

Critical Analysis: Red, White and Royal Blue

A positive change in queer representation

By: Hannah Early

Queer representations in media are oftentimes depicted through societal stereotypes and used as a tool to gain attention.

- Hypersexualization
- Overly Feminine Gay Men
- Butch Lesbians

Given the preconceived notions, the film adaptation of *Red, White and Royal Blue* challenges the common perceptions of queer couples and individuals that are presented in media, breaking away from the inaccurate and stereotypical portrayals that are still prevalent in many modern media platforms.

Acceptable representation on
Media

- ← Heterosexual
- ← White

Non-acceptable
representation on media
Gay/Queer/Homosexual →

When things deviate from the so-called norm, it draws viewers in...

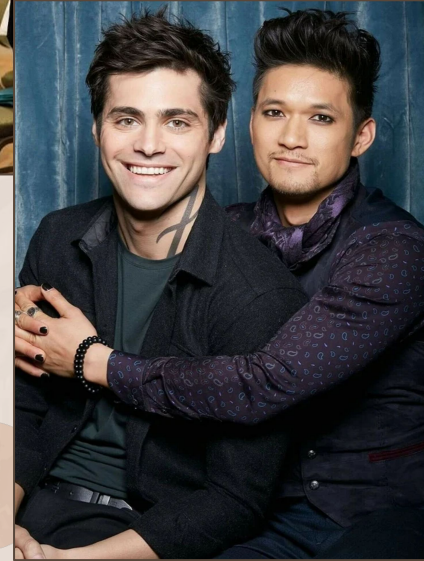

...but the new 'norms' reinforce pervasive stereotypes of gay men

The portrayals of white and overly feminine queer men became the *acceptable* gay representation

But were now starting to see some breaking up of the stereotypes - getting more inclusive

A watercolor illustration on the left side of the slide. It features a green ceramic cup sitting on a stack of three books (two red, one blue). A quill pen is tucked into the books. Behind the cup is a piece of light brown paper and several green leafy branches. The background is a light beige textured paper with scattered pink heart-shaped leaves, green leaves, and brown circles.

A Positive Change

"Queer cinema ultimately can
normalize queer relationships
in popular culture"
– Katelyn Thomson

Red, White and Royal Blue

Historically:

Common
Stereotypes in terms
of Character types

Progressively:

Plot does not revolve
around their sexuality
or Coming-Out
(Queerness is
secondary).
Interracial
complexity.

Main Focus:

Individual Identities
Royal Titles (actual
conflict)

