# Gardner-Webb Offers Second COVID-19 Vaccination Clinic on Sept. 17

BY OFFICE OF UNIVERSITY COMMUNICATIONS ON AUGUST 26, 2021

## N.C. Dept. of Health and Human Services Strongly Encourages Students, Faculty and Staff to Get Vaccinated

BOILING SPRINGS, N.C.—The Gardner-Webb University Office of Student Development will offer a COVID-19 Vaccination Clinic to students, faculty and staff on Sept. 17 from 9 a.m. to 4 p.m. at the Student Health Clinic, 148 Memorial Drive.

Those who are interested should fill out this [form](https://gardnerwebb.az1.qualtrics.com/jfe/form/SV_bq2YV4nLvAyXLU), ([https://gardnerwebb.az1.qualtrics.com/jfe/form/SV\\_bq2YV4nLvAyXLU](https://gardnerwebb.az1.qualtrics.com/jfe/form/SV_bq2YV4nLvAyXLU)) and a staff member will contact them with further information as the dates approach.

As a reminder, COVID-19 vaccinations are not required for students to return to campus, though a vaccination is strongly encouraged. With the broad availability of effective vaccines, Gardner-Webb will

operate this fall with the expectation that students will make the individual choice on how to protect themselves, their families, and our campus community.

More information related to COVID-19 procedures is available [here \(https://gardner-webb.edu/community-update-fall-2021-updates/\)](https://gardner-webb.edu/community-update-fall-2021-updates/).

*Located in the North Carolina foothills, Gardner-Webb University is a private, Christian, liberal arts university. Gardner-Webb emphasizes a strong student-centered experience and rigorous academics to prepare students to become effective leaders within the global community.
