Office of University Communications

March 15, 2012

In this third episode of “Pop Up Politics,” Dr. Ben Gaskins, a professor of political science at Gardner-Webb University, discusses the likelihood that a same-party candidate could run against a president up for re-election in the primaries, giving examples of times where this has happened in the past. Stay tuned for more episodes of Gardner-Webb’s “Pop Up Politics” throughout the election 2012 season.
