Annual Last Blast Event

This past Thursday, April 27, Student Activities hosted the annual Last Blast event in the Tucker Student Center at 5 p.m. Last Blast is an opportunity for students to come out and enjoy free food, games, and other activities.

This year, the event included two inflatable game arenas, an animal balloon station, a temporary tattoo station, and a chance to get a monogrammed water bottle. The first 200 students also received a free t-shirt.