What the Film Actually Does

Emotional Relationship

Personal Lives + Public Personas

Physical Relationship → Emotional Relationship

0:40:09

0:55:20

Coming Out Plot → Personal Lives and Public Personas

*Alex
Presidential
Re-Election.*

*Henry
Royal Family
Duties*

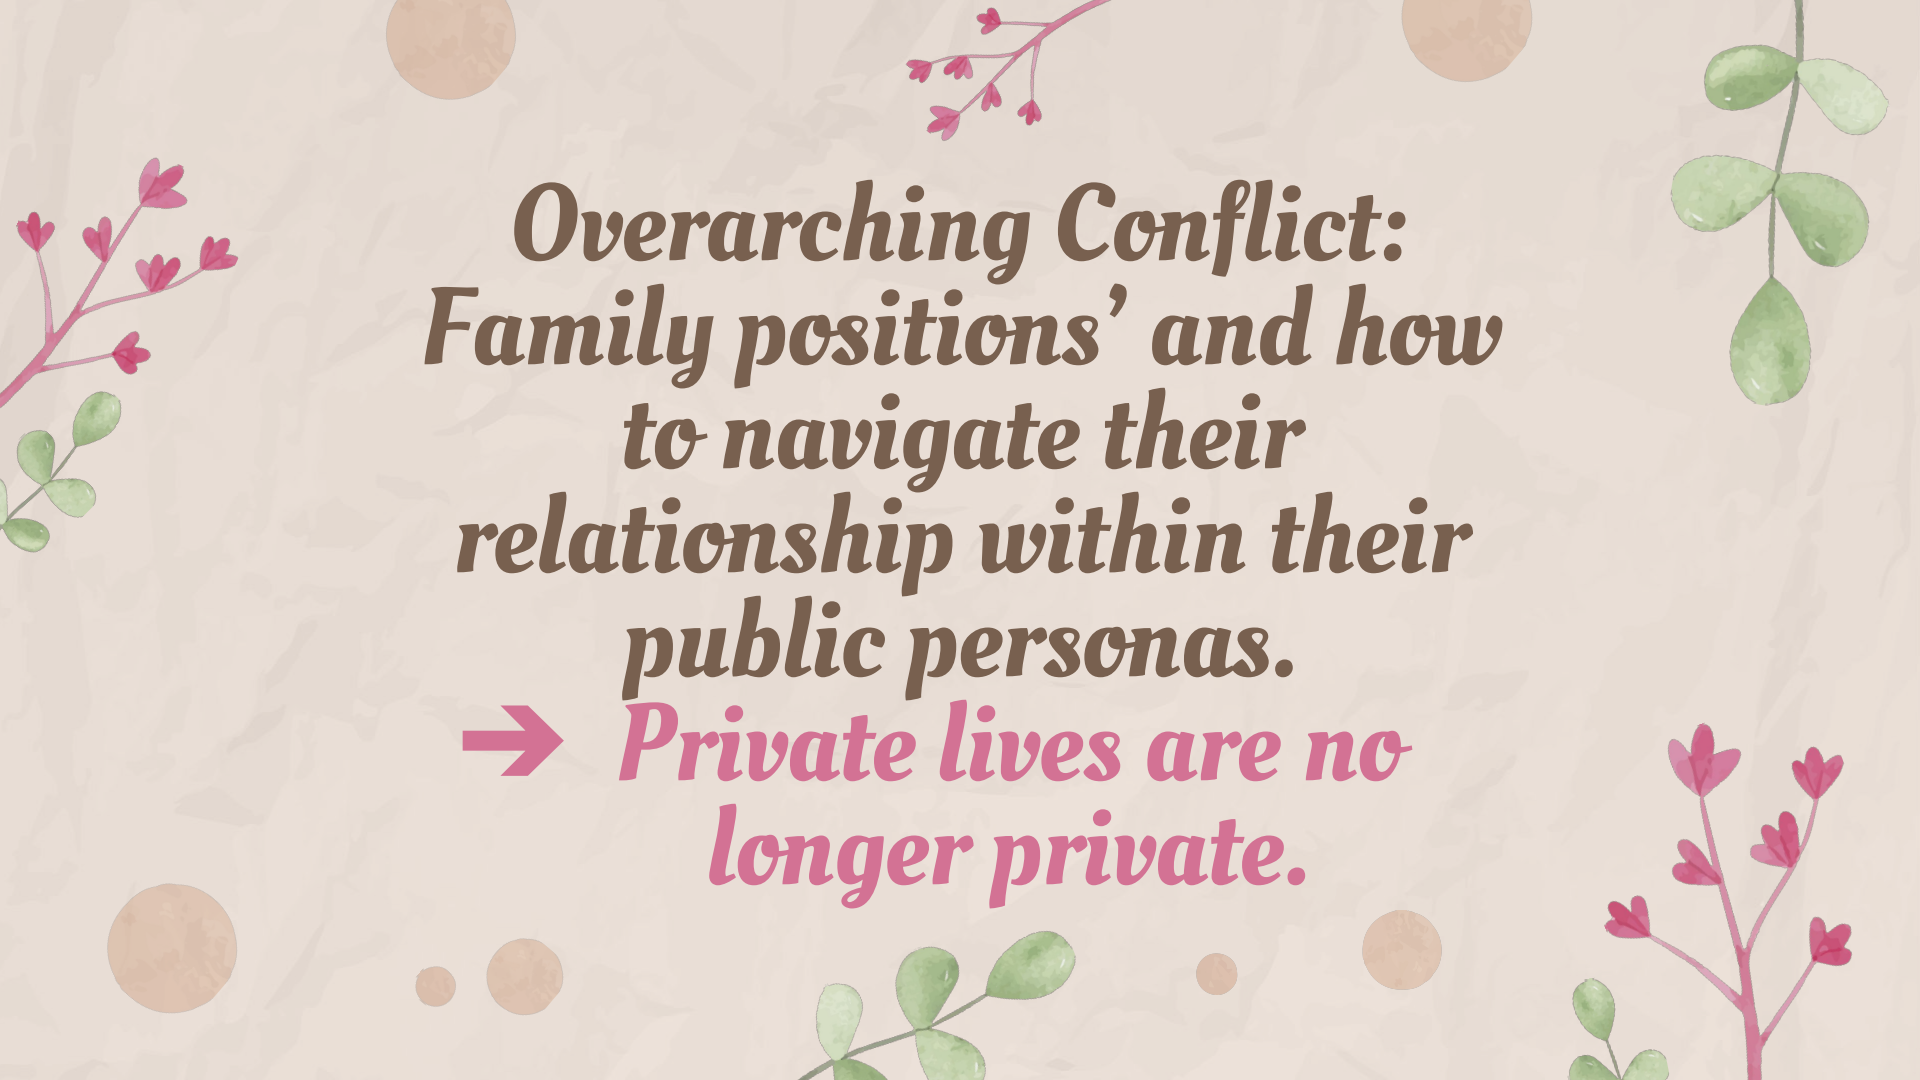

0:48:40

“He [Henry’s Grandfather] sat me down on my 18th birthday and told me not to let any selfish desires I may be harboring reflect poorly on the crown.”

—Henry Fox

***Overarching Conflict:
Family positions' and how
to navigate their
relationship within their
public personas.***

***→ Private lives are no
longer private.***

“We’ve struggled everyday with what this means for our families, our countries, and our futures.

And while neither of us is naive about what it means to be a public figure, we never imagined our most private and intimate thoughts and fears and truths would become fodder for public examination.”

-Alex Claremont-Diaz

1:34:45

There is not a single plot that encompasses the whole film, much less a plot centered on their sexual identities. The film develops Alex and Henry's relationships while also giving them their own individual identities.

Red, White and Royal Blue creates a well-rounded and entertaining story that defies common homosexual stereotypes and serves as an effective example of queer representation.
