# Interview with "Moon Knight" Cinematographer Andrew Droz Palermo

GWU student and film critic Thomas Manning recently interviewed cinematographer Andrew Droz Palermo about his work on the Marvel Studios series *Moon Knight*.

Over the course of this 20-minute conversation, Palermo speaks about the challenges of working with a visual style that relies so heavily on reflections, the on-location filming in Budapest, and capturing Oscar Isaac's idiosyncratic performance. Check out the discussion below. (Spoiler warning for the first four episodes of *Moon Knight*).

**Official Synopsis:**

When Steven Grant, a mild-mannered gift-shop employee, becomes plagued with blackouts and memories of another life, he discovers he has dissociative identity disorder and shares a body with mercenary Marc Spector. As Steven/Marc's enemies converge upon them, they must navigate their complex identities while thrust into a deadly mystery among the powerful gods of Egypt.

*Moon Knight* airs weekly on Disney+ beginning March 30, 2022.
