Students 'Fill the Hill' at men's soccer game

On Tuesday night, September 29th, men's soccer suffered a devastating 0-4 loss against Clemson. However, throughout the game, they were supported by a large community of students in an attempt to "Fill the Hill" with specific shirt colors representing their student class. Seniors in black, juniors in red, sophomores in grey and freshmen in white.

After the game, everyone gathered around as Neil Payne, Associate Minister to the University for Student Ministries, led the students and athletes in a prayer over the team and athletics as a whole.

Below are some of the photos from the game by staff photographer Megan Hartman. To view all of the photos from the game, [click here](#).
