# 2:40 - 4:10

## metonymy **noun**

me·ton·y·my

mə-'tä-nə-mē 

### plural metonymies

: a **figure of speech** consisting of the use of the name of one thing for that of another of which it is an attribute or with which it is associated (such as "crown" in "lands belonging to the crown")

What does  
this all mean?

Audio from university marching band member during Observation #2, the full band rehearsal
