary, should be the Action of the Association as to the Financial support by the be to the Treasurer for this work.

It is a pleasant benediction to have the joy and pleasure of serving such a fine and congenial group of Pastors, Sunday School Superintendents, Clerks and Treasurers along with all fine workers and members of the fifty-four Churches of the Kings Mountain Baptist Association. May the Lord richly reward you for your Christian services in helping make this report possible.
