*Proceeds Provide Scholarships, Technology and Other Programs for Students*

BOILING SPRINGS, N.C.—The North Carolina specialty license plate program through the Department of Motor Vehicles (DMV) allows supporters of Gardner-Webb University to display school pride while providing financial support to GWU.

Gardner-Webb receives \$15 for each purchased plate, and those funds are designated for the GWU Priority Fund. From scholarships to study abroad opportunities, technology and lab equipment as well as athletic scholarships, the 2020 Priority Fund will ignite Gardner-Webb's growth and provide opportunities for students. It will ignite a clear vision for the future at Gardner-Webb.

For every year that a driver keeps the GWU specialty plate, Gardner-Webb receives \$15 back from the additional fee, which will be designated for the GWU Priority Fund.

Ordering a plate is simple:

- The plates are available through any DMV office in North Carolina or online.
- The cost is an additional fee of \$25 added to the annual registration fee.
- For an additional fee of \$55 in addition to the annual renewal, drivers can personalize the specialty plate with a particular message, such as a class year.

*The Gardner-Webb 2020 Priority Fund supports a clear vision for Gardner-Webb's future by providing for student scholarships; high impact learning opportunities; specialized equipment for labs and research; athletic scholarships; performing arts; and Christian service work. Donations to the fund also enable Gardner-Webb to bring the performing arts to audiences around the region and maintain the picturesque 240-acre campus. Your gifts ignite the University's path to a bright tomorrow. [Learn more about the fund.](#)*
